My Lord

I am directed by the Honble the Mayors Court to inform your Lordship that having experienced great Inconvenience by the Business of the Court having been frequently interrupted for the want of a Persian Translator they have found it absolutely necessary to appoint a Person to that office and they submit from a Consideration of the very great difficulty of procuring a Person duly qualified to act in that Capacity, and from having every reason to believe that M^r William Lewcock who has been so appointed Persian Translator is in very respect fully qualified to do the Duties of that Office, that

be

he be allowed a Salary of Fifteen Pagodas per Mensem, which
is in their Opinion, the least Sum adequate to the Situation.
