Peter Marsette Mayor

Richard Fyfe Executor

of Francisco Gomez deceased Read & filed. setting forth that Ignatio Gomez also a Natural Son of the said deceased, who did on the 23. Instant obtain from this Court a Probat of an Instrument propounded by him as and for the Last Will and Testament of the said deceased, hath in his Custody two other Instruments of Later date than that propounded by him, and therefore praying that the said Ignatio Gomez may be Cited to deliver them, together with what other Papers he may have in his Possession purporting a Will of the said deceased, into the Registry of this Court.

Ordered that a Citation do issue agreeable to the Prayer in the said Petition.

Extract from the Minutes of Court held at the Town Hall on Tuesday the 7th day of July Anno Domini 1761.

Petition of John Druen read a 2d time

Citation issued against Ignatio Gomez returned served.

The said Ignatio Gomez appears and delivers into Court a Paper which is in Portuguese

Ordered that the same be Translated

Extract from the Minutes of Court held at the Town Hall on Tuesday the 4th day of August Anno Domini 1761. (above Extract)

Mr Archdale Palmer Proctor for John Druen appears and acquaints the Court that Ignatio Gomez hath another Paper in his Possession purporting a Will of Francisco Gomez deceased which he hath not delivered into this Court altho' cited so to do. He therefore prays that a second Citation may issue for the said Ignatio Gomes to appear & deliver in the same

Granted accordingly.

(Above Extract)

Extract from the Minutes of Court held at the Town Hall on Tuesday the 11th day of August Anno Domini 1761.

Citation issued against Ignatio Gomez at Suit of John Druen returned served

Agreeable to which the said Ignatio Gomes appears and Acquaints the Court that he hath no Papers in his Possession purporting a Will of Francisco Gomez deceased as he hath already delivered whatever Papers he had, which he had the Appearance of a Will into this Court.

Mr Archdale Palmer Proctor for John Druen prays that the said Ignatio Gomez may be asked upon Oath, Whether or no he hath ever since the decease of Francisco Gomez been possessed of any other Paper Writings purporting a Will of the said deceased than those already delivered into Court?

The said Ignatio Gomez being accordingly sworn the above Question is put to him, to which He makes answer, That before the death of Francisco Gomes he found a Paper in the Room

which

Mind Memory and Understanding at the time of his giving directions for Writing the said Paper, and the Reason why the same was wrote in that Manner.

The said Ignatio Gomes acquaints the Court that Francisco Gomes was at the time of his giving directions for writing the said Paper of Sound Mind Memory and Understanding and that the manner in which it is Expressed does in the Portuguese Language simply the same.

The said Ignatio Gomes having in the Course of his Examination declared that he delivered both the Papers to his Proctor the said Proctor is therefore asked why he did not deliver them both into Court.

The said Proctor acquaints the Court that his Client had agreed to devide the Estate of the deceased agreable to the Tenour of the Instrument produced the 7th Ultimo, but that the said John Druem would not allow the same to be the Will of the said deceased as the same was not duly executed; and that He the said Proctor did therefore deliver into Court the Instrument of which he obtained a Probat on the 22. day of June last which had been duly executed, and that he did not imagine that there was any Necessity for producing the other Paper. But that if he hath been guilty of an Error he hopes the Court will impute it to his Inexperience in his Profession as he hath been but a short time in it.

The Court being of Opinion that the Action of the Proctor in not delivering in the said Paper hath been very culpable and might have been Attended with very bad Consequences: Yet as they do not imagine that the same proceeded from any ill Intention, but Merely from want of Experience in his Office, Do therefore agree that the same shall be over looked for this time: but it is Strongly Recommended to him as well as to the other Proctors, to be very Carefull that they do not suppress any Papers delivered to them by their Clients.

At the motion of the Proctor for Ignatio Gomes, Agreed to give Him till next Court day, to produce Witnesses to confirm and establish the Instrument delivered by him into Court the 7th Ultimo, as and for the Last Will and Testament of Francisco Gomes deceased.

A true Extract

Extract from the Minutes of Court held at the Town Hall on Tuesday the 25th day of August Anno Domini 1761.

Ignatio Gomes appears and prays that the Court would proceed to examine Witnesses touching the Instrument delivered into Court on the 7th Ultimo as and for the Last Will & Testament of Francisco Gomes

the said House and Garden as if they were to sell the same and that he had therefore made the above Alteration by the desire and Consent of the said Ignatio Gomes, and that before they could get the said Instrument with the above Alteration executed by the said Francisco Gomes he departed this life.

