To The Clerk of the Crown

Sir,

Under the Commands of Government I have the honor to acquaint you, for the information of The Honorable Judges, that no explanation having been supplied in your late Correspondence with me in October last, of the grounds or authority for the liberation of Mr. Handley, which in the absence of any explanation, appeared of a Criminal nature, Government, being desirous that the Circumstances of this Case should be brought to the notice of the Honorable Judges by me in a formal manner, have deemed it expedient with that view that an enquiry should be set on foot by the Superintendent of Police, for the purpose of ascertaining who were the parties Concerned in that liberation, and if any legal excuse existed, or was proffered by such parties for their Conduct.

2. The result of that enquiry is before you, for the Consideration of the Honorable Judges, upon the Depositions returned to your Office. From them it appears that the Sheriff himself and the Gaoler voluntarily allowed such liberation upon bail, and Mr. Orme the Deputy Clerk of the Crown Received Mr. Handley knowing of his Conviction on a Sentence unexpired, and of his liberation from the Gaol. The Magistrate has accordingly, bound over these parties to appear and answer any Indictment which may be preferred at the ensuing Sessions, and the Witnesses to attend and give evidence.

3. The Circumstances of the Case being thus placed before the Consideration of the Honble Judges, it Remains for me, in Compliance with the Commands of Government, to take any such further steps as may be proper for bringing this Subject before the attention of the Honorable Judges which I conceive I can only do either by myself appearing to Conduct a Prosecution against these parties, or by my explaining thro' you my reasons for refraining from that Step without further instructions, Requesting you to lay this letter (as I presume you have my former letters on this topic) before the Honorable Judges.

H.

4. It appears from your own deposition before the Magistrate (Contrary to the impression I had gathered from your letter of 19 October last) that the Court itself has made a marked difference in the Award of the Sentence against Mr Handley, not only distinguishing it from that of all other Convicts Sentenced to imprisonment, but also from that of the other prisoners Sentenced with him for the same Offence -

5. Considering the quality of the Officer of the Court who has liberated this prisoner upon bail, and in the Absence of any information as requested in my Correspondence above referred to, as to whether any authority or Sanction whatever was given to the imprisonment of Mr Handley elsewhere than in the Gaol by the Court or by either of the Honorable Judges - save by your reference to the terms of the Sentence itself - it does not appear fit to be assumed that the Court meant nothing whatever by the difference in the Sentence in question from that of all others, nor can it be assumed what difference (if any) was intended as regards the mode and place of this party's imprisonment. If however, any Sanction has been given, or was intended, by the Honorable Court for the Sheriff's exercising any discretion under Circumstances in the liberation of Mr Handley from Gaol, a deference is due to such authority of the Honorable Court rather than to any opinion I have expressed in my former Letters to you as to the necessity of the party's being imprisoned solely in that Gaol, and as to the Sentence being in legal effect and meaning to imprisonment in that Gaol (altho the place is not mentioned) and as to any Criminality in liberating this party therefrom -

6. Under these Circumstances, and independently of the desire expressed by the Supreme Govt., of which the Honorable Judges have been apprized, that the direction of public prosecutions by the Law Officers of Government should rest entirely with the Honorable Judges upon their reference to the depositions, I have the honor to acquaint you, for the information of the Honorable Judges, that Govt does not think it expedient that the prosecution of this Case should be Conducted by those Officers, except with the sanction of the Court itself, in which case they will be ready to act accordingly -

7. I shall be obliged by your informing me if you have laid this letter and my former letters before the Hon'ble Judges.

George Norton Esqre
Advocate General - Madras

Sir,

I have the honor to acknowledge the receipt of your letter of the 9th Instant which has been laid before the Honorable the Judges, and I am directed to acquaint You that the Case against Mr. Fullerton and others is not one on which the Court would direct an Indictment to be preferred. The Court would only take so Strong a Measure, as that, in a very extreme Case, and that the present is one which Calls for no such interference - This Case if proceeded in should be prosecuted in the ordinary manner that is to say, by some individual or body of men, or by the Government itself, taking the Charge of the Prosecution -

The Judges are also of Opinion that the object of the Supreme Government in expressing a wish that certain Cases should be prosecuted by its Law Officers was only to secure professional assistance in the conduct of those Cases, but not to supply the want of a Prosecutor -

Having referred myself to the Advocate General, he informs me that he has received no instructions from Government save to advise with the Magistrate as to the Course he should pursue.

