Mr James Stuart Hall Attorney for the Original
Complainants and Cross Defendants assigns the following Reasons
by way of shewing Cause against the Receiving the further
Amended Answer and Amended Cross Bill tendered to the
Court last Court day on the part of the Original Defendants
and Cross Complainants —
Ford Because whenever Amendment in any Material Point is
judged Necessary Notice is to be given to the Opposite Party the
Original

Original Defendant and Cross Complainants Amendments are so far Material that they differ totally from the Original Papers and yet he has not thought proper to give any Notice whatever but proceeds Arbitrarily to bring in Amendments because they Suit his purposes Because in a Material Amendment in an Answer after Replication filed it is absolutely Necessary to support such Amendment by Affidavit and that such Affidavit must shew the Amendment goes to an evident Mistake a Clerical Error or that the Defendant was Surprized The Original Defendant and Cross Complainant although the Cause is at Issue has neither pointed out the Amendment proposed nor made any Affidavit in support thereof Because the Original Answer to the Cross Bill of Complaint has already been Amended and a Cross Bill filed thereon there is no one Precedent upon Record either in this or in any other Court shewing that an Answer once Amended has been again Amended after Replication filed or indeed in any other Stage of a Suit In the Present instance an Answer was filed by the Original Defendant and Cross Complainant on the 22d day of May 1788 and on the 16th day of December following after a Lapse of near Seven Months he Amended his Answer and contrary to every Rule of Practice and without being able to produce a Single Precedent therefor because no such Precedent is upon the Records exhibited and filed his Cross Bill It is according to the Practice of this and every other Court that after a Suitor has once Relinquished a Right given him by the Law he shall ever after be debarred therefrom as when a Defendant has filed an Answer he cannot upon Amendments file a Plea therewith and exactly upon the same principle after a Suitor has filed his Answer he cannot Rejoining file a Cross Bill thereon for that would be taking advantage of his own Error and his own wrong And which is as contrary to the Law as it is to Reason and Equity Because it is laid down in the Books that one

party

party shall not be prejudiced by the Amendment of the other The Prejudice the Cause of the Complainant will receive from the Amendments proposed by the Defendant is Strikingly evident indeed there is every Prospect of total Ruin the Defendant has already Amended one Answer and thereon improperly filed a Cross Bill and after bringing the Suit to Issue by filing his Rejoinder now prays to Amend his Amended Answer and Cross Bill which after all the Vexation Expence and Uneasiness experienced by the Complainant leaves him where he was Two Years ago a Conduct in the Defendant that evinces the most Litigious Spirit and Obligations of all things the most Ruinous to a Suitor Because were it to become a Precedent that a Defendant might be at Liberty to Amend his Papers as often and what Period he might think proper the most Ruinous the most fatal Consequences would Ensue the fair Creditor would then be at the Mercy of a Wanton Debtor who to gratify Pique and Resentment might obtain Sport with his Feelings and Trifle with his Complaints he would Procrastinate as far as Possible by early Amendments and Plausible Motions and when at last the Suit should be at Issue and when the hopes of the Complainant has been Raised that a Termination to his troubles his Anxieties and Expences would soon take Place he the Defendant would again pray Leave to Amend his Answer and so place things where they were Two or Ten Years before and so on till at length the Unhappy Suitor worn out with anguish and uneasiness his Peace of Mind destroyed and his Fortunes Exhausted would be obliged to Relinquish his Claims for want of the means of Prosecuting them and the wrong doer would triumph in his own wrong Therefore upon a Principle of Equity as well as upon the doctrines of the Law and the Rules of Practice already established both the Original Defendant and Cross Complainant has no Right whatever to the Amendments Prayed for and the more particularly in the Present Instance where the

Action

Action is brought upon a Bond against the Validity of
which no Plea has been offered —
Deferred taking the above Reasons into Consideration till Next
Court day —

Mr. Henry Dudley Attorney for the Original Defendant and Cross Complainant brings in his Reply supported by the Affidavit of Nathaniel Edwards Hendersley and Henry Dudley agreeable to the Order of last Court day against the Causes shewn by the Opposite Attorney for not admitting the further Amended Answer and Amended Cross Bill which have been tendered to the Court on behalf of the Original Defendant and Cross Complainant — Affidavit of Nathaniel Edwards Hendersley and Henry Dudley sworn to in Court Read and filed this day —

