Taken the 21 January 1792.

In the Honble the Mayors
Court at Madraspatnam

The Affidavit of Petty Timbo Naick Administrator to the Estate and Effects of Pawala Rama Sawmy Naick Deceased

Thos Deponent maketh Oath and saith that he believes a mandatory Process Issued from this Honble Court in its Ecclesiastical Capacity dated the first Day of this present month of December requiring and Commanding this Deponent to be cited to appear therein at a day now past then and there to bring in and deliver into the Registry of this Honble Court the Letters of Administration granted him this Deponent to the Estate and Effects of the said Pawala Rama Sawmy Naick and to shew good & Sufficient cause if any he had why the same Letters of Administration so granted him

Should

should not stand revoked and other Letters of Administration be thereupon granted to Paukala Kistnamah Naick as the Father and a Creditor of the said Deceased and that Deponent saith that he was served with such Citation and did in obedience thereto duly appear before this Honble Court in its Capacity aforesaid by his Proctor Mr John Wilkinson on or about the Sixth day of this present month of December And this Deponent saith he cannot as required by the said Citation of this Honble Court bring and deliver into the Registry thereof the Letters of Administration granted him to the Estate and Effects of the said Paucala Rama Sawmy Naick by reason that the same are not in his possession but in the possession of Paucala Kistnamah Naick at whose instance this Deponent has been Cited to bring in the same the said Paucala Kistnamah Naick having surtively possessed himself of such Letters of Administration as well as various Effects of every considerable value belonging to the Deponent hath filed his Bill in this Honble Court as Administrator to the said Deceased's Estate against the said Paucala Kistnamah Naick on or about the Twenty second Day of November last as will appear on reference to such Bill of Record in this Honble Court wherefore this Deponent humbly submits to this Honble Court that he stands justified for not producing as ordered by their Decree the said Letters of Administration. And this Deponent for cause why the said Letters of Administration as aforesaid granted to him this Deponent by this Honble Court of the Estate and Effects of Paucala Rama Sawmy Naick should not forthwith cease and stand revoked and other Letters of Administration to the same Estate be granted to Paucala Kistnamah Naick as the father and a Creditor of the said Deceased Sheweth That on the Death of Paucala Rama Sawmy Naick to whom this Deponent Administered Paucala Kistnamah Naick his Father an old man was in great grief for the Loss of his Son earnestly entreated and prayed of this Deponent

who is the uncle of the deceased to administer in his stead the Est. which was much involved and perplexed and had many Clamorous Creditors demanding immediate satisfaction and therefore required activity and industry to arrange and settle besides the paying off an immediate Sum of Money about Twelve thousand Pagodas which the said Pacala Kistnamah Naick said he had lent by him. This Deponent said that it never was his wish to intermeddle in the Estate having private concerns fully sufficient to occupy him and that an motive beyond the necessity of the undertaking and the Entreaties of the Deceased's said Father could or did induce him to make his application to this Honble Court to administer such Estate and in testimony of this fact this Deponent submits the following Copy of a Translation of an Agreement given him by the said Pacala Kistnama Naick subsequent to administration having been granted him by this Honble Court to the Deceased's Estate "Translation of an Agrument dated 27th Maurgaly of Saudarana year answering to Anno Domini 7th January 1791 "I Pacala Kistnamah Naick do give this Agreement to Petty Tombre Naiker Whereas I have desired you to obtain administration in the Mayors Court to recover what is due to my deceased Son Rama Sawmy and to pay to those whom he is indebted to, and you have obtained it accordingly so that on recovering what is due to him from Mr Lind Esq and deducting there from the amount of the Wages of the Servants Employed in his business as well as your Commission / should there remain any / out of which the Creditors are to be paid and the remainder is to be disposed as we four Persons should think it proper to writ You, I, Mottiah Mordekai and Vanaiga Mordekai and as soon as the Cause Against Mr Sive Esq Casava Mordekai should be settled you are to settle the Accounts Agreeable to what is above written and make over to me the Administration which you have Obtained, Thus I have given this Agreement with my free will and Consent

Consent Witnesses Maungautoo Valapa Moodeliar and Vadgery Moodeliar by their Knowledge this Agreement was drawn by Vencatarryen (Signed) Pawala Kistnama Witness Signed" Valapan, Vadagary" A true Translation as near as can be from the Malabar Language" Signed" Ranganaidom Interpreter" This Deponent saith that having on the Grounds aforesaid and none other became Administrator to the Estate of Pawala Rama Sawmy Naick he this Deponent did from his own private Funds and assumes pay off and discharge several Claims and that he has brought various Suits as Administrator of such Estate against the Debtors thereto in this Honble Court as will appear from the Records and particularly one Suit Against Francis Lind in the foregoing Paper of Agreement mentioned and which Suit is now pending in the Court of Appeals and undecided and this Deponent is Sued by the said Francis Lind as Administrator aforesaid which Cause is still undecided and pending in this Honble Court besides many others and likewise the one brought as herein before mentioned by this Deponent against the said Pawala Kistnamah Naick wherefore and independent of all other Reasons this Deponent humbly conceives he cannot consistent with the duty and trust reposed in him as an Administrator be removed from his Responsibility till the Cause when he sues and is sued upon in this Honble Court shall be ultimately decided as the same would in that event be abated and all Proceedings hitherto had in the same cause be virtually done away and possibly to the Irremediable injury of the Estate. The Deponent further saith that from the Remaining undischarged Claims on the Estate of the said Pawala Rama Sawmy Naick for which he is daily harrassed and Several Suits he has been driven to the necessity of bringing his herein before mentioned Suit in this Honble Court against the said Pawala Kistnama Naick to recover Considerable part of the Estate of the said Deceased as therein setforth such Suit having been once in this Deponents possession wherefore this Deponent is sure and believes he became liable to answer the same in his own Person from the

57

to a Creditor as the Law would Consider the loosing such Estate having once been in this Deponent to whom the safe Keeping of the same had been committed by this Honble Court

This Deponent lastly saith that as he never solicited the Administration to such Estate of the said Paucala Roona Lawny Naick so he is ready and willing to relinquish and give up the same under the direction of this Honble Court on being defrayed his Expences and Commission agreed to be allowed him for his trouble by the said Paucala Kistnamah Naick the father of the said Deceased and on being further compleatly relieved from the sixty Responsibility and further reliant on him as Administrator of the said Estate which Proposal this Deponent hath often and invariable held forth to the said Paucala Kistnama Naick and is now and at all times / as he hath heretofore been / ready and Sincerely desirous to complete his administration seeking only to be indemnified therefore in his Person and Estate.

