Letter from the Clerk to the Court of Appeals to the Register Read Setting forth that Periemannum Arnachellum Moodeliar Dary Naik Moodeliar and Ayah Sawmy three of the Native Executors Named in the Last Will and Testament of Coombahvie Comaroo Corroniadam Deceased and Now Acting Executors of the said Deceased and Guardians of Annah Sawmy the Heir at Law to the said Deceased by their Attorney Paul Benfield of Fort St. George Esquire having prayed Leave to Withdraw their Appeal from an Order of this Court Dated the 27th Ultimo and that the Honble the Court of Appeals having Consented thereto

The Conduct of the Attornies Mr. John Sykes and Mr. Edward Ellis being taken into Consideration — The Court deem it highly irregular and improper and do Order that they be severely Reprimanded and Cautioned against such Conduct in future and that a fine of Fifty Pagodas be Levied on each Attorney

Mr. Alderman Roebuck Dissents to the Resolution of the Court

Since I am Singular in my Opinion on the Subject brought before the Court this day I look upon it as a duty I owe myself to put these Reasons on Record which have established Me in that Opinion

I do not think there is any irregularity in the Conduct of the Attorneys

1st. Because

There is evidently from the Petition now before Us an irregularity in point of Law in those Proceedings on which the Court gave their Decree in favor of the Prosecutors and that irregularity was committed with Open Eyes — The Will being proved the Prosecutors could have no difficulty in Naming the whole of the people who by the Law in this Case must be considered as Defendants. And the present Managers of Comarro's Estate and Guardians to the Heir shew in their Petition that they could not Reply to any Bill because they were neither Summoned to the Court nor Suffered to interfere in the Management of the Estate

2dly. I think the Estate now under requestration stand in a particular Situation Because the Various attempts were made for a considerable period to Sell the property now Sealed those Attempts were frustrated by Mr. Douglas's Petition and as it appears by the Petition that Mr. Douglas's Mortgage was Relieved by the private property of the Petitioners who Represent that they consider themselves with respect to their property in Mr. Douglas's Situation and State Reasons why they can not produce Original Papers in Court. If this Court considers itself a Court of Equity I think it is a matter of considerations in whom the first right to this property is vested

3dly. Because If in the 1st. point I have stated the Court as a Court of Equity chuse to overlook any Law irregularity committed

committed by the Prosecutors they ought to adopt the same Idea of Equity In the 2d. point of view in which I have placed this Cause, And I think ought to go farther by imitating the Courts of Equity at home, and not allowing the landed bequested Property of a Minor to be Sold in a period of public Distress when it cannot fetch its full value and when the Petitioners have pointed out assets which they assert are sufficient to pay the Demand and which the Executors who answered Fangay Chengleroys Bill have made Affidavit were Sufficient

4thly Whether the Petitioners have or have not a right to Appeal upon the Decision of the Court relative to the Contents of the petition they clearly have right to Appeal from the Order of Court which fines them in Double Costs Nor can the Court in this Stage of the Business know what are the Contents of this Petition of Appeal

Adjourned to Tuesday the 17th Inst. at 11 oClock in the Forenoon.

Court of Appeals
at
Madraspatnam } Thursday the 3d October Anno Domini
1782 —

Between Tanguy Chinglerroy Moodelly Administrator of Cotta-
paukam Mootiah Moodelly Deceased — Complainant and
John Snow and George Maule Executors Named in the last
Will and Testament of Poombahvie Comaroo Corronadum Deceas
Defendants —

Serremanum Arnachellum Davy Naick and Ayah Sawmy three
of the Native Executors Named in the last Will and Testament of the
above named Poombahvie Comaroo Corronadum Deceased and Now
Acting Executors of the said Deceased & Guardians to Annah Sawmy
the Heir at Law to the said deceased by their Attorney Paul Benfield
of Fort St. George Esqure Appellants —

The Petition of Appeal in the above
Cause being Read as above together with the Decree of the Honble the
Mayors Court in this Cause on Tuesday the 27th day of August Anno
Domini 1782 upon due Consideration had of the Matters severally contained
therein — This Court doth think fit to Order and doth accordingly Order &
that the said Petition be dismissed —

