The Thomas Pilling being produced as a Witness on this Cause on the part of the Complainant deposeth as follows. That the Subject deposed by him is already before the Examiners as to the knowing the Affairs and that it passed upwards of 2 Years ago

2 Mosta Rashapah deposes, that one Boomiapah a Coniapilly told him before the Lyes of Madras that the Complainant and Defendant were concerned together in some Arrack, but calling afterwards at the House of the Complainant during the Princes Government the Complainant produced a Letter from the Defendant dated at Rangoon and that the this Deponent made answer that Boomiapah had told him the whole Affair which was to the following effect. That he the Complainant and the Defendant had purchased a large Quantity of Arrack from a Dutchman, Part of which being 100 Anchors remained was delivered to Sydanee Hajee in the Arrack Farmers in Partnership that the said Boomiapah demanded of the Complainant an Order that the amount of the sale of the Arrack already sold should be paid, and made for answer, that the Defendants Son would draw out the notes, and that the money when collected was to be paid to the Defendant that the afores Boomiapah did pay the money to the Defendant and when the remainder of the Arrack was delivered to Sydanee Hajeen He took a receipt for the same and kept it. and that he this Deponent then told the Complainant that Boomiapah was thoroughly acquainted with the whole Circumstances of the Affair and advised him to apply to them. That at the

Complainants

two Pagodas to the Examiner he having never mentioned any
of the same in the answering part of his Interrogatorys but that being
when he went away told him he had deposited it & that he knew
Moosa Rooshapah being asked by the Court whether he had been
at his house in the Black Town within or about the last 12 Years
as deposed by Boomiapah, Answered he had

1 Chaddapah, deposeth that about 8 Months ago Boomiapah came
to him, & told him that he had some sufficient to subsist on for
Defendant would not pay him for the Goods he had had about
the Attack whereupon this Deponent told him that if He would
on the account to the Complainant he would perhaps pay him
what was his due to which he made Answer that he did owe and
the Answer to the Defendant & therefore could have none to deliver
the Complainant

2 Boomiapah having on his deposition taken by the Examiner set
forth that the above Chaddapah told him that if he Boomiapah
would appear as a Witness in the Affair of the Attack in favour of
the Complainant that he would procure him any Sum of money he
desired; But the two Evidences being confronted Boomiapah abso-
con tradicted what he had already deposed and only says that
Chaddapah told him that if he would convey the answers to the
Complainant he'd promise that he should be satisfied for his Loss
The abovementioned Boomiapah having also Exhibited proof of the
Practice of subornation of Perjury on his Deposition taken by the
