of Intent which we should have willingly accepted to maintain
of the Justice, if it not was, that it is not usual by us that such a
Commission can be executed by any body else than by the Council of Justice
being not suitable by us that such an affair is addressed to a Governor
and a Attorney General if it pleases you than to address your self to
to said Bench of Indicture you may be assured that the Commission

To the Honble the Mayors Court
of Madraspatnam

Gentlemen

We have received your Commission and yesterday met to put the
same into Execution when the Witnesses attended, and the proper Oaths were
administered; This Morning we proceeded to Examination of them, but find it
a most confused & intricate Affair, our Interpreter being absent from this place
and the Depositions so long and the first Evidence We have begun with
frequently perjurating and very tedious We find that it will take up a
fortnight or more to go thro with the Examination, as it is impossible
for us to spare so much time from the Business of the Settlement
We are under the necessity of returning the Commission and other Papers
We beg leave to recommend to you to order the Witnesses to Madras

The many difficulties We foresee in this affair renders it
unpracticable for us to go through with it either to our own Satisfaction
or that of the Parties concerned on no Pains should have been spared
on our parts We are
