I am extremely sorry that I had not the Pleasure of receiving a Letter, or hearing from you for these three years past, let the Consequence be what it would you never ought to forgot corresponding with your own Sister it shows the Tille regard Love and affection you have for them— I never was in want of dutifull Esteem and Regard in enquiring of you and Sister Nancy with every Ship Captain that arrived from Madras let me advice you never to forget that you our eldest Brother and of Consequence you ought to esteem us and give us friendly advice in corresponding nothing can give me greater Pleasure then to hear from you— please to let me know what business of Life you are in whether still a Lieutenant in the Army or not; you ought have been made a Captain by this time. Believe me sincerly that I am grieved at your— disagreeable being every distrysed— after leaving Mr Templeton the Attorney he promised to settle five Thousand Rupees on me when he goes to England but the Gentlemen who had the Agreement orun away to Bombay and I never received a Pice from it, by which means I have been obliged to sell every valuable— things which I had to support myself, and want of Health hindred me from— accepting the offers of some great Gentlemen at this Place, and up the Country I am at present very ill neither have I any ready money about me but— what some Friend of Templetons which assists me with a few Rupees now— and then— I have often wished to come to Madras, but never can meet with a good Man in that way of Life who I could intrust myself with.—

I am informed by some Ship Captains that my Husband Barrell is dead and left me the Sum of Three Hundred and Fifty Rupees per Month as long as I lived, and a House which my little Boy John was Christened and born in

in which I think the best House he had at Madras; I hope you'll inquire about the circumstances and desire Mr Popham the attorney and Mr Ledsham the Sheriff to oremit me a Copy of his Will and any Letters that he might have writ for me before his cruel Death, likewise please to desire him to oremit the Sum of four Hundred Pagodas which is the allowance for four months that I might pay my Debts and provide me with decent Linen and then I hope to be in my own Country enjoying the true felicity of embracing my relations and happy in their Company after an absence of ten long Years.—

I have a Daughter about five year and Six months old at School the Father of it left me with Thousand Rupees and I have never seen him for these three years as he went on a long voyage; do my Dearest and beloved Brother write to me often till I shall have the pleasure of seeing you again, Answer me speedily on every Subject and give me your advice on it

I conclude wishing you and your Family a continual Increase of Health and Prosperity is the Ardent prayer of

Your ever Loving and affectionate Sister till Death

Before the Kings Ordinary In the Honble the Mayors Court of Madraspatnam

In the Goods & Chattles of Chas Gilding Deceased—

Alexander Stewart Executor of the last Will and Testament of Charles Gilding deceased Maketh Oath and Saith, that since he obtained Probate of the Will of the said deceased, his utmost exertions have been used to ascertain his property and realize his Effects so as to render an Inventory and account current into the Registry of this Honble Court That he has been prevented doing this by the nature of the deceaseds property which is blended with that of Peter McLaren deceased his partner That the property almost wholly Consists of Claims on various persons, mostly Officers stationed at Tritchenopoly, Madura, Palamcottah and on Ceylon for Goods Sold to them from the said Partnership Concern; That when he the Deponent wrote to these persons Many of them pretended ignorance of the Claims and often alledged that no Goods had been purchased by them that in Consequence thereof This Deponent was under the necessity of trusting the Arrangement of the said Estate to Mr James Rannie at Tritchenopoly who by employing the Servants of the deceased them residing at Tritchenopoly and Sending them to the different parts of the Country where the debtors resided has at last been enabled to ascertain and recover a great part of the Claims— And this Deponent further saith that he has lately been furnished by the said James Rannie with a Statement of his proceedings and which Statement this Deponent has put into the hands of Mr George Chalmer

one

one of the Proctors of this Honble Court of the purpose of preparing an Inventory and Account Current And this Deponent further saith that the several Claims which have been realized as well as those that are still outstanding being partnership Claims in which the Estate of the said Peter McLaren is interested, that it is difficult to ascertain in what degree or extent so as to seperate them, and which is the reason why the said Inventory and account Current has not been filed and this Deponent further saith that Mr. James Waddel one of the Executors of the Estate of the said Peter McLaren is every day expected at the Presidency and from which circumstance this Deponent expects that he will be enabled in two or three Weeks to render the said Inventory and account Current into this Honble Court and this Deponent further saith that he intends no unnecessary delay