The Affidavit of William O'Conner Serjeant of Invalids

This Deponent Maketh Oath and saith that he understands and verily believes that Thomas Savery who did on the 13th Instant file a Caveat to prevent Letters of Administration passing the Seal in favor of this Deponent to the Estate and Effects of John Philip Fabricius Deceased is not a Bond Creditor of the said Deceased But that the Bond upon which he founds his Claim is in the Name of Henry George Deceased late a Serjeant in the Service of the Honble East Indian Company for the Sum of Two hundred Pagodas to whose Daughter the said Thomas Savery is married But to whose Estate he is neither Executor or Administrator. This Deponent further Saith that the said Bond was with Several others Deposited by this Deponent in the hands of Stephen Popham Esquire attorney at Law at the Desire of the said Serjeant Henry George that some Considerable time after his Death, and when the said John Philip Fabricius was in Jail and in such poor and Indigent Circumstances as precluded all hopes of recovery any money from him this Deponent did apply to and receive from the said Stephen Popham Esquire the Several Bonds that had been deposited with him as aforesaid that the said Serjeant Savery did thereupon apply to this Deponent by Letter for the said Bond Enclosing a receipt from the Wife of the said Henry George for the same as by the said Letter and Receipt hereunto

# Before the Kings Ordinary ..... In The Honourable The Mayors Court at Madraspatnam

The twenty Ninth day of November in the year of our Lord one thousand Seven hundred and Ninety one On which Day Mr. John White Proctor for Paucala Nistnamah Naick prayed that a Citation might Issue to Petty Tombro Naick to shew cause if any he had why the Letters of Administration to him granted to the Estate and Effects of Paucala Ramasawmy naick deceased should not be revoked and other Letters of Administration granted to this Proponent as the Father and Principal Creditor of the said Deceased whereupon the said Petty Tombro Naick did on the sixth day of December in the said Year one thousand Seven hundred and Ninety one appear by his Proctor Mr. John Wilkinson and the said Proctor did on behalf of the said Opponent on Sundry days pray this Honble Court that this Proponent might deliver in allegations with regard to the said matter to which the said Mr. John Wilkinson Proctor for the said Proponent did consent And more fully and at large will and doth alledge and say that the said Opponent is not entitled to continue in the Administration of the Estate and Effects of the said Intestate but that this Proponent is well entitled to have the Letters of Administration which have been granted to the said Opponent of the said Paucala Ramasawmy Naick deceased Revoked and other Letters of Administration of the Estate and Effects of the said Intestate granted to this Proponent for the reasons herein after mentioned

First ..... Because that this Proponent is the Father of the said Intestate and therefore entitled to have the Letters of Administration of the Estate and Effects of

of his said deceased Son which the said Opponent has Obtained revoked and Administration thereof granted to this Proponent in preference to the said Opponent who is not in any degree related unto or connected with the said Intestate as the said Opponent when he applied to this Honble Court and obtained the said Letters of Administration did under a false suggestion stile himself the Son in Law of the said Intestate and afterwards to wit on the Twenty third Day of December now last past the said Opponent did also in an affidavit by him Sworn to on that day and filed in this Honourable Court on the Seventeenth day of January in the present year of our Lord one thousand seven hundred and Ninety two allege and Swear that he the said opponent was the uncle of the said Intestate which proves that the said Opponent has Sworn that is to true which he knows to be false and therefore is not deserving of Confidence or Credit

Secondly For that notwithstanding the said Opponent has as administrator of the Proponents said Son exhibited a Bill of Complaint against this Proponent in this Honble Court in its Civil Capacity for the recovery of a Certain Sum of money and of [illegible] of goods thereby alledged to be owing by this Proponent to the Estate of [illegible] and yet this Proponent saith that such alledged Claim cannot as this Proponent is advised and humbly Submits to this Honourable Court bar this proponent who is not only the Father but also a principal Creditor of the said deceased of his right to have the said Letters of Administration revoked and others granted to this proponent in preference to the said Opponent who is not even a Creditor of the said Intestate and this Proponent saith that the said Opponent when he filed his said Bill of Complaint against this Proponent Knew that this proponent was about to apply to this Honble Court to revoke the said Letters of Administration, and therefore the said Opponent filed his said Bill not from any just Claim but to endeavour thereby to form some plausible pretext for Litigating the revocation of the said Letters of Administration and to ruin the Estate of the said Intestate by

lofs

Ufs and expense thereby ultimately to prejudice this proponent

Thirdly Because this proponent positively saith that it was understood Between this proponent and the said Opponent that the said Opponent was of his own accord to consent to a Revocation of the said Letters of Administration when and so soon as this Proponent had sufficiently recovered from the Sorrow and affliction which attended him upon the death of his said Son to attend to business and which period being arrived the said proponent should therefore have consented to the said Letters of Administration being revoked without running this proponent to the necessity of applying to this Honourable Court for that purpose the more so as this Proponent is better acquainted with the concerns and affairs of the Estate of his said deceased Son and more interested in promoting the interest thereof than the said opponent can possibly be who is a stranger thereto and endeavouring to preserve in acting as administrator thereof, from the sole and only view of benefiting himself thereby.

Fourthly. For that notwithstanding the said Opponent has instituted Suits in this Honble Court against the Debtors of the Estate of the said Intestate and that a Suit has also been instituted against the said Opponent as his administrator this Proponent is nevertheless advised and humbly Submits to this Honble Court that such Causes being so instituted for and against the said Opponent is no reason why the said Letters of Administration should not be revoked and Administration granted to this Proponent as much as the said Suit can in such event be immediately received by and against this Proponent as administrator of his said Son without expense delay or prejudice to the proceedings which have been already had in such Suits and the said Opponent would be thereby discharged of all responsibility respecting the same.

