for Rehearing read —

The Court having proceeded to a Rehearing of the
Order of Court passed in these Causes on the 25th Ultimo
and having heard the Attornies on both Sides it is Ordered
that the Resolution of Court of that day do stand Confirmed
and that the Cross Complainant do pay the Costs attending
the Rehearing Sworn — Mr. Norman Acts Dissent to the
Resolution of the Court and will Lodge his Reasons the Forthcoming day —
Because the Matter offered by the Cross Defendant by way
of Plea, to such parts of the Cross Bill as they think that
they should be excused from Answering — appears to them to be
totally in the nature of a Demurrer — and tho the Cross
Defendants have thought proper to title it a Plea, (because
the most suitable to their own purpose) that cannot alter
the construction as established by the Law in respect to Pleas
and Demurrers — That according to the Rules of the Law and
the

the invariable Practice of this Court, the matter of a Demurrer must have a decision previous to any further proceeding in the Cause - And it is laid down as a Rule, that the Court cannot let a Demurrer Stand for an Answer - Atkins Report V. 3. P. 530. - which confirms the Opinion, that they should be heard Separately Because it appears upon the face of that part of the Cross Defendants Answer, which is titled the Plea, that the Court is in effect desired, to hear and determine upon such Plea, previous to any proceeding upon the Answer - for, after Reading so much parts of the Cross Bill, as Subjects them to certain penalties, from any Answer to which they desire to be exempted they do demand the Judgement of the Court, whether they or either of them ought or shall be compelled to make any Answer thereto, otherways than aforesaid, and thereupon pray to be Dismissed therefrom with Costs - which plainly seems to imply, a desire of obtaining a previous decision; - and is Application of the Cross Defendants not to Separate the Plea from the Answer, because they both form one Record and should therefore go down to hearing together - A Reason which in the present instance, is deserving of the less attention, not only from the irregularity of calling that erroneously a Plea, which is really a Demurrer, but that such Reason even if it could be allowed to have any weight - by admitting the propriety of the denomination of a Plea - will not much, if at all, help the Cross Defendants desire, of its not being Separated from the Answer, as the Law (Atkins Reports V. 2. P. 388.) says, that "while a Plea is depending no Exceptions can be taken to an Answer, but the Plea must first be removed out of the way" - on which ground, there seems to be a Necessity for Separating the Matter which is offered in the present Plea, from, and Considering it previous to, the Matter of the Answer, which will also be found the easyest and Shortest course, of enabling the Court to form such decision on the Matter of the Plea, as may be found suitable to the circumstances of the Case, and to the regular Order of Proceeding; to which the Reasons offered by the Attornies for the Cross Defendants, "that there is no Precedent on the Records of the Court for Separating a Plea from an Answer" does not appear to be sufficiently founded; because in those instances where a Plea and Answer have gone down together for a hearing, it is more than probable, that such Pleas could in no Case be considered in the nature of a Demurrer, as the present Plea appears to be, but were simply such Pleas in bar, or what went to a conviction of the Matter in Suit, between the Parties - and Naturally required the like Consideration or discussion, with the rest of the Answer, and therefore went down with it to a hearing -

It is true, that the Usual Proceeding in this Court upon a Demurrer, is, to put the Opposite Party to file a Joinder, but this is where the Demurrer has been filed on the first Court day after Summons and appearance, (whether in an Original or a Cross Suit) and in the present instance, what is called a Plea, (tho' it is really a Demurrer) even not delivered till many Court days after these the Usual time; but the Cross Complainants taking no advantage of this, and putting in the Petition praying the Consideration of the Court, which has now been under the Consideration of the Court, desiring to have the Plea Argued and Determined upon Separately - the same may well be Regarded in the Nature of a Joinder to such Plea or rather Demurrer -

and

and should induce the Court to regard the whole on the ground of a Demurrer and Joinder, and give a Decision accordingly, as the most obvious and plainest way of deciding upon the previous point, how far the Cross Defendants shall be obliged to make Answer to such parts of the Cross Bill as may Subject them to certain Penalties and from an Answer to which they claim a right to be exempted.

Andrew Ross
Alderman
Tuesday 5th July 1791.

The Attorney for the Cross Complainant prays leave to file Exceptions to the Cross Defendants Plea and Answer to which the Opposite Attornies object because it is irregular to file Exceptions to an Answer without having previously replied to the Plea. The Court having taken the same into Consideration it is Ordered that the Exceptions be received.

Exceptions to the Cross Defendants Plea and Answer filed this Day.

The Mayor and Messrs. Alderman Webb and Daly Dissent to the Resolution of the Court being of Opinion that the Exceptions ought not now to be Received a Rule having passed on the 25th Ultimo for the Cross Complainant to Reply instead of which the Cause to be heard on Bill and Answer which Order has this day been Confirmed.

