Extract of the Proceedings Compiled at the Town Hall on Tuesday the 13 day of April Anno Domini 1756

Captain John Durand makes Oath that he is a Creditor to the Estate of William Bonady Deceased in his own right the Principal Sum of Great Pagos 595 and Respondentia Bond, and as Attorney for Captain Edward Bond in the further Sum of Great Pagos 2000 Principal

Do you know that you believe William Bonady was Slain at Fort Cal some other Part to the Eastward for or about the 23 March 1756 that upon the receipt of the News of his death at Calcutta, a Will of the said Deceased was produced in the Mayors Court there, by the Executors therein named, finding the same to be very irregular, renounced their right of Executorship, and by the best Information You have been able to procure that no application has been ever made to the said Mayors Court at Calcutta, for Letters of Administration to the Estate of the said William Bonady, and that you have reason to believe that the Will of the said William Bonady so Exhibited in the Mayors Court at Calcutta, was lost with the other Records of that Court, at the Capture of Calcutta by the Moors, in a few Months after the said Will was delivered into the said Court, And that altho' you have made enquiry you have not been able to procure such Testimony of the Contents thereof, as might serve to get the same Established by due form of Law

So help You God

Extract from the Minutes of the Mayors Court at Madras paduvan held on Tuesday the 20th day of September Anno Domini 1757.

Mr. John Davidson, Coeditor to the Deceased Lieutenant John Keith, appears and acquaints the Court, that the time limitted for delivering in a Caveat by any Person who might have a pretension to him for Letters of Administration to the Estate of the said Lieutenant John Keith Deceased, is now expired, but none appearing, He therefore prays that Letters of Administration may now be Granted to him as Principal Coeditor to the Estate of the said Deceased, the same being indebted to him in the Sume of One hundred Pagodas, and also as his Securities Mr. Henry VanSittart of this place Merchant, and Mr. John Palmer, one of the Attorneys of this Court, the amount of the Effects left by the Deceased being to the best of his knowledge about two hundred Pagodas The Usual oath of an Administrator being offered to the said Mr. John Davidson, He objects to the Taking that part of the Oath, which sets forth the Administrators belief, that the Deceased died without making any Will, because he has been informed that the Deceased did make a Will, and that the same was left in the Possession of Captain Richard Smith in the Military service of the East India Company, and now residing at this Place. The said Captain Richard Smith being sent for, He appears, and being sworn to make a true and perfect Answer to all such Questions, as shall be asked him by the Court, He is interrogated, whether the said Lieutenant John Keith Deceased did leave any Will in his Possession, and what is become of the same.

He acquaints the Court that on or about the Month of June last, the said Lieutenant John Keith Deceased, being then going out to Europe, and being indebted to him, He the said Captain Richard Smith, in the Sume of Fifty Pagodas, upon a promissory Note, did write at the bottom of the said Note words to the following Effect Viz.

"I give and bequeath unto Captain Richard Smith, all that I shall be possessed of at the time of my Decease" and

that

"said John Davidson is a Principal Coredidor of the Estate of the
"said Deceased, and that he will faithfully administer his
"Effects, by paying debts so far as the said Effects shall extend,
"and the Law will oblige him, and that he will cause all
"the said Effects to be appraised, and make a true and perfect
"Inventory of them, at or before the 20th day of March next,
"and likewise a true and just account of his administrator-
"ship, at or before the 20th day of September next, which will
"be in the Year of our Lord, One thousand seven hundred
"and fifty Eight.

Never I believe were Men so keen before Spanish than the Company's
Troops/ I would not by this be thought to mean that they are
Superior to his Majesty's but only that as Some of them amongst
them I have more opportunity of hearing many and am short am
more capable of Judging of them of the Kings with whom we Lost

Refined Manoeuvres are certainly very clever but where there is

that the said Lieutenant John Keith did upon the same
But that immediately after the decease of the said Lieutenant
John Keith, He, the said Captain Richard Smith, entirely
destroyed both the promissory Note of the said Deceased, and
also the aforesaid writing at the foot thereof, as he did not
expect any benefit therefrom, and also because he was
unwilling to take upon himself the Management of the
Deceased's Affairs.
The Court thereupon told the said Captain Richard Smith,
that he ought not to have torn the said Writing, which the
said John Keith made at the foot of the Note, but kept it till
he was called upon by such persons, as might appear intres-
-ted in the Deceased's Estate, since his being named by the
Deceased, as Executor, or Universal Legatee, did not lay him
under an obligation of Executing the same, more especially
as such an act is apparently wrong in itself, since the
tearing of any Will, or other Disposition, may be attended
with very ill consequences, altho' this act considered by
itself may be of no consequence, or of any prejudice to any
Person whatsoever, as there is much reason to believe that
the Deceased died Intestate.
The said Mr. John Davidson now prays the Court, that
that part of the Administrators oath, which sets forth
the Administrators belief, that the Deceased died without
making any Will, may be dispensed with. Agreed
that the same be dispensed with, and that the following
oath be administered in the stead thereof.
"That altho' the Deceased John Keith did whilst living,
"make such a Will as has been just now set forth to the
"Court, by the Oath of Captain Richard Smith, Yet he
"does believe, that there is no Will of the said Deceased
"now to be found, since that which the Deceased intended
"as his Will, has been destroyed by Captain Richard Smith,
"who had the same in his Possession, as appears by the
"Declaration on oath, which has just now been made
by the said Captain Richard Smith that He, the

Gregorio of Constantinople Armenian at present residing in
Fort St. George at Madrasapatnam being of sound and disposing
mind and understanding through the Mercy of God, but
being apprehensive of death, & willing to put my Soul on the
way to Salvation, as being uncertain of how and when the
Lord may dispose of me do make and ordain this my last
Will and Testament as follows and first
and principally I commend my Soul to the most Holy
Trinity my Creator & Saviour the Eternal Father that he will
through the merits of the Death & Suffering of his only Son
receive it as he did his, when dying for our Redemption,
& I pray to our Saviour Jesus Christ that as he gave me on
his World his precious Blood and the merits of his divine
passion, he will on the next grand the reward thereof
that is, everlasting life. Protesting as a true Christian that
I am to live and die in the Holy Catholick Faith, & to

and teaches, hoping for Salvation on the same —
Imperimis I give and bequeath Three hundred Pagodas
