Humbly Complaining Sheweth to this Honourable Court Your Orator Muteapa Modelear, That One Nallapah being indebted to Your Orator in the Summ of Pagodas Twenty five Current of Madrass, which is in Sterling Money of Great Britain allowing eight shillings per Pagoda, the Summ of Ten pounds, and Your Orator having importuned the said Nallapah very much for the Repayment of the said money Nallapah told Your Orator it was not in his

power at that time to pay him, but that he had a Relation One Ariwatah a Widow and now being and resideing in Madrass that would mortgage her House and Ground to any Person that would advance the money to pay Your Orator, where upon Your Orator with the said Nallapah went to the House of One Sheoleapah Moodeliar who promised to advance and lend the Twenty five Pagodas if Nallapah would procure a Mortgage Bond of the said Ariwatah's House and Ground in the name and favours of the said Sheoleapah Moodeliar very soon, thereafter the said Ariwatah did cause make and did sign a Mortgage Bond of her House and Ground in the Pedunaig's Petta in Nantapilleare's Street, between the House of Tellesinga and Rangapah, that he the said Sheoleapah Moodeliar his Heirs Executors or Assigns might enjoy the said House and Ground, provided the said Ariwatah her Heirs, Executors and Administrators should not well and truly pay or cause to be paid to the said Sheoleapah Moodeliar and his foresaids the summ of Pagodas Twenty five and Interest thereon after the rate of eight per cent per Annum, and that within the space of one year from the date of the Mortgage Bond which was the nineteenth day of March and in the year of Our Lord One Thousand Seven Hundred and Thirty two three. But after Ariwatah had signed the Mortgage Bond aforesaid Sheoleapah Moodeliar could not advance and lend the money, but desired the said Nallapah to use his Endeavours elsewhere to raise the same, upon this Disappointment Your Orator with Nallapah went to one Chadeapah a Conicoply and left the Mortgage Bond and Ariwatah's House Bill in the hands of the said Chadeapah that if possible he should borrow the money on the said Papers and Nallapah left Your Orators servant with the said Chadeapah, with Orders to them both that if the money was got, the same should be delivered to Your Orator, if not that the Papers should be delivered to Your Orator for the Security of the Money that was due to him by the said Nallapah, Seeing it was for that end Ariwatah had signed the Mortgage Bond, upon Your Orators having received the papers by Nallapah's Order as afore said, he went to Sheoleapah Moodeliar and told him all that had passed on that Affair, Sheoleapah told Your Orator he thought he was very safe and that as soon as the time of payment was come seeing the Bond was in his name he would sue for the payment thereof, as also that Ariwatah had granted the same for Your Orators behoof, Upon the time when the money ought to have been paid and very often after Sheoleapah Moodeliar sent to Ariwatah's House demanding payment of the said Bond and Ariwatah came very frequently to the House of the said Sheoleapah Moodeliar, but never made the least Remonstrance or Objection of the Justness of the Debt and Demands, but gave repeated Assurances that as soon as her Relation Nallapah came from the Country, who was then at Arcot, the Principal and Interest should be paid and the Mortgage redeem'd and only begg'd delay untill that time. But soon after the return of the said Nallapah he departed this life at St. Thomé, and Your Orator shews that frequently after the death of the said Nallapah, the said Sheoleapah Moodeliar demanded payment of the Bond from the said Ariwatah in pursuance of her repeated promises so to do. But now so it is May it please this Honourable Court the said Ariwatah now absolutely refuses to make the least payment or Satisfaction or to fullfill her said Engagements.

The Answer of Ariwatah Widow of Madrass Dff. to the Bill of Complaint of Muttepah Moodeliar of the same place Complainant.

This Defendant saving and reserving to herself now and at all times here-
after all and all manner of Benefits and Advantage of Exception to the Errors
and Imperfections in the said Bill contained for answer thereunto or unto
so much thereof as this Defendant is advised materially concerneth her to
make answer unto, she answereth and saith that she knows not save only by

Nov. 28,
1735.

the Complainant's said Bill of Complaint That One Nallapah was indebted to the Complainant in the sum of twenty five Pagodas Or that the Complainant had importuned the said Nallapah for payment of the same Or what the said Nallapah told the Complainant relateing to a Mortgage from this Dff. or anything concerning the same and this Defendant denys she made or signed any Mortgage for the purposes in the Complainant's Bill falsely alledged nor is it reasonably to suppose that the Complainant would accept of any such Mortgage as is set forth in the said Bill without his own application to this Defendant for that purpose that the same might be made in his own name which the Complainant acknowledges he never did And this Defendant saith that it plainly appears by the Complainants said Bill of Complaint that the obtaining such Mortgage, if any there was, the same was a trick and Contrivance between the Complainant and the said Nallapah and it also appears by the said Bill that no Consideration whatever was paid this Dff. for the same and this Dff. further saith that as the said Mortgage was made in another persons name and no consideration paid, the Possession of such Mortgage cannot convey any right or Title in or to the Complainant. Therefore this Defendant humbly hopes this Honourable Court will order the said Mortgage to be delivered up to this Defendant to be Cancelled and the rather for that the Complainant did some time heretofore file a Bill of Complaint in this Honourable Court in the name of one Sheoleapah Moodeliar to whom the said Mortgage is pretended to be made. But the said Sheoleapah Moodeliar having declared by his answer to this Defendant's Cross Bill that no Consideration was paid to this Defendant and by other proofs in the cause after Publication passed, the said Compalinant thought fitt to withdraw the said Bill upon payment of Costs which said Costs never came to the hands of this Defendant, and this Defendant saith that she admits that in or about the year 1733 Paddy and other Grain being very scarce and dear and she being in much want thereof and in order to raise money to buy and purchase the same she did sign a Mortgage of her House and Ground in Consideration of twenty five Pagodas said to be paid her by the said Sheoleapah Moodeliar who had before promised to advance the same And accordingly she trusted the said Nallapah with her House Bill of Sale and the said Mortgage in order for him to receive the said money of the said Sheoleapah Moodeliar for the said purpose But upon his often attending him therewith he the said Sheoleapah Moodeliar as often put him off with triffling Excuses and at length denyed to advance the said money whereupon this Defendant sometime after demanded of the said Sheoleapah Moodeliar the said Bill of Sale and Mortgage who promised to deliver it to this Defendant but pretending it was mislaid and so also put off this Defendant with some such triffling Excuses. But how the same came into the Possession of the Complainant this Defendant knows not, nor was she ever consenting thereto And this Defendant further saith she never promised payment of the said twenty five Pagodas to any person whatever inasmuch as she had never received any Consideration for the said Mortgage And this Defendant also saith that she does not know what the Complainant means by asking her what passed at Triplicane after Nallapah's death betwixt Nallapah's mother and his Relations when she went to demand the said Security unless the Complainant would know whether this Defendant did go thither to demand the said security as this Dff. actually did and of right ought since she had received no Consideration for the same when the said Nallapah's Mother and Relations declared they were very sorry that the said Nallapah and Sheoleapah Moodeliar had so deceived this Defendant All which matters and things this Defendant is ready to aver Maintain and prove as this Honourable Court shall award and humbly prays to be hence dismissed with her reasonable Costs in this behalf most wrongfully sustained.

