To The Honble the Mayors Court at Madraspatnam

The 10th day of October 1786

On which day Mr Henry Dalley Proctor for William Wynch Esquire prayed that Letters of Administration might be granted to him of the Estate and Effects of Sophia James whom he stiled Widow and relict of Edward James late Lieutenant Colonel of Artillery at Fort Saint George in the Service of the Honble the United Company of Merchants of England Trading to the East Indies in right of his Wife Relict Wynch lawful Sister of the said Sophia James whereupon Mr Stephen Popham as Proctor for William James the natural and lawful Brother of the said Edward James and sole Administrator as such under the Prerogative Court of the Arch Bishop of Canterbury of the Goods Chattels and Credits of the said Edward James by his acting Attorney Lieutenant Colonel William Sydenham of the Corps of Artillery of Fort Saint George aforesaid appeared on the fourteenth day of the said Month of October in the same Year one Thousand Seven hundred and Eighty Six and file a Caveat to prevent Letters of Administration of the Estate and Effects of the said Edward James or Sophia James being the Seal without first giving notice to the said Stephen Popham on behalf and for the Interest of the said William James and now the said proponent by all better and more effectual ways and means of Law to all Intents and purposes in the Law whatsoever doth allege and say that the said William Wynch hath no right or Title to the Estate of the said Edward James and that there is no Estate in Being or probability of the said Sophia James for the Reasons hereinafter mentioned

First ..... Because Sophia James died during the Life time of the said Edward James without leaving any Estate or Effects belonging to her or where she had any right or title whatever independant of her Husband the said Edward James and therefore no Estate doth exist as belonging to her nor can any Letters of administration pass to orpresent the said Sophia James no such orpresentation being possible she having died a Femme Convrte.

Second ..... Because this Proponent is the natural and lawful brother of the said Edward James deceased and as such hath obtained Letters of administration under the Seal of the Prerogative Court of Canterbury under date the Second day of June which was in the year of our Lord one thousand Seven Hundred and Eighty Four as by an Exemplification thereof under the Seal of the said Prerogative Court under date the Eighteenth Day of January which was in the year of our Lord one Thousand Seven hundred and Eighty Six ready appear Copy whereof is herewith annexed marked A the original being in the possession of This Proponents said attorney and ready to be produced if required.

Third ..... Because This Proponent had not any Brother or Sister living at the time of the Death of his brother the said Edward James and therefore was and is the Sole Representative in Law of his said Brother as by the Copy of an Affidavit of the said William James as also of Adam Williamson and Samuel Cleveland herewith annexed marked B may appear the original whereof is in the Possession of this Proponents said Attorney and ready to be produced when required.

Fourth ..... Because if the said William Wynch had any preferable right to this Proponent by being Husband to Rhoda Wynch the Sister of Sophia

permitted Robert Barclay who was neither of Kin to or a Creditor of the said Edward James to have administered to the Estate of the said Edward James but should have opposed the same and preferred his application as he hath now done, instead of which the said William Wynch became one of the Securities of the said Robert Barclay and thereby relinquished all right to intermeddle with the said Estate other than to preserve the same for the next of Kin or Creditors thereof as a Friend to the Deceased in like manner as the said Robert Barclay had undertaken to do the said Robert Barclay having applied for Letters of administration of the Estate and Effects of the said Edward James as his friend and neither as next of Kin or Creditor or as representing the Heads of Kin or a Creditor.

Fifth ..... Because by suffering the said Robert Barclay to administer to the Estate of the said Edward James "in Toto" and without Reserve the said William Wynch acknowledged the Estate to have been in Edward James in Toto which act precludes his Claim as Husband to Rhoda Wynch the Sister of Sophia James who cannot have a right to any personal orpresentation while a personal orpresentation of Edward James in Toto existed and was acknowledged countenanced and supported as above stated by William Wynch.

For which reasons this Proponent by his said attorney prays that Letters of administration of the Goods Chattels and Credits of the said Edward James may pass the Seal in favor of this Proponent and that they will be further pleased not to grant any Orpresentation whatever of the late Sophia James she having died before the said Edward James and therefore as dying while a Femme Convrte being incapable of Goods or Credits except by her said Surviving Husband Edward James.

John by Divine Providence Archbishop of Canterbury primate of all England and Metropolitan To our well beloved in Christ William James the natural and lawful Brother of Edward James late Colonel of the Artillery in the Service of the Honourable East India Company in the East Indies Esquire a Widow Deceased Greeting Whereas the said Edward James (as is alledged) lately died Intestate having whilst living and at the time of his Death Goods Chattels or Credits in divers dioceses or Jurisdictions by reason whereof the sole ordering and granting administration of all and Singular the said Goods Chattels and Credits and also the auditing allowing and finally

discharging the accompt thereof are well known to appertain only and wholly to us and not to any Inferior Judge— We being desirous that the said Goods Chattels and Credits may be well and faithfully administered applied and disposed of according to Law Do therefore by these Presents grant full Power and authority to you in whose fidelity we confide to administer and faithfully dispose of the said Goods Chattels and Credits and to ask demand recover and receive whatever Debts and Credits which whilst living and at the time of his death did any way belong to his Estate and to pay whatever debts the said deceased at the time of his Death did owe so far as such Goods Chattels and Credits will thereto extend and the Law requires you having been already Sworn well and faithfully to administer the same and to make a true and perfect Inventory of all and Singular the Goods Chattels and Credits and exhibit the same into the Registry of our Prerogative Court of Canterbury on or before the last day of December next ensuing and also to render a just and true accompt thereof on or before the last day of June which shall be in the year of our Lord one Thousand seven hundred and Eighty five And we do by these Presents retain depute and constitute you administrator of all and Singular the Goods Chattels and Credits of the said Deceased. The Answer of William Wynch of Madras Esq. in Right of his Wife Rhoda Wynch Opponent to the allegations of William James by his acting Attorney William Syndham a Lieutenant Colonel of Artillery in the Service of the Honble United Company of Merchants of England trading to the East Indies Opponent

The said Opponent admits that he did at the time and in the manner and form set forth by the make application in the Kings Ordinary of this Honble Court Letters of Administration granted to him to the Estate and Effects James Widow and Relict of Edward James Late of Madras nt Colonel of Artillery in the Service of the said Honble United in Right of his Wife Rhoda Wynch Lawfull Sister of Sophia Widow and Relict of the said Edward James Deceased as aforesaid Mr Stephen Popham did appear as in the said Allegation setforth as Proctor for William James as being the natural and Lawfull Brother of the said Edward James and as Sole Administrator as such under the Prerogative Court of the Arch Bishop of Canterbury of the Goods Chattels and Credits of the said Edward James by his acting Attorney the said William Syndham and did on that behalf file a Caveat against the application by this Opponent to the Behalf aforesaid made

And this Opponent on that Behalf Saith that he ought nevertheless to have Letters of Administration granted to him according to his said Application for the same and doth therefore

in Support therefore and in Answer to the Several Articles exhibited by the said Proponent Say—

To the First ... This Opponent on the Behalf aforesaid Saith that he is advised that the Proponents said Attorney William Lyanham, is not the one entitled to have Letters of Administration granted to him by this Honble Court, to the Goods Chattels Credits and Effects of the said Sophia James within the Jurisdiction of this Honble Court, Because the said William James hath obtained Letters of Administration under the Seal of the Prerogative Court of Canterbury as natural and Lawfull Brother of Edward James Deceased This Honble Court having independant legal powers in their Capacity as Kings Ordinary to grant Administration to such Effects of persons dying intestate, as may be found within their jurisdiction and that their Orders under such powers cannot be altered or controuled but in cases of appeal as directed by the To the President and Council and ultimately to the Kings in Council, and that therefore this Honble Court are not in their said Jurisdiction limitted or controlled by the Prerogative Court of Canterbury or by any other Court except those who have power to receive appeals from their Orders or Decrees as aforesaid. This Opponent therefore Saith that as to any Matter relating to, or concerning the said Letters of Administration granted to the Said William James under the Seal of the Prerogative Court of Canterbury this Honble Court are Notwithstanding in possession of full Power and Legal Authority to grant Letters of Administration to the Estate of the said Sophia James as Widow and Relict of the said Lieutenant Colonel Edward James within their Jurisdiction to any person whom they may and shall deem and adjudge worthy and best entitled thereupon She the said Sophia James

