Sir,

Though unwilling to be troublesome the urgency of our cases
are such as compells us to lay them before you.

We regret to state that this morning Mr. Haines the
keeper of the Jail prevented us from going to the Preeves intended
for us and ordered to go to other Preeves intended for Mussellmen
& Pariahs. In reply we told Mr. Haines that as we are all Caste
people it would be highly objectionable to carry his orders into effect
and begged at the same time to allow us to go to the usual place this
request was not complied with and Mr. Haines ordered the
Sarnadar to have the cells cleared and told us that if we were to act
contrary to his orders he would send us to the cells.

Under these circumstances we beg very respectfully to request
you will kindly inspect the place and grant us the usual indulgence
for which kind act we shall feel very thankful.

Respected Sir,

We the undersigned Debtors in Her
Majesty's Debtors Jail beg leave most respectfully to
bring to your honor's kind notice the management of the
present Jail and trust the same will receive your
goodness favorable consideration.

1st The poor people suffering much having no
place to eat our meals according to cost.

2^d There was an allowance of Lamp Oil for the
Church which the Jailor has discontinued for the last 8
months we do not know on whose orders on our asking him
for the same, he says that he is about to break the Church
and that he will not issue the Oil.

3^d Every quarterly there was an allowance of 3 Lin
Pots for the Water Pundal the Jailor has discontinued since
a year we have no Lin Pots to drink water.

4th Either to there was no practice to make us all to
stand in a line just like a regiment without distinction
of Cast and make us to do stand for half an hour twice
a day this we think some thing like parade and this
practice is not deserved by the Jailor amongst the East
Indians for this we very much begged formerly the Jailors
more in the habit of Call out our names at our places & see
us all present the former practice is used now observed
amongst the East Indian & not with us.

5 We have nothing whatever to do with him we are
quite make no trouble in the nights to pass our time we
merely by reading slowly our Books we do pass until
nine o'clock for which the Jailor shows his first &
say that he will not allow us to read & that he will send
us

us to the cells if we read this is really injustice to us
as we look to you as our protector during our stay in
here we trust you will render justice to us.

We beg to remain

difficulty is that I have no means of ascertaining whether the parties
for service on whom Process is transmitted to Bangalore are resident
within the limits of the Cantonment or not.

3 The summonses &c as a rule only mentioned Bangalore, as
the place of residence without stating anything about the Canton-
ment.

4 Under these circumstances I have hitherto considered it my
duty to forward all process to the Dy. Superintendent Bangalore

District for execution

I shall however have no objection to transmit all process to your Court provided you will undertake to give service thereof by the proper Court in cases where the parties reside beyond the limits of the Containment

Official Memo

The Sheriff of Madras has received a letter from the Native Debtors in the Grand Jail complaining of several grievances to which they allege they are subjected.

The first complaint about their having no place to eat their meals, according to caste, was disposed of when the Sheriff visited the Jail on the 23^d Instant.

With reference to the second complaint about lamp oil for the Church, the Keeper of the Jail is directed to supply a sufficient quantity of Oil per day to keep the light in the Church burning until 10 O'Clock at night.

With regard to the third complaint about tin pots, the Jailor will supply the usual quantity quarterly & send in a bill for the same.

With reference to the fourth complaint about the Native Debtors being made to fall in twice a day the Sheriff sees no reason to interfere with the Jailor in that respect, as it is necessary that there should be some order that the Jailor should satisfy himself daily that his Prisoners are in custody.
