Mess. Aldermen Call, Mitford, Roebuck, Daly and Cockburn take their Seats upon the Bench.—

Petition of the Complainants read.—

Answer thereto read.—

The Petition and Answer coming on to be Argued and Determined this Day in the Presence of the Attornies on both Sides and on due Consideration had thereon This Court doth think fit to Order and doth accordingly Order that the prayer of the Petitioners Petition be granted and that the Amount acknowledged in the Defendants Answer be paid into Court within fourteen days deducting therefrom the Amount of Costs incurred on the Petition and Answer and that the remainder be Deposited in the Treasury of the United Company of Merchants of England trading to the East Indies in the

the name of the Accountant General of this Court.—
The Mayor and Messrs. Aldermen Call and Ross Dissent
to the Resolution of the Court and Mr. Alderman Ross
will send in his Reasons at a future day.—
Amended Replication upon payment of Costs—
filed this Day.

Mr. Alderman Ross Dissents to the
resolution of the Court for granting the Prayer of the
Petition of the Legatees for payment into Court, in the—
present Stage of the Cause, the Money which the—
Executors Acknowledge to remain in their hands for
the following reasons.—

Because it appears to him, in effect, to leave
so much the appearance of prejudging the merits of
the Cause, which ought to go to a Decision free of every
thing that can be supposed to carry a bias, whilst
the Matter is still depending, that he thinks it ought
not to take place, in the present Stage of the Suit, and
least of all, in a Cause where Executors are Parties
more especially in making them liable to payment
of Costs, where no proof is brought, that the general
Charge of a Devastavit, which is alledged, is well—
founded.—

Because it is not warranted by the prayer
of the Bill, nor by any Matter in the Answer. It
is therefore in the nature of a Second Suit, and ought
not therefore to receive a Decision, whilst the Princi-
pal Matter out of which it arises still remains—
undecided.—

Because the Object of the Bill, praying
that the Executors may pay what appears due—
upon Account, being now in effect enforced, any
further

further Proceeding may be deemed irregular, and it
seems most consistent, that the Suit may be withdrawn.
Because the tender of the Money to the Legatees, by the
Answer, is made conditionally, that an Indemnification
shall be given to the Executors which they have a right
to Demand, before the Money is taken out of their—
hands. Because there is no Mismanagement, there
is no conversion of the Estate to their own use, proved
to the Court, and from the appearance of the Proceed-
ings which have been already had, it is unreasonable
to presume it, the Petition therefore does not appear
to be sufficiently founded in Law, Reason, or necessity,
as to induce the Court to vary from the uniform—
practice respecting Executors by granting a Com-
pliance.—

Because it is really a Matter of merit in
favor of the Defendants that the Account upon which
the Matter is founded, that has in effect furnished the—
Grounds of the Petition, by disclosing what is individually
due to each Legatee, is a more gratuitous act in them,
and there is therefore the less reason that a premature and
irregular advantage should be taken of it.—

Because no particular circumstance is alledged
that should induce the Court to consider the Security of
the Defendants in their Capacity of Executors less safe,
than it has before been. It is not alledged that they are
about to remove from the Jurisdiction of the Court, or to
render themselves or the property with which the Law
has entrusted them less amenable to its authority, nor
the recovery less practicable at the close of the of the Suit,
than it is at present.—

And Because such close must necessarily be of

but

but a short duration according the usual Precept of the Court and there is therefore the less reason to stop the present intermediate Order.—

Answer to the Cross Supplemental Bill Sworn to before the Mayor and filed this Day.— The Attornies for the Cross Defendant pray leave to file a General Cross Rejoinder having answer the Cross Supplemental Bill to which Mr. James Stuart Clerk the Attorney for the Cross Complainant objects, because a Cross Supplemental Bill has been filed, and which forms a part of the Cross Bill, and if the Cross Rejoinder now tendered be received, there would then be two issues upon one Bill contrary to the Practice of the Court and contrary to the nature of the thing.— The Court having taken the same into Consideration are of Opinion that the Original and Cross Causes and the Cross Supplemental Cause should go on together.— It is therefore Ordered that the General Cross Rejoinder be not received.—