Fifthly. Because that it appears by an Inventory of the Estate and Effects of the said Intestate which the said Opponent delivered into this Honble Court on the Twenty second day of March which was in the year of our Lord one Thousand Seven hundred and Ninety one? that the articles mentioned in such Inventory are therein valued at a Considerably less Sum than the same Identical articles are valued at in and by this

Schedule

Schedule annexed to the Opponents said Bill of Complaint exhibited against this Proponent which great difference ommanifestly shews that the said Opponent is not acting uprightly in the said administratorship.—

Sixthly.... This Proponent saith he is ready and willing and hereby offers to pay and reimburse the said Opponent all such Sum and Sums of money as he has actually and Bonafide laid out and expended as Administrator of the said Intestate upon the said Opponent producing Vouchers for the same and Swearing to the truth thereof and this Proponent is also ready and willing well and sufficiently to indemnify the said Opponent against any just debt or debts which he may have contracted or be Responsible for as Administrator aforesaid.—

Lastly.... This Proponent says that all and Singular the aforesaid premises are true whereof proof being had as far as possible this Proponent prays Right and Justice may be actually done and that the Letters of Administration which have been granted to the said Opponent may be revoked and that other Letters of Administration may be granted to this Proponent to the Estate and Effects of the said Pancala Ramaswamy Nauck deceased and prays that so far as he may prove in the premises and the Records of the Court support so far as he may obtain on his prayer the benefit of the Law being always preserved humbly implooring the aid and Assistance of this Honourable Court in his behalf.

In The Honble the Mayors
Court at Madraspatnam

The Answer of Petty Tombro Naick administrator
to the Estate and Effects of Paucala Ramasawmy
Naick deceased Opponent to the allegations of
Paucala Kistnama Naick Porponent

This Opponent admits that Paucala Kistnamah Naick the Porponent above named did on or about the twenty Ninth day of November in the year one thousand Seven hundred and Ninety one by his Proctor W.m John White pray this Honble Court that a Citation might Issue to this Opponent to bring in and lodge in the Registry of this Honble Court the Letters of Administration granted him to the Estate and Effects of Paucala Ramasawmy Naick deceased and shew cause if any he had why the same should not be revoked and other Letters of Administration granted to the Porponent as father and Principal Creditor to the said Deceased and that this Opponent did on or about the Sixth Day of December in the said year one Thousand Seven Hundred and Ninety one appear by his Proctor W.m John Wilkinson and shewed Cause by an affidavit of this Opponent why the said Letters of Administration so granted him to the said Estate could not be delivered into the Registry of this Honble Court as prayed for by the said Porponent by reason that the same were not in his possession but in the possession of his Citor the said Paucala Kistnama Naick and this Opponent admits that his said Proctor did on his behalf on sundry days pray this Honble Court that the said Porponent might deliver in his allegations with regard to the said matters to which the said Porponents Proctors did consent In answer to the first allegation of the Porponent this Opponent admits he may be the father of the Deceased Paucala Ramasawmy Naick and possibly entitled to Administer

Administer to the Estate and Effects of the said Deceased the the said Paucala Ramasawmy Naick from an Infant lived seperate from the Porponent and was brought up and Educated by others and so continued to live seperate from the Porponent to the day of his death which this Opponent will in due time if neccessary prove as also that this Opponent is agreeable to the Laws and Customs of the Natives the uncle of the Deceased. This Opponent further saith that about three days previous to the Death of the said Paucala Ramasawmy Naick he sent for this Opponent and earnestly entreated of him in the Presence of Several Creditable Persons to undertake the Charge of administering to his Estate and the care of his Widow and Children at the same time declaring that he had made this Request because he had no reliance on the Credit or ability of the said Paucala Kistnamah Naick his supposed father to entrust him with the care and arranagument of his Family and concerns as this Opponent will in due time Prove. To the Second allegation this Opponent saith he submits he was well warranted in Exhibiting to this Hondle Court the Bill of Complaint in this allegation alledged against the Porponent as administrator to the said Deceased and therefore disavows all sinister intention having in view only his duty in commencing such Suit having ownce heard that the Porponent was about to apply to this Hondle Court to orwoke the Letters of Administration so granted to him of the Deceased Estate To the third allegation stating that it was understood between this Opponent and the Porponent that so soon as the Porponent should have sufficiently orecovered from the sorrow and affection which attended him upon the Death of his said Son and to attend to busings that then this Opponent was of his own accord to consent to a orevocation of the said Letters of Administration this Opponent answers that on the Death of the said Paucala Ramasawmy Naick the Porponent urnestly prayed and intreated of this Opponent to take upon him the burthen of administering to the Estate of the said Deceased which he orepresented as being much involved and perplexed and as having many and every clamorous Creditors thereon and therefore that it was the onere incumbent on this Opponent hopefied of activity and industry

industry to arrange and Settle the same than to throw it on him who was ola
and inform. This Opponent saith that tho it was ouever his wish to intermeddle
with the Estate having enough to do to manage his own private concerns he
did ouevertheless at the instance aforesaid suffer himself to be induced to apply to
this Honble Court to administer the same and in evidence of his fact this
Opponent Submits for the consideration of this Honble Court the annexed Copy
of a Translation of an agreement given him by the Proponent subsequent to
Administration being granted to this Opponent by this Honble Court to
which Copy of Translate this Opponent prays leave to refer and that the
same may be taken as part of this his answer to the Proponents allegations
the Original whereof being in the possession of his Proctor and ready to be
produced and proved when required. And this Opponent Sheweth that
having on the grounds aforesaid and none other became administrator of the
Estate of Paucala Ramasawmy Naick he this Opponent did from his own
private funds and oreeourses pay of and discharge several Claims did bring
various Suits as Administrator of such Estate and particularly one Suit against
Francis Lind in the said Paper of Agreement mentioned and which Suit is
now pending in this Honble Court and undecided and this Opponent is sued
by the said Francis Lind as administrator aforesaid which cause is still
undecided and pending in this Honble Court besides many others and likewise
the one brought as hereinbefore mentioned by this Opponent against the said
Proponent wherefore and independent of all other reasons this Opponent humbly
conceives he cannot consistent with the Duty and trust oreposed in him as
an administrator be oremoved from his oresponsibility till the Causes which
he now sues and is sued upon in this Honble Court shall be ultimately
decided, and this Opponent further saith that from the oremaining undischarged
Claims