To the Second ... This Opponent Saith that he is advised that altho' the said Edward James had not any other Brother or Sister living at the time of his Death, the said Proponent is not therefrom entitled to have Letters of Administration granted to him to the Estate and Effects of the said Sophia James Widow and Relict of the said Edward James within the Jurisdiction of this Honble Court thro the means and Representation of the said Attorney William Lyanham But that the Right of Letters of Administration to the said Estate of the said Sophia James within the jurisdiction of this Honble Court doth more properly belong to this Opponent in Right of his Wife Lawfull Sister of Sophia James as being the Widow of the said Edward James he this opponent being the next and only legal Representative within the Jurisdiction of this Honble Court

To the Third ... This opponent Saith that he doth by no means admit that Sophia James died during the life time of the said Edward James without leaving any Estate or Effects belonging to her, But on the Contrary saith and hath reason to believe that the said Edward James died during the life time of the said Sophia James and that by so surviving her said Husband she the said Sophia James was in her life time entitled to have Letters of Administration to his Estate as his Widow and in consequence to a one full moiety or half Share of the Amount or value of the Estate of her said Husband the said Edward James Deceased For this Opponent Saith that the said Edward James and his said Wife the said Sophia James did take their departure from Madras on Board the English East India Companys Ship the Grosvenor some time on or about the Month of June one Thousand Seven Hundred and Eighty two being then bound for England that the said Ship was wrecked on the ~~West~} † Coast of Africa and the said Edward James and Sophia James are both supposed to have died soon after from the situation they were exposed to by reason of the said Wreck and this Opponent Saith that altho it hath never been ascertained

which of the said Deceased persons Edward or Sophia James his Wife was the Survivor there is a Strong presumption that the said Edward James must have died first from an infirm State of Body he had for many Years before labored under, which rendered him incapable of Supporting the fatigues he must have suffered and under which from these causes he must have necessarily Sunk and perished at any earlier stage than one Less burthened with Sickness and decease This Opponent therefore saith that the Proponent could not with certainty make Oath that the said Edward James died a Widower, in order to Obtain Letters of Administration to his Estate, The Presumption rather being that his Wife Sophia James survived him, under which Circumstances this Opponent Saith that his Claim for Letters of Administration to the Estate and Effects of the said Sophia James as Widow and Relict of Edward James in Right of his Wife Rhoda Ledsfull Sister of the said Sophia, hath a more favorable appearance of Right than that of the Proponent

To the Fourth This Opponent saith that his preference of Right is not superceded by having allowed the said Robert Barclay to administer to the Estate of the said Edward James, and this Opponent Saith that his reason for so doing was, that the said Robert Barclay was in possession of all the several Effects of the said Edward James in Madras by being his acting Attorney and this Opponent having equal confidence in the said Robert Barclay as the said Edward James, He did allow of Letters of Administration to be taken out to his Estate by the said Robert Barclay, and as a mark of that Confidence this Opponent became one of the Securities to this Hon.ble Court for the due Administration thereof by the said Robert Barclay

To the Fifth This Opponent Saith the Same needs no Answer than is made the

fourth as before written

For all Which matters this Opponent prays that the prayer of the Proponent by his said Attorney William Sydenham for Letters of Administration to the Estate of the said Sophia James may be rejected and over ruled and that the application of this Opponent thereto in Right of his Wife Rhoda Wynch may be allowed of granted and Confirmed

Filed 1st March 1785

Allegation of Amatte Fonthulles and Magdalena Fonthulles late Magdalena Gregorio Miguel Widow and Relict of Gregorio Miguel deceased Against Sett Aviet and Sarad Ceja Maul Administrators of the Estate and Effects of the said Gregorio Miguel.

Imprimis These Proponents the said Amatte Fonthulles and Magdalena Fonthulles say that the said George Miguel Intermarried with the said Magdalena in the year of our Lord one Thousand Seven hundred and Sixty two that the said Gregorio Miguel died in the year of our Lord one Thousand Seven hundred and Seventy Six without having made any Will or Testament and the said Sett Aviet and Sarad Ceja Maul Obtained Letters of administration of his Estate and Effects under the Seal of the Honble the Mayors Court on or about the fifteenth day of June which was in the Year of our Lord one thousand Seven hundred and Seventy Six Pretending as in the said Letters of Administration is setforth that they were Friends to the deceased and they did in Consequence of such Letters of administration Possess themselves of all the Estate and Effects Rights and Credits of the said Gregorio Miguel and the above Proponent Magdalene having applied for her half Part of the said Estate and Effects as Widow of the said deceased Gregorio Miguel he having died intestate and without any Lawfull Issue living at the time of his decease and the said Sett Aviet and Sarad Ceja Maul having refused to Pay the same the said Magdalena was Obliged to institute a Suit in this Honble Court for the Recovery thereof which the said Administrators Contested under various and evasive pretences and Particularly attending that the said Magdalena had forfeited her Right as Widow in Consequence as they Charged of her having elopted from her said Husband altho it Strongly appeared by the Evidence in the said Cause and the fact was well Known to

the said administrators that the said Magdalene left the House of her said Husband to avoid a Continuance of his Brutal ons behaviour, nor was any insinuation to Prejudice the Fame of the said Magdalene Supported by the Several Witnesses examined by the said Sett Aviet and Sarad Ceja Maul in the above Cause and these Proponents say that the said Cause was decerd on the Ninth day of June one Thousand Seven hundred and Eighty when this Court Decreed that the said Sett Aviet and Sarad Ceja Maul Should Pay unto this Proponent Magdalene one Clear moiety or half Part of the Produce of the Estate and Effects of the said Gregorio Miguel deceased and that all Costs of Suit be Paid out of the Estate of the said Gregorio Miguel.

Second These Proponents say That Pending the said Suit and before any Judgment or Decree was giving thereon one Lydia Stephen as Sister and next of Kin to the said Gregorio Miguel did lite a Bill in this Court by her attorney Joseph Marriott of amanus Merchant against the said Sett Aviet and Sarad Ceja Maul as administrators as aforesaid for the whole of the Surplus of the said Estate after Payment of the Debts Concerning that she had an exclusive Right to the whole thereof and Pending such last mentioned Suit the said Lydia Stephen by her said attorney Joseph Marriott and the said Sett Aviet and Sarad Ceja Maul as administrators as aforesaid did Consent and agree to abide by the award of Thomas Sutton Johannes Marcar Johannes Peratum Joannes Petamar agreably Setter and Sayd Petum Certain armenian Merchants of Madras and the Person by them for that Purpose then indifferently Chosen to settle by arbitration the matter then in dispute Between the said Lydia Stephen and the said Sett aviet and Sarad Ceja Maul and referred to the said Six Persons above named as arbitrators who accordingly made their award in writing wherein among other things was the following Direction respecting the Suit then depending Between the said Proponent Magdalene and the said administrators To wit that untill a Decree Past in favor of the said Magdalene the said administrators should not appeal therefrom without Consent of the said Lydia Stephen under attorney and that any Person appealing without such Consent should Pay the whole Charges attending appealing and in the said award it is further observed that the said Administrators

had drawn out an Account of the said Estate and had therein Set forth Thirty Eight Thousand Six hundred and fifteen Pagodas and Eleven Sixteenths of a Pagoda being the outstanding debts and Goods remaining unsold which they as administrators should Collect and dispose of as soon as Possible and after Collecting the said Sums and paying the Commission and Charges they should distribute the Ressidue to the Heir or to such as should stand next of Kin unto the said Deceased Provided the time should not Exceed two years and that after two years any outstanding debts or Goods and the Claim for the amount of Sales thereof remaining in the hands of any other Persons they should deliver over to the said Heir