Mr. James Stuart Hall Attorney for the Complainant prays leave to decline acting for want of Money and Instructions to which the Attorneys for the Defendant object and pray that this Cause may be set down to be heard upon

upon Bill and Answer for the following Reasons— Because the time for filing a Replication expired on the 28th Ultimo and that the Replication is not yet filed— Because the Attorney for the Complainant has not yet shewn that he has done his utmost to obtain Instructions for a Replication, and that his prayer of this day for leave to decline Acting can be for the purpose of obtaining further delay, which it is the immediate duty of the Complainant to avoid by prosecuting his own Suit to the most speedy conclusion— And Because the Suit having been brought by the Complainant for the recovery of certain Fees alledged to be due to him as late Sheriff of Madrasspatnam and the Districts thereof, under and by virtue of a Writ of Execution in the Bill of Complaint mentioned and setforth, the Court is already in possession of the point in Issue on which its Decree is passed— And Lastly Because it appears by the prayer of the Attorney for the Complainant that the Indulgence he prays is grounded on the negligence and Omission of the Complainant— to which the Attorney for the Complainant objects having this day prayed leave to decline Acting— Ordered that the Attorney for the Complainant do serve his Client with Notice of his having prayed leave to Decline Acting within three Weeks from this day and that the Motion to set down this Cause upon Bill and Answer do stand over until the Notice has been Served—

in Answer to the Motion entered on the Records of last Court day by Mr. Robert Williams on behalf of himself and Mr. Stephen Peltham Attornies for the Defendant touching the above Cause, prays leave to Observe to the Court that it was utterly impossible for him to know what the Event of the Cause in Question would be before the same was Investigated and the Witnesses Examined, and that all this or any other Court have ever requires from an Attorney or Council in Cases of Petition to Sue in Forma Pauperes was that they should Certify if there appeared to them sufficient Grounds to entitle the Parties to relief, and in proof that there did appear to the said George Pilkington Cook sufficient Ground in the present Case and that no other motive did actuate him in this Matter than a sense of what he considered his duty, he prays leave to file an Affidavit herewith, and prays that the aforesaid Motion may be Dismissed — Affidavit of George Pilkington Cook sworn to in Court read and filed this day — Deferred taking the same into Consideration till a future day, and it is Ordered that the above Affidavit, with the Extracts from the Minutes of Court be sent rounds for the perusal of the several Members —

Messrs. John White and Gilbert Ricketts on the part of the United Company pray leave to Withdraw the Petition filed by them last Court day — Ordered that the same do stand over for the Consideration of the full Court Summoned this day —

Messrs. Aldermen Call, Barcher, Roebuck, Daly, Abbott and Cockburn take their Seats upon the Bench —

The Court having taken the Petition into Consideration are of Opinion that the Conduct of Messrs. John White and Gilbert Ricketts in presenting the Petition is highly irregular, and merits the censure of the Court for the following Reasons — Because no Notice was ever given to the Court of the appeal which is mentioned in the Petition having been lodged Because the Petition is now filed on behalf of the Complainants who can have no Plea of sustaining Injury, and Because the present Petition was unknown to the Attorney Mr. James Stuart Hall who having filed the Original Petition of Mr. Mowbray and Veerapermall Pillay praying to be relieved from their Bail was the only Person who could with any Propriety make application to the Court for the Original Papers Messrs. John White and Gilbert Ricketts are thereupon called upon by the Court to declare by what Authority they have offered this Petition and to produce it — They Answer that they were Instructed to deliver it but can produce no written Authority — Ordered that Messrs. John White and Gilbert Ricketts be permitted to Withdraw the Petition — The Mayor at the same time being requested to Reprimand them for their irregularity and they are accordingly reprimanded by the Mayor —

The Attorneys for the Complainants acquaint the Court that the Warrant of Execution prayed for against the Defendants Effects did not issue and prays that it may now issue — Petition of the Defendant read and filed this day setting forth that Warrant of Execution hath been prayed under the Allegation that an Order of His Majesty in Council has been received and that if any such Order has been received he is advised that a Copy thereof should be served upon him or in the Event of his not being found then the same to be served upon his Attorney in Court in the same manner as Copies of Decrees of this Court not Appealed from are directed to be served, and therefore praying that the Prayer of the Complainants for a Warrant of Execution be overruled, to which Messrs John White and Gilbert Ricketts Attorneys for the Complainants object because that a Warrant of Execution has been already awarded against the said Defendant conformable to the Uniform Practice of the Court, in like cases heretofore used and approved, and for that the said Defendant at the time of awarding the said Warrant of Execution was in Court by his Attorney at Law, and is therefore bound to take due Notice of the Order of His Majesty in Council made in this Cause and of Record in this Honble Court — and lastly for that the Charter does not direct or require that the Decree of the Court should be served upon the Defendant previous to the awarding or issuing Execution — The Court having taken the same into Consideration it is Ordered that the Complainants do conform to the Rules laid down in the Charter and Book of Instructions for carrying of Decrees into Execution —