Claims on the Estate of the said Paucala Ramasawmy Naick for which he is daily harrassed and threatened with Suits he has been driven to the necessity of bringing his hereunbefore mentioned Bill in this Honble Court against the said Proponent to recover a Considerable part of the Estate of the said Deceased as herein setforth such Estate having been once in this Opponents possession wherefore this Opponent is advised and believes he has become liable to answer the same in his own Person Goods and Chattles to a Creditor as the Law would Consider the loosing such Estate having once been in this Opponents possession as adwastative in him to whom the safe keeping of the same had been committed as aforesaid by this Honble Court

To the fifth allegation this Opponent saith that when he filed the Inventory of the Estate of the Deceased Ramasawmy Naick he Valued the Articles compose to the Invoices he found with them as Viz Sales the Piece goods and that the difference between the Price there estimated and of the same Articles again in the Bill filed against the Proponent arises from the Selling or marked Price of similar Goods being then charged on them. and this Opponent further saith that the few articles of Gold Joys charged to have been taken by the Proponent in the account annexed to this Opponents Bill at a Sum of Six hundred Pagodas were joys which at the time of filing such Inventory this Opponent knew nothing of the Proponents having purloined this Opponent having since that time came to the knowledge thereof but in so doing this Opponent humbly submits it will not appear to this Honble Court that he had any fraud as charged in contemplation

To the Sixth Allegation this opponent saith that as he never solicited the Administration of the Deceased Ramasawmy Naick Estate so he is ready and willing to relinquish and give up the same under the direction of this Honble Court on being defrayed his Expences and Commission as agreed by the said hereunto

hereunto annexed Writing and on being further compleatly relieved from the duty
& responsibility and burthen devolved on him by meens aforesaid as Administrator
which Proposal this Opponent being now as he hath at all times heretofore
been sincerly desirous to complete his administration seeking only to be therefore
indemnified in his Person and Estate for this Opponent saith that some time
after he had obtained administration to the Estate agreeable to the request
of the Proponent he acted therein with the greatest care and deligence for the
benefit of the same and the Deceased's Widow and Children but on this
Opponents perceiving the bad intentions of the Proponent who wanted to waste
the same in which he was firmly opposed by this Opponent he this opponent
did in the presence of four Creditable Persons offer to relenquish and give
up the Estate to the Proponent provided he would take out Letters of
Administration whereupon the Proponent well knowing his inability in
undertaking the management of the same beged this opponent to forgive
whatever he might have done amiss and intreated this Opponent to continue the
the Administration until all the demands on the Estate as well as the servants
Wages and Commission should be finally discharged and Settled and that
then whatever should remain the same was to be disposed of agreeable to what
he this opponent the Proponent one Mostiah Mordelliar and Vanaigam
Mordeliar who were intimate friends of the deceased should deem fitting for
the benefit of the Widow and Children, in consequence whereof the Proponent of
his own will caused the annexed agreement to be drawn out which he Executed and
delivered to this opponent by which agreement it fully appears that the Proponent
has not in himself the sole wright to dispose of the Estate as he should think
proper without the privity Knowledge and Consent of three other persons therein
Named with himself, and this Opponent lastly saith that he will knows that

if

if the future management of the Estate were likely to be diverted from him on the Propounent that the Widow would in such case advance her preferable claim to administer the same in Exclusion of the said Propounent

All which matters and things this Opponent is ready and willing to aver maintain and prove as this Honble Court shall direct and humbly prays that the propounents allegations may be dismissed with Costs to be paid by the Propounent and that this Opponent may have such other and further relief in the Premises as to this Honble Court shall seem meet

In the Hon'ble the Mayors
Court at Madrasapatnam

In the matter wherein Pucala Ramasawmy
Maick is propounent and Petty Tombo Maick
Administrator to the Estate and Effects of Pucala
Ramasawmy Maick deceased is Opponent

The Humble Petition of the above named Propounent

Sheweth

That the Opponent above named did some time ago obtained Letters
of Administration of the Estate and Effects of the above named Pucala Ramasawmy
Maick under the pretence of being Father in Law to the said deceased and did
Solemnly Swear the same to be the Fact

That some time afterwards your Petitioner did cite the said Opponent
to bring in the said Letters and shew Cause if any why the same should not be
revoked and Letters of Administration of the Estate and Effects of the said Pucala
Ramasawmy Maick should not be granted to your Petitioner

That upon the Opponents shewing Cause why he could not bring in the
said Letters your Petitioner did file his allegation in this Hon'ble Court wherein
therein amongst other things shew that he was the Father to the said Pucala
Ramasawmy Maick that he was already and willing to pay and reimburse the
Opponent all such Sum and Sums of money as he had actually and bona fide laid
out and expended as a Administrator of the said Pucala Ramasawmy Maick
his the Opponents producing Vouchers for the same and Swearing to the Truth
thereof and that he your petitioner was already and willing with and Sufficient
indemnify the said Opponent against any just debt or debts which he may
have contracted or been responsible for as Administrator as aforesaid and your

136

263

and pray that the said Letters of administration might be revoked and other Letters of Administration might be granted to him.—

And your Petitioner Sheweth unto this Honble Court that to such the allegations of your Petitioner the opponent did file his answer and therein and thereby admit that your Petitioner was father to the said paucala Rama Sawmy naick deceased and he the opponent was agreeable to the Laws and Customes of the natives Uncle to the deceased, that it never be as his wish to meddle with the said Estate having enough to do to manage his own private concerns and further did say that he was ready and willing to relenquish and give up the Administration by him obtained as aforesaid under the direction of this Honble Court on being defrayed his Expences and Commission as appeared by a writing to his said Answer annexed and on being fully and completely relieved from the duty responsebility and burthen devolved on him by means aforesaid.—

And your Petitioner Sheweth that the said allegation and answer coming on to be heard before this Honble Court on Tuesday the twenty ninth ultimo this Honble Court did think fit to order and did accordingly order that Your Petitioners said allegations should be dismissed with double Costs, By which said Order your Petitioner doth think himself much aggrieved.—

Because the Opponent by his own shewing did Obtain the said Letters of Administration under false pretences in as much as he did pray for the same as father in law to the said deceased and in and by his said answer he did state that he was and Uncle to the said deceased accordings to the laws and Custom of natives, consequently not an Uncle by Consanguinity.—

