The Attorney for the Defendants prays that Publication may pass in this Cause to which the Opposite Attornies object and acquaints the Court that they have taken out Attachments against three of their Witnesses who refuses to Sign their Depositions they therefore pray a further time of two Weeks for the Returns of the Attachments and pray leave to file the Affidavits of Alexander Williamson and William Newman which is Sworn to in Court in Support thereof - Affidavits Read and filed - The Court having taken the same into Consideration it is Ordered that Publication do pass - Publication is passed in this Cause -

by the Records that the Defendant hath Satisfyed the —
Judgment

Judgment of this Court or that of the Court of Appeals, in affirmation thereof nor that the Defendant had tendered himself into the Custody from whence he was delivered by the Court to that of the Petitioners, and further because the said Petition is entirely irregular inas much as the Petitioners cannot be allowed to say, that they are injured by the Court taking them as Bail for the Personal appearance of the Defendant to Answer the Judgment of the Court, as it was their own Voluntary Act to Sign a Recognizance for that purpose, and their prayer therefore to be exonerated previous to the Surrender of the Defendant or the Defendant Satisfying the said Judgment is an Attempt to deprive the Complainants of the benefit thereof by throwing off themselves that Obligation they are bound in to the Court, either to produce the Body of the Defendant, or indefault thereof to Satisfy the said Judgment themselves - The said Attorney further more Shews that it is a Matter of Publick Notoriety that the Defendant hath withdrawn himself from the Jurisdiction of the Court, and that he hath withdrawn himself by the means of the Petitioners becoming Bail for his personal Appearance and the Complainants have not therefore any hope of Satisfaction for the said Judgment within the Jurisdiction of the Court, but from

from the Responsibility of the Petitioners to Satisfy the same indefault of the Defendant. -

Ordered that the Consideration of the same do Stand over till Saturday Next when it is Ordered that a full Court be Summoned at 10 o Clock in the forenoon and that the Petition with the Extracts from the Minutes of Last Court day and this day be Sent Round for the Perusal of the Several Members. -

Mr. John Wilkinson Attorney for the Complainants
acquaints the Court, that being directed this day to Reply
to the Objections of the Opposite Attorney why an
Execution should not issue against the Effects of the
Defendants therein, shews that the Decree of this Court
in his Clients favor passed on the 18th day of April 1780,
and a Warrant of Execution issued thereon on the 2d
May following which Execution is still in the Sheriffs
Hands, and by Virtue of which certain Lands in Mortgage
to the Complainants in the District of Pomanally the
Property of the Defendants were seized by the then Sheriff
of Madras, together with the Crops of Grain growing on
the same, as appears by the Sheriffs Receipt now produced;
that on the 23d May in the same Year a Petition was
filed by one Narraindoo, as Guardian to One Munda
Vencatanarrain, praying that such the abovementioned
Warrant of Execution might be Superseded, to which
Petition an Answer was duly filed by the Complainants,
on which Issue was Joined, and the Usual Rules
passed for Examining Witnesses, in which State the
Matter of Petition and Reply have remained to this
day undetermined, the Complainant admits that the
Petitioner is since dead, but says that the Person in
whose

whose behalf he so Petitioned to wit Munda Vencata Narrain is living, and no longer a Minor, but Considerably above the Age of Twenty one Years, that the Defendant is also dead, but does it thence follow that he is not represented, and as the object of the Petition is in favor of the said Munda Vencata Narrain who pretends under the same to be Heir to the Estate Seized in Execution, the Defendants Death cannot disturb his Proceedings or alter the Decree of the Court; the Lands and Grain Seized under the Execution in this Cause by the Sheriff were in his Custody long after the filing of the Petition and Answer now depending, to wit from the 6th of June in the said Year 1780 to the Twenty Ninth of October in the same Year as appears by the said Sheriffs Bill of Fees for the charge of Keeping the Possession being Eighty Six Pagodas and One Rupee; Therefore tho the object of the Petition as appears by the prayer is to Supersede the Writ of Execution, yet the Court did not Consider themselves Warranted in doing so, and Releasing the Lands and Crop Seized by the Sheriff till the Matter should be finally decided by the Examination of Witnesses and a Regular hearing and Discussion of the whole Matter, as it may be a Question whether the Sheriff tho the Court gave him no Orders so to do did forsake the possession of the Property so Seized by him in Execution in the Cause this is the Answer there was Notoriously a War in the Carnatic with Hyder and therefore his Peons abandoned the possession at the Conclusion of that War and until the Arrival of General Medows as Governor of the Carnatic in the Year 1790 the Company kept Possession of all these abandoned Lands and therefore no Proceedings were had in the Matter of the Petition Vizt General Medows Returned these Lands to the Representatives of the Deceased Defendant, and of Course the Complainants now Claims the benefit of his first Execution, and that the Sheriff either under his Old Authority or a New One may be directed to take charge of the Estate of the Defendant formerly Seized, and so to hold the same, and its produce, till the final decision of the Petition and its Merits by this Honble Court —

Summons issued against Cotton Bowerbank Dent for Contempt in not appearing before the Examiner to give in his Deposition Returned Served – He does not appear. –
Note from the Examiner to the Register Read Setting forth that all the Witnesses have been Examined and Signed their Depositions on the part of the Original Complainants and Cross Defendants and Original Defendants and Cross Complainants. –
The Attorney for the Original Defendants and Cross Complainants prays that Publication may pass in these Causes several peremptory Rules having passed for the Examination of Witnesses – to which the Opposite Attornies object because if Publication passes the Depositions of the Witnesses will be known and therefore the greatest inconveniencies may arise in the Examination of Witnesses in an other Cause between the same Parties which is a Matter particularly guarded against in Courts of Equity upon the

the principle that it may be productive of Perjury which the Court will naturally prevent - The Court having taken the same into Consideration it is Ordered that Publication do pass - Publication is passed in these Causes -