Bill of Review of Sarguis Sahure Read.—

The Matter in dispute between the Petitioner Butha Saib Baby and the Respondent Sarguis Sahure Administrator to the Estate and Effects of Agavally Sahure Deceased Coming on to be Argued and Determined this Day in the presence of the Attornies on both Sides On Hearing the Arguments made Use of by the Attornies and on due Consideration had thereon This Court doth think fit to Order and doth Accordingly Order that the Petitioners Petition do Stand Dismissed.—

Mess.rs Alexander Call and Ross Dissent to the Resolution of the Court because upon the face of the whole Business and the most Material Circumstances which belong to it (although it is not easy to discover from such Contradictory Evidence on which side the truth lies) the strong presumption is that it would not be eligible for the Complainants Agavally Sahure to lend his Money upon such Security without obtaining the Consent of the Joint owner of the Premises and that his Neglecting so to do and entering upon such a Contest in such a Cause shews so much of folly if not of Depravity as to render his Claim abortive.—

Mr Alderman Mitford Dissents to the Resolution of the Court and will Send in his Reasons at a future day

Because I think a Decree ought not to be altered without a Rehearing of the Cause which has never been Petitioned for, and I am of Opinion that a Petition to a Rotation Court to alter the Decree of a former Court highly irregular and ought to be dismissed.—

I Dissent to the Order of the Court in —
Dismissing the Original Complainants Bill,
Because it appears to me, that the Justice of
his Demand is well supported, both from the Instructions
which he has given to the Original Defendants and the other

Consignee, and from the Letters of the said Defendants and
his Signature, (in conjunction with the other Consignee) to the
Account Sales of the 88 Bales which had been Consigned to
them Jointly; The words of the Letter of Instructions
(immediately addressed to Bernardo Paulo,) are, "I have Shipped
"88 Bales of Piece Goods which Amounts to Pagodas 16526,
"according to Invoice, which goes herewith enclosed, together with
"a Bill of Lading, Consigned to you and Mr. Joseph
"Antonio; you will have the goodness to receive and turn it
"to the best advantage — you will pay the Customs and —
"Charges and deduct 5 p Cent Commission, and divide it
"between you and Mr. Antonio. Should this Vessel go to
"Macao and not Return to Madras, you will Load in any
"Vessel destined to Madras, the Amounts of the Proceeds in
"Silver, adjusting the freight as cheap as possible. You may
"Load in the St. Louis or in any other good Vessel; but if the
"Macao Vessel which carrys the Goods, comes to Madras, I
"am obliged to give her the preference. You will use your
"utmost to dispose of the whole and not leave any. If
"there should be no Market you will send me Dollars and
"leave the Goods for a better Occassion. For what Money
"you take up pay such Interest as may be just." From
all which, it appears to me, that the Consignment was made
to both; that the Invoice and Bill of Lading did Run
so; and that the Order for the Sale of the Goods and for
the Returns of the Proceeds to be sent hither, are all addressed
to both, and sufficiently clear, to my conviction, that every
thing that is said by the Original Defendant, with the view

of

of freeing himself from a Joint or Separate Responsibility,
is founded in palpable Subterfuge and evasion. In which
Opinion I am also confirmed, by the Exhibit N.° 32, a Letter
from the Defendant (Antonio) to the Complainant, (Raphael)
dated at Masulipatam 26.th May 1739, in which there is this
Paragraph. "The 81 Bales of Goods Consigned by you, I
"have sold. They produced free from Charges, 24029 Dollars, which
"I have delivered in ready Cash to M.r Bernardo," (the other Consignee)
"The Account written in the Spanish Language by that Gentleman
"I have by me with a Letter." From which it is clearly confirmed,
that he acknowledges himself not only to have been the Joint,
but the Acting Consignee in the Sale of the Goods and the
disposal of the Proceeds; tho' he now attempts to impress a belief
upon the Court, that he was prevented from taking a part in
the Sales, and acted merely as a Broker under the direction of
the other Consignee; and to give this the better colour, he is
willing to bring forward a charge of Brokerage; yet as it would
seem without sufficient Caution, as the Rate at which he
makes the Charge, (being 2½ p.r Cent on the Sales) is so exorbitant
as to vitiate the Claim on that ground, no less than on its
being totally unfounded.

Because the Account Sales, (Exhibit N.° 33)
which the Defendant Antonio brought with him from
Marcilla, and of which he speaks in his Letter from
Masulipatam to the Complainant (Raphael) has this
title "Sales of 81 Bales of Goods belonging to M.r Edward
"Raphael sold by me Joseph Antonio in Retail and portion,

Sales is actually Signed by both the Consignees, Bernardo Paulo,
as well as the said Joseph Antonio.

