Mr. William Gray became indebted to Mr. John Arathoon in the sum of 700 Star Pagodas and that on the same day, in order to securing payment of that Sum with interest at the rate of 10 ₱ Cent per Annum in six Months, Mr. William Gray made his promissory Note in favor of Mr. Arathoon whereby he promised to pay the principal debt and interest, and declared that he had mortgaged (for better Securing the payment) a Company's grant numbered 1858 of a House and Ground situated on the mount road according to the particulars specified in the grant.

The document of title to which the Promissory note has reference, is a bill of Sale (registered in the Collectors Cutcherry) made by Ingoova Maanaro Thistniah on the 12th July 1813 in favor of Syed Sibghatoollah, and by him on the second day of August in the same year transferred by indorsement to Mr. Gray.

And not only is this document holden by Mr. Arathoon, but the house and Ground which it concerns are in his actual possession by means of Messrs. Dove and Company as his Tenants.

And the principal Sum of 700 Pagodas and interest which are payable to him by Mr. Gray's Note of the 24th October 1815 remaining hitherto wholly due to him, subject only to such allowance as may be due from him for rent received or to be received, Mr. Arathoon claims the house and ground which you have advertised for Sale on the first day of June next, as well to be lawfully and sufficiently charged in his favor, as to be properly in his possession, as mortgagee.

Mr. Arathoon therefore trusts that this Notice will be regarded by you sufficiently for the Protection of his interests so that there may not be occasion for commencement of proceedings at Law on his part consequently to the injury which you have made of this particular property. And

Sir,

On behalf of Trevettiesvarenpettah Mooneapah Moodelly, and according to his instruction to me, I reply to a written notice which on the 19th Instant you caused to be addressed and delivered to him as Purchaser on the 5th day of the present month of May for the price of 2270 Star Pagodas of a spot of ground at Chepauk which was sold by you as the property of some or one of the Defendants in several actions at law by sundry Plaintiffs against Condagadala sashachella Chetty and his kinsmen.

It has come to the understanding of Trevettiesvaren Petta Mooneapa Moodelly, since the purchase having been made by him that divers claims have been (by Notices in writing addressed to you) prefered to the ground by or on the part of Persons other than the Parties Defendants in the Actions above refened to and that by reason of those claims you have required and received from such one or several of the Plaintiffs in those actions as were interested in the portions of property which those claims concerned, security towards indemnifying you from the consequences of any wrongful seizure or Sale which may have been made by you of the property.

By your written notice of the 19th instant to Trevettiesvarenpettah mooneapah Moodelly you have required from him a tender to you of the price above mentioned of 2270 Pagodas and have informed him that if that tender were not made, the ground would be resold and an Action at Law would be instituted against him for any loss that might arise thereon.

I now

I now, by the direction of Trevettesvaren Pettah Mooneapah Moodelly inform you that he is ready and willing to Compleat his purchase, and to pay the full price, on having a sufficient and proper title made to him for the ground which you have sold —

But inasmuch as your right to sell and Convey that ground has been questioned Trevettesvaren pettah mooneapah Moodelly does not think that he should wholly part with the sum of his purchase, whilst receiving property with an imperfect title: and he therefore purposes, and offers, on your delivering to him posfession of the ground with a bill of sale from you, and the documents of title in your posfesion or power, to pay the full price of the purchase into the Government Bank of madras, there to remain untill the impediments, which have been thrown in the way of a proper title shall have been removed: and that title shall by Counsel on his behalf be approved, or by his own acquiescence, be accepted —

Sir,

I addressed to you, on the 23d May last, a notice in writing which referred to an advertisement of an intended sale by you, on the 3d instant, of a house and ground in Fort St George, as the property of William Simpson — and communicated to you, that all property of Mr Simpson in that house and ground had passed from him to assignees in trust for the benefit of his Creditors —

And as, notwithstanding that notice, you have subsequently caused the advertisement to be repeated, I now request you further to understand that the property of Mr Simpson, in the house and ground which you have seized, consists but of an undivided interest in Joint tenancy — and that any title beyond that interest you Cannot convey — for that the premises were holden by Messrs Hunter Hay and Simpson under a conveyance to them as merchants in Copartnership, and that Mr Simpson Consequently derived no title, by survivorship, in addition to his own partnership interest —

Against your proceeding to a sale of this property as an entirely in interest, Mr Simpson, as surviving Executor in India of Mr Hunters will, expressly protests — and to you, in