The Original Defendants and Cross Complts Amended Answer and Amended Cross Bill are not admissible for want of Notice to the opposite party of Motion to Amend, because it has not at any time been the practice of this Court to give such Powers Notice — Nor is the Amendment of the Answer signed for want of Affidavit of the Party to be Amended to the same Reasons — That all the such Notice and Affidavit to be required in the Court of Chancery the want thereof ought not to Prejudice Parties before this Court, unless the same shall be Ordered to become the practice thereof — It is not a Reasonable Objection to the Admission of the Original Defendants and Cross Complainants Amended Answer and Amended Cross Bill because they have been already Amended it being the Usual Practice of this Court to Allow the Amendments of any Proceedings before Issue Joined without confining themselves by any known Practice hitherto as to the Amendment of Answers, It being the Practice of this Court to determine According to the Equity of a Case before them and not from the Regid Principles of Law Precedents taken from Courts of Equity in England respecting the Amendments of Answers ought not to Control this present Question, because they are not analogous to it, such Precedents go entirely to the Allowance or Disallowance of Matter of Fact Voluntarily Set forth — which the Court of Chancery have permitted a Defendant to alter upon Affidavit of Mistake Surprize or being ill advised — And that not only after Replication but after Issue Joined and a Commission had issued for the Examination of Witnesses — The Amendments required by the Original Defendant do not go to Contradict what he hath before Set forth, but to Amend his Answer by adding some Material Matter, that he had been ill advised upon to Amend in his Amended Answer alike the same is Set forth in his first Answer — Which is a Case peculiar to itself and therefore particularly entitles to the Consideration of the Court more Specially as he is not Acting for himself but as Administrator — Amendments of Bills and Answers are in the discretion of the Court of Chancery — Bills have

have been Allowed to be Amended sundrie Two Three and Four times — And Answers also are Allowed to be Amended — And it would be contrary to Equity to deny to one Party what was Allowable to Another — And the Original Complainant is at Liberty to Amend his Bill and Oblige the Original Defendant to Answer De Novo if he may be thereto Advised The Original Defendant and Cross Complainant hath not Relinquished his Right by not filing his Cross Bill before — Because Cross Bills may be brought any time before Publication is passed — The Original Complainant is not injured by the Amendments in Question further than that he would derive an Unjust Advantage over the Original Defendant If he could bind him down to the former Proceedings — which furnishes a Strong Argument for the Amendments, as it shews that it is not from an Apprehension of delay Occasioned thereby, but that the Original Defendant hath Set forth his Right as Administrator in the Amendments that full Clear and Just Light as will discover the injustice of the Original Complainants Claim and the Right of Relief Prayed for by the Original Defendant in his Amended Cross Bill — The inconveniencies Complained of by the Original Complainant are in no Sense more Applicable to One Party than the other And are more imaginary exaggerations of injuries — as it cannot yet appear to the Court who is the injured Party — The Records shew that there have been more delays on the part of the Original Complainant than on that of the Original Defendant The Attorney for the Original Defendant therefore prays to file his Affidavit — And that the further Amended Answer and Amended Cross Bill may be Admitted for the Necessity of the Case and the Real injury that the Estate of the said Deceased Dawson now Brake will Sustain for want thereof — Deferred taking the same into Consideration till Tuesday Next

Next and it is Ordered that all the Papers which have been filed in these Causes since the institution of the Original Suits together with the further Amended Answer and Amended Cross Bill which have been tendered to the Court — the Twenty of Court of the 10. Instant and this day — and the Affidavits of Nathaniel Edward Henderley and Henry Dudley be sent round for the Perusal of the Members —

The Court having taken the same into Consideration it is Ordered that the further Amended Answer and Amended Cross Bill which have been tendered to the Court on the part of the Original Defendant be received, and it is further Ordered that the Original Defendant and Cross Complainant do pay all Costs Attending this Matter —

Messrs. Aldermen Call, Garrow, Ross and Mitchell dissent to the Resolution of the Court and Messrs. Aldermen Garrow and Ross will send in their Reasons —