Because in the Exhibit N.° 27, C, delivered on the
part of the Original Complainants with this Title "Translate
of an Instructions from an Invoice of Sundry Goods Consigned
to M.r Joseph Anthony by M.r Edward Raphael" addressed
to M.r Joseph Antonio, there is the following Paragraph.
"I have taken in this Ship 81 Bales of Piece Goods value
"16526 ½ Star Pagodas as p.r Invoice Consigned to You and
"M.r Bernardo Paulo, which ye are to Sell, out of the half
"Moiety of the Commission at 2½ p.r Cent let M.r Bernardo
"have, and the half which is 2½ p.r Cent you are to have,
"as it will be evident to you respecting the Subject by the
"Instructions." This Paper is dated 17.th July 1737. The
Authenticity of it is confirmed by the Signature of Joseph
Antonio himself. It shews the particular confidence which
the Complainants placed in the Defendant, when the 81
Bales above specified were Shipped; and yet the Defendant
in his Answer upon Oath, denys, that the Contents of the
Invoice or its being a Joint Consignment, made to Bernardo
Paulo and himself, was at that time communicated to him;
and Alledges that these circumstances were in effect concealed
from him, by the delivery of a Sealed Packet only, which was
directed to Bernardo Paulo alone, and to whom he delivered
the same on his arrival at Marcilla; but who for some time
kept back the knowledge thereof from him, the Defendant;
who thereupon considered himself as exempted from the charge

of a Joint Consignee. From all which it appears, that the Answers of the Defendant, in denying the previous knowledge he had, (at the time when these Goods were Shipped on the Vessel in which he departed for Manilla,) of their being a Joint Consignment, cannot be Considered in any other light than as a gross prevarication and a total departure from the truth;

Because the Paper N.o 28 Exhibit D (being Letter from the Defendant to the Complainant dated at Manilla 11.th & 15.th November 1787) all tend to Support the Complainants claim and shew, that the Defendant had the Management of the Sale, chiefly, if not entirely, in himself. And in the Paper N.o 29 Exhibit E (being also a Letter from the Defendant to the Complainant dated at Manilla 23.d February 1788) it is said. We, (of Course Bernardo Paulo and the Defendant,) shewed the Invoice to such and such Persons, (who are named,) who came to buy the Goods - so that he, (the Defendant,) owns, his having had the Invoice - and then he says, Bernardo and myself, having considered of the prices, - We did not consent to it, - which is an additional Testimony, of his acknowledging himself, in the clearest Terms to be the Joint Consignee. And in other Letters from the Defendant to the Complainant, of the 30.th January and 28.th February 1788, from Manilla, (which are also produced on the part of the Complainant,) the Defendant, speaks a great deal, of his own Managment in particular, in the Sale of the Goods, without making any

Because in the Paper N.o 28. Exhibit G, being a Letter from the Defendant to the Complainant, dated at Manilla 24.th January 1789, there are the following passages; "I received your Letters of the 1.st & 7.th July by the Dolphin. "You write me for the 35 Bales of Goods Consigned by You "to me and Bernardo to be Sold by your Luck at the Market "price; and the being finished at the present Season; and "whatever the produce be, We might ship off in the Dolphin "by a Bill of Lading to come to your hands." These are the Defendants own Words, and afford the strongest Testimony of this prevarication in the present Suit; and how inexcuseable he was in leaving the produce of these Goods in the hands of the other Consignee - instead of bringing it with him as he was Ordered to do - and had it in his power to effect; as he acquaints the Complainant that he made the Sales himself, and Received the Money - and ought not to have paid it away to Bernardo; and the more especially so, if the Suspicions which he himself threw out against the Joint Consignee, have any good ground; as indeed it would seem by the Report given by Mr Juan Ubrilla to the Complainant in the Paper N.o 28. - are not ill founded. -

Because, from all these Reasons, and many more that might be stated, from the Circumstances and the nature of the Original Suit, - I am decidedly of Opinion that

decidedly of Opinion, that the Supplemental Bill also, and all that belongs to it, should be dismissed with Exemplary Costs.—

Because upon the whole, as I am clearly of Opinion, that the following passage in the Rejoinder of the Cross Defendant is well founded and Reasonable, it should have met with the concurrence of the Court, to wit "Nor has this "Defendant hath stated the charge against the Cross — "Replicant, in clear and plain terms, and hath fully and "unequivocally Answered all Questions put to him by the "Cross Replicant, and entered into a fair, candid and ample "discussion of the Merits of his Claim; this Defendant is "therefore conscious, that there is neither any injustice in his "Demands nor inequity in his Proceedings, nor hath he — "Attempted to Shelter himself under pretext, by ambiguity "or Evasion, he Submits therefore to this Honble Court to "Adjudge and adequate censure on the Cross Replicants' "Conduct, for advancing such Malignant and ill founded "Charges!"—

And as to the last part of this passage, Relative to the Malignant and ill founded Charges, which have been brought by the Original Defendant against the Original Complainant, both in the Original and in the Cross Suit, as I have already pointed out the most exceptionable passages, and proposed them being expunged, as Scandal — I need not Repeat it here.—
