Fort St. George [illegible] 1798

Captain Lewis Henderson Commander of the Ship Apollo
Tranquebar

Dear Sir

Pardon the Liberty I take with you, without the least acquaintance. Lieut. Henry Benson of the 77th Regiment, I am told is a Passenger with you, he owes me a Small Bill, which I take the Liberty to enclose, I called on him a few days ~~ago~~ before he sailed, and he assured me, that he would not leave the place without settling with me, and I had no reason to doubt his word from his former dealings with me, I did not trouble him again, & was surprised when I heard he was gone on Board Ship, I am certain it has been the want of Cash, & not of Principles that caused him to do so, I am only sorry he should ~~[illegible]~~ have thought I would have distressed him, as I would have taken an order on the Paymaster of his Regiment, the same as he gave to Messrs Hope Card & Co. — I send you a Letter to him also, & beg you will be so good as get ~~[illegible]~~ it settled in any manner that may be most convenient to him & serve me

I sent him a Bill some months ago with a receipt to it, he keep the Bill, & when I called for it myself, he said it was either lost or mislaid, & I said no more about it, however he recollects this, & I am certain he will take no advantage of it, I beg a Line from you & if they will not take it without Postage, I will pay it, I shall write you to Bombay by some vessel going there

wishing a Safe & pleasant Passage

I am Sir, very obedient Humble Servant

Mr. John Sutherland   Fort St. George 5th April 1798

Dear Sir

The expence of Postage has been the reason of my not writing often, & I suppose you have the Same reason for not writing me, was I in a Situation to afford it, this would not be an object to me, but I assure you, that my Situation is very disagreeable, nor have I any Prospect of its being any better, I cannot live without expence, although I make it as small as I can every thing going out and nothing coming in cannot last long — I hope you have been able to collect the amount of the few Bills Mr. Waddel left with you of mine, if not, I intreat you will be so good as do all you can to do it, & remitt me the money, as it is not my own, & Messrs Wright & Hunt are pressing me to settle with them, was one of the most unfortunate trips I ever made in going to Trincomalee & Columbo — be so good as let me hear from you & the expence of Postage charge & deduct from the sums you receive, I send you Lieut. Hawkins Bill, he had left Columbo before Mr. Waddel had, but he may have returned again, as I can hear nothing of him, his Bill is Pags. 12:35:40, be so good as let me know if Lieut. Brown / Mr. Mackay's Son in Law / is at Columbo & I will send his Bill also

Sir

I wrote you the 16th of Octr. last & was extremely sorry I could not send your Shirts & Snuff by that opportunity, and although there are so many Ships going home just Now, I cannot see I can trust to with them, I have formerly sent home so many things, & had so bad an account of them, that I am afraid you would never see them, unless by a Person of your own acquaintance — I hope Mr. Dunbar will be out the Latter end of this year again, by whom I can safely send them, or any thing else you may order, the Shirts are ready, and shall keep them; Perhaps you may have given the order to some other of your acquaintance coming out sooner than Mr. Dunbar after you got my last Letter, they Leave to assure you, that I shall be happy to send you any thing in my Power, only always an order to some Person that you can depend upon to take charge of them from me, & if you Chuse to run the risk of Pullicatt handkerchiefs, they shall be sent also, I imagine there is also a risk in the Snuff, but that can be easier managed than stained goods — We have just got the glorious News of the defeat of the Dutch Fleet by Admiral Duncan, by the same Packet General Harris is appointed to succeed Lord Hobart, & took his seat at the Council Board as second [illegible] them they met, & Mr. Saunders who was in hopes of having the Chair after a few months, goes home [illegible] hear of their arrival before this reaches you; Lord Hobart had taken his passage before six months [illegible] Saunders was not prepared to meet such a disappointment, the Honor was the Chief of his ambition, as his Fortune was sufficient — Major Beatson is arrived safe & in good health I have not seen Colonel Mead since I came back to Madras, although hear often from him, he is very well & will make a great fortune — May health & all manner of happiness attend you & all your nearest concerns is the sincere wish of

Dear Sir

I was duly favored with your very obliging Letter of the 26th Decr. last & am very sorry indeed to hear the Situation Captn. Bacon is in, I can expect no more assistance from him in my Bengal affairs, but I am more sorry on his own account than on any other, as his Family are all well provided for they will feel the loss the less; although I am very sorry Mr. Foreman would not admit Captn. Hudson as a partner in the house, nor do I believe Mr. Foreman will get a partner more active & carefull than himself, he will make a poor hand of it I think — I should have answered your Letter, but was afraid you would have sailed before it could reach you, although I do not see in the Papers Captn. Blake had sailed — I am very happy to hear your health was so far established, that you seemed satisfied, and I hope Europe will perfect it, that we may see you & Mrs. Hunt & Family all hearty & well early in 1800, as I dare say a year in Europe will try you & her both, however if you come well the time can make little difference to you or her