This Court has agreed on the above Judgment for the
following Reasons —

The Petition now before the Court is supposed to be from
two of the Executors of the Estate of Poombahvie Comaroo Corronadum and their
Guardians of Annah Sawmy his Heir at Law by their Attorney Paul Benfield

The Prayer of the Petition is for the interference of this Court to restrain
the Sheriff from granting Bills of Sale of certain Premises sold or from proceeding
further —

The Petition states that the Petitioners conceive themselves aggrieved
by an Order Sentence or Decree of the Honble the Mayors Court bearing Date the
27th August last and therefore did on the 7th Instant file a Petition of Appeal
in this Court praying a Reversal of the Order Sentence or Decree of the Mayors
Court & praying that the Sheriff be restrained from proceeding in the Sale of the
Premises Seized upon by virtue of Writ of Execution issued out of the said Mayors
Court —

It Appears by a Certificate Signed by the Register of the Mayors Court
that a Petition of Appeal from the Order passed on a Petition filed the 27th of
August in the Cause of Tanguy Chinglerry Administrator of Cottapaukam Mootiah
Moodeliar against John Snow and George Maule Executors of Poombahvie Comaroo
Corronadum was on the 6th Instant Withdrawn by the Attorney who filed it & that
the Appeal lodged again in the said Cause on the 7th Instant has neither been
Signed nor lodged by any of the Attornies of the said Mayors Court as was
constantly the Practice —

It Appears by the Petition of Appeal so lodged on the 7th
Instant and which states the Case that the Relief now prayed for is in the Cause
and from the Order mentioned in the Register's Certificate & from whence an Appeal
was on the 6th Instant withdrawn by the Attorney who filed it —

It is no doubt unusual & perhaps irregular that a second
Appeal in the same Cause should be lodged after withdrawing the first, It
has been no doubt the Practice that Appeals should be lodged by the Attornies
of the Mayors Court —

To induce this Court to Admit the Second Appeal it is suggested that the Mayors Court thought proper to Adjudge the first Appeal which was lodged on the 2d. Instant to be irregular and to threaten to dismiss the Attorney who lodged the same for so doing and who afterwards under such menaces without the authority or Concurrence and against the consent and in violation of the Rights of the Petitioners, withdrew the Appeal of the Petitioners notwithstanding which the said Attorney was by the said Mayors Court severely censured and fined on account of which Proceedings the Petitioners cannot procure a Solicitor or Attorney at Law to prefer their Petition and Appeal and therefore praying that the same be admitted under the Signature of the said Petitioners Attorney Paul Benfield and that a Solicitor or Attorney at Law be Ordered to appear for them at the hearing.

An Attorney did accordingly appear and the Petition was read and spoken to, But before this Court could with propriety determine upon the assertions it contained, it might have been proper that they should have been proved to the Court upon full Affidavits and if so proved It would have been Right to Strengthen themby others tendering to shew the Necessity of the immediate & extraordinary interposition of this Court which might countervail the presumption arising from the Circumstances attending the Rejection by the Mayors Court of the Original Petition with double Costs and from their Punishment of the Attorney for lodging such appeal.

If it were necessary that the Judgment of this Court should depend upon those Circumstances that relate to the Practise of the Courts upon Assertion not yet proved, it would be a proper indulgence towards the Petitioners Attorney Mr. Benfield to allow him reasonable time to prepare and procure the necessary Depositions and the Court is inclined to think that they who form a Court of Appeal from the Mayors Court which by its Constitution and the Rules of Proceeding it partakes of the Nature of a Court of Equity should have substantial

Justice

Justice in their View, and might be warranted in departing from the mere forms and Practice of Common Cases to which the Charter does not bind the Court wherever a strict adherence to them would defeat that Justice or be subversive of Right.

But admitting the facts hereinmentioned to be true as asserted, Yet the Petition of Appeal is sufficient in itself to shew that Justice or Right does not call for the interference of the Court as it is demanded.

This Petition of Appeal is prefered as being in the Cause of Tanguy Chinglerry an Administrator against two Executors, It states that the Administrator filed his Bill and obtained a Decree against those two Executors that an Execution issued on that Decree and part of the Testators Effects has been sold in satisfaction of such Decree.