In Consequence of such instructions the Advocate General placed me in Communication with the Magistrate by whom I have been Consulted occasionally in the Course of his proceedings. The Advocate General has also directed me to retain a Counsel and instruct him to prepare the Indictment, with a view to secure further legal Assistance in Addition to his own and mine in conducting

Conducting the professional prosecution of this Case, in the event of it having to be undertaken by the Law Officers of Government. This I have done accordingly, and this is all the part I have at present taken in the Case.

The application made by you appears to be very different from that which was Contemplated by the President in Council of the Supreme Government which was merely to express an opinion whether the Government Officers should be employed on the part of the Crown, which presupposes the existence of the Prosecuting Party - which it would appear does not exist in the present Case.

My Dear Sir,

Desirous of obtaining every document that can in any way support me in my application to Government for compensation for the loss of my allowances and for the expences of my journey to and from Vizagapatam, in consequence of having received an Order from the Civil Authorities, at the abovementioned place, to proceed to the Madras Presidency to give my Evidence on the part of Government, touching the matter of the Complaint of Manslaughter, preferred against Pensioner Sergeant Sims, and recollecting in a Conversation I had with you the other day, if I be not mistaken, during which you stated, I think, that there was no necessity, in your Opinion, for my being sent

Sent to the Presidency as an Evidence, and that the Civil Authorities there might have disposed of the Case just as well as the Gentlemen of the Grand Jury have done. May I therefore take the liberty of requesting of you to State, in writing, your Opinion as above Stated, as I wish to make use of this document, to Shew the hardship of my Case and the injustice of making me a Sufferer and Consequently a Loser to Year a great extent. You will observe that by this Mode of proceeding, blame to a greater or Lesser degree will and must of necessity be Cast upon Mr. Glass or Mr. Story or both Gentlemen in the Civil Service employed in that part of the Division / Northern / as Judges and Magistrates as I have to embark in a few days on the Brig Union Captain Mr. Thom. My Dear Sir,

I regret I did not receive your Note till Yesterday when I was so much engaged that I could not Answer it.

You must have misunderstood me, if you thought I intended to cast any imputation or blame on either Mr. Glass or Mr. Story for their Conduct on the present occasion. I think they were right in supposing, that if Sims had Committed the Crime of Manslaughter, he was only Amenable to the Supreme Court. I, as a Lawyer, more accustomed to weigh the effect of Evidence than these Gentlemen might have been, and perhaps more cognizant of the nicieties of our English Law, should not have thought it necessary, on the Depositions laid before me, to have Committed Sims to take his trial at Madras, but as this is a matter of Opinion, I could not in any manner attach blame to them, for their Conduct therein. Admitting however that they were

wrong

wrong, I do not think, that it would be consistent with my duty, as Clerk of the Crown, to express any opinion on their Conduct.

I shall regret your loss, if you should eventually meet with any, but I cannot assist you with any Certificate that may Create any imputation on the Conduct of the Magistrates.

I have the honor to Acknowledge the receipt of your letter of the 27th Instant in reply to mine to you of the same date stating that my letter to you of the 2nd of January last was laid before the Court at the last Sessions and that it was then determined that the objections made by me to Serving on the Grand Jury were altogether inadmissible.

I regret that this determination of the Court was not sooner Communicated to me in as much as I had Concluded from your Silence that the Court had Admitted my objection and I was therefore absent when the Court met at the last Sessions (the such Absence was occasioned by my being then engaged in Police duties) and because if I had known that the objection was not admitted

admitted I should have thought it my duty to bring to the notice of the Court in a more formal manner than I fear I did by my letter of the 2nd of January last, the grounds upon which it appears to me that I am not merely exempted but am disqualified from Serving on the Grand Jury.