NB The Sum of 4300 Pagodas is accurately stated in the Inventory of the Anary Veerabadra Moodeliar's Estate delivered into Court to be due to Comarasawmy Moodeliar Owing to Error occasioned by the hurried manner of making up the Inventory before the Vouchers and Accounts of the said Estate were accurately investigated. It is necessary to Shew how the said mistake was discovered Ponnamally Sortramanya Moodeliar Executor to the Estate of the late Comarasawmy Moodeliar applied Shunmogarey Moodeliar and Mafsilamoney Moodeliar on Account of this debt and the said Shunmogarey Moodeliar and Mafsilamoney Moodeliar having ordered one to lay before the Books Papers &c &c of Veerabadra Moodeliar Estate is unable to pay any debt at present. I might very probably recover apart of it after the war between England and France is at an end as I am informed the said Comarasawmy Moodeliar had property at the Mauritius which may be realized when that Event takes place.

There is an open Account between the Estate of the deceased and the Estates of Streparombodoor Ponnambala Moodeliar and Streparombodoor Andeapah Moodeliar when the same are adjusted and Closed due mention thereof will be made in a Subsequent Account Current of this Estate

Rome who acted solely in the capacity of Agent at Jaggernaut for the deceased Cannot be discreetly considered as a loss to the Estate except what falls to be credited to that account for Goods returned to Madras which are included in the Proceeds of the Effects already sold— The balance stated to be due by Walter Scott appears to have been in dispute between him and the deceased—

I James Stuart Hall Notary Public having been required by Benjamin Roebuck one of the Executors named in the last Will and Testament of Nagapah Chitty late of Madras deceased to state such particulars as may be within his recollection regarding the Inventory taken of the Estate and Effects of the said Nagapah Chitty declare as follows that I was instructed by one or more of the Executors to repair the House of the deceased to Seal up his Effects and to the best of my recollection and belief I arrived there about one hour after his death and immediately Sealed up the Several apartments in which his property was said to be contained and which were pointed out to me by Vencatarroyaloo another of the Executors named in the said Will of the said Nagapah Chitty. That Shortly afterwards I attend to take off my Seals to search for the said Will of the said Nagapah Chitty in which I was directed by the said Vencatarroyaloo who to the best of my recollection had and Kept the possession of and from time to time as occasion required furnished the Keys that opened to the property of the said Nagapah Chitty That the said Vencatarroyaloo was particularly active and pointed out or produced with his own hands the Effects of the deceased in order that they might be described in the Inventory and I was directed to look to for every information I might require regarding the said Inventory which was afterwards completed by me and my Clerks and a Copy was made from my rough draft for the purpose of being delivered into Court that the Inventory delivered into Court dated the Twenty Fourth day of February one Thousand Seven hundred and ninety Six was copied by one of my Clerks from the rough draft and I verily believe contains a true and perfect Inventory of the Estate and Effects of the said Nagapah Chitty as far as the said Vencatarroyloo furnished materials for the purpose and I further declare that during the time I was present taking the said Inventory the said Vencatarroyaloo was constantly present assisting as aforesaid. that he was accompanied by Coolapah Chitty another of the Executors named in the last Will of the said Nagapah Chitty and by Colingarroy on the part of Tayapah Moodelly another of the Executors named in the last Will of the said Nagapah Chitty there were also other persons whom I understood

belonged

belonged to the family of the said Nagapah Chitty that Benjamin Roebuck another of the Executors named in the last Will of the said Nagapah Chitty attended sometimes but I understood from him that he Confided in the Knowledge the said Vencatarroyaloo possessed of the affairs and the Situation of the Property of the said Nagapah Chitty and directed me to make out the Inventory from such information as he might give me and I did so In faith and Testimony whereof I have this twenty first day of November in Madras aforesaid in the year of our Lord one Thousand Seven hundred and Ninety Seven.

