N.B. Mr. Mary Northey's Will not proved - yet her
Will will be found among the others for this
Year

To the Honble the Mayor's Court
at Madraspatnam.

The Humble Petition of
Michael Resurrection and Ursula his Wife which said Ursula is the Sister
and next of Kin of Bartholomew Rowlin late of Madras Inhabitant deceased.

Sheweth.

That the said Bartholomew Rowlin having departed this life
sometime in the Year 1764 without issue and without making any Will other
than a Paper Writing being found amongst his Papers said to be his Last Will and
Testament, which Your Pet^r cannot admit of the same to be, as such Writing is not the
Proper hand Writing of the said Bartholomew Rowlin, nor is his Name there to Affixed
of his proper hand Writing or wrote as the said Bartholomew Rowlin usually did
in his Life time, write and spell his Name as appears by a Number of Letters
ready to be produced to this Honble Court, and other Writings all Signed by the said
Bartholomew Rowlin, from these Circumstances Your Pet^r are induced to believe
that the Paper Writing now before this Honble Court is a forged Deed and a contrivance
only for depriving his next of Kin of the residue of his Effects in favor of Religious
Uses under the Management of Roman Catholic Priests which according to the
British Laws are Null and Void.

Your Pet^r further shew that they have produced this
pretended Will of the said Bartholomew Rowlin with the Translate thereof before
this Honble Court and cited the Executors in the said Will named to appear and
prove the same which they have Neglected.

Your Pet^r therefore Most humbly pray that as the Executors in this
said pretended Will have not appeared pursuant to the Citation
issued, that this Honble Court will be pleased to set aside this
pretended Will of the said Bartholomew Rowlin and grant
Your Pet^r Letters of Administration to the said Estate or make
such other Order in the Premises as to this Honble Court shall
seem Meet.

And your Pet^r as in duty bound shall Ever Pray.

Chas Bromley.

In the Name of God Amen I Thomas Taylor of Fort Saint George
on the Coast of Choremundel in the East Indies, Gentleman, though Weak in Body
yet being of sound and perfect Mind Memory and Understanding, do make
Publish and declare this to be my last Will and Testament. I resign my soul
to Almighty God hoping for Salvation through the Merits and Mediation
of my blessed Saviour Jesus Christ, and my Body to the Earth, and as for
such Worldly Effects as I now am, or may hereafter be possessed of, I give
devise and dispose thereof in manner and Form following (That is to
say) It is my Will that all my just debts and funeral Expenses be

such Monies and Effects as by the blessing God may be due and belonging to me
at the time of my decease, and that the customary Interest of this Country,
which is eight per Cent per Annum be allowed by my Executors from the time
my several debts have been contracted untill they are fully discharged, Item
I give devise and bequeath unto my ever dear and beloved Sister Jane Taylor
my eldest Sister all and singular the Monies Goods Chattels and Credits
and all my just debts both real and personal
which shall remain after my debts, Interest thereon, funeral Expenses, and
in general all other Charges have been fully cleared, But it is my Will and
Desire that all such Goods and Chattels, as soon as may be after my decease
be sold for the utmost they will produce and that the full and clear sum
arising therefrom be lent to my dearest Friend M^r Andrew Majendie in the
Service of the East India Company at Fort Saint George aforesaid, upon his Bond
at Interest of five per Cent per Annum, and that such Loan be made to him as soon as all
the Accounts of my Estate have been finally settled and adjusted - And it is my Will
and desire that such sum as shall be then so placed in his Hands at Interest
shall continue therein for the space of five Years, he paying or causing to be paid to
my said Sister Jane or her proper Order in London, yearly and every year the
Interest arising thereon, and at the expiration of the said term of five Years, it is
my Will that the principal Sum be paid by the said Andrew Majendie to my
Executors, and by them remitted to my said Sister Jane in Bills upon the East
India Company if the same can be obtained, if not in the best, but most particularly
the safest manner they can, And in case of the death of my dearest Friend
Andrew Majendie or his departure from India before the Expiration of the said
term of five Years, I direct my other Executors to receive from him or his Estate such
Sum of Monies as he may have in his Hands with the Interest due thereon
and I request my other Executors well as soon as may be after they have received
the same, remit the whole to my said dear Sister Jane, and follow
the methods I have already recommended for the Remittance of it, - And
in case my said dear Sister Jane shall happen to depart this Life before she
shall have fully received the Legacies I have bequeathed her, or they shall
have become due and payable to her, I give devise and bequeath all my
Estate which shall remain after such Decease of my dear Sister Jane, unto
all my dear Brothers and Sisters who shall be living at the time of her
decease to be divided amongst them share and share alike, That is to
say the Annual Interest is to be divided amongst them untill the Principal
shall become due and have been remitted to England, which is afterwards