Case of your proceeding to such a sale, Mr. Simpson as such Executor, will look for the fullest indemnity to the estate of his Testator —

It will be for your own, and further consideration how far you may be also accountable, in Case of your proceeding to such asale, to the Register of the supreme Court, as the Administrator of the estate of Mr. George Hay —

But I request you distinctly to understand — that the house and ground which you have seized, and have advertised for sale, as the property of the Defendant, William Simpson, are the subjects of a suit in equity at this time prosecuting in the supreme Court between the Defendant William simpson and the Plaintiff Dr. Ball: at the hearing of which suit the extent of Mr. simpsons interest and powers with Reference to the premises in question, will probably be ascertained —

In the mean time this notice is given to you in order to your being fully aware of the nature of the title to the house and ground which you have advertised for sale

In consequence of your advertisement of the 30th day of May last, of an intended sale by you of ground and buildings seized as the property of the Defendant, by virtue of proces issued from the Supreme Court in an action prosecuted by Davany Ummall against Poovy sawmy Naudon a Claim to the Godind which you have advertised for sale on Tuesday the 16th instant, and which is described as bounded with brick walls and as measuring in length from East to West 80 feet and in breadth from North to South 27 feet or thereabouts, has been preferred by Poondamalee Nineapah Moodeliar, who is a Brother of the Defendant, and who states to me that he has for many years back been wholly separated from his Brother, consquently to disagreements between them having now claims upon his Brother for a share of the paternal property, but that the ground to which I have above particularly referred has been of his own peculiar acquisition and that his Brother the Defendant has been, and is, wholly unconcerned, either with it or with the buelings which are designed upon it.

Poondamalee Nineapah moodeliar trusts, therefore, that from the Circumstances which I have stated you will be satisfied that this particular property can by no means be liable for the personal debts of the Defendant and that you will withdraw your polseclion of it so that the building which has been interdupted by your seizure of the property may proceed-

But if this liberation of the property be not made, either Poondamalee Nineapah Moodeliar or the Person who has derived from him a mortgage charge upon the Ground will be under the necessity in order to Recovery of their rights of prosecuting you in the Supreme Court for the thespas upon the property

Opinion

The Treasury Bill in question never having been paid, and the Sheriff, as I am given to understand, having taken the same by virtue of a Writ of Execution issued out of the Supreme Court, which as the Charter empowers him to seize debts he was authorized to do; and the Charter further directing, that debts to be so seized shall from the time the same shall be extended into the Supreme Court, be paid in such manner as the Court shall appoint, and that such payment shall and no other shall be an absolute discharge for the said debt the proper Course will be for the Sheriff to return this Bill into the Court, and then to apply to the Court for an Order authorising him to receive payment of it that it may be applied to the purposes of the Execution under which order he will, I apprehend, be entitled to receive the same.

To The Sheriff of Madras

Sir

By the desire of Sandra Sagum Naick (who is the Son
of the late P. Ramalinga Naick deceased) I give you notice that the
whole

Whole of the Property you Seized by virtue of the Writ of Execution issued
in the above Cause and now advertised for Sale is not the Sole Property of the
said Ramalinga Naick but that the Chief part descended from one Bungaroo
Naick who was the Father of the said Ramalinga and Sandrasagaram and the
remainder were procured by their Joint labour and exertions of Ramalinga
and Sandrasagara Naicks

I am also desired to inform you that at no time any
devision of the above mentioned Property was made between the said Ramalinga
and Sandra Sigarum and that they continued to live until the death of
Ramalinga Naick as Members of an undivided Hindoo family and
Ramalinga as the eldest Member of the family having possession of the
whole of the Property misapplied and Squandered a great part thereof which
descended from the said Bungaroo Naick and that the Property now remaining
and Seized by you would Scarcely pay or be equivalent to a Moiety which
the said Sundra Sigarum would be entitled to of the Estate which descends
from the said Bungaroo Naick and the acquisitions made by the said
Ramalinga and Sandra Sigarum Naicks - I therefore on behalf of Sandra
Sigarum Naick request you will not Sell any of the Property Seized by
You but request you would release them from Your Seizure if however you
persist to Sell I give you Notice that Sandra Sigarum Naick will hold
You responsible for all Consequences

