I had occasion in may last to trouble you with a letter on the Subject of a Soldiers (William Green's) Subsistance which had been put under Stoppages for some time, when you were kind enough to order his Pay to be given to him, as the poor man has again been put under Stoppages (I Believe ever since December last) and as he is returned on the Strength of his Corps as appears by a letter from Sir Charles Burdett to the Sheriff, in reply to his enquiries on that Subject, I again take leave to apply to you in his behalf and beg you will be pleased to direct his Pay with the arrears due, to be paid to him -

I beg leave also to make the same applications on the part of another Soldier Joseph Francisco, a Private in His Mys 19th. Regt. L. D. who is labouring under the same mental derangement as Green I inclose a letter from those men to the Sheriff on the Subject and as you their situation is truly distressing and I Believe you will agree with me that two fanams a day is not sufficeient for any European to subsist on - Rose is a Soldier confined for the same Crimes who has his pay sent to him monthly

I trust under these circumstances you will consider the Case of these poor men and if they are entitled to draw pay that you will be pleased to order it -

Copy of a Government Letter to the Sheriff respecting the Native Fund
Dated the 2d and Received the 8th March 1810.

To
The Sheriff
of
Madraspatnam

Sir

The Right Honble the Governor General in Council having determined that the Native Pension Fund shall for the future be applied to the purposes for which it was instituted, is pleased to direct that with reference to the 8th Article of the Regulations for that Fund, every application for a Pension to the family of a deceased Servant in the Public Office under your Control shall be prepared and submitted to Government in the Manner prescribed in the accompanying Form 2d.

His Lordship in Council has Resolved as a General rule Subject however to such exceptions as peculiar Circumstances may appear to demand that the Pension to be granted to the family of a deceased Native Servant, whose Salary was not less than Thirty Pagodas p Month shall not exceed one fourth of that Salary; that if the Salary was less than Thirty but more than Seven Pagodas p Month the Pension shall not exceed one Third of the Salary; and that if the Salary was not more than Seven Pagodas p Month the Pension shall not exceed one half of the Salary - It is at the same time to be understood that this Resolution is intended merely to limit the Amount of the Pensions to be granted, but by

no means as a pledge that Pensions will not fall Short of the amount thereby authorized as often as the Circumstances to be specified in the accompanying Form, and the State of the Pension Fund may be Considered to render Such further limitation, just and proper.

You will be guided by the foregoing Rules, in regard to
3- the amount of the Pensions which you may propose for the families of any deceased native Servants under your Superintendence -

As it appears to be equitable that the Native Pension
4- Fund should be Charged with all Pensions which have been granted Since its establishment, I am directed to desire, that you will prepare a Statement of the amount of Such pensions in the public Offices under your Control, and also a Modification of them, agreeably to the Rules explained in the preceding part of this letter.

Sir

It being discovered that one Narasimma Charlo an Inhabitant of Madras had absconded to a Place called Pombadara Cautam near Chengleput to avoid the Process of the Supreme Court in an Action Commenced against him by Mr. George Taswell a Special Bailiff with others to assist him was sent up for the purpose of arresting Narasimma charlo and bringing him to Madras to answer the demand of Mr Taswell

Narasimma Charlo was in Consequence arrested and taken at the above Village on the 1st January, last and almost Immediately thereafter removed by Mr. Taswell the People belonging to the said Village as is detailed in the Inclosed Copy of the return made to the Supreme Court, the facts of which are previously verified by the affidavits of the Special Bailiff and those who accompanied him —

In Consequence of the return the Supreme Court Issued a Writ of attachment against all the Parties concerned in the Rescue including Narasimmah Charlo to apprehend them and bring them to Madras, to answer to the Supreme Court for the Contempt shewn to its Process. Two of the Party have been arrested but Narasimmah Charlo continues to set the Process at defiance and rests apparently in Perfect safety at a Village called Sullatoor having the whole of the Villagers as well as the Zemindar in his favor —

As it is well known he has absconded with large property on purpose to evade his Creditors and as his Success in Eluding the Process of the Supreme Court will have a very dangerous tendency, and will set a most Pernicious Example to others inclined to do the like; I have on the Authority of the Affidavits

to request you will be pleased to Submit this letter to the Honble the Govr in Council and obtain permission to Issue the necessary orders to the Judge and Collector of Chengleput to aid and assist the Persons who may be sent by Me to apprehend the said Narasimma Charlo and those named in the Writ of Attachment who have not already been seized —

Sir,

I beg leave to State to you for the information of the Honorable the Governor in Council that two Writs of Capias ad Respondendum Issued out of the Supreme Court of Judicature in April 1808. at the Suit of James Waddle and Harry Harwood Smith Against C. R. J. Ellis Esquire, that a Sworn Bailiff was in Consequence dispatched to Ganjam in Order to execute the said Writ that on the 12th. day of September following the said C. R. J. Ellis was legally Arrested and taken into Custody by the said Bailiff