In the Name of the Father Son & the Holly Ghost Amen--

The Will after the Death is Certain as it is said by St Paul the Apostle

I Cachatoor Ter Lookas of Armenician nation and of the Armenician Religion do make this Will in this Place with all my Consent and Knowledge and with all my Sense that it might be ascertained after my Death as follows

First I appoint Mr Arratkel Dunneas my first Executor and Mr. Lacarah Johannes Shirose who are to be my true Executors to Comply with all my under Witnesses this is my Last Pleasure

After my Death my said Executors shall pay the Expences of my Burial and Funeral Ceremony medeium as my abelity or Station oresuire for the 1st Seventh and Fortyth Days and afterwards Complay with the following

I requaint to my said Executors that Mr Waterlos Mathematicany who Come to madras at my absence, and Spoke before Several Gentleman That Mr Cachatoor owes me a large Sum of money this Debt I declare is Copertnership what I owe him every articles is Written in my own Journal Book instead of which

Sum

Sum there are Several goods in his care that is to say Several goods at Bombay in Disposition under the care of Mr Banus Simon Besides this the above Mr Banus Simon owes me two Thousand and some Hundred Rupees and the Transaction of our Copartnership was Stoped in the year of Agreah one Hundred and Seventy, And then as I had nothing cash in my hand I Desired him to asist me with so far as fifty Rupees for my Expences, but he did not, and in the month of June as I was to go to Bombay and having had no money for my Expences I requaint him that I wanted to make a voyage to Bombay and I have no money for the use of myself and Family and so desired him to Help me with some thing for the above Purpose to which he answered me that I may go to Bombay and recover the money Due to me from Mr Banus Simon and send here from some thing for my Family and after my arrival at Bombay I made an Application to Mr Banus Simon for the Payment of my money who Shaved me a Letter which he received from Mr Waterlos where in was mentioned that if you give to Cachatoor any thing either in money or Goods you shall Loose from your Pocket therefore I could not get any thing from him so this Business remained unsettled to this Day— What I have

with

with Mess.rs Makertes mecheknas and Gaspaur Johanes
is that I arrived at Bombay from China in the
year of Azaraiah one Hundred and Sixty Five
where by their Orders I have Purchased Pearls for
the value of Ten Thousand Rupees and sent it upon
Respondencia to China Consigned to Mr Mathes
Johannis and I Likewise had Intention to proceed
to China they in the Entrim called me by Letter to
Surath saying that they had a Great need of seeing me
so I want they told me that their Books of Thier
Bank for four years is in Bad order and desired me
at the same Time to set and to make them Clear upon
which I thought that they will have the same regard
on me as Mr. Mateckras had and so they Employed
me three years upon their various Accounts by
promises of Great hopes and I cleared all their Books
and Brought them to a good order the Borff whereof
is my hand Writing in their Books and on the safe
Arrival of the said Pearls at China the above mentioned
Mr Mathews Johanes has paid the above Respondencia
Sum and did receive the Pearls but it remained unsold

three

three years and in the year of Azaria one Hundred
and Sixty five I have been to China and receaved the
said Pearls from Mr Mathews Johanes and Sold and
paid of the Principal and respondentia premium
with Interest for three years to the aforesaid Mr.
Mathews Johannes which Interest of the said respondentia
Amounted to four Thousand and some hundred Rupees
the account of which is in my Journal and it is known to
them Likewise the Cause of which Loss is Mess.rs Makertes
mecheknas & Gaspar because they Presented my voyage
at time for their Interest therefore this Loss with its
Interest shall be on their accounts only If in case they oppose
of Course they must pay me for the Labour I have taken
for the space of three years day and Night with my own
Bread at the rate of one hundred and fifty Rupees per month
which amounts to four Thousand and Eight Hundred
Rupees which Sum shall be Demanded from them
with Interest to this day as they do Demand of me
I further Inform my Executors and the Gentlemen
who are in Boyant that during the above three years I
Served them in Writing in their own House they have charged
five per Cent Brokerage and Commission upon all goods of

my

my Copartnership which they Sold as also for the Goods they Purchased for me with my own money and Likewise they received Brokerage and Commission at five per Cent for my Share in their Society Therefore I beg of my said Executors and the Gentlemen Present to see Justice done to me respecting this Case. —

And I further acquaint my Executors that I owe about five Thousand Rupees to the Son of the Broker of Mr. Joseph Lazar named Amirchaund Laguee grow at Bombay which Sum Please to remit to Mestres Chaterine Joseph at Bombay and Desire him to pay it to the above mentioned Son of Amirchund and request them the favor of returning my Respondentia Bond because they much oregard on me which act of Charity you shall have Satisfaction from Christ. —

