an Amended Bill is only a continuation of the

The Court having taken into Consideration the Notice of Appeal from an Order of this Court of the 12th Ultimo Agreeably to the Resolution of Last Court Day it is Ordered that the Extract from the Minutes of Court in this Cause of the 12th Instant be sent up to the Court of Appeals –

Messrs. Aldermen Webb and Ross dissent to the Extract being sent up to the Court of Appeals as they are of Opinion no Appeal ought to lie in the present Stage of the Suit

on which Original Papers in Suits, have for Years past been allowed to be sent up from this Court to the Court of Appeals.—

Extract from the Book of Instructions.—

"And that the Appeals from the Mayor's Court
"to the President and Council may be as little Expensive
"as possible it will be proper to say that there is no
"Occasion for a Transcript of the Proceedings and
"Depositions but the Original Ones may be sent up
"of tho' on Appeals from the President and Council
"it is otherwise Directed hereinafter."

Order 2d.

The frequent Appeals which have been Lodged
from the Decrees and Orders of this Court as there is
too much Reason to believe from Motives of Litigation
or with a View to Obstruct, and delay Justice in which
the Court consider the Suitors much Encouraged from
the Practice which has hitherto been observed in sending
up the Original Proceedings of this Court to the Court
of Appeals, which hitherto has been done at no Expence
to the Appellants as Recommended by the Book of
Instructions above Recited, by which mode of Practice
the Parties have not been Obliged to take out Copies
of them from the Register's Office; The Court conceive
it their duty to Discountenance as much as in their
Power all such Appeals, which at this Moment
Amount almost to a total Annihilation of Justice
by which means the Court is made the Instrument
of Oppression in

removing themselves to such distant Periods of time, from
the Efficacy of Law They do therefore Order that it be
a Standing Rule of Practice that the Register do not
from this time send up to the Court of Appeals any of
the Original Proceedings of this Court, but that the Parties
do upon all Appeals take out Copies of the Proceedings
under the Seal of the Court and Attested by the Register
in like Manner as on Appeals to his Majesty in Council
unless the Court under Special Circumstances Stated by
the Attorney of the Party Appealing should see good
Cause to indulge him or them to the Contrary and in Order
to Remedy the Evil Practice of Lodging Appeals to his
Majesty in Council without any Intention of Prosecuting
the same but merely to gain time which is Strongly
Manifested by Appeals having been frequently Lodged
to his Majesty in Council, without any Copies of the
Proceedings being taken out of the Office of this Court
by the Appellant. It is Ordered that unless the Appellant
applys in writing by his Attorney to the Register for
Copies of the Proceedings within One Month after
Lodging his Appeal to his Majesty in Council, provided
he has not already taken out Copies of the Papers to
lay before the Court of Appeals, That the Decree of the
Honble the Court of Appeals be immediately carried into
Execution, such Dernier Appeal under these Circumstances
being Merely a delay, as for want of Prosecuting the
Appeal in England Judgment in default must inevitably follow.—

The

The time of the Court being much taken up, by the Attornies frequently making very Special Motions in Causes, without previously informing the Attorney on the Opposite part, or the Court, on Causes where no Attorney on the Opposite Side may appear, do direct that the following be made a standing Rule of Practice.—

Order 3d ——— Ordered that it be a standing Rule of Practice in future that all facts on which Special Motions are grounded be verifyed by Affidavit as recommended by the Book of Instructions, and that Notice of all Special Motions be given in Writing to the Opposite Attorney four Days previous to the same being made in Court.—

Resolved that the foregoing Orders be made Standing Rules of Practice from this Day and that a Copy thereof be sent up to the Honble the Governor and Council to be by them Transmitted to the Honble Court of Directors as a Number in the first Packet.—

Mr. Alderman Ross dissents to the Resolution of the Court Respecting Interlocutory Orders being of Opinion no Appeals ought to lie against an Interlocutory Order to the Court of Appeals or his Majesty in Council but only against a Judgment Sentence or Decree in which Sense he conceives his Majesty's Charter should be Construed.—

The Mayor delivers into Court Reasons in support of his Dissent made in this Cause last Court Day —

Because he is of Opinion that the Demurrer filed in the present Cause, is for the Purpose merely of delay, the Defendant having Stated and Availed himself of Circumstances alledged to be Matters of fact, which would have had due weight before this Court, in the form of a Plea and Answer delivered in upon Oath Subject to be controverted by Evidence at the General Issue —

Because the Petition prays Permission to Appeal from an Interlocutory Order in a Cause stated to be depending in a Suit in this Court — But such Interlocutory Order if over-ruled by the Courts above, has the full force and Effect of a final Judgement in the Suit in this Court — and the Complainant is thereby deprived of such benefit as he might derive from the Examination of Evidence as well as other Proofs that he may be prepared to bring forward in the Support of his Claims —

