Sir In reply to your letter of this days date and which has just been put into my hands (¼ past 5 Oclock P.M.) forwarding Copy of a Notice received by you from Mr J.Y. Fullerton the Constituted Attorney of C.H. Blunt Esquire the Common Assignee of the Insolvent Court. I beg to request and require you to proceed to a Sale of the Horses and Conveyances Seized

Seized by you under the Writ of Execution issued herein my Client the plaintiff (although not bound to do so) is ready and willing to indemnify you against the Consequences that may result from your proceeding to a Sale of the Said property. I must observe that Mr Fullerton in this letter to you does not state by whom the property has been assigned nor does he state to whom it belongs. If Woodiagherry Singeveraukum Cothendaramasawmy Pandoo the Insolvent named in Mr Fullertons letter has really any Interest in the property under Seizure (in which I most positively and distinctly deny) Mr Fullerton before he can assert any claim to the property on behalf of the Assignee of the Insolvent must first obtain an order discharging the order made on the 27th day of May 1843. on the hearing of the Said Insolvents petition and which order can only be obtained on the Clearest and most Satisfactory proof of the Insolvents fraud in having omitted Such property in his Schedule. as to the Course pursued by Mr Fullerton I feel bound in Justice to my Client to Say that it is most The property was Seized by you on the 5th of September instant and duly advertized and Mr Fullerton does not lay any Claim to the property till now just on the eve of the property being Sold thereby preventing the Plaintiff from having an opportunity of indemnifying you with reference to the letter received by you from one Mr Parsons I beg to request that you will the present refrain from proceeding to a Sale of the Effects mentioned in his letter till further notice

Dear Sir,

I have received your Official Letter of the 7th Instant in the above cauched in a some what putulant style of Language which I am not aware that any conduct of mine towards you justifies you in using. In the Private Letter I addressed you I meant no offence to you, altho I have had it intimation to me that you have publicly spoken of your intention of harrassing me by making an application against me and on the 13th General Rule before I was written to on the Subject and altho I have never witnessed at your hands any other time of Conduct that this towards myself which is revolting to the feelings of a Gentleman who has never Sought any intercourse with you or given you any provocation.

as far as your pleasure concerned in that reference to feelings of animosity Such as you have at all times concerned towards me or of friendship I trust that I shall receive at your hands that liberality in Courtesy which as one of the Attornies of the Court I have ever received from your Predecessors for the last 19 or 20 years when you may rest assured that your rights and liabelity will be Secured to you if necessary Out of my own Pocket, is you seem to Seek for in Course I am not power then to be paid by the proper Party in good time and this in that putting you to the inconveniences necessity of involving me in further unexpected expence for trying a Question which I have never disputed.

I do not understand what you mean by the last Para of your Letter, or within that part of it wherein you say "I have hitherto had always the Same Sort of answer on applying at your Office" as I am not aware of owing you a Single fraction that I have not honorably discharged

discharged in due Course. Yours present claim is one by which I am completely taken by Surprize and I am only Sorry that I Cannot command the needful so expreditiously out of my own pocket as you Seem desirous to get it.

Sir,

I beg to acknowledge the receipt of your letter of this day's date. I am not however disposed to follow the example you have Set me in mixing up (fees and friendships) personal opinion with a matter purely of business.

I Shall therefore pass over without remark the greater portion of your letter which it will be Sufficient to observe is impertinent to the question between us.

My Second letter was necessitated by your expression of Surprize at my considering you liable for the amount of my Costs an opinion in the Justice of which you now Seem to Concur.

I am very far from wishing to "harrass" you or any other Gentleman and I am glad that your acknowledgment of the Justice of my Claim and your own liabelity to discharge it will prevent the unpleasantness necessity of any legal proceedings in its Support.

I have to request at the Same time that you will endeavour to obtain the amount of Costs from your Client at your earliest convenience.