Because Letters of Administration are granted to the next of kin which your Petitioner did shew himself to be, as being the father of the said Deceased and which was admitted by the Opponent

Because

264

Because the opponent did shew in and by his said answer that he had enough to do, to manage his own private Concerns thereby inforcing that he had not time to attend to the Concerns of the said deceased of course he would most prefer such Interest to his own and it is for the Reasons hereon that Letters of administration should be granted of the Estate of a deceased Person to the person nearest of Kin that from their interest therein and regard for the deceased they would give the greater attention thereto

Because the opponent did admit the proposition of your Petitioner and say that he was ready and willing to relinquish and give up the Letters of administration by him obtained in being defrayed his Expences and Commission and other consideration as above set forth and which your Petitioner was ready and willing at all times to comply with and as in his allegations he did at the Hearing of the Matter offer the same to the Opponent

Your Petitioner therefore most humbly prays that this Honble Court will be pleased to prounounce a decreeing in the said matter your Petitioner submitting to pay what Costs the Court shall award should his prayer be found groundless —

And your Petitioner shall Pray. —

Filed the 11 June 1791

Before the Kings Ordinary
In the Honble the Mayors
Court at Madraspatnam

The third day of may in the year of our Lord One Thousand Seven hundred and ninety one On which day came Mr James Stuart Hall and John Hamilton for Mr Daniel Reid appeared and Prayed that Letters of Administration might be granted to him to the Estate and Effects of the late Mr William Bourrouge Deceased as a Judgment Creditor of the said Deceased and Whereas Tanjore Balakistnah Chitty as Security to

the late Tanjore Ramasawmy Chitty Deceased having by his Proctor Mr George Chalmer appeared on the Tenth Day of the said Month of May one Thousand Seven hundred and Ninety one and filed a Caveat to prevent the Letters of Administration passing the Seal without first giving notice to the said Tanjore BalaKistnamah Chitty as a mortgage Creditor of the said Deceased And the said Proctors did on behalf of the said Mr Daniel Reid on Sundry Days Pray this Hon^ble Court that the Proponent might Deliver in Allegations with regard to the said matter to which Mr George Chalmer as Proctor for this Proponent did Consent

And Now the said Proponent by all better and more effectual Ways and means of Law to all intents and Purposes in the Law whatsoever doth allege and Say that the said Mr Daniel Reid the said Opponent has no right or title to administer to the Estate of the said William Brumage deceased for the Reasons herein after mentioned.—

First ..... That the said Mr Daniel Reid the Opponent has no right to administer to the Estate of the Deceased William Brumage Because this proponent as Executor to the said Tanjore Ramasawmy Chitty is a Creditor of a higher Degree His said Testator having advanced unto the said William Brumage in his life time the Sum of two Thousand & Hundred and fifty eight Star Pagodas Twelve fanams and Twenty nine Cash to secure the Repayment of which He the said William Brumage did Execute a Bond or writing Obligation bearing date the Twenty first day of February which was in the year of Christ one Thousand Seven hundred and Eighty eight And did therein Mortgaged to and deposited with this Proponents said Testator by way of a Collateral Security a Bond of the Hon^ble Captain William Monsons for the principal Sum of one Thousand one hundred and twenty eight

eight Pagodas and Forty one Fanams, together with Several notes of hand and Shop Bills as by the said Bond and List or Schedule Copies whereof are hereunto annexed and the Originals ready to be produced when required, Relation being thereunto had doth and will more fully and at large appear This Perpetuant Says that every Small Sum has been paid in discharge of the said Bond and that there is now due thereon a Ballance of Two thousand one hundred and Ninety Eight Pagodas, four Fanams and Twenty two Cash, and which this Perpetuant Cannot recover but by Administering to the Estate ...

Secondly This Perpetuant Saith that the Opponent first made application for letters of Administration to the Estate and Effects of William Brumage deceased as a Bond Creditor of the said Deceased Whereupon this perpetuant did propose to take out Letters Jointly with him But to this very Fair and Equitable Suggestion the Opponent refused to accede and in Consequence thereof a Caveat was Filed by this Perpetuants Proctor to prevent Letters of Administration passing the Seal which proceeding of Conduct on the part of the Opponent Strongly indicated Sinister intentions, and most unfit to administer fairly and do justice to the Estate of the said Deceased. This perpetuant Saith that the said Opponent did afterwards withdraw his application as a Bond Creditor and prayed that Letters might be granted to him as a Judgment Creditor of the said Deceased; And this Perpetuant Saith that upon making inquiry thereunto he finds that the Opponent in order to serve his own immediate view, has usurped a title to which he has no real Claim Because this Perpetuant Saith that Although Judgment was obtained by the said William Brumage, yet Such Judgment is not Final or Conclusive being but Appealable from. This Perpetuant further Saith That Although a Decree was passed against the said William Brumage yet Such Decree was not given on the merits of the Case But by Default of the Defendant, in Omitting to answer the said Daniel Reads Bill after the usual rules had passed, and which was Decreed by

by some particular and every Urgent business that drew the said William Brumage from the presidency, and prevented him giving the necessary Instructions to his attorney on that behalf. This Opponent Saith that such Matter is Setforth in the said Appeal as may Occasion the said Decree to be Reversed and time given for the administrator of the said William Brumage (whoever He may be) to put in an answer to the Bill of Complaint agreeably to the prayer of the said Petition of Appeal For among other things It is therein Setforth that the Complainant had received the greatest part of his debts by a Bond which He had taken in Satisfaction thereof and which was duely assigned Over unto him, which matters Stand uncontroverted by the Opponent who has not filed any answer thereto; Although it doth appear in the Court of Appeals that one Week Extraordinary has been given for that purpose.—

Thirdly This Proponent Saith that from the aforegoing Statement of facts and from the Situation the said Opponent has placed himself in He trusts It will appear to this Honble Court that Letters of Administration Cannot be granted in his favor without interfering with a Court of Judicature, and enabling the Opponent to Establish a Debt by the mere operation of his own act as an administrator, before the same is finally and Judicially decided on this Proponent Saith that without an apparant absurdity the said Opponent Cannot Revive the Suit against himself now abated in the Court of Appeals by the Death of the Appellant and therefore the merits thereof must for ever remain undecided on while the said Opponent avails himself of the priviledges of an administration Should Letters be granted to him/ and retains in his own hands the amount of a Debt which might not be in his power to Establish.—

