To The Hon.ble James Legge Esq.r Mayor

&c. &c. &c.

Hon.ble Sir

In compliance to an Order of Court dated the 9th Jan.y we are to acquaint you that we have examin'd into the Second Article of Rec.t between Capt. George Williams and the owners of the Experiment Brigantine, as Directed in your forem.d order, and is as follows.

Per only particular Rec.t we can get from Capt. Williams of his ships Crew, and payment to them, is to our opinions verry imperfect, & defective as you Honb.le &c.a may see by his said Rec.t we doe deliver to the Board. We have had depositions upon oath from Salvadore Da Costa Pardo of 153 Tons Burthen Brigantine, Davage Carpinter, & Paul Jones Lascar, concerning Wages advanced and what persons belong to the Experiment Brigantine, upon their arrival at Madras In the Deposition they allow, that Capt. Williams paid at Achean no more Wages than to the amo.t of 383. 18. Pat Mahmu. no more than 250. 21-43. & Nakodah Cader 634-3-43. and to all 315. 33. 05. Rs being, as paid at both places. Now since Capt. Williams has not produced any more perfect acc.t of Wages due to the men, for the time of their four months employ during (paid at Madras) expiring, than any part (wch can be called Satisfactory) of the Crew being in Debt, discharged, or Run away from him, Than the Acc.t before us, we think it reasonable to allow no more than the Sum of Pags 634. 3. 43 as per the former depositions allow Capt. Williams for pay.

As to the Article of Tobacco w.ch we were to Settle regarding the Seamen's Entitled to Tobacco, we are of opinion that Capt. Williams, at the Deposition does not mention

Several more Orders wch they would have had as other but as they were not mention'd in our Order from y. Bench we had not medled wth them, what we have recited by Order we leave to the Bench to Determine how and are.