SWORN BEFORE ME
JOHN SAUNDERS,

The Answer of Nina Chittee Defendant to
the Bill of Complaint of Tongee Chit-
tee, Son to Colloway Chittee Mutta Mar
Chittee Complainant.

This Defendant saving to himself all benefitt of Exception to the Errors and Imperfections in the said Bill contained for answer therein, or unto so much thereof as he is advised, Materially concerneth this Defendant, he this Defendant saith that he admits that on or about the time mentioned in the Complainant's Bill of Complaint he this Defendant did borrow and receive from the Complainant's father the summ of Pagodas five hundred, and for secureing repayment thereof and Interest thereon, he did give a Mortgage Bond as specified in the Complainant's Bill of Complaint, But this Defendant absolutely denys, that he stands indebted to the Complainant in the summ of Pagodas two hundred and eighty seven which is in Sterling money of Great Britain, allowing eight shillings per pagoda the Summ of one hundred and fourteen pounds, as the ballance of the payments and Interest of the Mortgage aforesaid, or that this Dff. stands indebted to the Complainant in any summ or summs whatsoever on account of the Mortgage Bond, or any manner of ways or means the Contrary whereof will evidently appear by a stated Account hereto annexed, which this Defendant humbly prays this Honourable Court, may be a part of his Answer, and this Defendant also acknowledges, that the Complainant frequently applyed himself to him demanding the Ballance, as he falsely alledges in his Bill of Complaint of the Principall and Interest remaining unpaid on the Mortgage Bond aforesaid, and as often as the Complainant made demands he was answered by this Defendant that the said Mortgage Bond and Interest due thereon was overpaid and a Ballance due to this Defendant and therefore he hoped that he would adjust accounts and deliver up the Mortgage Bond and pay the ballance of the account, but the Complainant being conscious to himself of the truth and verity of the Account, has postponed doing the same very much to this Defendant's hurt and prejudice, all which matters and things this Defendant is ready to prove and Maintain as this Honourable Court shall award, and Humbly prays to be hence dismissed with his reasonable Costs and Charges in this behalf most wrongfully sustained.

The Replication of Tongee Chittee Merchant of Madras Complainant to the Answer of Nina Chittee of the same place Merchant Defendant.

AUG^t. 29th
1735. The said Replyant saving to himself all advantages of Exception to the Incertaintys, Untruths and Insufficiencys of the Defendant's Answer for Replication thereunto, saith that all and singular the matters and things in the

Replyant's said Bill contained are true as the same are therein alledged and that the Answer of the said Defendant to the said Bill is very untrue, Imperfect and Insufficient to be replied unto and particularly for that the Defendant hath in the Account annexed to his said Answer Charged for a small parcell of Redwood amounting to no more than seven pagodas two fanams sixty Cash as sold this Replyants four years before the money lent upon the Mortgage with eleven pagodas thirteen fanams and Eight Cash as and for the interest for the same As also is it as inconsistent with reason and common Sence for the Defendant to charge the summ of two hundred pagodas as paid almost two years before the Principall money lent on the said Mortgage, And this Replyant further saith that he allows he did receive the summ of Two Hundred Pagodas as also the summ of Three Hundred Pagodas upon account of the Principal money and Interest due on the said Mortgage but that the two hundred Pagodas was paid almost four years after the first payment of three hundred pagodas as will more plainly appear by the Account hereto Annexed therefore the charge of two hundred pagodas in the Defendant's account must be false and erroneous But to refresh the Defendants Memory relateing to the payment of the said two hundred Pagodas this Replyant saith that the charge of Two Hundred Pagodas in the Defendant's account said to be received of the Company was received of one Callastree Chittee one of the Heads of the Cast by the Order and for the account of the Cast, But sometime after this Replyant pressing the Defendant to clear off the said Mortgage The said Defendant very much importuned the said Callastree Chittee to lett him have the said money which he accordingly did and soon after paid the same to this Replyant at the time, and no other, mentioned in this Replyant's accounts And this Replyant further saith that although the Defendant agreed to pay for the Loan of the said money on the said Mortgage after the rate of nine per cent per annum Yet this Replyant has charged in his Account no more than eight per cent Notwithstanding whereof there remains justly due and owing on the said Mortgage on the twelfth day of August 1735 the sum of Two Hundred Eighty one Pagodas Seventeen fanams And this Replyant is ready to averr Maintain and prove the same as this Honourable Court shall award And Humbly Prays as in and by his said Bill he hath already Prayed.