Third.... These Deponents say that Since the making of such Award To wit on the Ninth day of December which was in the year of our Lord one Thousand Seven hundred and Eighty The Hon^ble the Mayors Court did decree as above stated to wit that the said Set Aviet and Sarad Coja Maul as Administrators as aforesaid should Pay unto This Deponent Magdalene one half Part of the Estate of the said Deceased Grigorio Miguel but these Deponents say that the said Administrators Instead of so doing and notwithstanding the Ethorjs restriction on them laid in and by the said award did appeal therefrom to the Hon^ble the Court of Appeals unto which appeal this Deponent Magdalene did file her Answer in the said Court of Appeals and these Deponents further say that Since the said appeal and Answer were so filed the parties namely this Deponent Magdalene by her attorney Miguel Johannes and the said Set Aviet and Sarad Coja Maul as Administrators as aforesaid did mutually agree to Withdraw their Proceedings in the said Court of Appeals and did on the Twenty Eight day of March which was in the Year of our Lord one Thousand Seven hundred and Eighty one Enter into and Execute Certain Articles of Agreement to the performance whereof each Party bound himself and themselves to the other in the Penal Sum of Forty Thousand Pagodas which Sum was made Payable by such as should fail therein to them or him who should Comply therewith which said Agreement and the Parts to be Performed by each of the parties to the other of them was and were to the following Effect to wit That this Deponent Magdalene should admit of the Transaction of Set Aviet and Sarad Coja Maul in the Administration of the said Estate and also should admit the arbitration of the Gentlemen relative to the

the said Leptha Stephen and the said Set Aviet and Sarad Coja Maul and that she (meaning this Deponent Magdalene) should acquire from the Estate of the said Deceased Grigorio Miguel what the said Leptha Stephen did receipt to acquire and this Deponent Magdalene was to receive her Share without Interest and to bear the Costs of the Law Suits at Appeal on her behalf and on the Receipt of one moiety of the Estate of the said Grigorio Miguel deceased in ready Cash and in Outstanding Debts she should Execute an usual Indemnification unto the said Set Aviet and Sarad Coja maul the said Set Aviet and Sarad Coja maul being on their Parts to acknowledge this Deponent Magdalene to be entitled to the said Estate equally as they before acknowledged Leptha Stephen to be entitled and that they should deliver up unto this Deponent Magdalene at the Expiration of three months from the date of their said agreement her half share in the said Estate in ready money and in outstanding Debts without any Interest and that they the said Set Aviet and Sarad Coja Maul should bear the Costs of appealing on their behalf and that all the Papers in the Suit relative to the former and new Controversies Between this Deponent the said Magdalene and the said Administrators should be withdrawn by the said Parties each on his her or their own Parts and that the said agreement should remain in full force and the performance thereof to be at the time above written meaning in three months from the date thereof one Part being Executed by the said Miguel Johannes as attorney for this Deponent Magdalene and the other Part thereof being executed by the said Set Aviet and Sarad Coja maul as administrators as aforesaid as by a Translation of the said agreement from the Armenian Language reference being thereunto had may more fully and at large appear

These Deponents say that Since the making of the said award to wit on the Twenty Eighth day of June in the said year of our Lord one Thousand Seven hundred and Eighty one being the day on which the Performance of the said agreement of the said Twenty Eighth day of March was to take Effect the said Miguel Johannes as acting attorney of this Deponent Magdalene John de Souse her other attorney being incapacitated by ill health from taking any other part in the premises than by giving his advice to this Deponent she by and with the Consent of the said John De Souse go to the house of Set Aviet and did then and

there offer to execute to the said Sett Aviet and Sarad Coja maul as administrators of the said Gregorio Miguel a Proper and full discharge on receiving the half Part of the Estate of the said Gregorio Miguel for account of this Proponent Magdalene But the said Sett Aviet and Sarad Coja maul made objections thereto to remove which and in order finally to settle all differences Between the said Parties and to prevent the necessity of further Expences at Law respecting the Premises it was agreed to meet on the Evening of the same day at the house of the said Joseph Marrott the attorney of the said Lyttha Stephen when and where the said Miguel Johannes on the behalf of this Proponent Magdalene Sett aviet and Sarad Coja Maul as administrators as aforesaid and Joseph Marrott Edward Raphael and Stephen Popham on behalf of all Parties met Accordingly and after having Considered all matters respecting all the Parties interested in the premises and taken the Sense meaning and intention of each other regarding the Premises a paper writing expressive thereof was drawn up by the said Stephen Popham and which was in the words and figures following to wit

Whereas we have made an Agreement dated the 28th day of March last to finish all Accounts Relative to the Estate of Gregorio Miguel deceased in three months from that date which time is expired this day and whereas by that Agreement Sett aviet and Sarad Coja maul ought to have paid the last part of the Estate of Gregorio Miguel unto Miguel Johannes as atty of Magdalena Gregorio and they ought to have assigned the last part of the outstanding Balances and to have delivered half part of the Goods of the said Gregorio Miguel to the said Miguel Johannes for account of the said Magdalena Gregorio so that her share should be the same as the share of Lyttha Stephen according to the Award made on her action the 15th day of August 1779 and the said Miguel Johannes ought to have given a full discharge in Consideration of the above but as there are some difficulties in the Accounts we do now agree to refer the whole thereof to the arbitrators who Signed the said award and to be determined by their Award thereon as final and conclusive and the said Sett aviet and Sarad Coja maul do agree to have all the accounts relative to the Estate of the said Gregorio Miguel ready by the 15th day of August next and the said Sett aviet and Sarad Coja maul do hereby bind themselves to

Miguel Johannes in the Sum of 40,000 Pagodas and the said Miguel Johannes doth bind himself to the said Sett aviet and Sarad Coja maul in the like Sum of 40,000 Pags to perform respectively and to abide by the Judgment of the said arbitrators contained in which paper was read and Carefully and fully explained to all persons present and the same being proposed to be Signed by the intended parties thereto to wit the said Sett aviet and Sarad Coja maul as administrators as aforesaid and the said Miguel Johannes as acting attorney of this Proponent Magdalena the said Sett aviet and Sarad Coja maul refused to Sign the same at that time but desired to take the said Paper writing with them to Consider thereof and that after Consideration had thereon they would give answer thereto

Fourth. These Proponents say that some time after the above meeting the said Miguel Johannes by the said Stephen Popham desired to know if the said Sett aviet and Sarad Coja maul Sign the said Paper writing but they refused to Sign the same without giving any Satisfactory reason for such refusal and these Proponents say that the said Miguel Johannes did not hear any thing further from the said Sett aviet and Sarad Coja Maul respecting the matters and things above set forth until on or after the nineteenth day of October in the said year of our Lord one thousand Seven hundred and Eighty one when the said Miguel Johannes received a paper writing purporting to be a Protest under the Hand and Seal of Henry Dudley as Notary on which said Protest is set forth the said Agreement or Penalty Bond above in part recited bearing date the said Twenty Eighth day of March one thousand Seven hundred and Eighty one and Executed by the said Sett aviet and Sarad Coja maul as also by the said Miguel Johannes and that they had paid on the day of the date of the said Bond unto the said Miguel Johannes the Sum of Sixteen thousand and Sixty seven Pagodas and Six fanams being the last part of the Ballance of an account delivered into the Mayors Court and that on the Eighteenth day of June in the said year one thousand Seven hundred and Eighty one they delivered a fresh account Current into the Hands of Joseph Marrott which they desired him to give the said Miguel Johannes and they also by the said Notary set forth that they requested him the said Joseph Marrott that they were ready to pay him on the part of Lyttha Stephen and the

the said Miguel Johannes on the part of this Proponent Magdalena the respective Balances due to Lepika Stephan the Sister and this Proponent Magdalena as widow of the deceased upon their giving an Indemnification and discharge of the same and the said Protest setsforth that the said Joseph Marrot did shew the said Second Account to the said Miguel Johannes who said that it was Joseph Marrots business to inspect the same and that afterwards the said Miguel Johannes would inspect it and the said Protest of the said Sett Asvet and Sarad Coja Omaul so made before the said Henry Dupuy as Notary then setsforth the several other matters and things with a view to save themselves from being answerable to this Proponent Magdalena for her proper and full share as Widow of the said Gregorio Miguel.—

Fifth. These Proponents say that the said Sett Asvet and Sarad Coja Maul caused the said Protest to be served on the said Miguel Johannes as attorney of this Proponent Magdalena who in Consequence thereof went soon after to the House of the said Sett Asvet and Sarad Coja Omaul respectively accompanied by his attorney Stephen Popham who demanded the original Paper writing above setsforth in the third allegation and bearing date the said Twenty Eighth day of June one Thousand Seven hundred and Eighty one and which the said Sett Asvet and Sarad Coja Omaul had taken home with them with a view as they pretended at the time to Consider of the Contents thereof and they then promised to return at the exact Day and desired the said Miguel Johannes and Stephen Popham to attend for that Purpose at which time Agavelly Satur of Madras Merchant was present when the said Stephen Popham remonstrated against the said Sett Asvet and Sarad Coja Omaul for having Protested as above setsforth at the time that all matters were ripe for an Accommodation whereupon Agavelly Satur Proposed to leave the matters in dispute to himself and the said Stephen Popham which was agreed to by all Parties and the said Stephen Popham drew out a Paper expressive of what he Conceived at that time to have been the Sense of all parties but the said Agavelly Satur refused his Consent thereto or to Agree to other persons being called in to settle the difference between them and on the said Stephen Pophams applying to the said Sett Asvet and Sarad Coja Maul or—