You are very ~~good~~ obliging in Promising to give me your assistance in Europe, but I imagine you will be as hurried there as you was in Bengal, as you will have affairs of your own house to settle with your agents, & your voyage to Ireland will take up at least six months I suppose, however, if you think you can assist James Amos Esqr. Camomile Street, Bishops Gate Street London, with your advice, or otherwise, be so good as call on him at your leisure, he has had my Power of Atty. for some years past, & I have sent him some Papers now & and an order to receive some from a Mr. John Mitchell of some consequence, & has been in his hands & a Mr. Amos' these many years, one of them is a Bond of a Lieut. Deanes formerly in the Nabobs service and a paper he made over a Legacy left him by his Father to me, the other is an account current of Mr. Leathams with the Estate of the Late Mr. Michall Grennell, & my protests, all these you may see at your leisure, when Mr. Amos is at Leisure to shew them — You give me no worse an account of Mr. Leathy than I expected

I am settled with Mr. Hughes, but promise myself no advantage by it, if I can save my expences, I shall be satisfied for the present — I am extremely obliged to you for your generous offer, I have never mentioned it as yet to anyone, & it will be only to repair the house in John Servant's garden if I do, & make a mortgage of it to you for security, Mr. Hughes Stock is small, & I take no concern in the goods he had before I came to him — May God Bless You & Mrs. Hunt, & send her a happy time & safe delivery, & may you all arrive back in good health is the sincere wish of

Dr. Sir Your obliged Humble Servant

P.S. it is impossible to describe the Mellancholy Situation Mr. Francis's Family was in when they got the News of Mr. Charles Francis Death, all who knew him was deeply affected with it, but Mrs. Francis above all, & was like to prove fatal to her also, — She is gone to the Bay to inoculate Robert, the care of him will be a means of taking her mind a great deal from the thoughts of Mr. Charles Francis

Dear Daughter

I wrote the 16th Octr last & informed you that I had wrote James Ames Esqr Camomile Street Bishop Gate Street London, to let you have some money on my account if he had got any of the Bills I sent him, I have sent him some more papers by this opportunity and if any of them are paid, I have wrote him to let you have some money if convenient, you may write him to be so good as let you know if he can send you an order to pay you any more on my account & to know if he will not be troublesome to him for it, or if you shall send for it, I only beg you will not be troublesome to him as it may be sometime before he receives any, or may not receive any at all, as I have been very unfortunate in my Remittances, or I would not be in the situation I am in — I hope you, your Husband & Children are well thank God I am very well, let me I beg of you hear from you as often as you can, & write me a particular account of your situation, how many Children you have, their age & your opinion of them, may God bless you, your Husband & them, & may you all enjoy health & all manner of happiness is the sincere wish of

P.S. let me also have the Names of your Children

James Ames Esqr ~~Bishopsgate~~
Camomile Street, Bishop Gate Street London

Sir

I wrote you the 15th Octr last, which I hope you have received safe, I need ~~not~~ say no more respecting it till I hear from you again

I now send you some papers, a list of which I also send, the first three I have sworn to before the Mayor; Lieut. Thomas Coghlan's Note will speak for its self & I am only afraid ~~that~~ Captn. Bailey & Conductor Grange (perhaps now a Lieutenant) may be returned before this reaches you, but if they have, please keep their accounts as I can receive them out again, I hear ~~that~~ Captn. Gordon is dead, however you will be able to find this out & who has the management of his Estate — Mr John Mitchell has some papers of mine, which I have wrote him to deliver to you, one of them is a Bond of a Lieut. Deane, formerly of the Nabob's Service, it is dated in 1778, I sent it first to the Messrs Winter No 35 Leadenhall Street, after Mr David Thurox went home, I sent a joint Power of attorney to David Wedderburn & him, thinking he would have more time & more interested in the recovery of it; he ~~took~~ a good deal of pains about it, but being a distance from London, & the expense going & coming there about it he gave it up, & after his death, it fell into the hands of Mr John Mitchell his Executor — as a further security to me, Lieut. Deane made over a Legacy left him by his Father, that also is amongst the papers, Lieut. Deane has been ... near twenty years he was many years in the Main Guard in the Fort, but after ... house was built he was removed there where he still continues ...