Besides this I owe to the Merchants at Surat on Account of money Lent to me upon Respondentia the amount whereof is unknown to me Therefore Please to appoint an attorney there to Settle this account of any such Sum allowing twenty five per Cent which I think will be Cleared with two Thousand or two Thousand five Hundred Rupees and the remaining Sum Due to the said Merchants I shall not be accountable for it on the Last day of Judgment because I under gone a Great Loss as above related and if my Wages

Wages were duly payed to me by Messrs. Matthias Melicknaz and Gaspaur Johannes not have had any Balance to pay to any of them and this remaining Balance shall be carried on Messrs. Matthias melicknaz and Gaspaur Johannes at the Last day of Judgment. — Besides this Mr Johannes Stephens as Borrowed money upon Respondentia from Mr Bogue at Hams at China to repay to Mr. Johannes Gregory at Surath and after our arrival at Bombay he Sold to Hadjee Yusuph China Wares for nine hundred Rupees which amount of Sale he assigned to Mr Banus Limon to Collect and pay me and after my arrival at Surat Mr. Johannes made a Demand of me for the Payment of the said Sum telling me to recover from Mr. Limon upon which I was obliged to give my Bond at Last I have Discharged it at madras with Interest thereon But after the Bond was Given by me I have been to Bombay and made a Demand of Banus Limon for the Payment of the said Sum to which he answered that the said Sum must be paid to Mr. Matthias at which I Surprized and afterwards I have been to China and from thence I came down to this Parts of the Coast

I again Declare that in the year of Agaria one Hundred and Twenty one till one hundred Twenty Five and Twenty Six the above Mr. Matthias has given me three or four Times Respondentia Money from Surath to China and from China to Calcutta and this Debt that he Says is due to him he would

would not have lent me had he not Shift the money in his Attorneys hand when he should have Certainly taken Respondencia Bond from me for the Sum he lent me this plainly shewes he has receivd his money.—

I Therefore say that the above mentiond Loss of mine and Wages for my three years trouble must be recovered from the above Messrs Matheus and Gaspar according to this Will and I do Declare that whatever Debt may be in Soorath I am not Responsible but Messrs Matheus Malickzay and Gaspar Johannes shall be oresponsible in the day of Judgment this is what I have mentioned is a Real fact before God who will be the Best Judge.—

I Beg of my Executors according as above mentiond the Sons of Amirchaund to be paid the Sums of five Thousand Rupees after which I oreguest they will Clear my Debts of Surath and what may be remaind I oreguest one Thousand five hundred Rupees Shall be given to my Wife Mariam, and what remains I beguest to my Son Minasacan for his Subsistance what I have given to my Wife Mariam is Sufficient for him if she Chose to live in my house if not she may marry again

And of my Son Minasacan after the age of twenty one years his Behaveour is Just and well he is Authorized to make a Demand of the above Estate if he Should wish to live with his mother he may proceed Agreeable to his pleasure.—

I

I Know that our Existance is in the Power of God should an accident happen to my Son the remainder of my Estate I require shall be Divided unto three Parts one part to Saint Echminasin one to Jerusalem and the other to Bercia to our Convent for which deed you will have the Benefit from God.— If my Wife Mariam Should at any time send my Son Minasacan to Bengal or madras with the Consent of my Executors I freely beg that my Executors will allow to my Son to his Expence the Sum of one Hundred Rupees per year and not more and according to his Good Behaveour he will be Entitled to his Estate I hope he will not turn out an Extravagant turn out good he will be master of all my Estate.—

At Present my Books and accounts are out of order if God Spares my health I shall Shortly get to put them in order at which time I Know very well that my Estate will amount as I think will be four Thousand and some Hundred Pagodas— the Past Season we have sent to Bengal and China different Peices in which I am the proprietor of two Shares & Mr Abraket Dennisius the other one shares after the arrival of my accounts and the amount what will be in my favor must be inter in my Estate Book If my Son Minasacan should be sent by his mother to madras or Bengall under the direction

of

would not have lent me had he not Shipt the money in his Attorneys hand when he should have Certainly taken Respondencia Bond from me for the Sum he lent me this plainly shewes he has receivd his money.—

I Therefore say that the above mentiond Loss of mine and Wages for my three years trouble must be recovered from the above Mesrs. Makertis and Gaspar according to this Will and I do Declare that whatever Debt may be in Surath I am not Responsible but Mesrs. Makertes Malickzag and Gaspar Johannes shall be responsible in the day of Judgment this is what I have mentioned is a Real fact before God who will be the Best Judge.—