Fourthly This Proponent Saith that while the Opponent, had the Smallest Semblance or Shadow of right He this Proponent was desirous to take out Letters of Administration Jointly with him upon the most fair and Equitable terms but to which proposals the said Opponent nor his Proctors never paid the Smallest attention nor to a letter which this Proponents Proctor wrote to them lately on the Subject Copy whereof

is

is hereunto annexed resolving to have the whole to himself without the Interference of any other person But now that this proponent hath recently found how the Case Stands He doth humbly insist that the Opponent has no right whatever to Letters of Administration to the Estate of the said William Brumage But that they Ought to be granted unto this Proponent

Lastly This Proponent Saith that all and Singular the aforesaid Premises were and are true whereof proof being had, and established as far as possible and the nature of the Case will admit this proponent prays that right and Justice may be effectually done and administered to him and that Letters of administration of the Estate and Effects of the said William Brumage be granted by this Honble Court to this Proponent as a mortgage Creditor of the said Deceased, for the reason aforestated, and that the application of the said Opponent be dismissed with Costs.—

I am instructed by my Client to say that he has no objection to take out Letters of Administration Jointly with yours Provided he will agree to my Client receiving the amount of Different Securities which were Mortgaged to him and which are Mentioned in the Mortgage Bond upon which He Grounds his Claim to Letters of Administration A Proposal of this Kind was made some time ago to your Clients late Proctor Mr Walker but no answer was given on the Subject, and therefore we have been at a loss to Know whether they were Communicated by Mr Walker to your Client or not

The Proposal I trust will appear fair and reasonable to you Gentlemen and I have no Doubt but that you will Suggest to Mr. Reid The Propriety of acceding to the Measure which is Simply that after the Letters of Administration are granted and when any money is recovered on the Colateral Securities Lodges with my Client that the Amount thereof Shall be apply to the Liquidation of his Bond Solely— I intreat your attention to this and request to be favored with an immediate Answer

The Answer of Daniel Rus Appeard
to the allegations of Tanjore Balakistnamah Chitty
Executors of Tanjore Ramasawmy Chitty deceas^d
Proponent

This opponent admits that on the third day of may in the year
of our Lord one Thousand Seven hundred and ninety one he did by his Proctor James
Stuart Hall and John Hamilton pray that Letters of Administration might be granted
to him to the Estate and Effects of the late William Brumage deceased as a Judgment
Creditor to the said deceased that the Proponent as Executor to the late Tanjore Ramasawmy
Chitty deceased did by his Proctor George Chalmer on the tenth day of the said Month
of May and year of our Lord one Thousand Seven hundred and ninety one file
a Caviat to forward Letters of Administration passing the Seal and that thereupon the
Proctors on behalf of this opponent did on sundry days pray this Honble Court to
the Proponent might deliver in allegations with regard to the Claim and the Proponent
having accordingly exhibited certain allegations this Opponent in Answer thereto and to the
first thereof Says he denies that the Proponent is a Creditor of a higher degree to this
opponent for that the Proponent by his own shewing is no more than a Bond Creditor
whereas this opponent is a Judgment Creditor of the said deceased and this opponent
thereunto advised says and humbly insists thereon that thereby and by reason
has a preferential right to the Proponent to Letters of Administration to the
Estate and Effects of the said Deceased.

To the Second allegation, or to so much thereof as this opponent is advised is material
him to make answer unto he this opponent says that he denies [illegible]

the Title upon which he has founded his right to Letters of Administration to the Estate of the said Deceased in preference to the Proponent and says that he is a Judgment Creditor under the decree of the Honble the Mayors Court and thes Opponent says he is advised that the appeal therefrom made by the deceased in his life time had the same remained in full force and vertue could not have effected this opponent but this opponent doubts not of proving to the satisfaction of this Honble Court that the said deceased never did intend to prosecute the said appeal but that he did give Instructions to his Solicitor to withdraw the same and this Opponent further Says that it appears by the Proponents own shewing that this opponent did on the third day of May in the present year of our Lord one Thousand Seven hundred and ninety one pray that Letters of Administration ought be granted to him to the Estate and Effects of the said Deceased and that he the Proponent did on the tenth day of the said Month of May file a Caveat thereto and thereupon this opponent says he is advised that any matter prior thereto being done away the introduction thereof is highly irregular and further he is advised that whatever the said Deceased might have asserted in the prayer of his Petition of Appeal was merely assertion without proof and that the introduction thereof is also highly irregular this opponent thereupon humbly prays that such the extraneous matter in the said second allegations contained begining with the Words " the opponent first made " ending with the Words his application as a Bond Creditor " and also that begining with the Words " for amongst other things " and ending with the Words " given for that purpose " may be expunged therefrom with Costs.

To the third allegation this opponent and irrelivant Salicious and absurd and that the several matters therein setforth do not requiire any answer thereto and that the doctrine which the proponent has endeavoured to establish against thes opponent applies equally to him the Proponent

To the fourth allegation this Opponent says being so advised that the several matters

and

(300)

and things therein contained and the Letter thereby referred to, and of which a Copy is to his said allegations annexed is altogether irregular and the introduction thereof contrary to the practice of Courts in general for this Opponent says as he is therein advised that matters arising subsequent to the matters in contest cannot be brought forward in support thereof or in consultation thereto and thereupon this opponent humbly prays that the several matters and things in the said fourth allegations contained and the said Copy of the Letter therein and thereby referred to annexed to the allegations of the Pr[illegible] may be expunged therefrom with Costs as impertinent irrelevant and wholly irregular

All which matters and things this opponent is ready to aver maintain and prove as this Hon[ble] Court shall be pleased to direct and humbly prays that Letters of Administration to the Estate and Effects of the said William Brumage Deceased may be granted to him as a Judgment Creditor to the said Deceased

## Before the Kings Ordinary in the Honble Mayors Court

In the matter wherein Tanjore Balakistnamah Chitty Executor of Tanjore Ramasawmy Chitty Deceased is Porponent - and Daniel Reid - Opponent to the Estate and Effects of William Brumage deceased -