I sent also a copy of his being ... in his Judgement at the time he gave in the Bond & made over the Legacy to me, & his Father's Will in Doctors Commons will prove the Legacy

I also sent Mr Thurox an account current of Mr John Leatham, he delivered into Court (attested) before he left Madras, & of which I knew nothing of till sometime after, with a protest against him & Mr Macintosh he having left all the accounts & papers of the Estate of the Late Mr Fennell in Mr Macintosh hands, who died soon after, I send you a List of the Bonds, Notes & Bills due to the Estate in the hands of Mr Macintosh, which have never been demanded since the Death of Mr Macintosh, which I got from Mr Robert McKenzie, who was Clerk to Mr Macintosh, & afterwards Mr Macintosh; you will see from the Decree of Court the acct current against the Estate of the Late Mr Michell Fennell what that Estate owes me, the papers are so clear & as you was an Alderman of the Court at the time, you recollect the business so well, that I need say no more about it, & as they can be of no manner of use to him, I hope he will not object to it, but if he does, protest against him & the Estate of Mr David Thurox

I wrote you in my last to give my Daughter a little money, & if you receive any money from the Bills I now send you please let her have some more, I would not limit the sum only wish to keep as much as you think Necessary to defray the expence you think you may ~~be at~~ have occasion for — I have heard nothing about Mr Watters, I hope you will be able to find out what Regiment he belongs to from the List of the army — I have sent Mr Mitchell a Bill on Lieut. Colonel Stair Pr: Dalrymple of the 71st Regiment of Foot, a Copy of which I send you, as also the Letter of advice, the account, & Mr Day's opinion of it, I have wrote him in case he does not honour it to protest, to give you one, keep one & send one back, perhaps if he does not succeed, you may induce the Colonel to pay it, but the amount I have promised Mr Mitchell should have if recovered — although from my being so much from Madras these many years, my papers are much out of order I have nevertheless found some of the Late Mr David Thurox Letters, from which I send you Extracts, that will give you more insight into Lieut. Deane's affairs, than all I can write about them, I also send you a Letter from his own Mother to him, ~~that~~ everything may assist you, & I entreat your opinion as soon as you can give it with propriety, after you have examined the papers in Mr Mitchells hands — Mr Thomas Hurst is gone home with his wife passenger with Captn. Blake, he may stay perhaps a year, he has offered me his assistance in anything while at home, I have given him your address & requested he would call on you, & as he may have some spare time, he may be able to assist you in making enquiries, you may communicate any ~~thing~~ to him respecting me with the greatest freedom — wishing you & your Family health & all manner of happiness ~~...~~ I am &c.

Lieutenant Colonel Stair Pr: Dalrymple 71st Regiment

Sir

agreeable to your order I laid my accounts with you before Mr Branch Day with the vouchers, and you will see ~~on the other side~~ a Copy of his opinion of them on the other side, which I hope will satisfy you ~~that~~ my Claim was just, & I have this day drawn a Sett of Bills on you for the amount on you at ~~that~~ thirty ~~days sight~~ days after sight for one hundred and seven Pagodas ~~seven fanams and~~ two fanams and thirty cash as per account on the other side

I have charged interest only from the first of Novr 1792, agreeable to the Bill I drew on you in favour of Messrs Balfour and Colt in Octr 1792, which I hope you will ~~honour~~ be pleased to honour as I owe a large Ballance to Mr Mitchell on ... Executor for