Att^y. for the Pff.

The Rejoynder of Nina Chittee Merchant of Madrass Defendant to the Replication of Tongee Chittee of the same place Merchant Complainant.

The said Defendant now and at all times hereafter, saving and reserving to himself all manner of Benefitts and Advantage of Exception to the Incertainty and Insufficiency of the said Replycation Saith, that the Defendants said answer is certain true and sufficient in the Law to be replied into. He this Dff. saith that the Complainant charges the sum of Pagodas Two Hundred Eighty Seven as due to him by this Defendant the fifteenth day of July in this present year of Our Lord as the Ballance of Principal and Interest, but on the twenty fourth day of August there after when the Compalinant gave in his Replication to this Defendant's answer with the Account Current annexed thereto, therein the Ballance as the Complainant makes it with Interest to that day amounts only to Pagodas Two Hundred Eighty one, Seven fanams Notwithstanding the Complainant hath charged in his account Current, Comp^d. Interest or Interest upon Interest which never was allowed of in this place on a Mortgage Bond which plainly shews the Complainant's Account to be false and erroneous, altho he this Complainant out of his Extraordinary pretended Justice says he has only charged eight per cent, the Mortgage Bond Running at Nine, but when the Account Current is examined it will be found he has the Conscience to charge as aforesaid, but as the Complainant is too Inconsistent with himself and will not allow anything to be common Sence but what

gratifies the Avaricious spirit possesses him. This Defendant begs Leave of this Honourable Court seeing its hardly Possible to refresh the Memory of the Complainant for the reasons aforesaid to put the whole Affair in its due Colours, Colloway Chittee, late Merchant of Madrass, bought of this Defendant a parcell of Redwood upon the day and at the price and weight as in this Dff's. Account, but the same has not as yet been paid for altho the Complainant seems not a little Surprized this Dff. should charge the same and Interest thereon. On the 11th day of February which was in the year of Our Lord One Thousand seven hundred Sixteen, seventeen, there was a Bond given by the Honourable Company to the Cast for Pagodas forty thousand which was paid with the Interest thereon by Joseph Collett Esqr. then President on the seventeenth day of August which was in the year of Our Lord One Thousand Seven Hundred and Seventeen to Colloway Chittee who then was Head of the Cast as will appear by an attested Copy of the discharge granted for that Effect Signed by the said Colloway Chittee and Collastree Chittee upon Colloway Chittee having received the aforesaid Money, This Defendant very often applied himself to him for the summ of Pagodas two hundred and Interest thereon received by him the said Colloway Chittee as this Defendants share of the aforesaid summ but was postponed from time to time and soon thereafter the said Colloway Chittee departed this Life, Upon the death of the said Colloway Chittee his brother Mutta Marr Chittee who was father to the Complainant possessed himself of all the goods and Chattles and Effects of the said Deceased Colloway Chittee sufficient to pay all his debts and a considerable overplus. This Defendant importuned Mutta Mar Chittee very much for the Pagodas Two Hundred and Interest thereon aforesaid received from the Honourable Company but was put off by trifling Excuses and by telling him this Dff. that as soon as his Brothers Cash Chest was opened that the Moneys demanded and Interest thereon should be paid, but the Defendant having pressing Occasions for money prevailed on the said Mutta Mar Chittee to give him in Loan the summ of Pagodas Five Hundred on the Mortgage of three Houses as is expressed in the Bill of Complaint, but soon thereafter the said Mutta Mar Chittee Departed this Life and upon his Death the Compalinant possessed himself of all the Goods and Chattels and Effects of his Deceased father Mutta Mar Chittee sufficient to pay his Debts and a considerable Overplus. Soon after the Death of Mutta Mar Chittee the Complainant received of this Dff. Pagodas Three Hundred which the Complainant acknowledges in his Account also he gives this Defendant Credit for Pagodas Two Hundred but pretends he received it from Collastree Chittee some years thereafter but upon examining this Defendants Account Current annex to his Answer the Ballance at that time stands as is therein set forth due to this Defendant and he also saith as in and by his said answer he has already said and does and will averr and Maintain all and every thing and things therein to be true and Certain in such manner and form as they and every of them are therein alledged and Expressed.

Depositions of Witnesses taken in this Cause by and before the Examiner in this Court as follows.

Tomby Chittee of Fort St. George Merchant Deposeth to the Second Interrogatory that he well knows the Defendant did Mortgage his Dwelling house and some others to the Complainants father for the Summ of five hundred Pagodas as this Deponent remembers but does not know that it was repaid, but in the time of Governor Collett there happened a great dispute among the Chittee Cast on which their houses were all seized and among the rest the Defendants in which there was in ready money this Deponent thinks 200 Pagodas which was paid into the Companys Cash as was many other summs to a Large amount after the Dispute was made up a present was made to Governor Collett and the Defendant requested of this Deponent to let him have the 200 Pagodas because he was very much pressed for the payment due on his Mortgage and that he would afterwards pay to this Deponent his share of the present made to the Governor the said Two hundred Pagodas was then in Collastree Chittees hands and this Deponent spoke to him to give it to the Defendant, he received it and paid it to Tanja Chittee the Complainant in part of the said Mortgage, after this, This Deponent severall times spoke to the Defendant to settle accounts with the Complainant and pay him the Balance but for what Cause this Deponent cant sett forth the said Dff^t. would give no Ear to his advice and more this Deponent knoweth not.

TOMBEE CHITTEE.

Teagapah Chittee of Fort St. George Merchant Deposeth to the Second Interrogatory That the Affair Enquired after therein past before he had any knowledge in affairs and he therefore cant sett forth any of the particulars relating to it, further than that he has heard talk of such Mortgage and of some payment made thereon, and also of Disputes about paying the Balance, and more this Deponent knoweth not.

