523. Relative to the refund of the Sum of £52 10. 6. on account of the Military Funds which was stopped from the Abstracts of the late Serjt Fullerton and observes that the payments in question was neither demanded nor received as a Regimental debt and therefore it does not come under the provisions of Section XLII of the act of Parliament republished in G.O.G. No.c 93. of 1841. and that the Advocate Generals opinion does not apparently apply to the case and under the circumstances stated the Directors are of opinion that they are not authorized to refund the amount