I have not a Copy of my letter to you of January last which as far as I recollect was merely demi Official and only referred to the fact of my being a Police Magistrate and Claimed on that Account in Common with other Police Magistrates exemption from Serving on the Grand Jury As it is not simply exemption to Serve on Juries in the Supreme Court as Stated in the third Rule but Actual incapability and disqualification so to serve under the 2nd Rule, which seems to Attach to me it Appears to me right that it should be brought to the Notice of the Court wherein such disqualification Consists, That disqualification I submit rests on that part of the 2nd Clause of the Jury Rules whereby it is provided that those persons are incapable of Serving on Juries who "receive any pay or emolument for executing any duties of Police within the limits of Madras" and Attaches to me in Common with all the Police Magistrates of Madras and Certainly in Common with the Master Attendant between whose situation and my own as Police Magistrates there is no difference but who is not Called upon to Serve on Juries.

By the 2nd and 3rd Sections of the Marine Police Regulations Registered in the Supreme Court on the 12th of September

September 1828 a Marine Police Office was established and it was Provided that the Master Attendant or his Deputy for the time being "being respectively duly appointed and qualified to Act as Justices of the Peace in and for the Town of Madras" should daily (except on Sundays and the days thereon particularly excepted) attend at such Office to hear and determine the Complaints therein particularly referred to, and it will be seen on reference to the Regulation that very extensive Jurisdiction was thereby Committed to them as Justices of the Peace and that a large body of Police was thereby placed under their especial Superintendence & Control, I believe that Since the passing of that Regulation neither the Master Attendant or his Deputy having "been duly appointed and qualified to act as a Justices of the Peace for the Town of Madras" has been required to Serve on Juries in the Supreme Court, and I believe that the Court has Considered the disqualification in that respect so Complete, that when Mr. Bell (The present Superintendent of Police) was Appointed to perform the functions which the late Deputy Master Attendant would have had to perform as Justice of the Peace if he had qualified as such Mr. Bell was by the Court Considered disqualified to Serve on the Grand Jury.

On Assuming my Office as Deputy

Master

Master Attendant I was required by Government to qualify myself and did Accordingly qualify myself to Act as a Justice of the Peace in and for the Town of Madras and it is a part of my stated duty as well as that of the Master Attendant to sit as a Police Magistrate and which I have Continued to do under the Marine Police Regulations and under Subsequent orders of Government ever since my appointment These are part of the duties of my Office which not less than for my others I receive pay and emolument from Government and I therefore beg to submit for the Consideration of the Court that under the 2nd Clause of the Jury Rules I am totally incapable of Serving on Juries in the Supreme Court.

I rather adopt this mode of submitting the matter to the Consideration of the Court than the one pointed out by Clause 7th of the Jury Rules, because there is not time before the Sessions to adopt the latter mode and because I am not submitting a question of exemption merely, but one of disqualification – a disqualification under the 2d Rule I apprehend as Complete as it would be if I were under age.

Sir,

I have the honor to Acknowledge the receipt of your letter to me of the 1st Instant on the Subject of mine to you of the 31st Ultimo, and with reference to the last Para of your letter wherein you state that if I wish to be relieved from Service on the Grand Jury, it will be necessary for me to apply to the sitting Judge in Chambers in pursuance of the Jury Rules of the Supreme Court. I have to request you will be good enough to lay this and my last letter to you before the Honorable Judges and to take there opinion whether I am qualified to Serve on Juries in the Supreme Court, or if you would wish it I will do so my self.

I should not make this request, if I were asking for exemption from liability to Serve on Juries but should of Course Adopt the mode pointed out by the 7th Rule of the Court for the purpose of getting my self exempted but in as much as it is not a question whether I am exempted from liability to Serve if I wish to avail my self of my exception at the duly qualified, but whether I am not totally disqualified from Serving at the I might wish to Serve

