687	Memo: by the Chief Secry	"	29 do		29 Aug[t]	747 748
688	Presidents Minute	"	17 do		29 Dec[r]	752

Suggests that the great regret and displeasure of Govt be expressed for the disagreeable language used by both Parties, and that the Judge be desired to confine the 100 Convicts at the disposal of the Civil Engineer until the Hospital shall be finally completed.

No	Purport
685	Requests that the Secry to the Civil Fund may be authorized to draw his Salary until an advance made to him by that Institution be liquidated, and that subsequently Messrs Binny & Co may receive it till his return from absence on Sick Certificate.
686	Forwarding a Medical Certificate and requesting to obtain for him leave to proceed to Sea, for 8 months, for the benefit of his health.
687	Requests sanction for the entertainment for one Month, from the 26th Instant, of Two extra Compositors on a Salary of Rupees 20 each per Mensem at the Gazette Press for the purpose of printing the Documents referred to in the annexed Memo: from the Superintendent of that Press dated 21st Augt 1850.
688	Is of opinion that the Civil Engineer should have consulted the Judge at Nellore as to the number of Convicts that could be spared to aid in building the Civil Hospital before he applied to Govt on the Subject, and deems the reasons assigned by Captain D. Butts for not doing so, to be extremely unsatisfactory. On the other hand when the Judge received the orders of Govt he would have evinced a much less unfavorable feeling had he obeyed them and represented thro' the proper Channel, the omission that had taken place and the inconvenience to which it was likely to put him.