TEAGAPAH CHITTEE.

Between Tanja Chittee Pff. against Nina Chittee Dff^t. In pursuance of an order of reference made in this Cause the 20th Instant I have taken and stated the accounts between the Complainant and Defendant and do find that the Defendant is indebted to the Complainant in the summ of Pagodas One Hundred and Nineteen two fanams and Fifty Cash all which I certifie and submit to the Judgement of this Honourable Court.

TO THE HONOURABLE THE MAYORS COURT OF
MADRASSPATNAM.

Humbly Complaining Sheweth unto this Honourable Court Your Orator FEBRY. 18
Nallom Juggo Merchant of Madrass That Alepate Kistnoma Merchant now 1734-35.
being and resideing in Madrass having had divers and sundry dealings with
your orator became indebted unto your Orator upon the Ballance of Account
in the Summ of forty six Pagodas Twelve fanams and Ten Cash being in
Sterling Money of Great Britain after the rate of eight shillings per Pagoda
the summ of eighteen pounds ten shillings or thereabouts And Your Orator
Shews that Differences ariseing between the said Alepate Kistnoma and your
Orator relateing to the said Account, the said Differences were left to Arbitra-
tion and the said Alepate Kistnoma and Your Orator entred into Penal Bonds
bearing date the twenty fourth day of May Anno Domini 1734 to stand to the
award of Vencatachilapilla Punchevana Rasapa Anteeetty Comrapa and Tre-
pasoor Man Chittee so that they made their award in Writing before the
Expiration of three Months from the date thereof In pursuance of which said
Bond of Arbitration they the said Arbitrators had divers and sundry Meetings
and althô the said Bond as to time was Expired they the said Arbitrators by
Writing under their hands dated on or about the 29th of October 1734 Declared
that the said Alepate Kistnoma should pay to Your Orator what appeared to
be due to him upon his Account Current unless the said Alepate Kistnoma
should by Witnesses produce his Account to be signed by the said Alepate
Kistnoma in the manner as in the said award is particularly mentioned To
which said award notwithstanding the elapse of time before mentioned Your
Orator and the said Alepate Kistnoma agreed to stand to and abide And
accordingly Your Orator and the said Alepate Kistnoma signed their Names
thereto as by the said Award now in the hands of the Court Peon relation
being thereunto had will appear. And Your Orator shews he has frequently
applied unto the said Alepate Kistnoma requesting payment of the said
Moneys so due to Your Orator as aforesaid But now so it is May it please this
Honourable Court That the said Alepate Kistnoma refuses to satisfie his said
Engagement.

GRANTH^m. BIRD,
Att^y. for the Pff.

The Answer of Alepate Kistnoma of Madrass Merchant Defendant to the
Bill of Complaint of Nallom Juggo of the same place Merchant Complainant.

This Defendant saving and reserving to himself now and at all times
hereafter, all and all manner of Benefit and Advantage of Exception to the
Errors Untruths, Uncertaintys and Imperfections in the Complainants said
Bill of Complaint contained, for an answer there unto or unto so much thereof SWORN
as this Defendant is advised doth materially concern him to make answer BEFORE
unto, He answereth and saith that he admits it to be true, that he hath had ME THIS
divers and sundry dealings with the Complainant but denys that he thereby 22^d. DAY
stands indebted to the Complainant in the Summ of Pagodas Forty six twelve OF APRIL
fanams and ten Cash, being in Sterling money of Great Britain allowing eight 1735,
shillings per Pagoda the Summ of Eighteen Pounds ten shillings or there- JOHN
abouts, as is falsely alledged in the Complainants Bill of Complaint, the Con- SAUNDERS,
trary of which will appear to this Honourable Court by a stated Account Mayor.
hereto annexed which this Defendant humbly begs may be a part of his
answer, seeing the Ballance of the said Account due by the Complainant to
this Defendant amounts to the Summ of Pagodas two hundred eighty four
Nine fanams Forty five Cash Current of Madrass, which is in Sterling Money
of Great Britain allowing eight shillings per Pagoda the Summ of one hund-
red thirteen pounds twelve shillings or thereabouts. This Defendant also
acknowledges that there arose differences betwixt him this Defendant and the
Complainant about settling the Ballance of the Account aforesaid as also of
other very valuable transactions of Trade which had been betwixt them, as

also this Defendant admits that in order to accommodate the said differences this Defendant and the Complainant did submit the said affair to Arbitration and for Effectuating thereof both Parties did enter into and sign a Penalty Bond bearing date the twenty fourth day of May which was in the year of Our Lord One Thousand Seven Hundred and Thirty Four, to stand to the award and Determination of Trepasoor Marr Chittee, Allepatte Comrapa, Punchevana Rasapa, Vencatachilapilla to be determined by the said Arbitrators, and that within the space of three months from and after the date of the Penalty Bond. But seeing the Penalty Bond was expired and the time therein limited being elapsed notwithstanding the Arbitrators had met for that Purpose, so that they had not the Least Shadow or Colour in Equity or Justice to give any Determination or Award by Virtue of the said Penalty Bond seeing the force thereof was Extinguished. Yet the Arbitrators took upon them on or about the twenty ninth day of October which was in the year of our Lord One Thousand Seven Hundred and Thirty Four to make an Award on the Account aforesaid And this Defendant admits that he and the Complainant did sign the same seeing he this Defendant was very Conscious to himself that the Account Current betwixt him this Defendant and the Complainant was fairly and justly stated in the Complainants Books, and the Ballance struck by their Mutual Consent and that the Ballance due on the Account was as is sett forth and due to the Defendant. And this Defendant further saith in Obedience to the Will of the said Award and that thereby the Ballance might be paid by the Complainant to the Defendant He this Defendant did come with one Veraga a Witness for this Defendant to Trepasoor Marr Chittee One of the Arbitrators mentioned in the Penalty Bond, and desired that the said Witness might be Examined on this Defendants behalf, But the said Trepasoor Marr Chittee absolutely refused so to do except it was in the presence of the three other Arbitrators requesting them to meet and Examine this the Defendants Witnesses in order to prove what concerned him in the said award, but they have not thought fitt as yet to meet for that Effect so that not only the Ballance on the aforesaid Account but also other Articles of very considerable value upon which the Disputes arose betwixt this Defendant and the Complainant continue in the same Posture as when the Penalty Bond was writt and signed by them, by which this Defendant hath suffered considerable Losses, so that he hath no other Protection or recourse for Justice and Relief except from this Honourable Court. And this Defendant doth further say that he doth not remember of any demand that ever was made by the Complainant on this Defendant for the Ballance which the Complainant falsely alledges is due to him by this Defendant Or that ever the Complainant made any demands on this Defendant for any Summ or Summs whatsoever, All which Matters and things this Defendant is ready to averr, Maintain and prove, as this Honourable Court shall award, and prays to be hence dismissed with his reasonable Costs in this Cause most wrongfully Sustained.