Sir,

I am induced to address you on the following subject from the great difficulties that occur in the transa of the Office of Sheriff for want of legal advice, In England well as in Bengal the Constant Practice is that the She Sheriff shall be an attorney, but in Madras the sala and fees are so small that no attorney would give his Practice, to accept of the office, Consequently irregularities have Crept into the proceedings that might amended and ultimately avoided if the Right Honora Governor would take into his Consideration, the impossib of each Succeeding Sheriff being a Competent Lawyer to with those who are too ready to take advantage if any that may through want of Form alone, be Committed

Should the Right Honorable the Governor be pleased to direct the Company's Law officers to give advice, I believe I may say that it would be agreat to Government and not more than is absolutely requis to the well Conducting the Various Duties of this impo situation

I beg to enclose Bill of Costs of Sundry furnitures and other Articles had for the use of this office, as directed to do by your letter of the 29[th] Ultimo, and request you will obtain sanction to its payment in order that it may be duly entered into my Accounts, and to remark that I could not procure the whole of it at second hand but I believe nearly at as moderate a price

Permit me as I am on the subject of the office to bring to your Notice for the information of the Right Honorable the Governor in Council that I have been under the Necessity of removing it from Mr Blyths House, being only 2 Rooms and those literally Godowns: But from the Circumstance of the Supreme Courts removal from the Fort to the Black Town, House Rent has so Considerably increased that I could not procure a decent office under the Rent of 14 Star Pagodas per Mensom

I therefore hope in this Case permission will be granted to draw the Allowance at that advanced sum the former being only 10 Pagodas

My Lords

Although I am not aware of impropriety in thus intruding on your time, yet I hope I may be excused if I address as to the expediency of adopting some mode, whereby the numerous fraudulent Mortgages in this Country might be in some degree prevented; for really the ends of Justice are defeated by the Conveyances of Deeds of Sale, Gift, and otherwise, in such a shameful way that scarcely a Decree of the Supreme Court during the Course of the year is, bona fide, carried into effect, and it actually appears by Sheriffs Books of the past year that out of 24 Executions only 4 have been levied on account of several Notices stopping the Sale of Property alledging that the Lands, Houses, or Goods in question had been Mortgaged to a third person, or some other excuse equally preventative to the proceedure of the Sale.

I am myself at this time labouring under difficulties in regard to a Sale, although I have possession of the title deeds of the Premises I am prevented proceeding to Execution, there being an Order in Equity for the production of these Deeds, and several attachments have been issued against the party, who it would appear has by some means passed them to Plaintiff in the present Cause, I am alluding to and upon which he presses Execution, but it seems to me odd how these Deeds could with propriety come in to his keeping.

During my residence up the Country I experienced equal difficulties in regard to distinguishing property; for scarcely could a Mortgage Bond be trusted to, until the period arrived of Establishing a Registry for Deeds, which happened about the year 1807 whereby every person was enjoined to bring his Deeds to the Office and prove them by Oath of the Witnesses, and the parties again authenticating the Copy in the Record by their Signature. Its Operation was found so beneficial that I believe the great decrease of litigation in the Zillah Courts may be ascribed to the ease of Decision which was the result of the authenticity of the Documents brought before the Courts.

The Benefits arising from the Establishment of a Registry for Deeds must be evident, for in case of loss by fire accident Robbery or the like a Copy of the Registry properly attested would I believe always be sufficient evidence to the party grieved.

Should this address be deemed irrelevant to my Duties and the situation I have the honor to hold, I must beg your Lordships to excuse me, and I shall only regret the loss of time occasioned by your having had the trouble to peruse it.

I remain
My Lords

I therefore with Submission think it rests with the Judges to put the Bailiff on his Oath to ascertain the particulars as I am incapable of answering for him, further than repeating the Dates mentioned by Plaintiff himself who stated at the time that the Bailiff had been severely beaten and his Special Warrant forced from him.

By Vertue of a Writ to me directed, in the nature of a Commission of Rebellion to seize the Body of one Vadovatha Ummall, I hereby Order, and warn all and any such of his Majestys Liege Subjects to join with aid and assist my Officers in the execution of their duty in this particular instance and in case of refusal or neglecting to render such assistance when called on will Subject themselves to all the Penalties of the Law in such case made and provided

(Signed) Saml. Ibbetson (L.S.)