Exceptions taken by the above named Porponent to the Exhibit A purporting to be a letter from one Thomas Thomas and the Cross Interrogatories exhibited to the said Thomas Thomas also to the Depositions taken thereon

Because it is evident that the said Exhibit A forms no part of the pleadings in this Cause not having been in any way referred to therein and therefore the introducing of it in evidence is irregular and inconsistent with the practice of this Honble Court the rule being that all Exhibits in a Cause Should be first delivered into Court from thence to be handed over to the Examiners whether in the Civil or ecclesiastical side and therefore if such rule doth apply to Exhibits in a Suit it ought in a greater degree to those that have no Connection therewith Because by an adherence to such rule the opposite party in the first instance would have an opportunity of Stating his objections and the Court would be enable therefrom to decide on the propriety or impropriety of admitting it - And Because it must be evident that the opponent in introducing the said Exhibit A in so Clandestine manner

manner has done it with a view to take an unfair advantage by an attempt to injure the Testimony given by one this proponents Principal witnesses otherwise he would according to the practice of the Court have annexed the said Exhibit to the Answer which he has filed upon Oath for the inspection of all parties.— 163

For all which Causes this Porponent doth Except to the said Exhibit A and to the said Cross Seperate Interrogatories and to the Depositions taken thereon and humbly prays they may be Suppressed and not be allowed to be Read or received in evidence at the hearing of this Cause and that the opponent may be directed to pay the Charges herein incurred.—

In the Hon^ble the Mayors Court at

Madrasapatnam

The 12 day of October 1790

Moodelly prayed that Letters of Administration might be granted to him of the Estate and Effects of Triplicane Mylapah Moodelly deceased as a Cousin and Creditor to the said deceased, and Govindoo Moodelly having claimed a preferable right to have Letters of Administration granted to him to the Estate and Effects of the said deceased The said Proctor did on behalf of the said Opponent on sundry days pray this Hon^ble Court that the said Proponent might deliver in Allegations with respect to the said matter to which M^r James Stuart Hall did Consent

And now the said Proponent by all better and more effectual ways and means of Law to all intents and purposes in the Law whatsoever does allege and Say that the said Ponnambalum Moodelly hath no right or Title and that this Proponent is Solely intitled to Letters of Administration of the Estate of the said Triplicane Mylapah Moodelly deceased for the reasons hereinafter mentioned.—

First That this Proponent is the adopted Son of the said deceased Triplicane Mylapah Moodelly and who died in this Proponents Infancy take him this Proponent into Family and adopt him as his Son in the full observance of and in conformity to the Customs and Rites of the Malabars to which nation the said deceased Mylapah Moodelly did in his life time belong.—

Secondly That after the decease of the said Mylapah Moodelly Rangatant his Wife also deceased in approbation of the said Act of Adoption of her said deceased did also adopt this Proponent as her Son also as may appear by reference being had

purpose had to the deed of adoption of the said Rangataul now of Record in this Honble Court and there into delivered by this Proponent at the Instance of the opponent which said Deed of adoption this Proponent prays may be taken and admitted as part of these his allegations and by which said Deed of adoption reference being thereunto had it will also appear that this proponent is also the Nephew and nearest of Kin to the said deceased Mylapah Moodelly.

Thirdly That under and by virtue of the adoption aforesaid this Proponent has ever since the deceased of the said Mylapah Moodelly which is now Fifteen years and upwards held and enjoyed the sole Countroul and management of his the said Mylapah Moodellys Estate and Effects and Sum in the full and entire possession thereof and did from and out of the same support and maintain the said Rangataul the said Widow of the said deceased during her life time and until the time of her decease and pay and discharge all debts due and owing by the said Mylapah Moodelly in his life time and did perform the funeral Rites of the said Mylapah Moodelly as the same are enjoined and performed by and under the laws and Customs of the Malabars

Fourthly That the opponent is not a Creditor to the Estate of the said Deceased Mylapah Moodelly for that when the opponent some years ago set up a Claim against this Proponent /to wit/ some time in the year of Christ one Thousand Seven hundred and Eighty two the same was referred to the arbitration of the heads of the Cast to which this Proponent and the opponent belong and the opponent did then deliver unto the said Heads of the Cast a Penalty Bond of which the Exhibit hereunto annexed and which this Proponent prays may be taken as part of these his allegations is a true Copy of a Translate thereof and this Proponent says that he this Proponent was ordered by the arbitrators to discharge the amount so set up by the opponent and which he this Proponent did accordingly do by paying the same into the hands of the said arbitrators as by the Copy Translate of the Award given by the said arbitrators and

hereunto

hereunto annexed for the inspection of this Honble Court to which this Opponent begs leave to refer and prays the same may be taken as part of his his allegations the original whereof is in the Opponents possession and ready to be produced when required and this Opponent says that the said Claim of the said Opponent did not amount to the sum of forty nine Pagodas thirty three fanams as stated by the Opponent in the account by him delivered unto this Honble Court nor did the same consist of a number of Items as therein setforth.

Lastly That all and Singular the aforesaid Premises are and were true without prejudice had as far as possible this Opponent prays Right and Justice may be effectually done and administered to him and that Letters of administration may be granted to this Propounds upon his giving good and sufficient Security for the faithful administration of the same and that so far as he may prove in the Premises and the Records of the Court support so far he may obtain the benefit of the Law Being always reserved humbly implering the aid and assistance of this Honble Court in his behalf

Before The Kings Ordinary
In the Honble the Mayors
Court at Madraspatnam

This Opponent saith that he admits that Mr. Hamilton as Proctor for this Opponent did on the twelfth day of October last pray that Letters of Administration might be granted him to the Estate and Effects of Sophiarane Mydapal Moodelly deceased as Cousin and Creditor to the said Deceased and that Govinder Moodelly having Claimed a preferable right to have Letters of Administration granted to him to the Estate and Effects of the said Deceased this Opponents said Proctor did on his behalf on Sundry days pray this Honble Court that the said Proponent might deliver in Allegations with regard to the said matter to which the Proponents Proctor did Consent

First ... To the first allegation this Opponent doth propound and Say that the Proponent is not the adopted Son of the said Deceased Sophiarane Mydapal Moodelly neither was he in his infancy taken from his family and adopted as his Son either in full observance of or in Conformity to the Rites and Custom of the Malabars or otherwise.—