That the Bailiff in the due Execution of his Duty, had proceeded to Masulipatnam on his way to Madras with Mr Ellis in his Custody, that Mr Ellis Refused to come on to Madras and made frequent attempts to escape and repeatedly beat and otherwise ill treated the Bailiff, that the Bailiff applied to Mr Townsend the Judge and Majestrate at Masulipatnam for assistance but Mr Townsend Refused to afford him any. and Mr Ellis in Consequence effected his Escape

That on the Return of the Bailiff to Madras the aforesaid facts were verified by affidavit as annexed and the Court granted a Rule calling on Mr Ellis to shew cause why an Attachment should not Issue against him for a Contempt that on the 13th. day of November 1809. the Rule was duly and Personally Served on him at Barumpore but he paid no attention to it

That the Supreme Court has in Consequence Issued an Attachment against Mr Ellis for the Contempt shewn to its Process but he having effected his Escape and retired it is believed

believed to Rajamendry for the express purpose of Eluding the Service of the said Attachment, it will be Impossible for any Officer of the Sheriff to Execute the said Writ without the Aid of Government.

I beg leave therefore that you will be pleased to obtain the Sanction of the Honble the Governor in Council to Issue the Necessary orders to have Mr. Ellis removed to the Presidency to Answer the said Contempt.

William Olpherts Esqre
Sheriff of Madras

Sir,

In Consequence of an Advertisement published by you of the intended Sale of an Upstair House in Fort St George as the property of Audepullee Bala Goorwapah Chitty by Virtue of a Judgment obtained in the Supreme Court against him at the suit of Lingola Vanugopaloo Chitty I have been instructed by Causee Chitty and Soobroo Chitty (who are two of the Kinsmen of the Defendant Audepully Bala Goorwapah Chitty) to acquaint You that the House above referred to is not the peculiar Property of Audepullee Bala Goorwapah Chitty, but is part of a family Estate in which they have claimed to participate and that in Respect to such Estate a Decree of the Supreme Court for an Account has already been made and is now in prosecution

I beg you therefore to take Notice of these particulars and that the Title of Defendant Audepullee Ballagoorwapah Chitty to the House in question is only that of Tenant in Common and is moreover such an Interest as on the part of my Clients, I submit to you is not Subject to a Writ of Execution for his private Debt

Extract of a letter from Mr William Pitt His Majestys

Dated 13th May 1811

A Topmast that was made for the
Chichester was last night between the Hours of Ten and Eleven
discovered to be half cut away in the Heel and the Sheave gone
Foreman to the Master Attendant Rogers Coming home was
directed to the spot by the noise of hammering - The Sentry so
disposed to challenge, as to give pleanty of time for the Thieves to
make their Escape, and as a proof of a party concerned, therein,
he fled from his Post also, that this is too glaring and indeed too
Shameful not to be attended to - the Mast lays about Two hundred
yards from the Captains House, where there is a Subalterns
Guard no European officer was there, and Rogers could not get
that assistance Required, but the Sentrys' name I should
presume could be easily traced as the hours and position
can be clearly pointed out and without some very serious

Example the plunder and mischief will very naturally increase

I have the honor to acknowledge the receipt of your letter of this days date together with a copy of a letter from His Majestys naval Commissioner to the Secretary to Government complaining of the Depredations committed on the Wrecks of His M.Js Ships on the Beach and requesting from me all the Information in my power concerning the many depredations therein stated

In reply thereto I beg to assure you that during the very many visits I daily make to the different parts of the Beach I have ever found the European Police Constables and native Police Officers and Peons attentive to their Duty in preventing as much as possiable Depredations from being committed on the various part of the Wrecks and that they have in many Instances succeded in recovering many Articles stolen from the Wrecks of His Majestys Ships which have all been sent by me to the

Naval Store house with the articles landed from the Dover

The offenders are principally Boat men who, when pursued by the Police Peons, throw away the property stolen and escape into the Surf Corporal punishment has been inflicted on such offenders that have been taken and there are now seven of them placed to hard labour on the roads by order of the sitting Magistrate

A Darroogah in the Police office named Mootall Naig has been particularly attentive in recovering stolen property he makes daily reports to me of such circumstances as come within his own knowledge and in one instance complained of violent abuse given to him by some Sepoys whom he had detected in attempting to take away some part of the Wrecks (Paragraph 3 really believe if the Sepoys stationed on the Beach had been as attentive as the Police Peons on the late Melancholly occasion that the Depredations complained of would have been prevented