Appearing to the Court that the 4th Paragraph of the said Instrument Relating to the House in the White Town and the Garden on the Patcherry never had the Approbation of the deceased Francisco Gomes. It is therefore Ordered that the same shall be expunged & that the Depositions of the said Manuel Anderson with regard to the Intention of the said Deceased concerning the said House and Garden shall be looked upon as a part of the said Instrument in the room of the abovementioned Paragraph. And it Appearing to the Court that the said Instrument with the above Alteration is according to the Intention of the said Deceased and likewise according to the Laws of Nature. The Court do therefore pronounce for the Validity thereof, and a probate of the same is ordered to be granted to Ignatio Gomes the Executor therein named, He being first Sworn well and truely to Administer the same. And it is further Ordered that the Instrument propounded by the said Ignatio Gomes on the 23d day of June last shall be annulled and made void, and that the Probate thereof shall be revoked.

Mr Archdale Palmer Proctor for John Druen prays that the said Ignatio Gomes may be Obliged to pay all the unnecessary Expences that have accrued by Reason of his not having produced the Instrument proved this day, without being Obliged to it

The Court being of Opinion that the prayer of the said Proctor is very Reasonable. It is therefore Ordered that the said Ignatio Gomes shall Obliged to pay all the unnecessary charges that have accrued by Reason of his not having produced the Instrument proved this day in due Time.

Ut Supra and by all other more effectual ways & means of Law and to all intents and purposes in the Law whatsoever as I may Alledge and in Law prepound the following Articles

(1) Inprimis That the said Simão Phillips the Testator in this Cause having an Intent and purpose to make her last Will and Testament and to Settle and dispose of her Estate did sometime on or about the month of May in the Year of our Lord One thousand Seven Hundred and Fifty Nine at her direction and Instructions cause the same to be Reduced into Writing in manner and form as it now appears And the said Testator was at All and Singular the premises of Sound Mind Memory and Understanding

of her Estate nor does the said Mary Tipping believe from the Aforegoing Circumstance that the said Sinnao Phillips at the time it is said she made the said Will cou'ld be of Sound Mind Memory and Understanding and well understood what she then did But the said Mary Tipping alledges that she frequently saw the Reverend Father Caitano Xavier de Braganca stiled the Notary and Clerk of the Ecclesiasticks with her Mother the said Sinnao Phillips and After having some discourse with her in private used to carry a Roll of Paper in his hands which he did for several days before the death of the said Sinnao Phillips and which she did Suspected must have been something Relating to a Disposition of her Estate as at one time when the said Reverend Father Caetano Xavier of Braganca was in Company with the said Sinnao Phillips she happened to go into the Room where they were and saw some Papers on the knee of the said Father Caetano and Observed that the said Reverend Father Caetano stooped his Head towards the said Sinnao Phillips in appearance to speak to her whereupon the said Sinnao Phillips Ordered the said Mary Tipping out of the Room.

To the second Allegation the said Mary Tipping saith that by the Executors own confession the said pretended Will of Sinnao Phillips does not appear to be signed or Sealed and Circumstances that greatly invalidate the Authenticity of it nor can the said Mary Tipping allow that the said Sinnao Phillips the Testator did shew her approbation and acquiescence to the Contents thereof by desiring the Reverend Father Caetano Parra to sign the said pretended Will on her part as her Weakness of Body would not permit her to write as it is well known that the said Sinnao Phillips could neither read nor write

To the third Allegation the said Mary Tipping does not Allow that all and Singular the Premises Relating to the said pretended Will are true Publick and Notorious nor did she Absolutely know of such a Will until some time after the death of the said Sinnao Phillips and the said Mary Tipping prays that no Regard be had to the said pretended Will as it is contrary to Law and Nature for the said Sinnao Phillips to deprive her own Children of so large a part of her Estate By Bequeathing the same to Superstitious Uses and that should the Executors be able to prove all and Singular the Premises touching the said pretended Will the said Mary Tipping Humbly conceives that it then Rests with this Honble Court either to allow or set it aside according to the Circumstances of the Case Humbly Imploring the Aid of the Judges Office in this behalf and that the said pretended Executors of the said pretended Will be Obliged to give Bail for their Appearance or Deposit the Amount of the Estate in this Honble Court as the Estate of the said Sinnao Phillips has been in

Court as follows

Padre Francisco Xavier Pereira of S.t Thomas's Mount Aged 33 Years or thereabouts being produced as a Witness on the part of Padre Caitano Pinto and Martin Lopez de Guavara was on the 3.d day of April 1761 sworn at the Office of M.r John Palmer Proctor for Mary Tipping Daughter of Simão Phillips deceased and Afterwards on the same day being Sworn and Examined Deposeth as Follows.