The Mayor Dissents to the Resolution of the Court because he thinks the Matter of the present Cause is of the same Nature as the other Causes now before the Court between the above Complainants and Defendant, and therefore of opinion that both Causes should be put into a Train so as to be brought forward and come on to be determined together. -

of so Audacious an insult to its Authority, by any means to be omitted.—

Because the Defendant in the present Case is doubly culpable in Resisting the Process of the Court, there being two Suits in operation against him in one of which the Summons has actually been Returned Served and no Appearance made a Warrant of Contempt was prayed for and Issued And in the other, Oath having been made to the Debt before the Return of a Summons, he ought to have given Bail and entered his Appearance to the Action And as instead of a Compliance with the Process of the Court in either Case the Defendant has not only in his own Person been guilty of a very gross Opposition and Violent Disobedience but has instigated others to Join and Support him in so atrocious a conduct, it is no way improper for the Sheriff to make a Report thereof to the Court, and to Receive its Advice and Assistance in the execution of his Office.—

Because the inattention which is shewn by the Court in the present instance, cannot fail of exposing its Authority and rendering the same weak and Fruitless—which it is the more necessary to guard against in the present Occasion;—that Reference has been made in the present Debate to the Records of the Court in circumstances in which the Authority of the Court has been insulted with impunity under the same Extrajudicial and Violent Power which has been made use of in the present instance, particularly in the Case of Mr.— Sheriff Jackson his Deputy and Officers in 1779— in which it appears that the Court (of which three of the present

The Mayor moves that Warrants of Attachment for Contempt do issue against Rasu Row, Chenga, Govindoo, Soubiah and Thaker Mahomed who are specified as the Persons who have obstructed the Sheriff's Officers in the execution of their Duty, and that it be recommended to the Sheriff to use such means as he may Judge most Effectual to carry into Execution the Duties of his Office with Effect, and the Question being put is over ruled. The Court considering the present Application of the Sheriff for Advice and Assistance in the Execution of his Duty as Unnecessary.—

The Mayor and Messrs. Aldermen Porter and Mitchell Dissent to the Resolution of the Court.—

The Mayor and Mr. Alderman Mitchell will send in their Reasons at a future day.— The Mayor's Dissent

Because he Considers the mode which the Sheriff has taken of making a Representation to the Court accompanyed by the Necessary Affidavits in proof of the Violent Attack which has been made upon his Officers in the Execution of the Process of the Court, to be Regular in itself and conformable to precedents.—

Because the mode of bringing such Offenders to Justice as is now proposed by him, is that which is prescribed by the Law in cases of Contempt to the Court and has heretofore been carried into effect, nor ought it on the present Occasion

for the Defendant offer to the Court an Affidavit which
they pray may be Read and filed to which the Attorney for
the Complainant objects as the Matter Ordered for the
Consideration of the Court this day is at issue upon what
has already passed — The Court having taken the same into
Consideration it is Ordered that the Affidavit be not Received
Extract from the Minutes of the Court of the 7th Instant
containing the objections of the Attorney for the Complainant
against an appearance being entered on the part of the
Defendant without first giving Bail Read and the Court
having taken the same into Consideration it is Ordered that
the objections be overruled but that the Sum Sued under
Sequestration do Remain deposited in the Company's Treasury
until a Decree is given by this Court. —
Mr Norman Abbott Dissents to the Resolution of the
Court and will send his Reasons at a future day. —

Because a Writ of Sequestration is to enforce the appearance
of a Defendant to appear to and Answer the Complainants
Bill, and the appearance of the Defendant Supersedes the
Sequestration, and then whatever has been Sequestered must
be Restored to the Defendant, and because such mode of
proceeding is not only the Law of His Majesty's High
Court of Chancery, but the invariable course of this Court
of which there is not on Record a single instance to the
Contrary — And therefore the detaining of the Money in
Question after an appearance has been entered by the
Defendants and allowed of by the Court is Contrary to Law

Messrs. James Stuart Hall and John Hamilton Attornies for
Frances Hornsby Administratrix of William Hornsby Deceased
who

who had leave till this day to shew Cause against the Motion of the Attorney for the Defendants for Superseding the Warrant of Commitment prayed for by them, for Cause say, that there can be no appearance for a Defendant even upon Mesne process after a Writ of Sequestration unless the Defendant brings in Bail, and after a Decree where he has stood out all process and Suffered Judgment to go against him by default as in the present Instance, he is totally precluded from any appearance Because a Sequestration after a Decree operates in the Nature of an Execution, and an Execution cannot be Revived and being an entire thing cannot be Superceded after it is begun for And the Reason why a Judgment is Revived after a certain Period is because where a Plaintiff lies quiet so long it shall be presumed he has released execution, and therefore the Defendant shall not be disturbed without being called upon, and having an Opportunity in Court of pleading the Release, but in the present instance the only thing offered to the Court is the length of time elapsed which has depended upon many unavoidable Circumstances. Extract from the Minutes of last Courts day read. The Court having taken the same into Consideration it is Ordered that the Motion for a Warrant of Commitment be over ruled the Suit having Lain dormant for so many Years and thereby become Abated, and it likewise appearing to the Court that the Directions in the Charter for the carrying of Decrees upon Sequestrations into Execution have not been Complied with, and it is further Ordered that Francis Hornsby do pay all Costs attending this Motion. —
