Mr. Alderman Froud begs leave to enter the following Minute —

I am of Opinion that the Court have authority in some Cases to alter the Practice of the Court and to establish & alter Fees agreably to the Tenor of the Charter — but as the Charter expressly says that if they alter or establish Fees to their Officers they shall in that Case refer it to the approbation of the President & Council — Any Fees established by Usage and Custom ought to be allowed tho' not mentioned in the Table of Fees if any further alteration take place it would be proper to have their approbation, as the Court are enjoined by the Charter respecting their Officers. the Spirit of the same never can imply that they have power to alter and amend at Will the Mayors Fees or otherwise without their Approbation first had and obtained — And as it is necessary that Individuals seeking Redress by Suits at Law should have an Authority immediately to refer to regarding any undue unusual or heavy Charges made by any one for Papers from the Court that such alteration should be added to the Table of Fees and signed by the President and Council and affixed in the Court Room, and I think it would be highly inconsistent in a Body Corporate finally to grant themselves or add to their own Rewards or such as they may even think not burdensome to the Public without having full Power & Authority by the Charter so to do —

Court of Appeals

fs

William Hamilton
by his Attorney Robert Ewing
versus
Jaco Abdul Razack

The Court having deferred passing a Decision on the Application of Stephen Popham on the part of Jaco Abdul Razack in the above Cause Read at the last Meeting of this Court on the 30th Ultimo with the Petition of William Hamilton by his Attorney Robert Ewing likewise Read at the above said Meeting of this Court upon due Consideration had thereon doth think proper to Order and Decree & doth accordingly Order and Decree that the Decree passed in the Court in this Cause on Saturday the 30th. November 1782 was final and therefore that the Petition to the King in Council feled in consequence of the said Decree by Jaco Abdul Rozack be Stoped and taken off the File for the following Reasons —

The Court Conceives that neither the Interest due at the Termination of a Suit nor the Costs in which a Party is cast ought to be Considered as making part of that Sum in which the Decision of the Court of Appeals is final, for Interest is incidental to a Pecuniary Demand and encreases in proportion as the Debt is with-held, and Costs are incidental to the Suit, discretionary in a Court of Equity and a punishment allowed for the unjust Litigation of a fair Demand — These therefore in the Opinion of the Court cannot operate in favor of the Party cast so as to Abridge the Jurisdiction of the Court, and give him the Advantage of his own Wrong — The Words of the Charter are not it is true as clear and precise as may be wished — It says the Decision of the Court of Appeals shall only be final where the Debt Damages or Things decreed to be paid done or delivered do not exceed One Thousand Pagodas

which

which may lead one to imagine that if the Interest and Costs though both accruing after the commencement of the Suit, are added to the Sum Sued for, that they are included in what is by the Decree directed to be paid, and that if in all they exceed One Thousand Pagodas an Appeal lies to the King in Council — But the Charter also says or Matter in Dispute if which the Court Conceives can mean nothing else than — what was originally in Dispute, or in other Words, what immediately previous to the Suit one party demanded and the other refused — In this Sense the whole Sentence has hitherto been considered in both Courts, and in the Opinion of this Court with much Propriety, for when in the Grant of a Jurisdiction an Expression is found to be ambiguous, it ought to be construed in favor and Extension of the Jurisdiction not in Restraint or Limitation of it, — Were Appeals to the King in Council allowed where the dishonesty or Litigiousness of the Party Cast increases the Sum in dispute to that which if originally due would undoubtedly give him a Right to Appeal, Suits for the most trifling Sums may be Appealed to Europe, the Jurisdiction of the Court reduced to nothing and such Delay of Justice introduced that perhaps it would be better to have no Court at all, — Conceiving however that the Words of all Charters — are to be construed most favorably in extension of the Jurisdiction they erect the Court is consequently of Opinion that its Decision is final — except where "the Matter originally in Dispute" exceeds One Thousand Pagodas, and has accordingly passed the above Judgement —

