678. Submitting Copy of a letter from Lieut.t Col.n Smythe, in which he declines assuming the Contract, for the Saddlery of the 8th Reg.t Light Cavalry, on the terms prescribed by Govt.; and as, under existing circumstances, the next Senior Officer might be placed in a delicate and invidious situation, by the transfer of the Contract to him the Board suggest that the duty of maintaining in a state of efficiency, the Saddlery of that Corps, may, for the present be vested in the Regimental Quarter Master and it will be for after consideration whether that Officer shall be entitled to any remuneration for this additional trouble & responsibility — The Board cannot concur in the Opinion which Lieut.t Col.n Smythe appears to entertain that, by relinquishing the Saddle Contract, he is relieved from the payment of the 100 Saddles of the new pattern which have been made up, agreeably to the orders of Govt.; but as the Amount, remaining undrawn for 11 Months, will be much more than sufficient to pay for the Saddles, &c.n, they recommend that the charges for the 100 Saddles, may be removed. —
