The Court observing that there is a Contradiction
in the Evidence of Cummerah on the part of the Defend-
ant, as in one part of his Deposition he says that he did

do.

As to the Interpreter between the Complainant and Defendant about the Agreement of the Carriage of fourteen Casks of Liquor &ca, And in another part he says that no such particulars were mentioned, nor the Number of Casks Ascertained — The Examinent is sent for and being desired to inform the Court how the said Contradictions arose; Says that by the latter part of the Evidence meant to say that the Particular sizes of the Casks were not mentioned, it was only Agreed that the Defendant should Carry fourteen Casks and for which he was to have Freight at the rate of 1 Pagoda p Cask.

This Cause coming on to be heard and Debated this Day in the presence of the Attornies on both sides on Reading the Complainant's Bill, Joint an Account Current and Bill of Lading annexed, The Defendants Answer, The Application, The Rejoinder, The Interrogatories and Depositions on the part of the Complainant, One Exhibit on the part of the Complainant, — The Interrogatories & Depositions on the part of the Defendant — Two Exhibits on the part of the Defendant; On hearing the Pleadings made use of by the Attornies and due Consideration had thereon; It appearing to the Court that altho' the defendant did sign the Bill of Lading, yet it does not Appear that the said Bill of Lading was ever explained to the Defendant, who is ignorant of the English Language and could neither Read nor write, Nor does it Appear that he received from the Complainant any more than fourteen Casks and one Basket for which he received Freight As p Agreement at the rate of one Pagoda p Cask This Court doth therefore think fit to Order and Decree, & doth Accordingly Order and Decree that the Complainants Bill shall Stand Dismissed with Costs —

Rejoinder Read and filed.—

The Court now proceeds to take into Consideration the Charge alledged against Mr Robert Williamson one of the Attorneys of this Court as recited upon the Minutes of the 10th Instant which is now read.—

Summons issued against Daniel Shaw, Daniel Cryer, and Alexander Dugood returned served.—

Mr Daniel Shaw being duly Sworn deposes as follows—

To the best of my Recollection some time in the Month of May last John Donaldson came to my House and asked me if I would be his Attorney at this Place—I answered him that I understood Mr Williamson was appointed his Attorney—He told me he had appointed Mr Williamson and was very sorry for it, as he said Mr Williamson had led him into a very Religious Law Suit Contrary to his Inclination which gave him much Concern.—That Mr Williamson had promised him that in Case he should lose the Cause that he would Charge nothing for it, but would bear the whole Expence—That Mr Williamson since the Action was Commenced had Contrary to his promise drawn some Sums of Money from him under a Pretence that the Cause being decided by the Defendants making seperate Answers, had made the Expence treble what he imagined they would be, that he had got the ill Will of most of the Commanders at this Place, by means of this Action which he was led into—And that as Mr Williamson had

had deceived him, he did not choose to continue him any longer as his Attorney, and again requested that he would be his Attorney and he should have a third part of Mr Williamsons until the issue of the suit, that he might receive the Money for him in case the cause was given in his favor — He assented being his Attorney

Daniel Cooper being duly Sworn deposeth as follows.

Mr Donaldson being an acquaintance of mine informed me that he had commenced an Action against some Persons & asked him how he would be able to pay the Expences of the suit, he said he had no Money, and that the Attorney who took it in hand had promised to carry it on for him at his own charge, I told him that I did not believe him, and should not be satisfied until I saw the Attorney Mr Williamsons — Upon which he invited me to supper to Mr Williamsons House, As I supposed when I asked Mr Williamsons about the Affair who told me that I need be under no Apprehension for Donaldsons, as I should lose him nothing in case he lost all three Causes —

Question by Mr Williamsons

What time was it

Answer — I cannot recollect I believe it might be about four Months ago

Question — Have you ever been with Mr House before, or since that time —

Answer — I do not to my knowledge ever was —

Question — Had you any Particular Acquaintance with me before that time —

Answer — I had not

Question — Was any one present at the time —

Answer — I believe none but Mr Donaldson, I will not be certain whether Mr Dugood was or was not present at the time — He was there about that time —

Question — Do you know whether Mr Dugood or me spoke any thing

Nay —

Answer — He went in and out several times, and I observed to have none but Business with Mr Williamsons —

Alexander Dugood being duly Sworn Deposeth as follows

I was at Mr Williamsons House the Day that Cooper & Goldsmith and another Person were Arrested at the suit of John Donaldson — Donaldson seemed to be uneasy that Person of such Consequence were Arrested at his suit Mr Williamsons told him he was sure of gaining the Cause, but if it should not he should lose nothing —

Mr

Mr Williamson did afterwards, when Donaldson was not present, tell me that he would carry on the suit for nothing, if it were only to revenge himself on Isaac Goldsmith for not treating him like a Gentleman. —

Question by the Court. — Was you present at the time when any Conversation passed between Daniel Cryer and Mr Williamson on the Subject

Answer — I believe it was either that Night, or the Night following Daniel Cryer was at Mr Williamsons, when I believe the affair was mentioned, but I do not know what passed. —

Question by Mr Williamson — Was any Person present when you had that particular Conversation with me. —

Answer — I do not remember that there was any. —

The Court then call upon Mr Williamson to make his Defence, who delivers in the following Certificate, Letter, and Note of Hand. —

I do hereby Certify that I paid Robert Williamson Attorney by Order of John Donaldson the Sum of Four Gold Star Pagods as a retaining Fee for him to file a Bill of Complaint against Alexander Mitchell, Merchant and others in the Honourable the Mayors Court, which Money was paid before the said Bill was filed in the Court