Consequence thereof they referred him to their second account respecting their said Administratorship delivered into This Honble Court all which several Actings and doings of the said Sett Asvet and Sarad Coja Omaul proved their unwillingness to come to a just and just Account with the said Miguel Johannes as attorney of this Proponent Magdalena and have tended much to her prejudice especially as on Account of her absence from Madras during the late War she hath not been able for so long a period to attend to her own affairs in person.—

Sixth. These Proponents says that it is stated in the said Award of Shamier Sultan Johannes Marcar Johannes Paratuin Johannes Solamier Agavelly Satur and Sacad Patuin and which award bears date the Tenth day of August which was in the year of our Lord one Thousand Seven hundred and Seventy nine That the said Administrators had Drawn out an account of the said Estate and had therein setforth thirty Eight Thousand Six hundred and fourteen Pagodas and Eleven Seventeenths being the outstanding Debts and Goods „remaining unsold which they as administrators should Collect and dispose of as soon as „possible and after Collecting the said Sums and paying the Commission and Charges they „should distribute the residue to the Heir or to such as should Show cause of Right to the said „Deceased Provided the time should not Exceed Two years and that after two „years any outstanding Debts or Goods and the Claim for the amount Sales thereof „remaining in the Hands of any other persons they should deliver over to the said Heir

These Proponents say that the said administrators did not at the expiration of the said Two years deliver over the said outstanding Debts and Goods or the amount Sales thereof notwithstanding they were bound so to do as above stated and notwithstanding they had Agreed so to do by the said Paper writing of the said Twenty Eighth day of June one Thousand Seven hundred and Eighty one drawn up as before stated at the house of the said Joseph Marrot and which Paper writing the said Sett Asvet and Sarad Coja Maul did over their proposed time for setting all Accounts relative to the said Estate of Gregorio Miguel to wit the said Eleventh day of August one Thousand Seven hundred and Eighty one and until the formal demand made thereof by the said Miguel Johannes after he had

received from the said Administrators the said Protest bearing date the nineteenth day of October in the said year of our Lord one thousand Seven hundred and Eighty one—

Seventh — These Proponents say that by the said Agreement of the said Twenty Eighth day of March one thousand Seven hundred and Eighty one entred into by the said administrators and Miguel Johannes this Proponent Magdalena was to receive her moiety of the Estate of the deceased Gregorio Miguel in ready money and outstanding debts and the said administrators were to deliver over unto this Proponent Magdalene at the Expiration of three months from the date thereof her half share in the said Estate, and that the said administrators were to Pay the Costs of Appealing on their Behalf But these Proponent say that the said Administrators have neither delivered over the said half of the Estate or paid the said Costs altho required so to do by the said Miguel Johannes at various times and particularly on the said Twenty eighth day of June in the said year of our Lord one thousand Seven hundred and Eighty one when the said Miguel Johannes attended with his Attorney at the House of the said Sill Avret and Sherad Cox Esqrs to demand the said Estate and Effects and an assignment of the Half of the said outstanding Balances and tendered to the said administrators according to the forms of Law and the Spirit of the said agreement of the said Twenty eighth day of March a full Receipt and Discharge on behalf of this Proponent Magdalena —

Eighth — These Proponents says that the said Sill Avret and Sherad Cox Esqrs have neither complied with the said award of the Fifteenth day of August which was in the year of our Lord one thousand Seven hundred and Seventy Nine nor with the said agreement of the said Twenty eighth day of March one thousand Seven hundred and Eighty one nor with the Proposition made at the House of the said Joseph Marret on the said Twenty eighth day of June in the said year one thousand Seven hundred and Eighty one but they have failed therein in manner as is setforth in the Sixth and Seventh Allegations above setforth and therefore this Proponent Magdalena is not only Legally exonerated from all and every the Propositions heretofore Suggested by her Attorney the said Miguel Johannes with a view of putting a final End of all Controversies at Law and bringing matters to an amicable Conclusion but she appears as she now humbly Conceiveth to have a Right to recover from the said Administrators by action

at Law the Penalty of Forty Thousand Pagodas so entered into by them in manner as herein before stated But this Proponent Magdalene not being willing or inclined to enter into any fresh Proceeds at Law with a view of acquiring any more than her Moiety or Half Part of the Estate and Effects of her deceased Husband Gregorio Miguel according to the said Decree of this Honble Court of the said Ninth day of December one thousand Seven Hundred and Eighty hereby waveth all Right to all or any Profitures to which she might otherwise have been entitled and humbly appealeth to the Judgment of this Honble Court to determine on the Quantum of her Rights under and by virtue of the said Decree.—

Ninth — These Proponents say that the said Proponent Magdalena intermarried with the said Proponent Amable Fonthielles on the Twenty fourth day of February which was in the year of our Lord one thousand Seven hundred and Eighty four By force and virtue of which Marriage these Proponents are now justly entitled according to Law to those same Rights with this Proponent Amable Fonthielles Subject nevertheless to such Covenants respecting themselves individually as are particularly stated in their Articles of Intermarriage for the Better settling and assuring to the Uses therein mentioned their Respective States and Effects then acquired or afterwards to be acquired by them or either of them —

Tenth — These Proponents say that Since this Proponent Magdalene hath returned to Madras and was fully informed by her said Attorney Miguel Johannes of all and every the Translations of the said Administrators she hath in consequence of certain Propositions received from the said Administrators entertained hopes that the said administrators would have settled all affairs in an amicable manner and with that view this Proponent Magdalena hath taken much Pains to settle the same and would have willingly submitted to the Loss of many Thousand Pagodas of her own Proper and just rights rather than enter into any Litigation respecting the same but the said administrators so far from offering to these Proponents any satisfaction respecting the Premises threaten the said Miguel Johannes with an action for Forty Thousand Pagodas unless these Proponents finally settle their remaining Claims in such manner as the said Administrators shall judge proper and to

which if these Proponents submitted they would incur a Loss to amuch large Amount than the whole of the Sums which hath been paid to the said Miguel Johannes on account of this Proponent Magdalina and these Proponents say that the Threats of the said administrators against the said Miguel Johannes are founded on a Pretence that he hath incurred the Penalty of the Agreements entred into by him on behalf of this Proponent Magdalina altho the contrary thereof is the case as appears by the said Sixth and Seventh allegations above setforth.—

Elevenths These Proponents say that finding no Settlement likely to take place as above stated they instructed their Proctor Stephen Popham to write to the Administrators which he accordingly did in the words and Figures and to the Tenor and purport following to Wit—

To Messrs Sett Joviet and Sarad Ojia Maul administrators to the Estate and Effects of Gregorio Miguel Deceased.—

Gentlemen

I am instructed by Mrs Magdalene Gregorio Miguel now Mrs Magdalene Fonthuilles to demand of you an Exact Account of the Sales of the several Jewels, Merchandize and other Effects setforth in the Inventory of the Effects of Gregorio Miguel Deceased delivered into Court by you on the 2d day of July 1776 and it is expected you will particularise the Exact price paid for each Article, the Purchasers respectively and the days when the Articles were Sold as well as to point out what were sold by private Contract and what by Public Outcry — At the same time Mrs Fonthuilles observes that it appears unjustifiable you should have disposed of any one Article by Private Sale.—

Mrs Fonthuilles also requires the particular Account of the Article 344: 18 — under Date the 12th day of Septr 1773 for the Pay of Wartaun Jasper Writer to the deceased —

Also of the next Article being Rpy 2087 4. 36 — charged by you as paid on the 19th Septr 1773 to Sett Joviet and Torrs Joviet and a Copy of the Protest mentioned in that Article as made by John Walsh and Registered in his Book A Page 8.—

Also of the charge of £76 — 18 for Loss of Milchcows Enemies under Date the 25th of said Month of Septr

Also of the charge of 2132. 32 under Date 9th Octr 1773 as paid

Also of the Article of 1613. 30 under Date Janry 2d 1779 for Writers — Scavengers Duty &c.