The Attorney for the Original Defendant and Cross Complainant prays that the Original Account Current Bond and Two Assignments tendered in the Bill of Complaint may be delivered into Court for the Inspection of his Client — Ordered Accordingly —

Cross General Rejoinder filed this day —

Mr. Alderman Ross dissents to the Resolution of the Court —

Because the Original Defendant and Cross Complainant hath in his Affidavit filed in the above Cause declared "That his Application to the Court for leave to "Amend his Answer and Cross Bill was not made with any "other design than that of doing Justice to the Estate of the

"the Deceased Dawsonne Drake and without any intention
"of Creating wilfull and Unnecessary delay; and that he is
"Advised and doth believe that the Estate of the said
"Dawsonne Drake will be greatly Prejudiced if the said
"Amendments be not allowed of"

and Because it is also Staked in the Affidavit of Mr Henry Disney the Attorney for the Original Defendant and Cross Complainant "that he did not "advise the said Amendments with any View to his own "Interest directly or indirectly, but for the Sole End and "design of Promoting the Interest of his Client by such "fair means as he in his Conscience did believe would tend "thereto and that he doth believe that his Clients Cause "will be Materially injured if the said Amendments be not "Allowed"

21st December 1789 —

/Signed/ Andrew Ross

I Dissent to the Order of Court as the Claim on the part of the Defendant to Amend his Papers is made on Affidavits filed, that he cannot with Safety Proceed to Judgment without having such Matter as his Amendments contain before the Court —

Because the Prayer of the Defendant is most Previous to issue being joined in the Cause — and the Plaintiff has equally a claim to Amendment —

Because all delay in the Proceedings is clearly on the face of the Papers on the part of the Complainant — so that he has no cause of Complaint on Account of Procrastination —

Because it is a Case to which without any injury to General Rights the Equity of the Court in any Shape it might have Lien with good Grounds to Relief —

The Mayor and Respts. Aldermen Call and Ross deliver into Court their Reasons for dissenting to the Resolutions of the Court which passed in this Cause the 27th day of November last.

The Defendt to the Resolution of the Court for the following Reasons

Because it is our Opinion that the Complainant by his Attorney, has produced sufficient Authority, in the Letter which he has Received from his Constituent, to satisfy the Court, that he has an unquestionable Right to Sue the Defendant for the Bond on which the Action is founded; more especially, as the justice of the demand, or the Authenticity of the Powers which are given for the Recovery of it, is in no Respect Attempted to be denied; and therefore the Omission of a mere formality, the want of a Letter of Attorney executed according to forms by the Complainant ought by no means to deprive him of his Right, to apply to a Court of justice for the Recovery of his Property, which will now become exposed to every Accident which may arise, from the Death, Failure or Removal of the Defendant, before that formal Authority which is required by the Court, can be procured from England — And it appears that the Complainant resides, and where he would be surprized to hear, that in a Settlement where Laws are entirely known for many Years, and followed every question of the highest Import, from that of a Marker to a Member of the Council, the mere want of a formality in the Power granted for the Recovery of a Debt, should deprive him of the Benefit of the Laws of his Country in the Prosecution thereof; and likewise especially as he will be told by the Lawyers in that Enlightened Country, that they are Surprized to see a difficulty made in carrying Orders so transmitted into Execution, as it is the Decided Opinion there, that such an Authority as was granted by him, is sufficient in such cases, and that Courts of Justice always pay that Respect to such Letters, which opinion is stated in an Extract of a Letter from Gentlemen of Considerable Credit in London, to their Correspondents here, now Read to the Board by Mr. Alderman Ross, and is well supported by the Authorities of the Law which says, that a Court of Equity will supply a defective Execution of Powers in favour of Executors — And that where Powers are defectively executed the Court will supply them notwithstanding — Atkins's Reports of Cases in Chancery Vol. 1. p. 563 — And that Powers are derived from Equity, and ought always at Law to be construed equitably — Burrow's Reports of Cases in the Court of King's Bench Volume 2. p. 1166. — That it appears by the Letter produced by the Attorney of the Complainant in this Cause, that Orders are given for the Settlement of several other Concerns of his in this Country, but that it is not Alledged on the Part of the Defendant that any difficulty has arisen in the Accomplishment of those Concerns, and that the Reasonable presumption therefore is, that no such difficulties have arisen — That the want of express words giving an Authority to enforce the Recovery of the Debt by Process in a Court of Justice, which has been taken Notice of, is not in our opinion Material, in such instances as this present, as the Order to Receive the Money does imply it, that the having a difficulty to Receive the Money does imply it to be to be a Debt of Justice — and that Recourse appears to be to be a Debt of Justice —

