Letter from the Secretary to the President and Council to the
Register dated the 27th Oct. 1779 read as also an
Extract from the General Letter from the Honble the
Court of Directors to the President and Council dated the
25th March 1772 on the Subject of the Servants and
Dependants

Dependants of the Nabob being exempted from the
Jurisdiction of the Court. The Court having taken the
same into Consideration, enter the following Minute.
The Court are at all times well Disposed to support
the Views of the President and Council as far as it can be
done with propriety and Consistently with their
Duty to the Publick. It appears to the Court they
are not furnished with the Information necessary
to assist their forming a Judgment on the Subject
now offered to their Consideration, which they conceive
to be of very Serious importance to their Community.
The Court cannot enter into Political negotiations &
Interests any further than the Law has favored them
in granting Privileges under certain forms to particular
Characters for the Advantage of Public negotiations
and Concerns - and being invested with no Authority
to grant exemptions are of Opinion it may be
unadvisable and Answer no good purpose to take a
point into Consideration on which a Resolution
may not probably be Considered as forcible or any
ways binding on a future Court and which must
perhaps necessarily involve Serious inquiries into
the Nature of the Connection between the English
East India Company and his Highness the Nabob.
It appears therefore to the Court more eligible on every
account to postpone the Consideration of the Subject
now offered to their Attention and wait the Result
of

of the Reference to Great Britain, where they hope and
trust things will be put upon a proper footing and to the
Satisfaction of the East India Company and Publick
both with regard to his Highness the Nabob and with
regard to British Subjects in all their Just Claims and
Demands on him and his family and Servants
Ordered that the Register do wait on the President and
Council with a Copy thereof.