Also the particulars of the several outstanding Balances which are stated to amount of 3866 Rs. 28 — of which you have since Credited in your 2d Account as received the Sum of Sr Rupees 3324. 12.—

Mrs Fonthuilles also requires an exact Acct of the Sale of the Manilla Goods which you credit at 1388. 14. as sold to Sundries on the 13th Septr 1777—

Also of the 34 Chests of China Raw Silk which you credit at Sr Rs 8431 as sold on the 27th Septr 1777—

Also of the amount Sales of Sundry Goods credit as sold the same day for 2732 36

The above are in your 1st Acct delivered into Court

The following are in the 2d Acct of which Mrs Fonthuilles also demands the particulars—

Of the Articles of 6371 Rupees charged to have been paid on the 15th March 1781 to an Armenian Writer for his Wages.

Of the Several Sums of Rupees 935 — 6½ — 472 — 8½ and 2081½ Charges as Court Expences—

Also of the Article of 877 — 5½ — charged to be paid on the 4th July 1781 to Sett Joviet Torrs Joviet as by some Protest of the 22d May 1781

Also an explanation of the Credit of 3886 — 2½ under Date June 2d 1781 as received of Sett Joviet and Torrs Joviet—

Mrs Fonthuilles also expects that you will credit her for the Half of the several Sums charged by you as Commission on Acct of your Administration which as you have no Right by Law to any such Charge—

She also expects Interest on all the several Sums to which she considers herself entitled as Widow of the deceased and which you have most injuriously kept out of her hands under very unjustifiable pretexts for so many years and that you will forthwith make up a full and Clear account accordingly and pay her the Balance which will then appear due.—

Mrs Fonthuilles has hitherto forborn to make this peremptory

demand expected for this long time past and particularly in consequence of some propositions which she has understood will made that you would have settled matters amicably without subjecting her to the trouble and vexation of any further Process at Law and she still hopes that your answer will be such as to render it unnecessary to appeal to the Mayors Court for Redress.

I am Gentlemen
Your most Obed.t Servt

Pags. being half of the Amount of the Ballance of the said Account as the Share of Mrs. Magdalene therefore we think that we are not obliged to give any other Accounts to the said Widow or Relative thereto But as for the remaining Ballance of our 2.d Acct which has been already into Court we are ready to pay unto her said attorney upon his giving us a proper Release for the same pursuant to his Agreement and the Tenor of his Receipt already given to us all which you are very sensible of but if the said Widow or her attorney should think proper to make

Thirty two Pagodas and thirty two fanams —

said first account to which said Several Sums the said administrators have no Right or Title in Law it being an established Rule that a Trustee Executor or administrator shall have no allowance for His Care and Trouble because that if such allowance was made the Trust Estate might be loaded and rendered of little value as would be the present Case was such an allowance admitted particularly as the administrators have in this Instance taken the advantage of the Right and Natural Heir and usurped her authority and have used every Artifice of Chicane Delay and Imposition to harrass and perplex this Proponent and to disinherit her of her rights and diminish her Estate.—

Twenty third. These Proponents also pray that the said administrators may produce a proper and Satisfactory voucher for the Article of Six hundred and Seventeen Pagodas and one Fanam charged by them to have been paid on the Fifteenth day of March which was in the year of our Lord one Thousand Seven hundred and Eighty one to an Armenian Writer and which appears in their Second Account delivered into this Honble Court and Sworn to by the said administrators Eighty two Coby whereof marked C is hereunto annexed and prayed by these Proponents to be taken as part of these Allegations and that these Proponents may have as full and ample benefit therefrom as if they were herein fully set forth.—

Seven hundred and Eighty one as received from Sett anet and Torres Tor Aviet.—

Twenty Seventh These Proponents also pray that the said Administrators may be directed

Pagodas three fanams and an half Charged by the said Administrators under
the third day of June in the year of our Lord one Thousand Seven hundred
Eighty one for account of Commission and which article is in their said Second
for these Proponents say that the said administrators have not any Right

Propounded.—

Twenty Eight These Proponents say that were the Administrators allowed the Juwral Sums
of Ten Thousand three Hundred and Ninety one Pagodas and Eleven fanams charged
in the first account and four hundred and Sixteen Pagodas three fanams and an half
charged in their Second account as Commission they would received the Sum of Ten
Thousand Eight hundred and Seven Pagodas fourteen fanams and an half under the
said article of Commission while these Proponents and the Lepitha Stephan would
receive only the Juwral Sums of Thirty two Thousand one hundred and Thirty eight
Pagodas five fanams and an half and Ten Thousand three hundred and Ninety
one Pagodas one fanam and an half making together the Sum of Forty two
Thousand five hundred and twenty nine Pagodas Six fanams and an half which money

on the Respective Shere of the said Lepitha Stephan and this Proponent
Magdalena the manifest injustice these Proponents humbly submit to the
Consideration of this Honble Court and pray relief therein.—

Twenty Ninth These Proponents say that the said Gregorio Miguel died in the year of
our Lord one Thousand Seven hundred and Seventy Six that the said Sett anet
and Sarad Coja Maul Obtained their said Letters of administration under the
Seal of this Honble Court on or about the Twenty fifth day of June in the said
year of our Lord one Thousand Seven hundred and Seventy Six that the said
administrators have exhibited their said Inventory Copy whereof is hereunto annexed
as taken in the third day of
hundred and Seventy Six notwithstanding which they have in their said First
account onmarked **B** Copy whereof is hereunto annexed Credited the Estate of the said
Gregorio Miguel for the Sum of Fourteen Thousand three hundred and Eighty

in the said year of our Lord one Thousand Seven hundred and Seventy Seven for
Manilla Goods sold to Sundry on the Twenty ninth day of June in the said
year of our Lord one Thousand Seven hundred and Seventy Six which said Twenty
ninth day of June is Four days before the date of the said Inventory to wit the third day
of July in the same year which appears to these Proponents as an extraordinary and
irreconcilable Transaction and they therefore pray that the said Sett anet and
Sarad Coja maul may be ordered by this Honble Court to explain the
manner and Circumstances thereof.—

Thirtieth These Proponents say that the said Sett anet and Sarad Coja maul obtained
their Letters of administration under the Seal of this Honble Court on the Twenty
fifth day of June which was in the year of our Lord one Thousand Seven hundred

Law to have given an account of their administratorship on the Twenty fifth day of June which was in the yeear of our Lord one Thousand Seven hundred and Seventy Seven instead of which they have harrassed this Proponent Magdalena with various and unjustifiable delays and Pretences nor have they to this hour paid her or any person for her more than the Sum of Sixteen Thousand and Sixty nine Pagodas and Six Fanams which they paid unto Miguel Joannes for account of this Proponent Magdalena on the Twenty eight day of march which was in the yeear of our Lord one Thousand Seven hundred and Eighty one These Proponents therefore pray that the said Administrators may be directed to make out an account of the Several Sums Received by them with Interest on such Sums respectively from the receipt thereof until Payment of the Balance unto these Proponents and that they may be directed to Credit these Proponents for half of the Sums charged in the said accounts under the Article of Commission and part whereof is for Goods not Sold as well as for Goods Sold and money received and these Proponents further pray that the Amount of such Articles of Commission may be Credited also with the Legal Interest to the time of Payment and these Proponents pray that as the said Administrators have kept from this Proponent Magdalena the possession of her Rights from the said Twenty fifth day of June in the said yeear of our Lord one Thousand Seven hundred and Seventy Seven until the day of filing these allegations to wit a Period of near Eight years the said administrators may be decreed to pay from their own Pockets all Expenses of this Application to this Honble Court for Justice in the Premises.