1st ..... To the first Interrogatory this Deponent saith that he hath known Padre Caitano Pinto and Martin Lopez de Guavara about 9 or 10 Years and Mary Tipping about 5 Years.

2. ..... To the Second Interrogatory this Deponent saith that he knew Simão Phillips deceased about 4 Years before her death. That He knows the Will now shewn him. That Simão Phillips did never give to him or any one else in his Presence any Instructions for making the said Will. That Padre Caitano Xavier de Bragança told him that She did Write the said Will by the Directions of Simão Phillips deceased in the Presence of Padre Francisco Home and Padre Caitano Tavras That neither of this Deponent nor any other Person in his Presence did Read the said Will to the said Simão Phillips after it was wrote. That the said Simão Phillips sent for this Deponent to come and Sign the said Will, but that this Deponent was out of Order and could not go. And that Padre Caitano Xavier de Bragança did bring the said Will to this Deponents House, and that this Deponent did Sign the same in the Presence of the said Padre Caitano Xavier de Bragança and of Padre Francisco Home. That the said Simão Phillips did never in his Presence Publish and declare the said Will as and for her Last Will and Testament. That this Deponent does know whether the said Simão Phillips deceased was of Sound Mind Memory and Understanding at the time of her Executing the said Will as She was not present at that Time.

3 ..... To the third Interrogatory this Deponent saith that He knows Mary Tipping that she was brought up in the Roman Catholick Religion as she always came to the Roman Catholick Church But does not Know what Religion she is of now. That when Persons of the Roman Catholick Religion are about to make their Last Will and Testament and by Indisposition are rendered uncapable of Signing the same, they desire such Persons as may be Present to Sign the same for them. That it is Customary for the People of the Roman Catholick Religion at the time of their decease to leave Money for the Church and likewise something to the Padries to Say Mass for their Souls, and other Religious Uses. &c.

on behalf of the deceased Simão Phillips at her Request. That the Reason why the said deceased did not Sign the same herself was that she was unable to do it thro Sickness and that the same was signed by this Deponent in the presence of Padre Caetano Xavier de Bragança and Padre Francisco Home. Gomes deceased, and that they would proceed to pronounce for the Validity thereof and that thereupon a Probat of the same may be granted him.
The said Instrument is accordingly Read.
Jacob Keyser being produced and Sworn depose this as followeth "That on the Morning of the day on which the said Francisco Gomes died. Ignatio Gomes and John Druem came to his this Deponents House and asked for Pen. Ink and Paper which this Deponent accordingly gave to John Druem who sat down in this Deponents Presence and copied the said Instrument from another Paper which this Deponent believed to contain the Last Will and Testament of the said Francisco Gomez deceased.
The Court being informed by the said Ignatio Gomes that one Manoel Anderson wrote the said Paper as it was dictated to him by the said Francisco Gomes, Agreed therefore to defer coming to any Resolution with Regard to the Validity of the said Instrument till next Court Day when the said Manoel Anderson is Ordered to be summoned.

A true Extract

Extract from the Minutes of Court held at the Town Hall on Tuesday the 1st day of September Anno Domini 1761.

Citation issued against Manoel Anderson returned served
He accordingly appears and being Sworn, the Instrument propounded by Ignatio Gomes as and for the Last Will & Testament of Francisco Gomes deceased is shown to him and he is asked if He can give the Court any Information with Regard to the same
The said Manoel Anderson deposeth that the Instrument now shewn him is to the best of his Remembrance a true Copy from the Paper which he the said Manoel Anderson wrote by the Direction of the said Francisco Gomes deceased except that the said Francisco Gomes did not give the Heirs any Authority to dispose of the House in the White Town or of the Garden in the Patchery as is expressed in the 6th Article of the said Instrument, but did in the abovementioned Paper wrote by this Deponent, Ordered that the same should be let and that the produce thereof should be devided amongst his Heirs.
John Druem who copied the said Instrument from the Paper wrote by the said Manoel Anderson being in Court. He is asked by the Court how the Abovementioned Difference arose The said John Druem informs the Court that the Purport of the Paper from which the said Instrument was copied was the same as set forth by the said Manoel Anderson. But that Ignatio Gomes and this Deponent, who are the only Heirs of Francisco Gomes deceased, were of Age being of Opinion that it would not be so much for the benefit of the Estate to let the

which had the Appearance of a Will of the said Deceased, that He delivered the same to the said Francisco Gomes who was his Father, who in the Presence of his daughter shewed the same to a Priest, who told him there were many Mistakes in it upon which the said Francisco Gomes ordered the said Ignatio Gomes to write it fair, and that He desired John Druen to write it to over which he did, after which the foul one was destroyed & before they could get the fair Copy executed the said Francisco Gomes died