If the Decree has been unjust a Rehearing might have been demanded if it had been refused or being granted the Decree confirmed an Appeal within the time limitted by the Charter might have been lodged if such Appeal had been so lodged alledging Error or injustice in the Decree the Appeal would have been admitted if Notwithstanding such appeal an Execution had irregularly or prematurely been granted by the Mayors Court or if the Sheriff had proceeded without Authority to a Sale of the Effects every such Injury would find its proper Remedy but it is not even pretended that the Complainant had made an unjust demand or that he had obtained an unjust Decree or that an Appeal was lodged from it or that the Sheriff acted without Authority If the two Executors and Defendants to this Bill have been guilty of any misconduct they are liable to actions & Relief may be sought in a Bill to be filed directly against them, But that is a Matter perfectly foreign to the Complainant in whose favor the Execution has issued which is prayed to be stayed, This Execution could be stayed only by an Appeal against the Judgment he obtained, It is not even impeached in order that Judgments might be rendered stable that Executions might not be liable to be stayed at any time at the will of the Defendant, The Charter expressly limits the Terms in which an Appeal is to be lodged against a Sentence to fourteen Days. It is not pretended that any Appeal was lodged within that period None has in fact been lodged against that Sentence Nor do the Defendants object to it even now. It is not

therefore

therefore proper the Execution should be stayed. It is a glaring Evil to Attempt to defeat the Wisdom of the Charter by attempting to Restrain the Effect of a Decree against the Justice of which no Appeal is lodged. by lodging a Petition of Appeal against the Dismission of a Petition which prays for such Restraint in Matter foreign to the Case on which the Decree of the same Court was founded and to the Complainant in whose favor it was granted & the Court is not therefore Surprized at the attempt being censured by the Mayor's Court. The Limitation in the Charter for lodging Appeals would be totally overturned by such a scheme for a Petition might be filed in the Mayor's Court many Years as well as many Months after the Decree and Execution, These Petitioners who are not Parties in this Cause do not Complain against the Complainant in the Cause yet want to delay the Satisfaction of his Debt. because They conceive they have reason to complain against the Defendants in this Cause — Those Defendants and those Petitioners are stated to be the Executors of the Will of Comaren. If the Bill filed against two of them should have been against all of them those who were inserted might have demurred on that account and those who were omitted might at the time have prayed to be admitted but the Omission not Noticed in time does not vitiate the Proces in Law the Act of One Executor is equal to the Act of all the Executors if the Heir at Law has been injured by any of the Executors he will have his Remedy directly against such, But the present Petition is not that Remedy. This Appeal cannot be allowed The Petition ought to be dismissed ~

The Proceedings of the Court this Day appear to Me so irregular that I think it Necessary to express my disapprobation of them on Record I shall not enter into a discussion of the powers of the Court respecting the rejecting or admitting of Bills. If the Court choses to make Use of such a Power it should be used only upon the most Clear and positive Grounds.

As a Court of Record every Vote passed in this Court ought to be entered on the Minutes otherwise the Records cannot be a faithful History of Our proceedings. The Vote which passed this Day prohibiting the Bill of Annah Sawmy by his Procheim Ame Paul Benfield against Francis Lind from being put on the File ought to have been Minuted. The Reading of the Bill ought also to have been Minuted. The Court act irregularly if they keep partial Records of their Proceedings the whole of their Transactions ought to be entered on their Minutes.

The Proceedings of the Court this Day appear to Me so irregular that I think it Necessary to express my disapprobation of them on Record I shall not enter into a discussion of the powers of the Court respecting the rejecting or admitting of Bills. If the Court chuses to make Use of such a Power it should be used only upon the most Clear and positive Grounds—

As a Court of Record every Vote passed in this Court ought to be entered on the Minutes otherwise the Records cannot be a faithful History of Our proceedings. The Vote which passed this Day prohibiting the Bill of Amah Sawmy by his Procheim Ame Paul Benfield against Francis Lind from being put on the File ought to have been Minuted. The Reading of the Bill ought also to have been Minuted. The Court act irregularly if they keep partial Records of their Proceedings the whole of their Transactions ought to be entered on their Minutes—
