By John Ostervandel Administrator to the Estate of Gozen Ostervandel deceased
vrs.

Joannes Mascar, Popow Cadrick, & Cja Quiat,

Mr Richard Pyfe Attorney for the Complainant prays that Publication may now pass as the usual Rules have gone for the Examination of Witnesses.

Mr Archdale Palmer Attorney for the Defendants prays that Publication may not pass, as there is a Witness at Bofonah whose Evidence is very material for his Client, and was not aquainted to the Court that he hath been prevented by the Commissioners Restriction from examining his Witness at this Place, he therefore prays that he may be indulged with a Commission to take the Deposition of the Witness residing at Bofonah, & moreover that he may be allowed a further Day for the Examination of his Witnesses at this Place.

The Attorney for the Complainant represents to the Court that this Cause hath been in Court ever since the Month of April last, since which Time a Ship hath sailed from this Port to Bofonah, by which the Defendants might have sent a Commission for the Examination of any Witnesses they might have at that Place, if they really had any whose Evidence could be material in the Issue of the Suit. And with respect to the Defendants having been prevented by the Commissioners Restriction from having his Witnesses at this Place examined, he informs the Court that the same Rules have issued for the Examination of the Witnesses on both sides, that the Witnesses on the part of the Complainant are already examined; He therefore conceives that the opposite Attorneys Prayers are only calculated to protract the Issue of the Suit, especially as the Defendants are well aquainted with the extream indigent Circumstances of the Complainant.

The Defendants Attorney being asked by the Court upon what Matter he wants to examine the Witness at Bofonah, he informs the Court that the Witness at that place is one of the Witnesses to the Obligation entered into by the Defendants Wives, & is to prove that the same was obtained from them by Compulsion.

The Court taking the Motions of the said Attorneys into Consideration are unanemously of Opinion, that the Matter on which the Defendants are desirous of examining the Witness at Bofonah is not

of fact Oath, which is accordingly done, and the oath is Administered to Him.

Upon Comparing the Defendants Answer with the Translation it appears that

the Defendant hath purposely omitted mentioning Whether he did or

did not give the Penalty Mentioned in which he is sued, Although it is

positively denyed in the English Answer, by which the Court observe that

he hath been guilty of Endeavouring to Impose upon the Court by Evasive Answers

prevaricated greatly in the Answer he hath now given to the Questions put

to him. It is therefore Resolved that he be Committed to Prison for Six months

The Mayor acquaints the Court that he is appointed by the President & Council to preside on the Expedition which is now on Foot, & will put him under the Necessity of Resigning the Office of Mayoralty And as the Charter directs that a new Mayor shall be Sworn in before the old one is permitted to Resign — He therefore desires that the Court would proceed to the Election of Persons to Succeed them —

The Court having accordingly proceeded by Ballot to the Election of Two Persons to be presented to the President and Council for them to Elect one to be Mayor for the Remaining part of the year — And the Ballot appearing in favour of Mr Alderman Mauvillon and Mr Alderman Cotsford The Register is sent to acquaint the President and Council that the Court is ready to present two persons to them —

The Register being returned informs the Court that the President and Council were then Sitting in Council & Ready to Receive them —

Upon which the Mayor & Aldermen went in the usual State & Ceremony to the Council Board & presented the said Two persons to the President and Council who Immediately chose Mr Peter Mauvillon to be the Mayor of the Town of Madras Patnam for the Remaining part of the year — and according Ceremonies did the usual Oath to them —

The Court taking the said Letter together with the Extract of the Minutes of the Court of Appeals into Consideration, & the Book of Instructions duly dated, that the Court of Appeals should not admit any other Evidence to be received, at the hearing of a Cause before them, than what was received at the hearing of the same before this Court, and as the Depositions which the Court of Appeals have applied for, were never received as Evidence in this Cause, but were quashed by an Interlocutory Order from which no Appeal can lie, This Court are therefore unanimously of Opinion that the said Depositions ought not to be sent to the Court of Appeals. And it is Ordered that a Copy of this Minute be transmitted to that Court.

The Register acquainted the Court that he had agreeable to an Order of last Court Day intimated to the Examiner, the Necessity there was that he should appoint a Clerk to assist him, as his Indisposition renders him incapable of transacting the Business of his Employ himself, & that the Examiner had informed him that he would send Mr Henry Crawford to attend the Court on this Day for that purpose, & hoped that he would meet with the Approbation of the Court.

The said Mr Henry Crawford accordingly appears, and the Court being of Opinion that he is a proper Person to assist the Examiner as his Clerk the Oaths of Allegiance & Office are thereupon now administered to him in Court.

sufficient Weight to induce the Court to pardon the Suit, and moreover that it is very surprizing that the Defendants should (if they really have any Witnesses at Rupash, whose Evidence might be of Service to them in the Issue of the Suit) neglect to pray a Commission to take their Depositions untile the very Day on which Publication ought by the standing Rules & Orders of Court, ought to take; It is therefore Ordered that a Commission shall not be granted; But as the Court is well convinced of the Examinists Indisposition, It is agreed that the Defendants shall be allowed till the 1st day of February next to examine their Witnesses at this Place.

And it is further Ordered that the Register do inform the Examinist that the Court, on Account of his ill State of Health does recommend it to him to appoint a Clerk to attest him, & that the Person nominated by him do attend the next Court the next Court Day, in Order that the necessary Oaths may be administered to him, in case he should meet with the Approbation of the Court.
