995 Acknowledging the receipt of 10 Copies of Dr. O'Shaughnessy's report on the investigation of real & supposed cases of poisoning —

Prays to be informed of the decision of the

996 Honorable the Court of Directors on the Memorial of her late Husband soliciting a full pension and a Retirium for the services rendered by him to the British Government also that a small pension may be granted to her as a special case.

Stating that in the event of Government

997 establishing a College at Masulipatam, it would afford a fit opportunity for incorporating the proposed institution with that now maintained by the Society, that if this proposition be deemed impracticable soliciting a pecuniary grant for the support of the Schools established by the Society and suggesting a modification of the Post Office rule, so as to authorise the Native Civil & Military functionaries to frank letters connected exclusively with Literature from Societies at the Stations where they may be residing —

998 Reiterates his unwillingness on being convinced of the illegality of any portion of the Memo: of the 30th Nov. 1835 to propose its revision and trusts that the transmission of the papers recorded in the particular case in which the discussion originated will be no longer delayed —

It appears to him that Mr. Vincy is open
1030 to a prosecution for the part he has taken in
the Embarkation of certain Coolies to the Mauri=
tius in violation of the act XIV of 1839 and
that the circumstance of his having made
most of the Contracts, if not all of them,
for such embarkation at Pondicherry
does not preclude the Magistrate at
Cuddalore. Observations thereon:

1031. Reporting that they have sanctioned an
Indent for Stationery for the Mint Committee
for the year 1842, which exceeds the former
years supply and that the circumstance of the
increase is similar to that brought to notice
in their report A° 505. 16th instant.