The Answer of Sitt Aviett and Sarad Coja maud Administrators of the Estate and Effects of Gregorio Miguel Deceased to the Allegations of Amable Fontheilles and Magdalena Fontheillis late Magdalena Gregorio Miguel Widow and Relict of Gregorio Miguel Deceased

The said Opponents Severally say that they admit Magdalena Gregorio Miguel who now stiles herself Magdalena Fontheilles was married with the Deceased Gregorio Miguel and that such entermarriage took place on or about the year of our Lord One Thousand Seven Hundred and Sixty two and that the said Gregorio Miguel died in the year of our Lord one Thousand Seven Hundred and Seventy Six without having to these or either of these Opponents knowledge made any Last Will and Testament the said Opponents also admit that they did obtain Letters of Administration to the Estate and Effects of the said Intestate under the Seal of this Honble Court on or about the Fifteenth day of June one thousand Seven Hundred and Seventy Six as Friends which they were as also of Kin to the Deceased, The said Opponents do also admit that in consequence thereof they did possess themselves all the Estate and Effects Rights and Credits of the said Gregorio Miguel or such of them as they have been enabled to possess themselves of, and whereof they have delivered in an Inventory to this Honble Court as also two Several Accounts Current, and these Opponents do also admit that the said Magdalena did institute a Suit in this Honble Court against these Opponents as Administrators as aforesaid for her half part of the said Estate and Effects of the said Deceased

Seven Hundred and Seventy Eight as also for the purpose of calling and bringing these Opponents to an account and reckoning touching such part or parts of the estate and Effects of the Deceased as they had possessed themselves and how the Same had been applied and disposed of and these Opponents shew that they did appear to the said Bill for an account and Reckoning touching the said Estate and did answer thereunto by such plead and upon such Grounds of the Law and Equity as they were advised to be material and necessary for them to make unto the said Bill but deny that their said Answer was founded upon any weak or evasive pretences and these Opponents admit that the said Cause did come on to be heard upon Evidence then produced and read in the said Cause sometime on or about the Ninth day of December which was in the year of our Lord one Thousand Seven Hundred and Eighty and not on the month day of June in the said year as is setforth by the Proponents and that this Honble Court did upon such hearing order and Decree that these Opponents should pay unto the said Magdalena one clear moiety or half part of the produce of the Estate of the said Gregorio Miguel and that all Costs of Suit Should be paid out of the Estate of the said Deceased But the Proponents have artfully omitted to observe that these Opponents in their aforesaid Answer referred the said Magdalena to an Inventory of the said Estate of the said Deceased delivered into this Honble Court in their Capacity of an Ecclesiastical Court or Kings Ordinary as also an account Current of the said Estate, Copy of which account they these Opponents did annex unto their said Answer, and which is the Original of which the Account Current marked B is a Copy annexed unto the Proponents allegations the said Proponents have also omitted to observe in this their first Charges that the said Opponents did appeal from the said Decree of this Honble Court

that an Accommodation and Settlement of all the matters upon which the said Suit was founded did afterwards take place and the said Suit as well as these Opponents Appeal were mutually withdrawn upon terms and Conditions then agreed upon and which ought to have been binding upon the said Magdalena According thereto as the same were meant and intended to be a final end and termination of all controversies and disputes between these Opponents and the said Magdalena so that the said Decree and the proceedings before referred cannot now in question further than as the same were productive of the Accommodation and Settlement before referred to the terms and conditions whereof being with Submission the only point or criterion from whence the present question can be decided and determined And consider any retrospect into matters previous thereto unnecessary as these Opponents make no doubt to make fully appear unto this Honble Court in the sequel of this their Answer

In answer to the Second Charge these Opponents say that they admit that pending the aforesaid Suit and before any Judgment or Decree had therein Zepta Stephan as Sister and next of Kin to the said Gregorio Miguel did file a Bill of Complaint in this Honble Court by her Attorney Joseph Marrot of Madras Merchant against these Opponents as Administrators as aforesaid for the whole of the Surplus of the said Estate after payment of the Debts due thereby upon a presumption that she had an exclusive Right to the whole thereof the Opponents do also admit that pending such last mentioned Suit the said Zepta Stephan by her Attorney Joseph Marrot and these Opponents as Administrators as aforesaid did consent and agree to abide by the Award and determination of Shamier Sultan Joannes Mercar, Joannes Peratsum Joannes Goolamer Agavally Satur and Saab Petum persons of Known Credit and established Reputation Armenian Merchants of Madras and by the said Joseph Marrot and these Opponents chosen for that purpose to Settle by Arbitration the matters then in dispute between the

Zepta Stephan and these Opponents which persons did accordingly make their award in Writing under the date of the tenth day of August one Thousand Seven Hundred and Seventy Nine Copy of Translation whereof is hereunto annexed A for the Inspection of this Honble Court which these Opponents pray may be admitted as part of this their Answer these Opponents do admit that there was a Clause or paragraph in the said Award which restricted these Opponents in respect of the Suit between the said Magdalena and these Opponents in the manner mentioned by the proponents the said Opponents do also admit that in the said Award which admits and approves of the said Account Current annexed unto these Opponents Answer doth mention that the Opponents had drawn out an Account of the Estate and had set forth thirty Eight Thousand Six hundred and fourteen Pagodas and eleven sixteen of a Pagoda being the outstanding Debts and Goods remaining unsold which they these Opponents should undertake to manage and collect as soon as possible and dispose of the said Goods and recover the Amount sale thereof and after deducting the Commission and Charges distributed the Amount thereof to the Heir or unto such person as should next of Kin to the Deceased provided the time should not exceed two years and that after two years any outstanding Debts or Goods unsold and the Amount Sale thereof should be delivered over to the said Heirs the said Opponents say that they have complied with every injunction of the said Award and are now ready and willing to abide thereby as far as hath or now is in their power to do

In Answer to the Third Charge these Opponents say that they do admit that they did appeal from the said Decree of this Honble Court of the ninth day of December one Thousand Seven Hundred and Eighty But they deny that they did so appeal thereupon in any manner that subjects

award or without the consent of the said Joseph Marrott on the part of the said Izpita Stephan But that they were compelled thereto by the avexatious and litigious conduct of the said Magdalena But these Opponents say that from whatever Cause or reason the said Suit was Appealed it appears by the Proponents own shewing that every Matters respecting the said Suit and appeal was done away by the Subsequent Covenants and Agreements before alluded to dated the twenty eight day of March one Thousand Seven Hundred and Eighty one of the articles whereof is that all the Old and new Suits Disputes &c. on both parties Mrs. Magdalena is to withdraw her Complaint and Sett and Sarad are also to withdraw their Complaint and that this agreement is only to remain, which said Covenant and Agreement was mutually signed and executed by Miguel Joannes on behalf of the said Magdalena and the said Opponents on their own behalf each binding himself and themselves to the due performance thereof in the penalty of Forty Thousand Pagodas Which Sum was made payable by such as should fail therein and these Opponents further admit what the said Proponent hath further setforth relative to the said Covenants and agreements To wit that the said Proponent Magdalena should admit of the Transaction of Sett Areet and Sarad Coja maul in the administration of the said Estate and also should admit the Arbitration of the Gentlemen relative to her as the same was made Between the aforesaid Izpita Stephan and the said Set Areet and Sarad Coja maul and that she meaning the said Proponent Magdalena should acquire from the Estate of the said Deceased Gregorio Miguel what the said Izpita Stephan did expect to acquire and that these Opponents as also admit the rest of the said agreement as setforth by the Proponents and do pray moreover to annex hereunto a Copy thereof marked B for the Inspection of this Honble Court which they pray

they have performed and fulfilled the Conditions of the said agreement as fares hath ben in their power to do FIRST of all by conforming to the award before referred to by paying unto the said Miguel Joannes on account of the said Magdalena the half of the Account Current examined allowed of and confirmed by the said Award to wit the Account Current dated the Second Day of January one thousand Seven hundred and Seventy nine the half of the Ballance whereof was the Sum of Sixteen thousand and Sixty nine Pagodas and Six fanams which said Sum they these Opponents did pay unto the said Miguel Joannes on the day of the date of the aforesaid agreement marked B. or on the day after as and for the half share of the said Ballance coming due to the said Magdalena on Account of the Estate of the said Gregorio Miguel Deceased and for which said Sum of Sixteen thousand and Sixty nine Pagodas and Six fanams he the said Miguel Joannes did give these Opponents a Receipt under the date of the twenty ninth day of the said month of march one Thousand Seven hundred and Eighty one in the presence of Witnesses as may more fully and at Large appear by a Copy of a translation of the said Receipt under the hand of the said Miguel Joannes as attorney and on Behalf of the said Magdalena hereunto annexed marked C for the Inspection of this Honble Court which they pray may be admitted as further part of this their Answer the Original whereof is ready in these Opponents possession to be produced when required and these Opponents further shew that and also after discharging the accounts of the Estate of the deceased so far down as the Second day of January one Thousand Seven hundred and Seventy nine they these Opponents did sett about a final agustment and termination of the said Estate which they these Opponents had agreed to in their aforesaid Agreement with the said Miguel Joannes of the said