Sir In reply to your letter of the 26th Ultimo I beg to state that in Hoosaina Begum v Shaik Ally Soobadar your Officer refused to allow a copy of your bill to be taken to enable me to Check it at leisure and after communication with my client I could not therefore Settle it until now, when the bill was submitted to me in the presence of my Clients agent and when I could command leisure to look into it.

There are a few items in it which I cannot allow without bringing them to your notice for I know they have been disputed by others in the profession but with what result I cannot just now charge my recollection I think they ought not to be charged but if they are invariably charged and allowed, I shall not dispute them in the present instance.

The items amount together to only twenty Rupees and are marked thus x in the bill.

The other case of Nyneapah v Amoortha will be attended to

to tomorrow, when my Client is to come here.

Where in one case out of Rupees Two hundred and Seventy two and two fanams, there are only Rupees Seventeen and fanams thirteen levied and where in the other the Sheriffs bill for proceeding to a Sale amounts to nearly twice as much as the whole costs of judgment and issuing execution, the Attorney cannot without due examination of the bill, and communication with his Client, pay it, or give a discharge. and the bill should therefore be left, or a Copy permitted to be taken, as I know to have been the case in numerous instances.

I do not See with what propriety you can refuse to proceed to a Sale of the Jewels. however as there is no obstacle now, please advertise and Sell the Jewels as early as possible.

P. Arathoon having arisen in the latter Department.

Letter from Sheriff of Madras to Hon. Co's Solr 27th Dect 1844 &c

2. I avail myself of this opportunity to inform you that it has been reported to me that there has been a want of energy as also a direct refusal to do their duty by a portion of your establishment whereby it is believed the due Execution of the Writ of Fieri facias issued on the behalf of the Honorable Company in the Action pending in the Supreme Court at their suit against Mr. S. P. Arathoon lodged by me in your Office has

has been frustrated inasmuch as it is reported to me, that on the European Bailiff being driven to the Premises of the Defendant he delayed to enter the Defendant's House which was then open, but by parleying with parties attached to the Defendant, he permitted the Doors of the House to be closed against him and thereby suffered himself to be prevented from Seizing property pointed out to him is belonging to the Defendant. The refusal to perform the Duty has been on the part of the Native Bailiff named in the Warrant, for it being considered by Mr. Cherry advisable that a native Bailiff should remain on the Premises for the purpose of effecting an entrance into the House and Seizing the Furniture &c as opportunity might offer, I did myself the honor of seeing your Undersheriff when it was arranged that a native Bailiff should be ordered to attend as wished by Mr. Cherry, but from enquiries it was found that no native Bailiff was at the Defendants House as required and a Writer in the Treasury by Mr. Cherry's directions spoke on the subject to the native Bailiff named in the Writ when he positively refused to go to the Premises unless the European Bailiff attended with him. I need hardly remind you that such misconduct on the part of your Officers renders you liable to heavy losses in the event of Parties aggrieved proceeding against you, for as I am instructed, it can be proved that the House of the Defendant has been open at several times since the Writ has been in your Office, that there have been ample opportunities of effecting a Seizure.

3 I have been told that the Officers are not sufficiently paid to expect exertion on their part. If such be the Case, it ought to be altered, and the sooner the better, but I apprehend the evil does not consist in the Officers being underpaid, but in the incorrect principle

principle on which they are remunerated. I understand an Officer has a standing salary from Government and in addition to this he has Batta at the rate of One Rupee per mile for any distance he goes for the purpose of Executing Writs and this Batta is demanded of the Suitor by the Bailiff whether the writ be Executed or not and is again demanded for each time that the Officer thinks proper to proceed in search of the Party against whom the writ is issued or his Goods and whether any benefit arises to the Suitor or not. It is so evident that such a system of payment holds out such very strong temptations to the Officers to betray their trust while on the other hand there is no incentive to zeal and activity that I need hardly trouble you with any further observations on the subject. I will only add that in England an Officer is paid only if he succeeds in Executing the writ and that if he fails he obtains nothing for his trouble. I doubt not the origin of the Batta in addition to the monthly Pay given by Government was a mere gratuity to insure Execution of Writs but now demanded as a right. I believe the Batta is not legally demandable and has grown into an abuse from long acquiescence and from Suitors not being now able to trace the origin of the demand.