Kistnomah and at the time that Alapatte Kistnomah gave this Deponent an Interest Bond, He the said Alapatte Kistnomah wrote in it to allow this Deponent Brokerage on the Sale and Godown Rent, he thinks they lay there one year, after which the owners of the Maneila ship were buying Goods when this Deponent carried his Goods among the others and there sold them in the presence of Nallom Juggo, Mautore Vencatasia and some others and received one fanam Custom on a Pagoda and half a fanam for the Brokerage and 20 Cash for Charity.

hereafter all and all manner of Benefitt and Advantage of Exception to the
Errors and Imperfections in the said Bill Contained for answer thereto or
unto so much as this Defendant is advised doth materially concern him to make
answer unto, He answereth and saith that he admits that he stands indebt-
ed to the Complainant in the summ of Pagodas Ninety five set forth in the
Complainants Bill of Complaint, this Defendant also admits that he stands
further indebted to the Complainant in the summ of Pagodas twenty two and
fourteen fanams for Interest on account of former dealings betwixt them and
settled on or about the twentieth day of November 1734 at which time at the
request and by the consent of the Complainant this Defendant did give a Note
under his hand in favour of the Complainant thereby acknowledging to be
indebted to the Complainant in the summ of Pagodas ninety five aforesaid,
and by the said Note he the Defendant promised to repay the said money the
first opportunity he could and was able and This Defendant absolutely denys
that by the aforesaid Note he promised to repay the said money on demand
as the Complainant falsely alledges in his Bill of Complaint the Contrary
whereof will evidently appear by comparing the said original Note with the
Translate thereof And this Defendant farther saith that some time before
the granting the said Note there had been divers and sundry transactions
betwixt the Complai^t. and this Defendant and the Complainant understand-
ing that this Defendant was very poor and reduced in his Circumstances he
the Complainant sent one Adeapah Chittee and one Lorenzo Pereira to this
Defendant requesting him to allow the Joys to be sold and that the produce

of them might be applyed to pay off what he stood indebted to the Complainant and what over Ballance remain'd due he the Complainant was content to take a Note from this Defendant that he should pay the same when he was able, to which proposal this Defendant agreed to, but reserved some Joys for his Wife's daily use, viz^t. One Gold Cross, four Gold Enameld Craws for the Ears set with four Diamonds, and a pair of Coral Bracelets containing twenty two large beads to the value of Twenty seven Pagodas or thereabouts which the Complainant promised to return to this Defendant on which the Joys were apprized by the Complainant and this Defendant got Credit for the same in part of the money that was due by him to the Complainant and then the Complainant and this Defendant settled Accounts and this Defendant gave the aforesaid Notes for the Ballance then due, Excluding the Joys aforesaid (which the Complainant promised to deliver but has not done to this day although they have been very often demanded seeing he had no right or Title to detain them) and by Agreement the two aforesaid Notes were granted of the Tenour before set forth and no otherwise. And this Defendant further saith that one Andepah Chitty who witnessed the Bonds did read the same and Explained them to the Complainant in Malabars according to the true sence and meaning therein Expressed to which the Complainant was very well satisfied as he had made the Price himself on this Defendants Joys as aforesaid. But it is further very well known that there is no Malabar or other Native here that receives a Note from any person in any other Language than their own but they shew it as they term it to know if it be right, Notwithstanding now the Complainant alledges he knew not the meaning of the said Bonds and now after so long a time having got a new light has Maliciously filled his Bill of Complainant in this Honourable Court and this Defendant denys that there was any demand made of the money contained in the said Notes untill the Bill aforesaid was filled. All which matter and things this Defendant is ready to averr, Maintain and prove as this Honourable Court shall direct and humbly prays to be hence dismissed with his reasonable Costs in this behalf most wrongfully sustained, seeing it has not been in his power to better his Circumstances since the said Notes were granted not having any money to trade and also not being able to go to Sea to gain a Livelyhood.