Thousand Seven Hundred and Eighty one, and did accordingly make out a fecond account of the said Estate which they these Opponents sent to Joseph Marrot who acted on behalf of the afore named Zeptha Stephan on or about the Eighteenth day of June in the same year for his the said Joseph Marrots inspection and in order that he the said Joseph Marrot might communicated the same to the said Miguel Joannes they these Opponents at the same time informing the said Joseph Marrot that they were ready to pay unto him on account of Zeptha Stephan one half of the Ballance thereof and also the remaining unto Miguel Johannes on account of the said Magdalena upon their the said Joseph Marrot and Miguel Joannes giving an Indemnification and Discharge for the same, and these Opponents shew that that the said Miguel Joannes was informed of the delivery of the said Account as aforesaid by the said Joseph Marrot to whom these Opponents say the said Miguel Joannes did refer the said account and as to any other matter contained in the said third articles the same doth not relate to any fact done committed or concluded upon, but only of matter proposed which did not come to any issue and as the same will be fully setforth in the Exhibits hereafter to be annexed these Opponents do not think nescpary to give any further Answer to the said article but by arference thereto —

In Answer to the fourth Articles these Opponents Say that after the delivery of the said Second Account many difficulties arose from the litigious conduct of the said Miguel Joannes by refusing to give a proper indemnification and discharge unto these — Opponents upon the said second Account Current of the Estate of the said Deceased and these Opponents shew that afterwards to clear up as much as was in their power every objection and to remove every difficulty that could possibly arise and

reference thereof to arbitrators, which said Arbitrators referred the same to Agavilly Sature for his examination and inspection and to give his report and award accordingly and the Opponents shew that in consequence thereof the said Agavilly Sature did give his report and Award on the Seventeenth day of September one thousand Seven hundred and Eighty one Translation whereof is hereunto annexed marked **D** for the Inspection of this Honble Court which these Opponents pray may be admitted as part of this their Answer and these Opponents shew that in consequence of the said Award and determination of the said Agavilly Sature these Opponents did make up and close the Accounts of the said Estate up to and as far as the Twenty first day of September on which day these Opponents shew that the said Joseph Marrot on behalf of the said Zeptha Stephan did agree to receive from these Opponents the Ballance of the said Account and saw and did give unto these Opponents a full and release touching the same and the aforesaid first account under the date of the said Twenty first day of September and these Opponents say that they did also offer to Settle with the said Miguel Joannes on behalf of the said Magdalena in the same manner they these Opponents had Settled with the said Joseph Marrot on behalf of the said Zeptha Stephan in performance of the agreement aforereferred to upon his the said Miguel Joannes giving a like discharge or release as that which was given by the said Joseph Marrot and these Opponents did also tender unto the said Miguel Joannes the like Ballance or Sum of money he had paid unto the said Joseph Marrot and did also furnish him with a particular Account Current thereof which the said Miguel Joannes did not receive unto these Opponents but still continues to keep the same and these Opponents shew that being willing to keep and perform

up of the said Accounts and having the Ballance thereon ready to pay unto the said Miguel Joannes they these Opponents did protest against the said Miguel Joannes under the date of the nineteenth day of October in the same year of his refusal to comply with and perform the said Sundry Agreements and Conditions herein before setforth on his own Account as well as attorney to the said Magdalena and all person or persons whatever concerned in the premises or any way directly or indirectly aiding abetting or confederating therein holding him and them Answerable and responsible for the Sum of Forty Thousand Pagodas being the Penalty of such default as may more particularly and at large appear by a Copy of the said Protest hereunto annexed for the Inspection of this Honble Court annexed **E** which these Opponents pray may be admitted as further part of this their Answer

In Answer to the Fifth Article these Opponents say they do admit that they did serve a Copy of the aforesaid Protest upon the said Miguel Joannes as soon as might be after the date thereof and they also admit that the said Miguel Joannes accompanied by his Attorney the said Stephen Popham might have come to speak with these Opponents respecting the same at which time these Opponents were ready as they had before him to conform to the several Agreements mutually entered into by them and to pay unto the said Miguel Joannes on Behalf of the said Magdalena the same as they had paid unto Joseph Marrot on account of the said Zyptah Stephen upon his the said Miguel Joannes giving them an Indimnification And they deny that they refused to give the said Miguel Joannes a Copy of the aforesaid second Account as they had given him a Copy thereof before

In answer to the Sixth Article these Opponents say that they acknowledge the Extract from the Award of the Tenth of august One Thousand Seven

Opponents having all their Accounts ready according to the Agreement of the twenty eight March one Thousand Seven Hundred and Eighty one so early as the Eighteenth of June following which was ten days before the expiration of the time allowed for the purpose and these Opponents say that they settled finally with Joseph Marrot for the half distributive share of Zyptah Stephan the Sister of the Intestate on the twenty first of September in the same year and should have brought matters to a more early conclusion if they had not been prevented from doing so by the evasions of the said Miguel Joannes with whom they these Opponents were always ready and willing to be come to Account and therefore they Protested against the said Miguel Johannes on the nineteenth of the October following

In Answer to the Seventh Article these Opponents say that they have in every respect conformed to the Agreement of the twenty eight March one Thousand Seven Hundred and Eighty one and that they had their Accounts of the Estate made up by the Eighteenth of June ten days previous to the demand made thereof by the said Miguel Joannes who they these Opponents referred to Joseph Marrot for the same in order that they might settled together the Interests of their several constituents which he the said Miguel Joannes did always evade doing for reasons best known to himself whether arising from want of Confidence in the said Magdalena or his own designs of throwing difficulty in the way of these Opponents and these Opponents do deny that the said Miguel Joannes did ever upon any consideration whatever tender a full Release and discharge to these Opponents but constantly refused giving the same which was also a cause of these Opponents Protesting against him as aforesaid

In answer to the Eighth Articles these Opponents deny that they have not complied with the award of the Tenth day of August one Thousand Seven Hundred and

because it was by the Consent and free will and the advise of Persons she the said Magdalena thought to be her frends that she Relinquished her Interests in the Estate of her Husband intirely into the Hands and management of her said attorney Miguel Soannes and with whom in consequence of such Power and authority known to be vested in him by these Opponents they these Opponents did transact and negotiate the accommodation determined upon the twenty eighth one of march one Thousand Seven Hundred and Eighty under the Finally of Forty Thousand Pagodas which finally was personally binding upon the said Miguel Soannes and not as an attorney or Substitute of the said Magdalena in the like manner as it was personal upon these Opponents and as the Conditions of the said Agreement so intered into have not been performed by the said Miguel Soannes it is a matter of important consideration how far the said Magdalena either by vertue of Marriage or any other Accounts can dispolve an agreement which was so solemnly engaged and entered into by a person who she had the utmost confidence in and who in vertue of the powers invested in him by the said Magdalena had been the means of their entering into Considerations with him which they in all probability would not have entered into he the said Magdalena from the vexatious and litigious instance they have experienced in her conduct towards them.

In answer to the Tenth article these Opponents say that the Proponent Magdalena is not now at Madras and the said Amable Fontbelle was not at Madras at or since the filing of the said Allegations and these Opponents deny that they made any proposal to her the said Magdalena or to any one or her Behalf which were not according to the Tenor and purport of the Agreement of the Twenty eight day of March one Thousand Seven Hundred and Eighty one with which they were always as they now are ready and willing to abide by and conform to and these Opponents do

deny that the said proponent did ever offer to Settle all affairs on an amicable manner or that she did with that view take much or any pains to settle the same or that she would have willingly submitted to the loss of many Thousand of Pagodas of her own Right and property orather than enter into any litigation respecting the same all which assertions of the said Proponent are more pretences to cover the litigious views of the said Proponents who well knows that these Opponents did offer and even tender and shew half of the Ballance of the Second or Last Account of the Estate unto Miguel Soannes upon his giving them these Opponents a Release and Indemnification in like manner as Joseph Marrot had given them on behalf of the Sister of the Deceased Zeptah Stephan agreeable to the said agrument which provides that the share of the said Magdalena Shall be the same as the share of Zeptha Stephan, but the said Miguel Soannes orebracted from that part of the said Agrument whereby he was bound to give the said Release and Indemnification because he pretended that the said Magdalena was then present at Madras which Reason however could not be the orest motive of his refusal because he the said Miguel Soannes might have given the Same some years ago if he had been inclined to act justly and fairly by these Opponents but the Intentions of the said Proponent and the said Miguel Soannes do evidently smack a contrary tendency and they have instituted the present litigations with the view of discharging themselves or the said Miguel Soannes from the Responsibility he is under of paying these Opponents the Penalty of the Forfeiture of the said Agrument which he hath justly and legally incurred by his litigious and vexatious

default, it cannot therefore be a pretence in these Opponents to discharge the said Miguel Soames with such forfeiture and penalty but a Claim founded upon Right and justice as a compensation for the troubles they are now led into by almost unheard of unjust and litigious prosecution.