4. I have the honor to request that you will give notice to The Reverend Mr. Blenkinsop of the Seizure you have made of the House in his possession and require him to pay to you any Rent now due from him in respect of that House.

The humble Petition of Rayava Dossen
Son of Sevalaula's Sister -

That in consequence of my Property having been unlawfully sealed by your Officers, I beg leave to bring the following to your notice to prove that that property does not belong to Nurseo Laulah against whom an action is now pending in the Supreme Court instituted by Seva Laulah - my maternal Uncle -

That I have had 3 Grand fathers Viz.t Beeja Sing Ram Sing and Nurseo Laul The first named Beeja Sing had a daughter named Soobathara beebee my third Grand fathers wife Guntha Beebee, having had no children adopted the said Soobathra beebee, and married her to my father Hasin Sing on their marriage, the said Guntha Beebee gave them a house and some Jewels - some time after I was born - and on the death of my mother, Soobathara Beebee She delivered me over to my adoptive Grand mother Guntha Beebee at this time I was 5 years of age Some time after this my father being a widower, the said Sevalaula took 1000 Rupees from my father and gave him his sister Ramcoos beebee in-marriage. She also died her patrimony 2000 Rupees left by her father - Ramsing was also taken by the said Sevalaula -

After this my Grand mother Guntha beebee too died who left me by Will property as follows -

1. Garden and House at Pilpauk
1. House in Soorcaram Street - Black Town
2. Houses in John Pereira town with 4 Bazars attached thereto -

Besides all her Jewels and house hold property -

The above said Will and all the property is kept in my Grand father Nurseo Laulahs house because I am a minor and is still living with

with him under his care according to the stipulation of the said Will—

While so, the said Seralaulah by virtue of decree of the Supreme Court against Nursoo Laulah on the 17th Instant / March / Sealed Several apartments of his house wherein all my property is kept— besides they have sealed my fathers house &c Why or wherefore this illegal proceeding was resorted to I cannot surmise for I nor my fathers owe Seralaul nothing— If Seralaul has any claims on Nursoolaulah / altho he is my adoptive Grand father / it is illegal to seize my property altho I live in Nursoolaulahs house It is true, he acts and manages my affairs as my Guardian— for which some consideration is held out to him—

Having stated the particulars of the circumstance of my affair so far as I am connected with the said Nursoo Laulah and the position I now stand in at present— I humbly beg to crave that measures may be taken to restore both mine and my fathers property— or if this cannot be done without instituting a Suit in Court— I pray that the Will left by my Grand mother which is now sealed in a room of her house with other property may be made good to me in order that I may be enabled to prove what I have stated above— and recover my property which is illegal now under distraint—

The Humble Petition of Rogava Dos Minor of 15 years age

Humbly Showeth

That in Consequence of one Seva Lalah having filed a suit against one Nurso lalah in the Supreme Court judgment was passed against the latter

By Virtue of the said judgment my property has been unlawfully seized how this inconsistency took place I beg leave to state Most Honored father will Consider the poor Minor Circumstance—

That I am the adopted Son of one Guntha Bebee wife of the above said Nurso lalah on her death she having had no Children she bequeathed by Will all her property left to her by her parents to me Conditionally—i.e.—that all this property should be in the Care of both my father and adoptive father the said Nurso lalah. so long as I remained a Minor I am still a Minor and Consequently all my affairs was manged by the said Nurso lalah thus as all my property was in his Charge the said Seva lalah seized them as belonging to Nurso lalah—

To prove the above facts is beyond my means at hand I am the Will left by my adoptive mother Guntha Bebee together with other property has been seized and is now in the Custody of the Deputy Sheriff I applied to the Deputy Sheriff for the Will but to no avail I have even sent a lawyers notice to the Deputy Sheriff to that effect but to no avail—