Upon reading the Plaintiffs Petition and Schedule it appeared that the same was filed in this Court the 6th day of September 1734 whereto the Defendants appeared and gave Bail for their Personall appearance the December following alledging that haveing then some Urgent Business in the Country they could not stay to make answer to said Bill of Complaint but would not fail returning by that time which the Court assented to, But notwithstanding such Indulgence the Defendants have not as yet appeared to answer said Bill thô severall Rules have been delivered their Relations and Friends for that Purpose, And it appearing by the Prayer of said Bill of Complaint that the same was for the Delivery of a Chest which the Plaintiff had Entrusted to their care wherein was Severall Gold and Silver Joys or Jewells and other things of great value, and further setting forth that having good Reasons to believe the said Chest had been broken open by the Defendants and all the valuable things therein taken out Prayed a Generall relief. And whereas Severall Bonds and Obligations appear likewise to have Layn Dormant dureing this Suite and by the Plaintiff charged to be Irrecoverable and the Court having good reason to believe by the long stay of the Defendants in the Country That they never intend to appear to make Answer to said Bill of Complaint And the Chest in Dispute having been brought into Court by the Defendants relations it plainly appeared that the same had been broken open

and upon Consideration had of the matters in Dispute This Court doth therefore think fitt to Order and Decree and doth accordingly Order and Decree That the Defendants do pay unto the Plaintiff the summ of One thousand and eighty Pagodas Thirty five fanams and Forty Cash being the value of the Severall Jewells charged by the Plaintiff to have been taken out of the aforementioned Chest by the Defendants. And its further Ordered that the Bonds and Obligations charged by the Plaintiff to be now Irrecoverable be delivered up and that the Plaintiff have releif hereafter when such Damages are better made appear to this Court and that the Defendants do pay the Costs of the Suite.

COURT OF APPEALS AT
MADRASSPATNAM.

Between Mator Vencatasha and Coperta
Verapah of Fort St. George Merchants
Appellants and Allapotee Kistnomah of
said Place Merchant Respondent.

This Cause coming this day Fryday the 25th June 1736 to be heard and debated in the presence of the Appellants and their Attorney (the Respondent having been duly warned of the time for hearing) upon reading the Petition of appeal and Answer, as also the Petition and Schedule referred to in the Decree of the Honourable the Mayors Court and a Petition from Chitteram in behalf of the Appellants their Bail offered to the said Court but by them rejected, together with the Decree of the said Court given therein the 4th day of May last, this Court doth think fitt to sett aside the Decree of the said Mayors Court for the reasons following.

FIRST for that it is alledged in the said Decree that the Petition and Schedule were filed the 6th September 1734 whereas it appears on the face of the said Schedule that it was drawn up by one Henry Waddington and signed by him as attorney to the Complainant which said Henry Waddington did not arrive in Madrass till the month of May 1735 and consequently the said Schedule could not possibly be filed with the Bill in September 1734 as alledged in the said Decree.

SECONDLY for that the Defendants in the said Cause having been permitted by the then Mayor after giveing Bail to the Action to retire into the Country to follow their Affairs on promise of returning in a few Months their longer stay doth not seem to be a Contempt of such a nature as should induce the Court to give Sentence against them especially considering that they sent one of their relations to appear for them who was every way qualified to act (except in the single point of swearing to the answer) but was not permitted by the Court so to do, which said part of swearing to the answer doth not seem very necessary since the Bill was for the recovery of a Chest which he delivered into Court.

THIRDLY for that the annexing the Schedule to the Bill near a year after preferring the said Bill is making a new or an amended Bill in which case the first is of course withdrawn and consequently all proceedings thereon Dropt and a new Process ought to be commenced the Contrary of which appears to have been the case here.

FOURTHLY for that the Bill being preferred for the delivery of a Chest which Chest was by the person sent down by the Defendants delivered into Court the Purport of the Bill was complied with.

FIFTHLY for that the Person appointed by the Defendants to deliver the said Chest having offered in behalf of the said Defendants to make appear by

severall Creditable Witnesses that the Chest was broke open by the consent and in presence of the Complainant and that the said Complainant did take out those Particulars which thô mentioned in the List were not found on opening the Chest in Court the said Court ought to have permitted the cause to go on in the usual form.

SIXTHLY for that the Schedule above mentioned is notoriously false many Articles being there alledged to be wanting in the said Chest which appear by the Certificate of the Examiner to have been found therein, Notwithstanding which the Court have given Judgement against the Defendant for the Value thereof.

SEVENTHLY for that the said Court have given Judgement for the Amount of the Complainants Schedule without ever offering him his Oath to the truth thereof or putting him to any other kind of proof thereof though the said Schedule appears evidently to be false for the reasons given in the Preceding Paragraph.

For all which reasons this Court doth think fitt to Order and Decree and doth accordingly Order and Decree that the said Decree of the Honourable the Mayors Court be reversed and set aside, But, as it is so reversed only on account of the Errors and Irregularities therein Contained, that the Respondent may not thereby be deprived of any benefitts of his Suite, It is hereby further Ordered and Decreed that the Respondent be not disabled from recommenceing his Suite in the Honourable the Mayors Court, And further that both Parties do pay their own Costs and Charges.

Att. for the Complainants.

Then Answer of Charles Christian Mariner *Jur. in Cur.*
of Madrass Defendant to the Bill of June 18,
Complaint of Fenwicke Golightly and John Savage of Fort St. George Mer-
chants Complainants. 1736.

This Defendant saving to himself now and at all times hereafter all and all manner of Benefit and advantage of Exception to the Errors and Imperfections in the said Bill Contained for answer thereinto or unto so much

