The Stock of Arrack in Store at the Presidency and out Stations amounts to Gallons 650000 or two years Consumption for every Branch.

Describes also the Measures for supplying Arrack to the Bangalore Bazars, by which the Rajah of Mysore

Mysore receives the whole of the profits arising from Sales in the Cantonment and Fort of Bangalore as well as the causes which led to the adoption of that arrangement - and submits for consideration that the price of the Spirit supplied to the Bazars, be again raised to and fixed at the rate supplied to the Canteens of European Troops.