Fort St. George 16th Feby 1798

John Mitchell Esqr. Swan Walk Chelsea

Sir I hope I have convinced you that I am to pay if I was abl[illegible]
you will be induced to have a better opinion of me than you have [illegible]
be sensible that if I had deserved the treatment I have met with from the late Mr
Knox & you, it would have been impossible for me even to have existed to this ti[me]
& that Mr Knox must have lost his money, had his agents followed his instructions, he
him & me are under the greatest obligations to them, it would have been a poor, satis[fac-]
=tion either to Mr Knox or you, had they put me in Jail then let me rott, as his expression in
his last Letter to me was so, I must impute this to some Malicious person or persons you[r]
from this; or I am certain Mr Knox would never have given me so far over [illegible]
& Friends — was I to vindicate, or attempt to vindicate my conduct, I should [illegible] to
blame, but when you consider that I had eight thousand Pagodas in [illegible] the fau[lt]
of Messrs Francis & Willoughby only at the time you left this Country & that I have
in less than a month after, a circumstance I had no expectation of, & that I have
received only 26 per Cent on the principle, & no Interest, besides other great losses
many of which I might have avoided, but I have always been too easy, &
I have been severely punished for it, without such harsh treatment as you —
have made use of ——— those who are on the Spott, & have seen the
exertions I have made, & what I have gone through, has a better opinion: me
than you have, & I may venture to say, there is not one in a hundred in the
situation I was in, would have done what I have done, but would on the
first threatning have turned all they could into Cash & made off from the reach
of Danger, the thoughts of which I detested & I hope forever shall, whatever may
be the Consequence — by the desire of some Friends I went after the army to
Trincomalee & from thence to Columbo, & was absent near two years, with very
bad success I will not say what I suffered, as you might not believe me, &
if you did, it could be of no use ——— I paid into the hands of Messrs Colt —
Baker Day & Co. in Augt. last one hundred pagodas & in Octr. 231: & I have
given them a Sett of Bills on Lieut. Colonel Dalrymple 71st Regiment drawn
in your favor at thirty days after sight for Pags. 107: 2: 30, I had drawn
them in their favor, but they desired me to draw them in your favor, they being
Colonel Dalrymples agents, they said he would sooner pay them to you than
them, nor did they like to endorse them, I have wrote a Letter of advice with each
Bill to the Colonel to your care, with a Statement of his account, he disputed the whole
at first, & then part of it, & on his going home he left the whole to be examined by
Mr Day; with the vouchers, & agreed to abide by his opinion, Mr Day gave his
opinion in my favor in writing a Copy of which I have sent the Colonel with
the Letters of advice — I beg you will do your utmost to get the Colonel to
to pay it but if he does not accept the Bill Note it & when due Protest it, unless he
agrees to give a Sett of Bills on Messrs Colt Baker Day & Co bearing interest from
the date of the Bills drawn, till they are duly honored but in case you cannot
prevail on him to do either, I intreat you will be so good as give the first Bill &
one of the Letters of advice to James Amos Esqr. Canonbury Street Bishop—
gate Street London, & take his receipt for it on my account, & if he gets the
[illegible] for it, he will [illegible] it to you, I shall send him a Copy of the Letter, as you
[illegible] in [illegible] which the Colonel [illegible]

As the Papers I sent Mr Knox can be of no use to you, or his Estate, I beg you will be
so good as give them all to James Amos Esqr. also, the principle are Lieut. Cosmes Bond to
me & the paper he made over to me for a Legacy his Father left him, & the correspondence
relative to it, I mean my Letters to Mr Knox about it, or any other may be useful, the
Papers & accounts I sent Mr Knox against Mr John Latham, protests &c. as Mr Amos was
an Alderman of the Court at the time, he may be able to do something with them, at any
rate you can be no looser by it, & if any thing is recovered, it will assist in —
well, dragging what I owe — as I have done all in my power to ~~pay~~ pay off the —
not able I [illegible] I owe, you would do me a favor, would you agree to let my account be
made up at the rate of five per Cent from the date of the last account I sent Mr Knox
that I might if possible close & pay the whole, & if you consider what the accumulat-
ing ten Interest amounted to at that time, I believe allow ~~that~~ Mr Knox could not
have ~~made~~ made so much of it at home, Mr Goldsworth had an account against me
of a Mr Robert Scott, Purser of an Indiaman who died, & was so well pleased with
my conduct, that he wrote to his Brother without my knowledge, to let the
accounts be made up at that rate, which he consented to, by which I was enabled
to settle the whole, I should never have asked this of you, but I am now far
advanced in years, & by course of Nature not to mention accidents, I cannot
live much longer, & I would wish to live to see this account settled before I
die, I wish you was a witness to how I live, & to what I do, the very decen[t]
treatment I have met with from Mr Knox has hurt my peace more than
any thing, or I might have been able to have cleared myself long ago,
& you & him ought to have had good proofs of my having altered my
principles, before you carried your resentments so far, however I hope you
will have a better opinion of me in future, & drop all that is past

I am Sir your Obedient Humble Servant

P.S. I have made a mistake in the calculation of Cash in the Bill, I
have drawn on Colonel Dalrymple, instead of ten, five pence would
have been nearer the mark, however I hope this will cause no dispute
as giving up all the Cash & pence is no object, & it is only the irregularity
I am sorry for