thereof as this Defendant is advised doth materially concern him to make answer unto This Defendant saith that he admits he did sign and execute a Bond to Henry Cleave for Pagodas five hundred bearing date and of the tenour as specified in the Complainants Bill of Complaint But this Defendant absolutely denys that he stands indebted to the said Henry Cleave or to his lawfull Attorneys on the said account any summ or summs of money by any manner of ways or means whatsoever the Contrary whereof will be made appear to this Honourable Court. This Defendant farther saith that some time after his arrival at Siam Captain Henry Cleave thought fitt to discharge him from the service he then served in, being Chief mate of the ship called the Lyell, which is a thing very unprecedented and hardly to be accounted for to discharge any of His Majesty's subjects in a Foreign Country except very good cause can be shewn there for which never was alledged against this Defendant. Upon this Defendants being turned out of Bread and in a Foreign Country he was obliged to attempt some way of Living in order thereto he built a vessell for himself and after the said vessell was finished Captain Cleaves Malice prevailed so farr as to make a Complaint against him this Defendant on account of the Respondentia Bond aforesaid alledging the said Bond was payable at Siam On which this Defendant was put in Prison and there Confined for three days and was obliged before his Liberation out of Prison to find Bail to stand tryal, by which means this Defendant was forced to stay at Siam for upwards of Twoe Months and could not have opportunity to fitt his vessell for this place, he being hourly obliged to attend the Judge of that place But when the season was over that no ship could come here then the Bail Bond was delivered up to this Defendants Bondsman by which means and no other this Defendant lost the opportunity of bringing or sending his vessell to this port of Madrass thereby has sustained great damages. Upon Captain Cleaves vessell oversetting in the river of Siam, the said Captain requested of this Defendant that he might have the use of his vessell in order to unload the ship Lyell, and that he the said Captain Cleave would pay what was reasonable for the time he should have occasion for this Defendants vessell and also obliged himself to pay what damage the said vessell should sustain by such service on which this Defendant allowed the said Captain Cleave the use of his vessell in whose services she continued for twenty days or thereabouts and sustained a great deal of damage thereby, upon the gentlemen of Madrass who were freighters and owners of the said ship Lyell having wrote and desired that this Defendant should bring over the said ship with her cargo here, he readily complied there with and left his own vessell in charge with Captain Irving who was then at Siam in order to bring her to this place. Soon after this Defendants arrivall with the said ship the Complainant made a demand of the Respondentia Bond aforesaid to which this Defendant answered that they being the lawfull Attorneys of Henry Cleave that he expected a good deal of money from them seeing he this Defendant was turned out of Bread at Siam without a Cause and also wrongfully Imprisoned and being detained two months at Siam, and the use of his vessell to Captain Cleaves service and the damages he sustained in not having his vessell fitted to come to this place as aforesaid as also for other Accounts disbursed by this Defendant by order of the said Henry Cleave. But the Complainants still persisted to prosecute this Defendant in terms of law Notwithstanding of his just demands on their Constituent, to prevent which this Defendant well knowing that it would take up some time before the same could come to a Conclusion before this Honourable Court and also this Defendant not having Witnesses then here to prove the several facts before sett forth, and this Defenda[n]t being obliged to perform another voyage speedily it was mutually agreed upon betwixt the Complainants and this Defendant that this Defendant should give a farther security for payment of the said Respondentia Bond on his ship he left with Captain Irving, and for the reasons aforesaid and no other did this Defendant grant

the further security, which now lyes in the hands of Mr. John Stratton Merchant of Fort St. George with whom this Defendant left a letter of Attorney for his other affairs and this Defendant further saith that although he [o]ften told the said Mr. John Stratton how much the said Captain Cleave was indebted to him this Defendant for the reasons aforesaid yet notwithstanding whereof the said Mr. John Stratton has paid to the Complainants as Attorneys to the said Captain Cleave at two several times the summ of pagodas four hundred and fifty nine fifteen fanams and thirty nine Cash Current of Madrass which this Defendant humbly conceives they ought to refund as also the Ballance due by the said Captain Henry Cleave (seeing they are his lawful attorneys) to this Defendant and this Defendant admits that Captain Cleave demanded the money as aforesaid at Siam and no where else and also admits that the Complainants demanded the said money also since his arrival from his last voyage. All which matters and things this Defendant is ready to averr, Maintain, and prove as this Honourable Court shall award and humbly prays to be hence dismissed with his reasonable Costs in this behalf most wrongfully sustained.

CHARLES CHRISTIAN.

The Replication of Fenwicke Golightly and John Savage Merchants of Fort St. George Complainants to the Answer of Charles Christian of the same place Mariner, Defendant.

The said Replyants saving to themselves all advantage of Execution to the Insufficiencys, Untruths and Incertaintys of the Defendants answer for Replication thereunto saith That all and singular the matters and things in the Replyants said Bill contained are true as the same are therein alledged and that the answer of the said Defendant to the said Bill is very untrue imperfect and insufficient to be replied unto For that these Replyants say that they know nothing of their own knowledge of the Defendants being discharged from the ship he belonged to in a Foreign Country But if he was they have been well informed and doubt not (if need be) to prove he hath received full satisfaction as well for that as for the Loan of his vessell he built afterwards according to his own Option and agreement and as for the said Defendants being Imprisoned although these Replyants know nothing thereof of their own knowledge but have also been well Informed That the Defendant was justly Imprisoned by means of his deviateing or about to deviate from the tenour of the said Respondentia Bond which made the same payable at Siam or place where such deviation was made But if anything were due to the Defendant on that account (as there is not) the Defendant has not thought fitt to charge (much less to swear to) such Damage and these Replyants say that they admit that the Defendant did make an assignment of the Equity of Redemption of his vessell as a security for the Moneys due on the said Respondentia Bond since the said pretended damage by his answer mentioned. But the said security these Replyants look upon to be very indifferent and at best but very precarious but if it were otherwise they humbly hope and insist they are not obliged to stay to see the event of the same And these Replyants deny the said security ever lay in the hands of Mr. John Stratton any longer than the makeing and executing thereof. All which these Replyants are ready to averr, maintain and prove as this Honourable Court shall award and humbly pray as in and by their said Bill they have already Prayed.

INTERROGATORY to be administered to John Powney on the part of Charles Christian.

If Captain Henry Cleave did not demand payment of Charles Christian for a Respondentia Bond in Siam when the said Bond was payable only in Madrass which said Bond Mr. Powney is Witness to And that the said Charles Christian denyed to pay the said Bond of Five hundred pagodas to the said Captain Cleave in Siam saying that he had not signed any Bond or Writeing payable in Siam, but he did sign a Respondentia Bond of five hundred pagodas to the said Captain Cleave payable in Madrass and he would discharge the said Bond in Madrass and no other were.

