include Section Writers in the classes coming within the
operation of the Pension Rules, in all cases where the
office was shewn to be fixed or permanent, or if shewn
as temporary, where it has continued for a series of
years and been afterwards incorporated with the fixed
Establishment.
States also that the Section Writers referred to in the letter

order of Govt. under reply, are apparently Servants
entertained only temporarily, and that such Service does
not entitle to Pension at this Presidency under the
order of Govt. dated 16th Dec. 1837.