Therefore as I am divested of all my property I have no means at Command to proceed against Seva lalah for Recovering the same even to do this. I do not know why I should without any Cause incur expences the action brought about is against Nurso lalah and not against me therefore I do not know why I should unlawfully and innocently suffer—

Moreover My Good father The houses which are sealed for this action Late Judges time do not belong to Nurso lalah this is well known not only to

to Mr. Crumpton but by the Records of the Supreme Court also these houses and Garden were onde before sealed in an action by Mr. Casamajor against the said Nurso lalah and it having been proved that the said houses and Garden did not belong to the said Nurso lalah Constituting as Family property they were Released—

Therefore my Good father I most humbly Crave your honor will sent for the above said will & see your Hesping Eye then my property give me if other man property let give him

To
The Registrar
of
The Supreme Court Madras

Sir,

I beg to acknowledge the receipt of your letter of the 5th Ultimo with the Table of fees which accompanied it and have the honor to submit for the consideration of their Lordships the Judges the following observations regarding the proposed New Table of Fees -

With Regard to the Item "For poundage on every debt levied, not exceeding Rupees 1,000. 5 per Cent. on every Sum exceeding Rupees 1000 - 2½ per Cent which might admit of a double interpretation I would suggest the substitution of the words - "For poundage on every debt levied not exceeding Rupees 1000. 5 per Cent. and on every Sum after the first Sum of Rupees 1000 2½ per Cent.

With respect to the same Item and with Reference to the Ords Course of the 5th April 1845 - which enumerates among other fees appearing to their Lordships not to be sanctioned by the Table of fees as settled and approved under the Charter, the following fee "For poundage on the execution of

of a Ca Sa. which had been always received previously to the issuing of the said Order of the 5th April 1845. I would submit that the Sheriff is legally entitled to such poundage under the existing Table of fees and would be so under the proposed New Table, as at present worded, unless the same were Specially excepted, it having been always held and so decided here by the Supreme Court on the 27th March 1834 in Strange -v- Annas-awmy, that the debt is levied by the due execution of a Ca Sa. as was also the Case in England until the passing of the act 5th and 6th Victoria, which has not yet, so far as I am aware, been extended to this Country.

With respect to the Item "For execution of all processes or other matters relating to his Office beyond the limits of Madras" I would suggest the substitution of the words "beyond the Fort and Black Town of Madras in addition to the other fees per Mile. which will include the Batta hitherto Charged an allowed to the Bailiffs as well as that on services beyond the limits of Madras.

In the next Item "For keeping possession of Goods &ca. I would suggest the Substitution of some more appropriate word or words "Goods" not being Mentioned in the Charter except in the Marginal Note.

To the last Item but one I would suggest the addition of the words "and postage.

Previously to the Order of the 5th April 1845 a charge for taking Inventories and putting goods into lots when necessary was made and allowed. I submit that these do not come within the duties of the Sheriff for which his poundage is considered a remuneration and that inasmuch as they in most instances entail a considerable additional expense on the Sheriff a reasonable allowance should be made for these

these services when necessary.

As it is desirable that every thing which the Sheriff or any of his Officers may be entitled to Charge should be particularly specified in any new Table of fees I would mention that a fee of 2 Rupees has always been paid for the attendance of European Bailiffs and of 2 Rupees for a Crier at Sales and also a fee of 1. 8. for Bailiffs attending a Solicitor to be examined and afterwards before the Court or a Judge to swear Affidavits that may be required of them. These Charges appear to be reasonable and I therefore submit them for the Consideration of their Lordships.

In conclusion I would beg to remark that inasmuch as the Sheriff is but a temporary Officer of the Court, and has not the means at hand of informing himself correctly as to the Charges allowed to that Officer in England, it would perhaps be unjust that his Successors in Office should be prejudiced by his omission to notice any thing to which they may be fairly entitled. I would therefore suggest that some such Clause as the last in the Table of fees at the Cape of Good Hope made in 1838 of which I have the honor to transmit a Copy for their Lordships information should be added to the proposed new Table of fees as regards the Sheriff.

I have the honor to be.