JOHN POWNEY to the above Interrogatory.

Deposeth that Captain Cleave when at Siam did demand payment of the Bond in dispute of Charles Christian, which he refused to discharge alledging that he had not signed the same, but if there was any Money due thereon the same belonged to Mr. Turner at Madrass at which place he the said Charles Christian said he would discharge it, and more he saith not.

The Answer of Juggaram of Madrass Defendant to the Bill of Complaint of Tripoly Conicoply of Madrass Complainant.

Jur. in cur.
JULY 15,
1736.

The Defendant saving and reserving to himself now and at all times hereafter all and all manner of benefit and advantage of Exception to the Errors and Imperfections in the said Bill Contained for answer thereinto or unto so much thereof as this Defendant is advised doth materially concern him to make answer to This Defendant saith that he doth not know to the Contrary but that it may be true that the Complainant did pay into the Hands of this Defendants Correspondent Jaintu Baumanah the summ of one thousand Current rupees for the Purposes in the Complainants Bill mentioned And that he the said Jaintu Baumanah might sign such a Note or Agreement acknowledging to have received the said money as of Mr. Samuel Harrison in trust for the Complainant upon the term and upon the conditions in the said Agreement also mentioned and annexed to the said Complainants Bill of Complaint And this Defendant admits that sometime since the ship Bovano Sarrando arrived at this Port from Vodissam with a Loading of Rice and Paddy and other Goods chiefly belonging unto the said Jaintu Baumanah and that the same was consigned unto this Defendant. And this Defendant having received from the said Jaintu Baumanah an account thereof as well as what properly belonged unto the Complainant he this Defendant gave the Complainant Notice thereof and acquainted him That the said Jaintu Baumanah had ordered this Defendant to deliver to the Complanant five garse of Rice and five garse of paddy (according to the measure of Vodissa) which he the said Complainant refused to receive alledging that the same was not the whole Quantity he was to have whereupon this Defendant further acquainted the said Complainant of the contents of the Letters he had received from the said Jaintu Baumanah That he had laid out (as usuall) a great summ of money to the Planters Thereby the better to procure the Rice and Paddy at a cheaper Rate for the Benefitt of all Parties concerned But there happening great Damage thereto by the Ensueing Monsoons Insomuch that it turned to their great Loss so that the said Jaintu Baumanah was obliged to take what he could get which was what he sent in the ship the Complainants proportion thereof according to the tenour of the said Agreement and the usage and Custom of Merchants being the quantity herein before mentioned And this Defendant admitts that the Complainant did demand and request of this Defendant the quantity of Rice and Paddy according to the tenour of the said Agreement which this Defendant is advised was and is according to the true intent and meaning thereof, all which matters and things this Defendant is ready and willing to averr, Maintain and prove as this Honourable Court shall award and humbly prays to be from hence dismissed with his reasonable Costs and Charges in this behalf most wrongfully sustained.

The Replycation of Tripoly Conicoply of Madrass Complainant to the Answer of Juggaram of the same place Merchant Defendant.

The said Replyant saving to himself all advantages of Exception to the uncertainties, untruths and Insufficiencys of the Defendants answer, saith that all and singular the matters and things in the Replyants said Bill contained are true as the same are there alledged and that the answer of the said Defendant to the said Bill is very untrue, imperfect and Insufficient to be re[p]lyed into for that the Defendant has not particularly set forth in his answer or otherwise what money was laid out in order to procure the said cargo neither has he set forth what the freight or other charges amounts to

and what the Contents of the whole cargo then purchased was, that thereby this Honourable Court might the better judge if the Charges was to come in average on the whole, what part of the same with the freight would effect this Complainants share seeing he this Complainant is very well informed that it is the manner by which the Merchants who trade to those places in Grain adjust their Accounts, And this Replyant admitts that soon after the arrival of the ship the Defendant desired this Replyant to accept of five garce of Rice and five garce of Paddy to be in full satisfaction, which this Replyant refused to do, because there was no Paddy mentioned in the Obligation, Translate whereof is annexed to the Bill of Complainant and it was not to be supposed, that five garce of Rice was sufficient in consideration of the money advanced, And this Replyant is ready to averr, maintain and prove the same as this Honourable Court shall award, and humbly prays as in and by his said Bill he has already prayed.

Incertaintys and Insufficiency of the said Replication saith That the Defen-
dants said Answer is certain true and sufficient in the Law to be replied unto
and he also saith as in and by his said Answer he has already said and does

Thereafter there was no other demand made on this Defendant untill he was sued to appear in this Honourable Court. Defendant a Note by the hands of the Complainant the purport whereof desiring this Defendant to pay the Complainant Antony Fananty the summ of Pagodas 90 for wages due to him from the ship Constantinus Magnus for that the Law always bound the ship for the wages due thereon And that when this Defendant had paid the same he was to come on Thadeus Auga Pera and Brothers as a debt due upon them This Plaintiff saith that for ought he knows to the Contrary the Law of England doth bind the ship for payment of Seamen's Wages but believes the same doth only hold good and valid when the Principals or owners have not Goods and Effects sufficient for that purpose which this Defendant apprehends is not the present case. The said Holland Goddard having in his Custody and keeping at this Present time as this Defendant verily believes the summ of Pagodas 348 paid by him in part of the purchase money for the said ship Constantinus Magnus so that this Defendant thinks he justly might refuse to pay the Complainants demand. This Defendant further saith that by agreement he paid Auga Pera the further summ of Pagodas 134-9 for an anchor and Cable sent on board the aforesaid ship and which summ was also paid before the executing of the said Note to the said Holland Goddard.
