 W. David Young Bengaloe

Dear Sir I am some time since I have particularly ^{addressed} ~~sent~~ to you I now set. I have sent you several boxes of Articles Europe Good principally and I have sent very few indeed to it by several reasons this principal of which has been their dearth and this and Eggnip of Comp. Adventures who I suppose captured very high price and were therefore indeed to buy at my high rates for my part I have bought only those Articles I was absolutely obliged to do to supply orders - 45 Percent and up to 70 and 80 has been the run of the season had I thought at this price and charged ^{up} for my self they would have cause so dear to you that you could have gained little or nothing beside standing the risk of non payment these people who are selling Europe Articles now at Bengaloe I suppose can be no gainers at the price you tell me they are come down to when the 3 Ships captured out with the Troops Arrives I suppose I may be able to buy cheaper and I so intended to do so

You tell me that if there is supposed to be as hard and to send you my little report on that something at that not imitating but suppose every hand turns will be demanded and suppose people may not yet be so lowly reduced as to content I have got 100 Coolies at a low rate and am sending them later with Minut Sugar Candy ye Madeira 2 days ago I forwarded a Draft Payment of your Account Current that you may compare and see if all be right that if you have remittance sent and if I have handed all you sent - you will see I have settled with Mr Gye's fully and you will also see that I have not remitted any thing as yet for any all the goods sent you more than 4 or 5000 Pagodas having received 4800 Pags. unable 1800 of which I have paid for Coolies here, 1300 Mr Gye's 1400 not yet due, this expected. I do not well understand how the debts for the Montalans you have on to be made I believe would be better for you to have them done at Bengaloe I will try if I can send you a Taylor or two you ask me a consignment I really think any I could send would be of little or no service to you the one sent to Amboon ^{you} have soon damaged - takes care take care take care have you send out without moving

The man you are to take is to begin
delivering him every thing and tell he has received every thing
by no means otherwise Employ him again as this is done he
will begin to deliver out as you direct this delivery will be
hand some to you and difficult however it must be so for
without his Account will be eternally Embarrassed and he will
be of no use to you - as you deliver he must give you Receipts
in a simple Book kept for that Purpose your order to him
for delivery should be changed every day - or rather every Night
and you should mutually sign Receipt and this will keep him
in Respectability - As you will daily have to send out Goods
while delivering to him you should keep some of each sort
to last till the delivery is finished that there may be no Mistake
have Patience till this is done and do it properly and the difficulties
are Languid - you will perhaps be out of Humour as the
High Wages - but if at the end of two Months say you are
still so I will pay part of it myself -

Mr David Young
Dear Sir
10th Nov 92

The Closet sent from Madras is exactly the same you was
to much Pleased with both that by Baudy & that by Cooley's from
Sunderbary sell cheap & get rid of sell it for my acct
Truly Yours
Some of the Ale & some of the Porter you have or had might
be Picked every Good, I think However sell

Mr David Young
Dear Sir
I received your favour of the 20 Instant telling
me the Closet last sent was not so well liked former you tell that
your old Madras and Closet from Madras is all gone as also din out
The Ale and Porter but the Closet from Sunderbary and by our
Tumans I told you to sell on my Inst and for any Reason
I saw say if you cannot sell it give it away rather than remain
it as the expense will be more addition to it Price with little
Probability of your selling I therefore disposed give it away and there
is an end of it - you have after spoke about Ale - Since the
last you had I have had none nor has any one besides had any that
you could have sold. I thought so Hoggsheds 2 months ago from
the Imperial Ship and on Caaminny I did not find a fork
that would have suited you I have since then bought from an American
20 half Casks and of the 20 found only one that would answer so of both both
Port & Ale a Cask - other did not and went to famer and I
suppose sold it too - of course I have bought all the Good
that has lately been Imported and you have had of each sort
along as very late the Moment I got other you have
been supplied the I have had no more than I wanted to sell
in detail - I do not send any thing now because
I know not where nor when I suppose you wish
any thing I should -