The said Ignatio Gomes being then asked by the Court why he thought the abovementioned Paper had the Appearance of a Will? He acquaints the Court that it was filled so upon the face of it.

Being asked how long it was that the said Francisco Gomes ordered the said Paper to be copied before he died? He informs the Court that it was about two Hours before his death.

Being asked if He thought that the said Paper writing contained the Will of the said deceased? He acquaints the Court that He did, and in Consequence thereof acted agreeable thereto.

Being asked if the Paper delivered into Court the 7th Ultimo is a true Copy from the Paper which he hath acquainted the Court was destroyed? He informs the Court that He did together with the said John Druen examine the same after it was wrote fair and that it is a true Copy, except that the Mistakes which were in the foul one are rectified in the fair one.

Being asked why he did not deliver the said Copy into Court at the time he obtained a Probat of another Instrument propounded by him as and for the last Will & Testament of Francisco Gomes deceased? He acquaints the Court that He delivered both the Papers to his Proctor Mr. Philip Francis Greenslade who he thought had delivered them both into Court

Being over asked if He ever saw any other Paper purporting a Will of the said Francisco Gomes deceased, that those abovementioned? He acquaints the Court that He never did.

The Proctor for John Druen deliver into Court another Paper and prays that the said Ignatio Gomes may be asked if He ever saw the same or a Copy thereof before?

The said Ignatio Gomes having perused the same, He acquaints the Court that he never did.

The Court observing that there is an Expression in the Paper delivered in the 7th Ultimo which seems to imply that the deceased was not of perfect Memory at the time the same was wrote and that the word NOT which gives it that Construction is interlined

The said Ignatio Gomes is therefore asked whether the said Francisco Gomes was of sound

mind

Last Will and Testament In Witness whereof to this my said Will I have
set my Hand and Seal the Twenty Eight day of September in the Year
of Our Lord One thousand Seven Hundred and Sixty. And
in the thirty fourth Year of the Reign of His Majesty King George the

Second

Thirdly as the trifle of Plate I have saved.

It may appear needless at first sight to make a Will when I have so little to dispose of but it cannot but be thought proper when it is considered no body knows any thing of my trifling concerns in India but myself, or of the Debts I owe, I leave herewith a Memorandum which will inform my Executors hereon, my principal means of paying what I owe lies at Fort St George in a bill of Exchange on Capt George Wilson of the Calcutta for one hundred and fifty Pounds with Respondentia at ten P Cent payable to George Pigot Esq.r / a duplicate whereof will be found herewith / to be invested in Goods to this Coast, which I suppose has been done in some Vessel, which may have escaped the Enemy and returned to Fort St George of this my Executors will receive information, and receive the Value, which will enable them to pay all my Debts in India, the principal of which indeed are to themselves, I will therefore that all my just Debts be immediately discharged & that the Ballance of my Estate be remitted together with a Copy of this my Will to my Friends Messrs Thomas Farr Junr. of Bristol and Robert Judway of London whom I desire will act as my Executors in England and after discharging any Debt I may owe themselves, pay the Ballance whatever it be to my Mother Mrs Mary Stevenson together with any Sum or Sums that Mr. Thomas Farr Junr. may have received since my Absence as my Attorney, deducting the Cost of a mourning Ring to each which I desire they will Accept in Remembrance of one who wishes them every Blessing with his dying Breath having a grateful sence of their Friendship

Fourthly The Contents of a Purse which will be found in my Box being Rings &c.a together with the Seal Ring on my Finger I would have made up and sent to my Mother.

Fifthly I expect to receive by the next Storeship from England a Box of Necessaries &c.a from Mr. Robert Judway, among which will be some for Mr. Cromie, he is to be delivered what may be for him, as part of his Debt at prime Cost & the Remainder must be sold, & the neat proceeds added to my Estate

Sixthly Any Letters for me from England or elsewhere which my Executors may receive, I desire after just opening to see there be no Papers in them which it may be of bad consequence to be known destroyed may be immediately burnt without