The Register delivers into Court Mr. Alderman Ross's Reasons for his Dissent of Last Court Day - to which Reasons Mr. Alderman Mitford Subscribes —

Reasons given by Mr. Alderman Ross for Dissenting to the Resolution of the Court in granting a Decree on the Dismission of a Demurrer instead of putting the Defendant upon her Answer in the Cause of Sir John Menzies Baronet vers James Hodges —

Because he has always understood it to be the practice of this Court, and believes such Practice to be agreeable to Law that upon the Arguing of a Demurrer and Joinder, and in the event of the Dismission of the Demurrer — the Defendant is put upon his Answer, agreeable to the Rules of the Court of Chancery, upon which the Practice of this Court is founded; and he finds that this is confirmed by Blackstone Vol: 3 P. 446, where he says, "that Demurrers "in Equity, are nearly of the same Nature as in Law, being "an Appeal to the Judgment of the Court, whether the Defendant "shall be bound to Answer the Plaintiffs Bill; and if on a Demurrer the Defendant prevails, the Plaintiffs Bill shall be Dismissed; if the Demurrer be over-ruled the Defendant is Ordered to Answer —

And he also finds the same Doctrine laid down in Atkins's Reports of Cases in Chancery in the time of Lord Hardwicke V. 3 P. 530. where it is said, "that the Court rarely "let a Demurrer stand for an Answer, because it is a Mute "thing —

On these Grounds he conceives that it has been the Practice of this Court, when a Defendant, on his first Appearance has asked

asked leave to Demurr that it is granted to him as a Matter of Course which was done in the present instance; and thereupon the Plaintiff, for the Purpose of over-ruling the objections therein contained, has joined in Demurrer - and the same having been set down to be Argued, the Court has proceeded with Regularity in hearing the Demurrer and Joinder Argued; and (on finding the grounds of the Demurrer insufficient) to over rule it; but thereupon to proceed to Judgment and to pass a Decree to the Complainant, he cannot but consider as an irregular Proceeding; the more especially as he has always thought that the construction of the Law, in respect to the confession of the Facts Charged in a Bill, by Demurring thereto, to be more a term of Practice, than of Reality; because a Demurrer, goes only to such Parts of a Bill as the Defendant is advised to be improper for him to Answer into, as they are charged: and he therefore thinks that a Demurrer, is only an Appeal to the Equity of the Court, whether a Defendant ought to Answer to a Bill under certain irregularities which it is alledged to contain; and in no case used as an Issue upon the Matters of Fact stated in the Bill, but merely upon the Law, to which the Defendant thinks he has a right to Appeal in the form of a Demurrer; and to which form, the Complainant is obliged to acquiesce, by Answering the Demurrer, to enable the Court to determine, whether the Suit shall be prosecuted, for the Purpose of obtaining a final Judgment, on the Merits of the Case; or whether the Bill shall be dismissed, as irregular, and no further Proceedings had thereupon -

It is indeed true, that the Attorneys for the Complainant, in the present Case, have shewn to one or two Precedents of Decrees which have passed in this Court upon the Dismission of Demurrers, but they did not seem to bear an analogy to the present Action; and if they had it still remains to be considered whether they are not founded in irregularity, and in the want of a due Attention to those essential forms of the Law which prescribes the general Practice of this Court -

It may also be observed on the present Occasion, that the Book of Instructions, (by which the course of that Practice is guided) discourages the use of Demurrers and there is no doubt but that the Court, by virtue of the Clause in the Charter which Authorizes them to form such Rules of Practice as may be found most conducive to the ends of Substantial Justice might have passed a Rule, for Rejecting all such Process, (and perhaps it had been most for the real Benefit of the Suitors - and for the ease of the Court, if such Rule had long ago been Adopted,) but as it has not taken place the Court has gone no farther in the discouragement of them, than to follow the Rule which is Recommended in the Book of Instructions "that no Plea or Demurrer should be received, "that is not put in, the very day prescribed for the Appearance "of the Defendant on the first Summons"; it is the Opinion of the Dissenting Member that the Court on the present Occasion should have put the Defendant upon his Answer, and deferred the passing a Judgment, untill they became sufficiently Competent to do so, in the Usual form; which the Law has prescribed for their guidance; however well founded the Claim of the Suitor may be Supposed, as indeed it seems to have been considered during the course of the Debate by those Members who

who think themselves proscribed from passing a Judgment in the present stage, as by those who have agreed to pronounce it
