The Attornies for the Complainant pray leave
to observe to the Court that there is a mistake in the
Translation of the Exhibit Annexed to the Replication -
which appears to him a date Anterior to the date of the
Bond Annexed to the Bill of Complaint whereas it ought
to be Subsequent and therefore prays that the Court Interpreter
may be Called upon to explain the same, The Interpreter
thereupon informs the Court that there is a Mistake -
in the Translation of the Exhibit and that the Original
of it bears date Subsequent to the Bond and that the
Translation ought to be dated the 27th February 1790
instead of 27th February 1789 - The Interpreter by
permission of the Court is asked by the Opposite Attorney

Noticed - The Court having taken the same into Consideration

The Attornies for the Complainant object to the issuing of a Commission to Europe to Swear the Defendant to the truth of his Answer, because the Bill of Complaint was filed against the Defendant, while the Defendant was — within the Jurisdiction of this Court, and that instead of Answering the said Bill, he hath put in a Dilatory Plea thereto — that a Defendant quitting the Jurisdiction of the Court, after appearance once entered, is at his own peril, and not within the Practice of the Court to allow; That the issuing of a Commission as prayed for, will be evidently prejudicial to the Complainant, by delaying of his Suit, by the Defendant's own Act, and not by any to which he has been Compelled by the Complainant, they therefore pray that the said motion may be over-ruled — The Attornies for the Complainant at the same time acquaint the Court that they are willing to take the Defendant's Answer without Oath to which the Opposite Attornies Consent — Agreed that the same be Received and filed.—

Mr. Stephen Popham Attorney for the Complainant prays that a Rule may paſs for the Examination of Witneſses in this Cause in conformity to what appears to be the intent of the Order of King in Council - to which the Attornies for the Defendant object because - according to the spirit of the Order of the King in Council the Answer as it Originally stood was held insufficient for want of the eſsential and Neceſsary form of the Oath of the Defendant or his Attornies and in consequence thereof and in order to give it that Neceſsary form His Majesty in Council was pleased to Order that the Answer should be Sworn to by the Attornies of the Defendant and in course the implication is strong that it was the further intention of His Majesty in Council that the Replication and Rejoinder should be filed de Novo in as much as a Replication arises out of the Answer and the Rejoinder out of the Replication and further because there is a Croſs Suit and the Croſs Bill is a part of the Defence of the Original Defendant and as all these Papers are filed Subsequent to the Answer it is irregular and contrary to Practise that those Papers should stand which were filed some Years ago and the Answer was only rendered compleat on the last Court day and therefore the Attornies for the Defendant pray that the Attorney for the Opposite party may file a — Replication in Order that the Suit may go down regularly to iſsue so that Witneſses may be Examined according to the expreſs directions of His Majesty in Council — The Attorney for the Complainant in reply to the above — objections prays leave to refer to the Order of His Majesty in Council — Ordered that the Consideration of the above do stand over till Next Court day and that the Extract from the Minutes of this day with the Order of His Majesty in Council be sent round for the perusal of the Several Members. —

The Attorney for the Complainant in Conformity to the Order of last Court day to shew Cause against the Defendants Motion for all Proceedings on the Complainants Bill filed on the 2nd Instant to be stayed till the several Bills of Costs by him said to be incurred in consequence of the former Suit be discharged now shews for Cause against the said Motion that the same is in many Respects irregular Because the Costs demanded and said to be incurred during the former Suit, have not been agreed upon between the Parties nor has been ascertained by the Court which the Complainants said Attorney conceives should have been previously agreed upon or otherwise ascertained, before the Defendant could regularly make any Demand even out of Court - and upon a Stranger ground before the Defendant could regularly instruct his Attornies to move the Court to compel the payment of such Costs, and still less to move for the Staying Proceedings untill his Arbitrary demand should have been determined upon by the Court because the Court untill they be informed of the Amount and different Natures of the Bill of Costs in this and in the Court of Appeals demanded by the Defendant and of the objections they are liable to, will not be enabled to form a Judgment of the Amount of Costs the Complainant might so pay under the Order of Court of the 2nd Instant the said Attorney thereupon Conceives that the Defendants demand of Costs Remains thus unascertained and as his Client is and always has been Ready to pay such Costs upon his withdrawing his former Bill as are Warranted by the Records that it may not be Necessary for him to shew Cause against the — Principles of the Defendants Motion in point of Regularity and Practice further than by generally observing that a Rule to stay Proceedings on a Second Action untill the Costs of the former Action be paid is not a Rule of Course, and is not usually granted but in Cases of Vexations or Circumstances of the like demerit - which cannot be Alledged against the Complainants former Bill as the Demurrer thereto was dismissed by the Court of Appeals with Costs in that and in this Court as appears by the Records of the 17th of January last. As the Matter brought forward by the Opposite Attorney by way of shewing Cause against the Motion of the Attornies for the Defendant is so extremely long that it will Require a time for consideration they therefore pray a time for that purpose, and as the Matter in Question is of a very particular appears by his Attornies Mess^{rs} Hall and Hamilton. —