Secondly ... To the second Allegation this Opponent doth propound and Say that it is not Customary or usual either in this Opponents Cast or in any other Cast among the Natives of India, after the death of the Person who adopted a Boy for his Wife to confirm the same or to establish the act of the adoption of the Husband, or for the Wife to adopt the Boy again as her Son, nor can this Opponent by any means admit the Cadjan Writing pretended by the Proponent at the instance of this Opponent to be a Deed of adoption on the Contrary this Opponent saith that the same is a Waste piece of Cadjan and such as can have no weight in a Court of Justice nor will it be admitted among this Opponents Cast for reason of its not being conformable to the Practice used among this Opponents Cast and this Opponent saith that the Proponent as attempt in the

and

said pretended Deed of adoption is not Nephew and next of Kin to the said Mylapah Moodelly nor in any wise a Relation.—

Thirdly To the third allegation this opponent saith that he denies the Proponent to have ever Since the decease of the said Mylapah Moodelly which the proponent says is now Sixteen years and upwards held and enjoyed the sole Countroul and management of his the said Mylapah Moodelly's Estate and Effects, and been in the full and entire possession thereof or to have from and out of the same supported and maintained the said Rausathall the Widow of the said deceased during her life time, and untill the time of her decease or to have payed and discharged all debts due and owing by the said Mylapah Moodelly in his life time and to have performed the funeral Rites of the said Mylapah Moodelly as the same are enjoined and performed by and under the Laws and Customs of the Malabars as is pretended by the proponent; but on the contrary this opponent saith that the funeral rites and Ceremonies of the said Mylapah Moodelly were performed by one Vinayagam Moorty this opponents Uncles Son and not by the said Proponent and which this opponent hopes in due time to prove to the Satisfaction of this Hon^ble Court This opponent further saith that the only Estate the said Rasauthall was possessed of was a dwelling House the property of the said Mylapah Moodelly and which according to the Law and Custom of this opponents Cast belonged to this opponent and his Brothers and as the said Rasauthall had no means to Subsist herself this Opponent did let her have the said House for her Life that she might from the Rent thereof maintain herself— this opponent further Saith that he absolutely denys the Proponent to have paid any debts due and owing by the said Mylapah Moodelly on the Contrary this opponent Saith that the debts due by the said Mylapah Moodelly were paid by this opponent being in duty bound so to do, and which is Conformable to the Laws and Custom of this opponents Cast

Fourthly To the fourth allegation this opponent Saith that he hopes in due time to prove to

to the Satisfaction of this Honble Court that he is a Creditor to the Estate of the said Mylapah Mondelly deceased on account particulars of which has been by this Opponent delivered unto this Honble Court at the Instance of the Proponent This Opponent saith that he absolutely denys to have either in the year one Thousand Seven hundred and Eighty two or at any other time or times after set up his present Claim against the Proponent or the same to have been referred to the arbitration of the heads of the Cast to which the Proponent and this Opponent belongs but this Opponent admits that Ramanthall this Opponents Sister in Law some time in the year one Thousand Seven hundred and Eighty two exhibited a Complaint to Anthony Lesley Esquire then one of the Justices of the Peace through the means of one Cyclamandel against this Opponent and his Brother Chinglemy in order to obtain a Writ of Sale in her the said Ramanthalls name of the before said House this Opponent saith that Cholapah Mondelliar the said W.m Godfrey Heard Disbrah the aforesaid the said Ramanthall and this Opponent to Chuse Arbitrators that this Opponent and the said Oydanadan accordingly Chose Veerapermall Mondelly Cadapah Mondelly Dawall Nurrasumy Chitty and Mondelkanapah Chitty on whose Names this Opponent and his Brothers the said Chinglemy Arrogum Comarapan and the said Oydanadan did give a Penalty Bond and the said Arbitrators did accordingly meet and enquire into the matter and previous to the granting of an award by the said Arbitrators the said Ramanthall did come forth to request the said Arbitrators that she was ready and willing to pay unto this Opponent the amount this Opponent had Claimed from the Estate of the said Mylapah Mondelly and absolutely refused to attend the Arbitrators and who did accordingly pay into the Hands of two of the said Arbitrators the Sum of Thirty five Pagodas which said Sum this Opponent Saith is still in the hands of the said Arbitrators and who have now set up the Proponent to enter into a bond with this Opponent on purpose to defraud this Opponent of the said Sum of

Thirty

thirty five Pagodas which is in their hands. This Opponent saith that some time after the said Sum of thirty five Pagodas was paid as aforesaid the said Rausathall departed this life and the matter remained dormant untill lately when this Opponent prayed for Letters of Administration the said Arbitrators did set up the Proponent to file a Caveat and introduced a Codjan pretending to be a Deed of adoption which this Opponent denys to be fact for in all adoptions the names of the Father and Mother of the Person who is to be adopted and their Signature as well as the Signature of the Person taking the adoption, and the Signatures of the Heads of the Cast Neighbours and Relations are Materially necessary to make the adoption if any becomes void and invalid — Consequently the Codjan produced by the Proponent cannot be admitted as a deed any ways valid or binding on the partys for want of formalitys and which the Laws and Custom of the Indian Natives in general disapprove This Opponent further Saith that the Signatures of the Persons whose Names in the pretended Penalty Bond and award produced by the Proponent at the instance of this Opponent are not of this Opponents' Signature nor of the Signature of the Persons therein named; but their Names appear to have been forged by the Proponent and the like Crime appears to have been done by the Proponent in the Codjan produced by him as the Deed of adoption as will more fully appear hereafter by the Affidavits of Arumugam Chinglerayen and of this Opponent taken in this Cause on or about the twenty Second day of November last past and to which this Opponent craves leave to refer

Lastly This Opponent Saith that he cannot admit all and Singular the premises in the Proponents' allegations alledged to be true, and this Opponent Conceives that the said Proponent will not be able to prove the same to the Satisfaction of

342

of this Honble Court, but this Opponent trusts that upon his this Opponents proving to be true what he this Opponent has herein alledged this Honble Court will be pleased to grant him this Opponent Letters of Administration to the Estate and Effects of the said Sophiana Mylapah Moneily deceased in exclusion of the said Opponent and to grant this Opponent such other and further general Relief in the premises as to this Honble Court shall seem