Serve and whether my attempting to Serve would not be a violation of the Courts own Rules. I cannot but think the Honorable the Judges would wish the matter at once submitted to them with the view of preventing (if my view of the Case be Correct) a disqualified person from Serving on the next Grand Jury - - I believe that I have been put in the Grand Jury List by Mistake, and under a misapprehension of what my duties are. it was perhaps not known that it is part of my Office to execute the duties of Police within the limits of Madras" as described by the 2d Jury Rule (altho' it was not that of the late acting Deputy Master Attendant, he not having been desired by Government to qualify under the Marine Police Code) and that I am paid for that as much as for any other parts of my Office, and that Inasmuch therefore I fall within the disqualifying clauses of the 2nd Rule, as do the Superintendent of Police, Captain Clerk, Captain Whistler, or either of the other Police Magistrates who are never I believe Called upon to Serve on Juries, and with whom either the Master Attendant or Myself, are in the daily habit of Sitting as Magistrates at the Town Police Office and exercising the Ordinary functions of Police Magistrates, and Committing for trial to the Supreme Court if necessary.-

The Clerk of the Crown

Sir,

With reference to the above case in which was Committed from this Office for Trial before Her Majesty's Supreme Court on the 26th January last I have the honor to transmit for submission to the Honorable Judges a Copy of the Correspondence Noted in the Margin, from which it will be seen that John Evans the Prosecutor in this Case is absent at Bangalore.

Should it be their Lordships desire, I will write to the Commandant of Artillery at Bangalore to expedite the return of John

1 To the Officer Commanding the 2d Battalion of Artillery at St Thomas's Mount dated 12th April 1843.
2 From D.D. 13th D:.

John Evans to the Presidency, but it appears to me this Can serve no purpose as it will not be possible for Evans to reach Madras before the termination of the Sessions, which are to Commence tomorrow it is therefore left to their Lordships to determine whether the trial of the Case shall be postponed to the 3rd Sessions of the Current Year.

From the papers which accompanied the Case under Consideration it will be seen that Evans executed the usual Recognizance, the Conditions of which were duly explained to him, and when he was Ordered to proceed to Bangalore on duty if he mentioned to his Superior Officer the obligations he was under to attend and give Evidence in Her Majesty's Supreme Court, there is no doubt his departure from Madras would have been delayed until the disposal of the Case

I request you will be so good as to favor me with an early reply to this letter.

In Conclusion I beg to explain that on resuming Charge of the Town Police Office this Morning Lieutenant Colonel Blundell's letter of the 13th Instant was brought to my Notice or its Contents should have been Communicated earlier to you for the information of the Honorable Judges.

transmitted in Your Communication being wholly insufficient for that Purpose Under the provisions of the Alluting act, it is Required that the Judges Order for transportation or as Certified Copy of it should be sent as without that document, there is no legal evidence in the Colony of the Conviction and Sentence of the Prisoners, and I am therefore, to Request that You will move His Excellency the Governor to Cause the Necessary document to be furnished to this Government by the earliest opportunity.

5. I have it further in Command in Communicating with You upon this Subject to acquaint You, that in Cases where Prisoners may be Sentenced to transportation to this Colony, by a Civil Court, it is Necessary that an Extract (Certified by the proper Officers) from the Records of the Court should be sent Shewing the Conviction and Sentence of each Prisoners, as also a Document under the hand and Seal of the Governor assigning

of Joseph Marshall
against
John Innes Geddes Esqr.
For Assault.

From The Magestrate in Charge of the Town Police Office
To The Clerk of the Crown
Madras.

Sir,

In transmitting to Your Office the Informations in the above Case as noted in the margin, I deem it right to

1. Information of Joseph Marshall
2. Do. of H. T. Elliott Esqr.
3. Do. of W. W. Rose Esqr.
4. Recognizance of the above Persons
5. Do. of John James Geddes

to explain for the information of the Honorable Judges of Her Majesty's Supreme Court of Judicature the reasons which have induced me to Commit this Case for trial before them in preference to bringing it before the Magistrates for disposal under the Police Regulations.