The Attorney for the Complainant in Conformity to the Order of last Court day to shew Cause against the Defendants Motion for all Proceedings on the Complainants Bill filed on the 2nd Instant to be stayed till the several Bills of Costs by him said to be incurred in consequence of the former Suit be discharged now shews for Cause against the said Motion that the same is in many Respects irregular Because the Costs demanded and said to be incurred during the former Suit, have not been agreed upon between the Parties nor has been ascertained by the Court which the Complainants said Attorney conceives should have been previously agreed upon or otherwise ascertained, before the Defendant could Regularly make any Demand even out of Court - and upon a

Stranger

Stranger ground before the Defendant could Regularly instruct his Attornies to move the Court to compel the payment of such Costs, and still less to move for the Staying Proceedings untill his Arbitrary demand should have been determined upon by the Court because the Court untill they be informed of the Amount and different Natures of the Bill of Costs in this and in the Court of Appeals demanded by the Defendant and of the objections they are liable to, will not be enabled to form a Judgment of the Amount of Costs the Complainant might so pay under the Order of Court of the 2nd Instant the said Attorney thereupon Conceives that the Defendants demand of Costs Remains thus unascertained and as his Client is and always has been Ready to pay such Costs upon his withdrawing his former Bill as are Warranted by the Records that it may not be Necessary for him to shew Cause against the — Principles of the Defendants Motion in point of Regularity and Practice further than by generally observing that a Rule to stay Proceedings on a Second Action untill the Costs of the former Action be paid is not a Rule of Course, and is not usually granted but in Cases of Vexations or Circumstances of the like demerit - which cannot be Alledged against the Complainants former Bill as the Demurrer thereto was dismissed by the Court of Appeals with Costs in that and in this Court as appears by the Records of the 17th of January last - As the Matter brought forward by the Opposite Attorney by way of shewing Cause against the Motion of the Attornies for the Defendant is so extremely long that it will Require a time for consideration they therefore pray a time for that purpose, and as the Matter in Question is of a very particular

Nature they further pray that the Matter may come on to be determined before a full Court - to which the Attorney for the Complainant objects as it is not usual to defer the Consideration of a Motion after Cause shewn against it - The said Attorney therefore prays that as the Attornies for the Defendant are not prepared to Support their Motion that the same may be dismiſsed - Deferred taking into Consideration the Matter respecting the Costs till Tuesday Next when it is Ordered that a full Court be Summoned at 11 o'Clock in the forenoon and it is further Ordered that the Extracts from the Minutes of Court, the Bills of Costs, and the Copy of the Correspondence between the Attornies for the Complainant and Defendant with the Letter from the Clerk of the Court of Appeals and Extract from the Minutes of Court of the 17th of January Referred to in the objections of the Attornies for the Complainant be sent Round for the perusal of the several Members - The Attorney for the Complainant prays that a further Rule may paſs for the Defendant to Answer the time for Pleading or Demurring having expired - to which the Opposite Attornies object and pray a day only to Answer may paſs - Ordered that a further Rule do paſs to Answer. -

Further Day is given the Defendant till the 30th Instant to Answer the Complainants Bill. -

Petition and Affidavit of the Defendant Sworn to before Mr. Alderman Daly Read and filed this day setting forth that he has heard that the Complainant is about to depart the Jurisdiction of this Court and proceed to Europe, and therefore praying that all further Proceedings in this Cause be stayed untill the Complainant gives Security for such Costs as may be ultimately adjudged against him - The Attorney for the Complainant prays he may be furnished with Copy of the

Petition

Petition and Affidavit - Ordered Accordingly - The Attornies for the Defendant pray that the Petition and Affidavit may come on to be determined on Tuesday Next - to which the Attorney for the Complainant objects as it require further time beyond Next Court day to Answer it - Ordered that the Consideration of the Petition and Affidavit do stand over till a future day. -