Interest and Principal shall be made amongst My Brothers and Sisters only who shall be living when such dividends are due from time to time. It is my Will also that upon the Acceptance of such Bill or Bills as may be remitted to England for the payment of the Interest or principal, the same shall be deemed due and payable to my said Sister Jane, or my surviving Brothers and Sisters in case of her decease, although the said Bill, or Bills may not be payable by the Person or Persons on whom they are drawn till some time after they have been accepted, I do lastly make constitute and appoint my dear Friends Andrew Majindie, William Martin Goodlad and James Johnson all of Port Saint George aforesaid the Executors of this my Last Will and Testament, and hereby Revoke and disannul all others at any time heretofore made. I empower and Authorize my said Executors to constitute and appoint one or more Trustees to Act conformably to their directions and the Law, in the Administration of such part of my Estate as may be in Europe particularly in making the most advantageous Sale they can of my Estate known by the Name of Rockbrooke in the County of Dublin Ireland, if the same has not been already made agreeably to my former directions, I may have given for that purpose, and if my said Estate shall have been Mortgaged, to clear such Mortgage out of the Produce of its Sale, to receive from the Executors of the Will of my late dear Father, the proportion of his Estate which is due to Me, and finally to settle all my Affairs in Europe, and after deducting all Charges to remit to my said Executors the Net Amount of my Effects in Bills to be drawn by the Court of Directors upon their Governor and Council at this Presidency, if they can be obtained or otherwise in the safest Manner possible. In the Name of God, Amen.

I Richard Rose of the Town of Abingdon in Kent, now Acting as Lieutenant in the Honble Company's service in the East Indies being in perfect health of Body. I thank God, and calling into mind the Mortality of my Body and knowing that it is appointed for all Men once to die, Do make and Ordain this My Last Will and Testament, Appointing My Worthy and Generous friend Mr. Robert Dowsell Merchant at Cuddalore & Mr. James Hays Merchant at Trichinopoly to be My sole Executors.

I Give and Renounce My Soul into the Hands of

God to be Buried in a Christian Burial at the Discretion of My Brother Officers and Friends.

As touching such Worldly Estate it has pleased God to Bless Me in this Life I Give, Devise, and Dispose of the same in the following Manner & Form.

I Give and Bequeath to my true and Lawfull Wife Agnes Rose all my Effects, Monies, and every thing I am Possessed of, or that may be due to Me in any part of the World, Not doubting but her tender Affection for My + &c. or Son will induce her to take all possible Care of him that her Circumstances will Allow of. Poor Child I can only leave thee My Blessing, but I trust in God My Honored Father, or My Kind Sister, will take Care to see him Educated, and provided for; As for My Poor Wife I hope they will receive her for My sake, which I flatter Myself there is no fear of; I make no doubt that My Relations will Approve the form of this Will, as My whole Estate is but a Trifle and too little for a Widow. I would Gladly have left a few Legacies to some poor Relations, but Alas! These too little. As to My Loving Sister and Brother, I imagine they are handsomely provided for, by a tender and Affectionate father.

The Amount of the Late Lt. Greenwollers's Effects, which I Administered to, & lodged in Mr. Dowsell's Hands, at Request for his Friends, I desir'd may be remitted to his Brother Charles Greenwollers in London by the first opportunity, The Principal and Interest the 1st of October next, will be one thousand + &c. or fifty eight New Pagodas, thirty fanams, sixty four Cash / Or / 945.15 at 8 p. Cent Annuum from y^e 1st of April 1766 to October 1st 1767, for which I received Mr. Dowsell's Bond, and his promise of Remitting it as soon as possible.

I beg leave to Acknowledge Mr. Dowsell, as my Worthy and Affectionate Friend. I was hungry and he gave me Meat, Naked and he clothed Me, But for the same reason as I have given before, for not leaving some trifling Legacy as a mark of my Gratitude; I dare say his Generosity will induce him to excuse Me for; As I would Wish to Add rather than + &c. or ~~Repent~~ the small Pittance I have said, Taught, and suffered for, seven long Years, and altogether is scarce sufficient to pay for a sight of her Native Country.

I Declare this to be my Last Will & Testament, and do Revoke all other Wills and Testaments made by Me at any other time. Witness My hand and Seal —