In ANSWER to the Eleventh Article the Opponents say that they deny that the Cause of the said Proponents instructing the said Stephen Popham to write the Letter annexed unto their allegations under the date of the Seventeenth February in this present year of our Lord one Thousand Seven Hundred and Eighty four But that the writing of the said Letter proceeded from an unjust Regard & attention to what the Proponent had before done and Confirmed by her said attorney Miguel Soames and in that light these Opponents did conceive the purport of the said Letter and did answer the same according as the Proponents have annexed a Copy unto their said allegations which Letter of these Opponents is of the spirit and tenor of their whole Conduct of adhering to the Agreement made and entered into with the said Miguel Soames on the Twenty eighth of March one Thousand Seven Hundred and Eighty one and their continued and constant willingness and readiness to bide thereby.

In ANSWER to the Twelfth Thirteenth, Fourteenth, Fifteenth Sixteenth Seventeenth, Eighteenth Nineteenth Twentieth, and Twenty first Articles which suit a Retrospect to the Inventory and account Current delivered into this Honble Court annexed unto their answer in the Suit before referred to, under the date of the Second of January one Thousand Seven Hundred and Seventy nine and conformed and allowed of by the Proponent Magdalena by her Submission to the award of the Tenth of August one Thousand Seven Hundred and Seventy one which established and determined the

and also by her the said Magdalena receiving the Sum of Sixteen Thousand and Sixty nine Pagodas and Six fanams as the half of the said Account Current by the means of her attorney the aforesaid Miguel Soames and also by many Subsequent acts by her the said Magdalena and by her said Attorney done and executed these Opponents therefore do maintain that the said Proponents are precluded and restrained from any retrospect relating to the said Inventory and Account by her aforesaid allowance and adoption thereof as it is just and reasonable not only upon the ground of the necessity of a person being bound by their own acts and Deeds but also upon the Grounds of Law Equity which discountenance the unravelling and opening of Accounts settled and concluded upon full investigation and deliberation Because if such unreasonable proceedings were admitted to obtain no agreement however solemn would be binding nor any discharge to a Trustee or Executors or Administrators be safe either to such Trustee his Heirs Executors or Administrators who upon the admission of the propriety of the Proponents conduct in this Instance would be encouraged at any times to dissolve and break thro' any agreement of Award or adjustment of Accounts as the same might promise to gratify a litigious and vexatious disposition and from no other hope or view than to involve a party in Law Suits upon Matters which they themselves had concluded and by their own act barred from all future question and retrospect and these Opponents say that the Proponents should have regarded themselves under the legal incapacities they really are and absolutely barred from all future question and retrospect into the said accounts which they have in the manner above related and set forth in this their Opponents Answer

In Answer to the Twenty Seond Article these Opponents say that the Charge of Commission is also admitted and allowed of under the said Award of the Tenth of August one Thousand Seven Hundred and Seventy nine, and is involved in the same obligations and Conditions as the other parts of the Account Current admitted thereby and by the Agreement of the twenty eight day of March one Thousand Seven Hundred and Eighty one and by many Subsequent Acts of the said Proponent Magdalena and her attorney Miguel Soanes and these Opponents say that they are further entitled by the Law and by the practice of this Honble Court to the said Charge of Commission as the said Proponents well Know, the said Article is therefore fully Answered hereby and by the Answer preceeding to the Several articles therein mentioned.—

In Answer to the Twenty third, twenty fourth, Twenty fifth, Twenty Sixth, Twenty seventh, Twenty eighth, and Twenty ninth, Article in which the Proponents have involved the proceeding Accounts with the last Account Sworn to by these Opponents on the fourth Day of June one Thousand Seven Hundred and Eighty two these Opponents say that the same is a full particular and clear Account of their transaction as Administrators of the deceased Gregorio Miguels Estate, and which hath passed under the inspection of the Proponent Magdalena & her attorney Miguel Soanes, and also under the inspection and investigations of Joseph Marrott as attorney to and on behalf of Izekiah Stephan and also under the examination and investigation of Agavally Sature orpheree to, to arbitrate respecting the same, and who have severally approved thereof and these opponents say that the said second Account cannot need any further explanation than is given to the Several Items thereof which have been approved of by the parties aforesaid and sworn to by

these Opponents and therefore should be also admitted by the said Proponent according to the terms of the agreement of the twenty eighth March one thousand Seven hundred and Eighty one which expressly declares that the Share of the Proponent shall be the same as the share of Izekiah Stephan, and these Opponents shew that having settled and accounted with the said Izekiah Stephan as they have before setforth they were equally willing in like manner to Settle and Account with the said Proponent as the Proponent or her attorney Miguel Soanes was bound to Settle with these Opponents According to the terms and Conditions of the said Izekiah Stephan half share of the said Second or last Account. These Opponents therefore say that the said second Account being so clearly just and admitted the said Proponent ought in justice to permit her attorney the said Miguel Soanes to give Release and Indimnification thereupon and these Opponents further shew that having in vain exerted their endeavors to bring the said Miguel Soanes to an accommodation and final adjustment by offering to him every satisfaction in their power to grant or which he could in justice orequire both before and after these Opponents had delivered their said second Account Current into this Honble Court that finding all their said endeavours in vain they on the twenty third day of November One Thousand Seven Hundred and Eighty two did again portest against the said Miguel Soanes for his orefusal to comply with and perform the Sundry Agreement and Conditions in the said penally Bond of the Twenty eighth day of March one thousand Seven hundred and Eighty one thereby holding him answerable and fully responsible for the Sum of Forty thousand Pagodas being the Penalty of such default and further more particularly protesting against him for not

Conforming to the Award by which the Account Current was settled and fin
giving them these Opponents a Discharge for her the said Magdalena
Share of the Ballance thereof in like manner as the said Joseph Marrett
done for and on Behalf of the said Zeptah Stephan as may more fully and
large appear by a Copy of the said Protest hereunto annexed marked F
Inspection of this Honble Court which these Opponents pray may admitted as
part of this their Answer in which said Protest these Opponents have annexed
of the Release and Indemnification of the said Joseph Marrett and inferred by
these Opponents shew that the Conduct of these Opponents doth not shew the least
tendency to litigation but an inclination and willingness to conform themselves
all things to the Conditions entered into by them for the permanent and certain
accommodation and adjustment of all differences and disputes

In Answer to the thirteenth Article these Opponents say that they admit to have obtained
Letters of administration at the time and in the manner by the Opponent
Setforth they have also shewn unto this Honble Court by their Sundry accounts
delivered before them how they have collected negotiated transact and liquidated
the said Estate thro all its intricacies and difficulties in the perfection of Numbers
of Debtors and Creditors in different distant parts of the World and great
part in the time of war and general invasion by Sea and Land that their Accounts
during all the times they have been in this Court To Wit the first since the
second of January one Thousand Seven Hundred and Seventy nine the
second since the fourth of June One Thousand Seven Hundred and Eighty two
have been open to the investigation of all parties and were not either of them
so delivered in untill after they had severally under gone the examination

and investigation of a private Auditory before Arbitrators and the said Account
so far from being objected to by the said Porponent Magdalena or the said
Miguel Soares have on the contrary been admitted and acknowledged as just
and fair as hath before been shewn these Opponents therefore say that it is not
necessary nor material for them to make any further Answer to any part
of the Porponents allegations further than they hath before answered and
said thereunto

All which matters and things these Opponents are
ready and willing to aver maintain and prove as this Honble Court shall
direct and humbly prays to be hence dismissed with their reasonable Costs
and Charges in this behalf most wrongfully sustained