2 From the Informations it will be seen that the Assault charged against Mr. Geddes is one of a very aggravated nature, but under the Police Regulations it is not Competent to the Magistrates to impose a fine exceeding Ten Pagodas, a penalty altogether unsuited to the Nature and quality of the Offence charged. It is true that the same Regulations also Empower the Magistrates to Confine a party for this Offence for a period not exceeding four Months but as Confinement in the present instance might operate too Severely, particularly in Reference to the position of the Defendant as agent to the Agra Bank and Consequent Connection with the public, which might be thereby very Seriously and injuriously interrupted, while on the other hand the fine would not be adequate the Case has been Committed for disposal by their Lordships under the provisions of Section 3d. Regulation No. 3.

2. Mr Bayley proposes to proceed to England in the Ship "London" now in these Roads and expected to sail on Saturday next the 22d instant, and Mr J D Arbuthnot intends proceeding from hence in the Steamer "Hindostan", and by the overland Route to England.

3 On receipt of the Minutes before referred to on Saturday last, I attended at your Office, for the purposes of Communicating the Contents and making the necessary Arrangements, but you were not at Office - on Monday however, I saw Frederick Orme Esqr, your Deputy, and Communicated to him the Contents, and understanding from him, it was your wish that I should make the necessary Arrangements with him on the Subject, an appointment was made for Mr Bayley to attend at the Supreme Court House, tomorrow Thursday the 20th instant, between 12 and 2 O'clock, for the purpose of receiving the Mandamus and return from one of the Judges of the Court, and that Mr J D Arbuthnot should receive the Duplicate thereof, shortly before the Sailing of the "Hindostan".

4. Mr Orme has this afternoon informed me, that you have since given directions, that neither part of the Mandamus should be issued from your Office

Office, until the fees are paid, and also, that I must make an Official application to you on the Subject.-

5. Agreeably therefore with your Wishes, I have the honor to Request that you will produce before the Court tomorrow the 20th Instant, the Writ of Mandamus and return, in Order that it may be delivered by one of the Judges to Mr W. H. Bayley, for the purpose of his Conveying the same to London, and filing the same in the Crown Office there, as required by Law.-

6. I have also the honor to inform you, that I have not Sufficient funds of the Honorable Company to meet the Amount of the Bill you have sent in to me for this return, that the Accounts of my Office are being regularly prepared and passed before the Master of the Supreme Court, and the Civil Auditor, previously to which I am given to understand no advances will be made by Government. I am however informed that the Accounts Cannot be passed thro' the Offices and the Order Obtained for some time.

7. I have therefore the honor to Request you will inform me this afternoon, whether you intend to persist in your determination not to permit the Mandamus and return to be produced for the purpose of its being delivered to Mr. Bayley by one of the Judges as previously arranged with Mr. Orme, for if that be the case I must inform Mr. Bayley of the alteration in the Arrangement, and shall be under the necessity of reporting the Circumstances to Government, and Obtaining their instructions on the

My Lord

I have the honor to acknowledge the receipt of your Lordship's letter of the 31st July last requesting me to issue the necessary authority for the reception of a Military Offender, who is under sentence of Transportation, into the Custody of the Civil Power, and beg to state that some little difficulty having arisen as to the form in which the Order should be drawn up, I was not able to give an immediate answer to your Lordship's Letter.

It has been, I understand, usual in similar Cases for the Judge to give directions at one and the same time, for the Transportation as well as for the immediate Custody of the Offender - I collect however that it is your Lordship's wish that the Order should be limited to the latter of these two objects; and I have now given directions that it should be immediately prepared in the Crown Office and transmitted to the Sheriff.

It is right that I should inform your Lordship that it will be necessary for me to draw up at some period or other, an order for the

Transportation of this Convict - For this purpose it will be proper that information should be given me as to the place to which it is intended that he should be sent.

Sir

I have the honor to state with reference to your letter of the 23rd Instant, that it would seem by the Evidence of Sergeant Caine, that the Musket discharged by the Prisoner Patrick Murray had an iron worm in it, which the Serjeant states he picked up quite hot about a foot and a half from the Wall of the Barracks. There is no evidence to shew the Musket was loaded with ball, but there can be no doubt of its having Contained the worm.

I wrote to the Officer Commanding the Prisoner's Regiment to send me some of the †rag seen by the Sergeant if any had been preserved, but in his reply he makes no allusion to it. The Musket and the worm were both forwarded by me to the Sheriff.