My Lords

I beg leave to state to your Lordships that on taking charges of the Sheriffs Department it was suggested to me by Mr. Blyth the Deputy Sheriff the necessity of some additions and alterations, as well for the improvement and security of the new Gaol as also for the comfort of the unhappy Persons confined therein

In order to ascertain the necessity of making such Report to your Lordships I thought it proper to wait a few months and by personal visits during the hot season ascertain if the improvements suggested by the Deputy Sheriff were such as to warrant my request to your Lordships interposition with Government to have them carried into effect

From the observations I have been able to make aswell as from the frequent complaints of the Prisoners I do not hesitate to state that the Cremenal side of the Goal is far too Smale for the Number of Persons frequently (I may almost say constantly) confined therein the Cells are too small the Court yard too much confined and the Out Offices altogether for convenience by no means adopted for the comforts of the differents Casts of Prisoners confined

The Debtors side altho it embraces a larger space of Ground is not sufficient for the Number of Debtors as on many occasions four and sometimes six persons are Confined to one Room, and many respectable Persons are reduced to the Mortifications of being confined to a Room with persons of an inferior Cast the out offices also are

To W. J. White Esquire
Sheriff &c

Sir I am desired by M. Jacob arathoon to give you notice that the large Garden with sundry Houses erected thereon known by the name of Gregonio's Garden situate near the Black Town Wall and seized by you under an execution in this Cause are not the property of the Defendant nor has he any Title Deeds or Conveyance for the same or any part thereof. such Title Deeds being in the name of M. Jacob arathoon and now in my posession ready to be produced and shewn to you should you desire to see them -

I am also desired to inform you that in April 1805 an agreement was entered into between the Defendant and M. Jacob arathoon relative to the purchase from the Defendant of some Nabobs Bonds by which it was stipulated that on certain conditions being previously performed the Defendant should have the Premises seized by you (with other Ground adjoining thereto) and receive a legal title to the same - those conditions have not yet been performed nor is it likely they ever will - and of course the Defendant has not been entitled to receive and has not received the Title deeds or any legal title to the Premises seized -

I have also to give you notice that a Bill on the Equity side of the Supreme Court to enforce the performance of the agreement so made and to compel M. arathoon to give such Title deeds, was instituted by the Defendant Wefsthakar ud Dowlah in the year 1807 - To which M. arathoon put in his answer, and on the cause being set down for hearing on Bill and answer the Defendant was allowed to withdraw the

the Cause before any Decree was made and permitted to examine Witnesses to controvert the facts stated in the Answer of M. arathoon Witnesses have not yet been examined and the Cause is still pending in the Supreme Court -

you will therefore see that by proceeding in the Sale of the Ground and Houses seized and advertized for Sale, you may incur a contempt of the Court, and you will also see that were you to sell, as Title can be given to a Purchaser the Defendant not having any legal or Equitable title to the Premises seized - and I now acquaint you that M. Jacob arathoon will hold you personally answerable to him if you proceed to a Sale after this Notice Dated this Twenty Eighth day of August 1812 -

Sir

I am instructed by Tanjore Narrain chitty and Tanjore Tondava chitty Brothers of the Defendant above named to give you notice that the House and Ground situate in Moottal Pettah No. 3 Tomboo Chitty street which you have advertised for Sale this day forms a part of the undevided Family Estate and Property, and that the same is therefore not liable to be sold for satisfaction of any Debt which may be due from the Defendant to the Plaintiff, altho as I am instructed no such debt Really Exists, and that in truth the bringing of this action has been a Contrivance on the part of the Defendant (in Collusion with the Plaintiff) to defraud my clients of their share of the family Estate

Tanjore

Tanjore Balakistna Chitty the late Father of my clients and the Defendant, left a will whereby he bequeathed about 40,000 Pags. to be Enjoyed equally by his three sons, which will (my clients being then Minors) the Defendant proved in the late mayors Court and obtained Probate, and thereby became possessed of the whole family Estate, which he Assumed the management of, maintaining and supporting my clients out of the Produce thereof, and availing himself of the controul over the Property which he so possessed. I am instructed that he has grossly deceived his family and misapplied a great part of the Estate.

You will therefore be pleased to take Notice that the Property you have advertised for Sale is subject to partition between the Defendant and his Brothers, and that no Partition has yet been made of the family Estate, altho frequently demanded by my clients without Effect. and I therefore trust you will not after this Communication proceed to Sale of the Property in question, more especially as by a Solemn Decision of the Supreme Court at the Sittings after the last Term it has been declared that the Head Member of an undivided Hindoo family cannot by the Hindoo Law, without the knowledge and full Concurrence of his Co-Heirs alienate any of the family Estate or Property. I have also to request on the part of my clients that you will under these circumstances forthwith remove your Seals from the Premises advertised as it is the family dwelling House.