The Attorney for the Defendant prays that the Original Bond mention whereof is made in the Bill of Complaint may be delivered into Court for the inspection of his Client, to which the Attornies for the Complainant object because the Action is not brought upon the Bond but upon the Rescue and as the Bond is mentioned as an introduction to the injury Complained of that is to say the rescue Committed by the Defendant he the Defendant has no right to the Bond prayed for – The Attorney for the Defendant submits that any Matter by which the right of action of the Complainant Satia Boada against Narsimarow Mazumdar the Defendant in the Original Suit might be veceated would equally vecate his present right of action, he therefore thinks that he has a right to the inspection of the Bond on which the Original Suit is brought – The Court having taken the same into Consideration it is Ordered that the Motion made for the production of the Original Bond be Overruled. –

The Court take notice that only four Bills of Costs have been produced instead of Five as mentioned in one of the Letters from the Defendants Attorney to the Attorney for the Complainant which the Attorney for the Defendant acquaints the Court is a mistake and that the Costs demanded by the Defendant are for the Amount of the four Bills now before the Court. -

The Court having taken the same into Consideration it is Ordered that the Complainant do pay the whole of the Costs included in the Four Bills of Costs now before the Court One being for Pagodas 260.13. Defendant

Defendant prays that the Original Cadjan Accounts upon which the 1st. Item of Pagodas 436. 1. 5. is formed on the Debit side of the Account Current annexed to the Bill of the – Complainant may be delivered into Court by next Court day for the inspection of his Client and in support of his – motion prays leave to file the Affidavit of Appajee, Chinna Chitty, Vencataramah, Moodookistnah Jellapuddy – Sworn to in Court this Day – to which the Attornies for the Complainant object, because a prayer was formerly made by the – Defendant for the production of the Account particulars composing the Item of Pagodas 436. 1. 5. and which prayer was Accordingly complied with and because it would be – highly injureous to Mercantile transactions were a Merchant to be Obliged to deliver in his Books to explain an Item in an – Account Current in every Bill of Complaint he might file, and because by the strict course of Practice no Original Papers are to be produced upon a prayer unleſs proffered, and never, where there is no kind of Reference is made – The Attorney for the – Defendant prays, that when the first prayer was made for the account particular to be delivered in, that it was evidently – intended that the Original and not Copies of them should be produced, which prayer is consistent with the General – Practice of this Court – Because Copies of papers cannot be read in Evidence when Originals may be forthcoming – that the Injuries upon which the Complainant seems to dwell somuch upon of a Merchant being injured in his Mercantile transactions By his Books of Accounts which Contain the Accounts of others being produced cannot apply in the present Case – Because those prayed for by the Defendant are simply partnership Accounts which existed between the Defendant and the Complainant and which are all contained in a bunch of Cadjan leaves that may be easily produced without any inconveniency to the Complainant as they are not connected with any other Accounts – Ordered that the Consideration of this Matter do stand over till Tuesday next and that the Affidavit with the Extracts from the Minutes be sent round for the perusal of the Members. –

The Attorney for the Defendant object to the Exhibits delivere into Court last Court day as not been those he had required— on the 7th Ultimo the attorney for the Defendant prayed that the Complainant should deliver into Court all Original Vouchers or Documents he might have in support of the different Items on the Debit side of the account Current anne to his Bill of Complaint and on which his Action is brought which prayer has not been Complied with notwithstanding an Affidavit of the Complainants attorney at Law / sworn to in Court on the 30th Ultimo / that he would use his utmost indeavors to procure and produce the same in the most satisfactory condition for the information of this Honble Court, on the contrary the Exhibit A said to be Extract from the Books of the Intestate is the same that was rejected five Court days past and is altogether insufficient because the Defendant has not used his best indeavors to comply with the Order of Court, nor has he produced the utmost Evidence the nature of the fact would admit of for he ought to have delivered the Original nor has he even supported the pretended Extract in the best manner poſsible having only brought forward an affidavit of One of the Complainants Tomboo a man who swears to written Document of which he cannot be a Judge being unable to Write his own name instead of the other Complainant Vencatachella Chitty whose

Name is Subscribed to the said Extract - And further because the other Exhibit B is merely a Declaration of two Persons not supported by Affidavit which if true could not in any manner tend to support the Action wherefore and as there is nothing whereon to ground a Decree the Attorney for the Defendant humbly prays the Complainants Bill may stand Dismiſsed with Costs.

The Attorney for the Complainant prays leave to refer the Court to the Exhibits and Affidavits in support thereof filed last Court day - Affidavit and Exhibits read - Ordered that the Complainant do deliver into Court by next Court day all the Original Vouchers in support of the different Items on the Debit side of the Account Current Annexed to the Bill of Complaint and in default thereof that the Bill do stand dismiſsed with Costs.