In the Matter in dispute between the Defendant as Petitioner and Complainant as Respondent

Mr. Alderman Ross delivers into Court his Reasons for dissenting to the Resolutions of the Court Passed in this Matter the 27th day of November last

I Dissent to the Resolution of the Court in Refusing to grant the Prayer of the Complainant, for ordering the Petitioner to

(who are Natives of India) to be attest at the Pagoda in the most Solemn Manner, the truth of the Affidavits taken before the Examiner.

Because it is directed by the Charter, that Oaths shall be Administered to Witnesses in the most Solemn Manner, that is to say upon the Oath or Solemn Affirmation of any of the Natives of India in such Manner as they according to their several Casts shall esteem to be most binding on their Consciences, to oblige them to speak the Truth.

Because there is a Standing Order of the Court, (that is) which in my Opinion should have governed them on this present Occasion, and Runs in the following words.

"It is agreed and Resolved that in Administering an Oath "to, or taking the Solemn Affirmation of any Pagan coming before the "Court, that the following Method be Used. Viz. By the Ceremony "of Flowers and Water brought from the Pagan Temple, (commonly "Called the Pagoda) But whenever the Court shall see Cause, or the "Party shall insist upon it, and the Court Approve thereof, any such "Witness or Defendant, after he hath given in his Depositions or "Answer shall be obliged to Attest his Depositions or Answer in the "Manner conceived by the Court to be most Solemn and binding to "the Particular Sect or Persuasion, to which such Witness or Defend "is supposed to belong."

And altho' the words "and the Court Approve thereof" (which are in effect but Matter of Form as the Court must decide in every Question which is brought before them) leaves the matter to the consideration of the Court, yet he thinks that in the present instance that part of the Order which says "or the party "insist upon it" should have governed the decision and the more especially as it is well known that the form of Administering Oaths by Mint and Water is not thought so binding upon the Conscience of the Party taking it as that which is taken at the Pagoda.

Mr. Alderman Ross moves that the Copies of the Protests Annexed to the Defendants Rejoinder be expunged being altogether unnecessary and immaterial to the Point in Question and that the Defendants do pay the Costs thereof out of their own Pockets and the Question being put is carried in the Negative.

This Cause Coming on to be Heard and Debated this day in the Presence of the Attornies on both sides on Reading the Complainants Bill with Copies of four Exhibits Marked ABCVD Annexed, The Defendants Joint and Several Plea and Answer, The Replication, The Rejoinder with Copies of Two Exhibits Marked FVG Annexed, The Interrogatories and Depositions on the part of the Complainants The Interrogatories and Depositions on the part of the Defendants with three Exhibits Annexed On Hearing the Pleadings made Use of by the Attornies and on due Consideration had thereon This Court doth think fit to Order and Decree and doth Accordingly Order and Decree that the Defendants do Pay unto the Complainants the full and Just Sum of Twelve Thousand Six Hundred and Ninety four Pagodas fourteen fanams and an half 12694 1/2 Pagodas together with all such Interest as now is or shall hereafter become due thereon until full Payment is made and it is further Ordered and Decreed that the Defendants do pay unto

unto the Complainants one half part of such further Sums as have come into their possession since the date of the Second Account Current which has been delivered with this Court by the said Defendants as Administrators of Gregorio Miguel Deceased together with Interest thereon from the respective dates of receiving the same as also that they do Assign over to the said Complainants one Moiety of such outstanding Balances as shall remain and that they do deliver over to the Complainants one half of such Goods as may still remain in their possession or Power belonging to the Estate of Gregorio Miguel Deceased and it is further Ordered and Decreed that the Defendants do pay all Costs of this Suit out of their own Pockets.

Per Curr

Mr. Alderman Ross dissents to the Defendants being Charged with Interest previous to the Decree passed on the 3d. November 1787 before the Kings Ordinary Relative to the Estate as he considers the Conduct of the Complainants was the Cause of the delay of the Payment of the Money.
