The Answer of Joaquim Gregorio to the Allegations
of Patricio Valverde —

This Opponent Admits that on the fourteenth day of January
in this present Year of our Lord One Thousand Seven hundred and Eighty three One
whose Day Mr Stephen Popham for Daniel Shaw Proctor for Patricio Valverde
Opponent and prayed that Letters of Administration might be granted him to the
Estate and Effects of Francisco de Viterra Deceased as Husband to the said
Deceased and Shewn this Honble Court were pleased to Order the usual
Advertisement to be affixed and afterwards to Wit on the Twenty Eighth Day of the
said Month of January Mr Thomas Jones for Joaquim Gregorio filed a
Caveat to Stop any Probate or Administration of the Estate of the said Francisco
de Viterra from passing on that first giving Notice to the said Thomas Jones for the
Behalf of the said Joaquim Gregorio as a Creditor of the said Deceased This Opponent
also admits that on the same day the said Mr Stephen Popham for the said Daniel
Shaw also filed a Caveat to Stop any Probate or Administration to the Estate of
Deceased passing without first giving Notice to the said Daniel
Deceased

To Answer to the first Article the Opponent saith that he admits that
of the Proponents Marrying the said Francisca de Morra at Calapore the Opp
and further saith that he believes the Proponent lived with the said Francisca de
Morra at Pallacat for some time past but absolutely Denies her living there with
her with the your Orators Rupees Seven hundred and Seventy Eight for the
Opponent saith that he is ready to prove that the Proponent did owe them
the your Orator Rupees Seven hundred and Seventy Six the debt of the
the said Francisca de Morra the Proponent produced Wife without the
knowledge privity or Consent Goods and Money the Consideration and
converted himself to his Use and the said Francisca de Morra being
of this Opponent came to this Opponents House and desired him this Opponent
to go with her to the Bridge of St Thomas in Order to obtain from the
Opponent accordingly went with the said Francisca de Morra and began
Complaint to the Bridge who sent for the said Proponent who refused to come
before the Bridge the Bridge thereupon ordered the said Francisca de Morra to
her own Palankeen Separate and part from the said Proponent and to have no
Cohabitation to the Judges Palankeen which the Complainant did and came
that time to the day of her Death the Proponent never made his Opponent
Palankeen nor supported her Wife

This Opponent also Answers that he this Opponent did once apply
Appropriate to his own Use to pay or

He doth not know of any Intermarriage between the Proponent and Francisca de
Morra and if the Proponent proves the same this Opponent has no objection to
Letters of Administration being granted to the said Proponent provided he pays
this Opponents Debt which Amounts to Two hundred and Sixty Pagodas
for House rent and Doctors Bill as this Opponent cannot place any Confidence
in the Person of the Proponent who is a foreigner and an Inhabitant of Vincalagery
out of the Jurisdiction of this Worthy Court whether this Opponent apprehends
he the said Proponent would immediately go as soon as he had possessed him-
self of the Estate and Effects of the said Francisca de Morra Deceased without
paying this Opponents demand and thereby deprive this Opponent of every
possible remedy for the recovery of his just Debt

Wherefore this Opponent Humbly prays that this Worthy Court will be
pleased to grant him this Opponent Letters of Administration of the Estate and
Effects of the said Francisca de Morra Deceased as a Creditor of the said Deceased
or that this Worthy Court will be pleased, in case this Worthy Court should
think proper to grant such Letters of Administration to the Proponent in
preference to this Opponent, to compel the said Proponent to give in dispatchable
Security not to depart the Jurisdiction of this Worthy Court until he the said
Proponent shall have rendered a full and Just Account of his Administration
of the Estate and Effects of the said Deceased