Affidavit of William Herbert one of the Serjeants of this Court, Sworn to in Court read and filed this day setting forth that he hath made diligent search and Enquiry for the Defendant abovenamed in order to serve him with Copy of the Decree of this Court made in the above Cause and with the Copy of the Order of the Kings most Excellent Majesty in Council — confirming the Decree of this Court — That he hath not

not been able to find the Defendant - That he hath been credibly informed that the said Defendant is not within the jurisdiction of this Court and that he hath not been within the jurisdiction of this Court for three years now last past and upwards and that the said Defendant now lives and resides beyond the Seas in some part of Great Britain - The Attornies for the Complainants therefore pray that a Warrant of Execution may issue against the Defendants Effects to which the Attorney for the Defendant objects and prays that he may be allowed a time of one Week to shew Cause against the sufficiency of the Affidavit and further although the Party Defendant should not be found he is in Court by his Attorney and therefore the Service of the said Order should be made on him so that the Defendant may have every Benefit the Charter and the Book of Instructions allow him to make such Objections as the nature of the Case may require - The Court having taken the same into Consideration it is Ordered that the Warrant of Execution against the Defendants Effects do issue -

Mr. Alderman Ross Dissents to the Resolution of the Court for though he is satisfied of the sufficiency of the Affidavit as to the Matters which it is intended to support nevertheless is of Opinion that as the Affidavit states that the Defendant was not to be found, that a Copy of the Decree should have been Served upon the Defendants Attorney in Court, previous to a Warrant of Execution being applied for -

Mr. Robert Williams appears as one of the Attornies for the Defendant.—

Extract from the Minutes of last Court Day read.—

The Court having taken the same into consideration are of Opinion that the Affidavit upon which the Defendant has been held to Bail is insufficient it is therefore Ordered that the Defendant be discharged from the Custody of the Sheriff upon filing Common Bail— Mr. Alderman Ross dissents to the Resolution of the Court and will send in his Reasons at a future day.— Messrs. Aldermen Roebuck and Abbott dissent to the Resolution of the Court being of Opinion that the Defendant should be held to Special Bail— Messrs. Robert Williams and Emanuel Samuel pray that the Defendant may be permitted to Sign the Common Bail Rule in the days of Adjournment. Ordered Accordingly.—

Ordered that the Complainants Exceptions to the Defendants Answer, and the Answer thereto, do come on to be Argued on Tuesday Next, and that a full Court be Summoned at Ten o'Clock in the Forenoon.—

Mr. Alderman Ross's Reasons for Dissenting to the Resolution of the Court in admitting the Defendant to Common Bail.—

Because the Reasons and Arguments adduced by the Attornies for the Defendant, in support of their Motion for relieving him from the Special Bail, in which he has stood engaged from the commencement of the Suit, in February last, whatever force or weight such Reasons and Arguments might have had, if they had been offered and enforced at that time, do not appear sufficient to produce so Material a deviation as that which is now proposed, for the Defendants relief, in the present stage of the Suit; without hazarding a presumption, that it is in effect a fore judging of the merits of the Matter in Dispute, which the Court on all occasions is cautious to avoid.—

Because no fresh Reasons are now offered to induce the Court to believe, that the Defendant may now find himself under circumstances of greater difficulty in prevailing upon the Bail to continue their engagement to the end of the Suit, or to get others to stand so engaged, but that the presumption is rather otherways, as the Original Sum which is demanded being Pags. 13396, has received a considerable abatement, by the Defendant having (on last Court day) paid into Court so large a proportion thereof as Pags. 3338½, which of course lessens the Risk of the Bail.—

Because the course which is now pursued on behalf of the Defendant, in respect to the continuance or discontinuance of Special Bail, and the reasons which are offered for the purpose of obtaining for him the desired relief, altho' they have operated on the Lenity of the Court, may in the event, prove an injury to the Cause of such Defendant himself, in the ultimate decision thereof, and to this it seems most material that the Court

Court should chiefly preserve their attention the better to enable them to give their Decision as to either party, which substantial justice requires.—