The Attorney for the Petitioner Jancerety Pillah prays that the Original Bill of Sale delivered in the Proceedings in this Cause may be delivered up to him upon leaving Attested Copy thereof in Court—Ordered Accordingly—

Letter from the Secretary to the Right Honble the President & Council by their Order to the Register Read—Three Commissions Relative to the Capture of Prizes taken from the French Dutch or Spaniards Read—The Court having taken the same into Consideration—Ordered that the Commissions be returned to the Secretary to the Right Honble the President and Council for the following Reasons and that the Register do furnish the Secretary with a Copy of this Minute—

Because the Charter Set forth in the fullest manner the extent of its Jurisdiction and wherein the duty of this Court Consists—it would be highly Irregular in the Members to deviate therefrom or Receive Directions from any other Court whatever unless provided for by Special Act of Parliament—

Because these Commissions assign a Power jointly and Severally to the Members of this Corporation to Act independant of the Court and of each other in direct Contradiction to the Meaning and Spirit of its Institution—

The Court are therefore of Opinion that their Members as such Jointly or Severally Cannot Act under these Commissions or take Evidence in any Case whatever where they do not proceed to Send Judgment agreable to their Institution—

Mr Alderman Holland is of Opinion that the Commissions be Returned to the Governor and Council they being sent with a Letter directed by their Secretary to the Mayors Court but dissents to the Minute—because it appears to him to grant an Idea he cannot admit being

of

of Opinion that the Commissions are not Directed or Meant to the Mayor and Aldermen in their Corporate or Judicial Capacity it being Constituted a Court of Record under the Name of Mayors Court and the Commission giving a Power to the Members of the Court of acting Severally with which they are not by Charter invested —

Letter from the Secretary to the Right Honble the President & Council to the Register Read Setting forth that they have appointed Messrs Francis Lind and John Menzies to be Aldermen of this Court to fill the Vacancies Occasioned by the absence of Messrs Irwin and Oram — Ordered that the Register do write the following Letter to Mr Secretary Freeman —

To Mr Secretary Freeman

Sir

I am directed by the Honble the Mayors Court to Acknowledge the Receipt of Your Letter of the 17th Instant Informing of the Appointments of Messrs Lind and Menzies to be Aldermen — As it has often happened that Members of the Court have been longer absent than Messrs Oram and Irwin and twelve Months being the term of absence allowed by Charter they think it should be Signifyed that those Gentlemen have Resigned their Seats or by what other means the Vacancies are Occasioned —

I am Sir

Your Most

humble Servant —

James Taylor

Regr

Town Hall

May 1783

Mr Cooper is of Opinion altho' the Court at present Consists of but four Members several being absent on different Occasions and without doubt the Business of the Court must fall heavy on those residing on the Spot he cannot but observe the appointment of Messrs Lind and Menzies Aldermen to this Corporation and thinks it to be very irregular and unprecedented, as he knows not for his own part of there being a vacant Seat in the Court Neither is it in his Opinion in the Breast of an Alderman agreable to the Charter (on which this Corporation is founded) to resign his Gown without permission, could it be done at pleasure it might and would lead the Court into many difficulties, which I suppose was the Reason the Charter is expressly pointed on that head "Saying that an Alderman once elected may hold his Gown for Life" which could be for no other Reason than to avoid the many Changes the Court might otherwise undergo on the frequent Resignation of the Judges, either thro dislike or other Causes — Besides the very Conclusion of the Secretary's Letter to the Court from the Right Honble the President and Council, implies that they have the Power of Nominating Aldermen in the room of Absentees, whether the time prescribed by Charter is expired or not, This Step in itself he conceives not only to be very unconstitutional but tends to subvert the very intent and spirit of the Charter, Had the Secretary's Letter informed the Court of the Resignation of Absentees with permission of Government, the filling up such Vacancies in the Court, would have been regular enough — But that way Omission in his Opinion

is lessening the prerogatives of this Court. whose Powers we as Members of it, should be very tenacious of ——— (Sign'd) Thos. Cooper
