To
I. I. Franklin Esqre

Sir.

Some few days since I called at your Office to shew you a note for Company's Rupees 1,200 which I had paid, this deducted from Messrs. Henrick's account left a balance against me of little more than Eleven hundred Rupees. This balance I am prepared to meet, if I may be allowed to pay the amount in instalments and I requested in an official letter subsequently sent to you and Messrs. that the term of grace might be granted to this letter I have received no reply. Mr. Shaw suggested that there was little likelihood that any objection would be raised, no objection of any kind has been communicated to me, and yet I have received an authority from you to withdraw my property from the hands of the persons in charge of Messrs. Henrick's Godowns and to my great surprise, after the several communications that have passed between us on the subject I see that the whole of it is advertised for sale on the 3rd instant. I request that you will have the goodness to order it to be withdrawn at once, or to state what are the objections to the arrangement I proposed for liquidating the Balance due from me to Messrs. Kenrick & Co.

Sir,

Your Circular dated 13 Instant was put into my hands only this morning.

In reply I beg to state, that the claim in question, was occasioned by Messrs. Henrick & Co. having employed me to assist them, and I was therefore allowed to draw a small sum monthly to meet my private expences and to take such articles from their shop for my own use, as I may from time to time require.

During the period I was so engaged, the bills in question were never presented to me nor did I believe to exist, because I was fully assured, that the small sums I drew upon their Cash Keeper and the trifles I took from their shop were positively to be my monthly remuneration for the Services I rendered.

I would be better satisfied if I could wait on you, to explain matters more fully, but I am so situated that I can find no leisure but on a Saturday. I will therefore seek that day and I trust you will please bear with me till then. I also to obtain your permission to remove some trifles I left in their godowns while I lived in Messrs. Henrick & Co's Shop.

Sir,

I received on the 2d Instant (saturday) your letter of the 30th Ultimo. I asked Mrs E Leost if she knew any thing of the Bonnet Bride charged in Messrs Henrick &co's Bill, but her reply was in the negative.

The entry from Messrs Henrick's Book shewing that both the Hat and the Bonnet Bride were purchased by my brother in person, his recollection of the purchase of the former article only gives weight to his supposition, in the absence of proof, that somebody else was the purchaser of the latter article - Be this as it may - I cannot when he doubts the correctness of the charge, admit it and pay it, in his absence.

I would therefore suggest your receiving the Money for the Hat at present, bearing the charge for the Bonnet Bride to be settled when he returns to Madras which will be about the end of the year if not earlier -

Sir,

I have to bring to your notice that at the time of the Seizure by you of the premises of A. Cundasawmy Moody, situated on the Mount Road, under the Writ of Fieri Facias sued out by Herahoose and another, there were among the Papers belonging to A. By the Decree of the Court made in the Suit of Brooks Assignee for Herahoose and another, that execution and all proceedings thereunder have been decreed to be void, as against the Assignee of the Insolvent. When Adamson one of the Partners of the said Firm sent me the bills in question on my return in 1856, I wrote to inform him that I had never received any part of the Money due to me by the Firm, and that Consequently they were indebted to me. After this, he never sent me any bills, nor made any demand, as he was satisfied that my statement was Correct. If you will refer to the papers of the Firm, or the Correspondence which passed between me and Adamson, you will at once see the unreasonableness and injustice of the present demand &c.

My Dear Sir,

I did make the promise you have referred to and in order to fulfil it at once went to Mess.rs Richardson &c.s and priced all my property at such low figures that I thought I should ensure a Sale it so happened however that from one Cause and another, the things have scarcely been seen and only Rupees 120 have been sold I am however of opinion from having seen one of the Firms today and from the enclosed Communication that the things will very shortly be sold and in that Case there will only be a small balance if any for me to pay. Under these circumstances I trust you will give fair play to the Sale, the proceeds of which are all to go to the liquidation of Mess.rs Kenricks Claim and I must add, it is not fair to press me for immediate payment, when the money would have been realized long ago, had not the things been kept locked up for so many months. Trusting that this will be satisfactory.

I Remain

Sheriff of Madras

Sir,

In reply to your last letter, I have to state, that although I was under the impression, that I had satisfactorily explained in my letter to your address dated 20th September last in reply to yours of the 13th same month how the claim you prefer against me in behalf of Messrs. Henrick & Co.s had accrued - yet as you appear disposed to require further evidence I accordingly beg to submit that agreeably to my request Mr. Henrick called at your office and distinctly stated to your Deputy, that I was allowed to draw Fifty Rupees a month, as a remuneration for my assistance in the correspondence departments of his late Firm &c - This sum to the best of my belief I affirm - I neither fully drew, nor did I ever make it up by taking articles from their Shop - The date I was asked to assist them was about the middle of April 1856, and I thus continued to the 12th September 1857, comprising a period of 17 months which at the rate of 50 Rupees a month, amounts to 850 Rupees from which if your claim of Rupees 1225-15 be deducted, it yet leaves a balance of Rupees 624-1-- in my favour If you will please cause a reference to be made to the Books of Messrs. Henrick & Co.s you will I am sure find a balance in my favour - Independently of the aforementioned circumstances, your claim proves a striking fact in my favor

For if I rightly recollect the Bills presented to me for payment, are dated from October 1856 to September 1857 - A period of 10 months - Even confining my demand against Messrs. Henrick & Co.s for services rendered during this space of time, I am entitled to Rupees 500 - - - from which if the amount of their Bills be deducted, it shall leaves a balance of Rupees 274-1-- in my favor - Even waiving what may be due to me for the past months, and confining my remarks to the period for which you have claim against me, you will clearly see that under all the circumstances of the case, I am quite warranted against the estate and I have therefore to request that you will please cause a final adjustment of the account in question, and order the balance to be paid over to me, as I think it very hard, that I should go unrewarded for my services, and still be called upon to pay a demand which I disclaim -

I most respectfully beg permission to remind you of your kind promise to plead my Cause with the Judge of the Insolvent Court in view to my being discharged from incarceration

I beg you will kindly be pleased to explain to the Presiding Judge the utter impossibility of my paying the large Sum of Rs. 340 or thereabouts (being the Amount of the Writ which brought me here) as well as the circumstance which put it out of my means to pay even the few Instalments amounting to but 14 Rs. on which account the old unpaid Instalments appear to have been included under rule being made absolute, but as this is the most busy time of the year in my profession which you may be aware of and as I hope and am almost sure of doing a good business. I venture to promise to pay my Instalments regularly in future together with 3 Rs monthly towards the amount for which I am in "Prison" and I entreat you will kindly move the Court to order my appearance in Court this day when I may be heard and my case disposed of.

I humbly entreat your Commiseration of my case, for which I and my family will feel infinitely Grateful.

I beg respectfully to inform you in reply to the demand

made by you on the 19 October last which reached me on the 24 of this Month respecting the 2 Bills said to be due by me to the said Firm. I left goods in the said Firm for commission sale of which there was a remainder amounting to Rs. 107-10-2 to be sold and the account thereof remaining unsettled till this day.

With regard to the Bill amounting to Rs. 88 Vce I beg to state that an Item of Blue Ink Rs. 6-12-- which was not delivered and was consequently struck off from the Memo of Goods delivered is erroniously entered in the Bill which if deducted there is I admit a balance of Rs. 81 Vce due by me to the Firm.

With regard to the other Bill I admid having purchased the articles in the Auction Sale and not any one of the Items in the Bill were delivered to me. But if it is urged on the contrary that the articles were delivered to me, my signature should be found in their day Book.

Under these circumstances I beg you will be good enough to deduct Rs. 8 Vce being the Sum of one Bill out of Rs. 107-10-2 the Amount of my Bill a duplicate of which was duly Submitted to the above Firm on the 26 June 1857 and remit to me the balance Rs. 26 Vce and I am quite willing and prepared to Submit if necessary vouchers connected with the affairs bearing the Signatures of the Defendants.

I will ascertain what progress has been made in the Sale of the property belonging to me, in order that I may make you another payment.

I beg to bring to your notice that the Original debt was nearly 1200 Rs & that you nearly have been paid. It is also but just to myself to state that my property was locked up for many months & I was thus prevented from realizing the value finally - when the last payment was made some 4 or 5 months grace was promised me as I have state that I could not without inconvenience pay the debt in the way I had at first intended I do hope that under these circumstances you will not press me for the present. I will make you a payment next month. Believe me to remain -

Sir,

Your letter to Mr I Sent Jr under date 12th February last having been refered by him to me, I feel called on to address you for the purpose of explaining that I do not conceive there can be any thing due by him to the late Firm of Messrs Henrick &co, inasmuch as I Sent them some property for Sale with the express view of meeting his liabilities a point on which the late Mr Adamson was thoroughly advised

Sir

With reference to your letter of date 12th February last demanding payment of Sundry Bills alleged to be due by one to Messrs Henrick & Co. I beg to Sate that whatever Sum of Money may appear in their Books to my debt must be more than balanced by the amount for the mining to my Father in law Mr Hickwick, out of the Nett Proceeds of certain property Sent by him to them for Sale, upon an understanding expressly entered into between him and the late Mr Adamson, a partner of the Firm, that such proceeds should be carried to the account of my liabilities, which to the best of my recollection are as already intimated more than covered thereby In confirmation of this my Statement I enclose a letter from Mr Hickwich, which it may not be amiss to add that is so far from their being any thing owing by me to Messrs Henrick & Co they are in point of fact indebted to me in the Sum Rs 50, being my Salary for the month just preceding the close of their Concern.

With humble respect & due Submission I beg to bring to your honors kind notice that the last time the sale of my property was to take place you were very kindly pleased to stop the sale of my property on my petitioning your honor on the Subject and stating my reasons for so doing. but unfortunately as I have not as yet procured the money at the time appointed in Consequence of my being in Jail and the Mohurrum festival coming in at the interval. I beg most respectfully in the name of the God above to grant me a further time of ten days and no later to procure the money as promised for I have written to many respectable friends of mine for the needful assistance and which I shall get in a day or two. Independent of these I shall most certainly get the money from one Shaick Ahmud whom he gets his claim in the Estate of the late Nabob Government having already tendered his claim of 14000 & odd Rupees 7 or 8 days ago Consequently I would humbly entreat of Your honor to grant me the needful favor of further Extending the time to ten days as my property will be utterly remined by selling at a lower value than their actual worth thereby leaving me in the same State and nothing better towards the liquidation of my debt for which act of kindness and Charity I with my family will receive with the humblat gratitude praying to the God above for your honors long life and welfare.