I am opinion, that the Sheriff is not only empowered but bound to execute this Commission of Rebellion by attaching the party named in it He has for that purpose authority to break open her house He must assemble a Competent force for the occasion It is prudence and discretion will doubtless prevent his exercising any more violence; — than such as shall be absolutely necessary I recommend also, that previously to the writs being executed, Strong remonstrances should be made to the Defendant to induce her to Comply with the order of the Court, but if they should fail of effect and she should continue Contumacious then the Course of the Court ought to be pursued by executing the writ against her —

To
Samuel Hobson Esqr
Sheriff of Madras

Sir

It has been represented to me that, by virtue of process issued from the Supreme Court, against the houses and lands of Mr Jacob Nagar Shamier, and towards satisfaction of a judgment obtained by Mr Shamier Jones, you have levied in execution particular property; and that, in the execution of another writ against the same Defendant, issued at the suit of Mr Johannes Narcis and others, you have sequestered the same and also other property, in the Town of Madras, which this address to you is designed to concern; (that is to say) a house numbered 8 in Armenian Street, another House numbered 105 also in Armenian Street, occupied by Mr Jacob Arathoon; - a house, numbered 20 in Yeera Baraly Chitty Street, occupied by Mr D. Cherriman; - and a house, numbered 27 also in Yeera Baraly Chitty Street -

In consequence of those sequestrations, instructions have been given to me, towards your receiving due information; and, in conformity with those instructions, I request you to take notice, - that the property, to which I have above referred, (together with divers other Houses and grounds, and subject only as is hereinafter mentioned) belongs yet to the Estate of Mr Shamier Sultan, (deceased) an armenian Inhabitant of Madras, and now deceased) of whose will Mr Nagar Jacob Shamier of Madras is now the acting Executor - and that Mr Jacob Nagar Shamier (the Defendant above named) has

has not any title to, or concern with, that property otherwise than as by this notice is disclosed to you -

On the 15th day of February in the year 1814, an Indenture of Settlement (to which Mr Nagar Jacob Shamier, as Executor of his said Testator's will, was a party) was made on occasion of the Marriage of Mr Stephen Lagar of Madras with (his present Wife) Thamar Nagar a great grand Daughter of the Testator Shamier Sultan; and by that Indenture a considerable fund was provided to fall home at a fixed time after the Marriage, from the Testators Estate, and to be payable by Mr Nagar Jacob Shamier as Executor, to Mr Jacob Nagar Shamier as a Trustee, for the purposes of the Settlement -

That Sum became payable, according to the provisions of the deed, at a time now two or three years past, - but it was not at that time, and has not since hitherto been, paid, - otherwise than in an inconsiderable degree, - and it yet remains almost wholly due -

And on the 20th Day of April in the present year 1819, - Mr Nagar Jacob Shamier as the acting Executor of the Will of his said Testator, - by a deed of poll under his hand and seal, bearing the last mentioned date, and in order to fulfilment of the Covenant, on his part, contained in the deed of Settlement, - assigned, (by way of Mortgage) to Mr Jacob Nagar Shamier as Trustee, and to the Persons as in the exception to him should be Trustees for the purposes of the Settlement, the property which I have hereinbefore described, or referred unto; and other grounds and buildings of this said Testators Estate, - in order to recovery by such Trustee or Trustees of the sum aforesaid due to him or them in that character,

by

by mean of the rents, issues and profits to be
derived from the property so charged.

Just, and such only, are the title and
interest of Mr. Jacob Nagar Shamier to and
in the property which this Notice to you
is designed to affect. Notwithstanding
that the same property has been (wholly
or partially) charged in favor of another
person unconnected with, and for a
consideration wholly foreign to the parties
and responsibilities concerned by the process
under which you have acted.

And it is by the immediate in-
structions of Mr. Nagar Jacob Shamier, on
behalf of himself, as entitled to the equity
of redemption, for the benefit of his Testator's
Estate - and also on behalf of his Son Mr.
Jacob Nagar Shamier
derived from him, for the partial purpose,
and in the character, which have been
stated - that I claim from you the several
particulars of property first hereinbefore
specified, - so that they may be entirely
exonerated from all personal charges against
Mr. Jacob Nagar Shamier, as Defendant in
the action or suit wherein the process under
which you have acted, has issued.

And I hope to receive an intimation
from you that this claim has in your part,
been acknowledged sufficiently for the consequence
which is desired.

To The Sheriff of Madras

Sir

The Committee for the management of the native Pension Fund have recently taken into particular consideration the frequent occurrence of the transmission of claims upon the Fund, sometimes five and six years, and very frequently 12 & 18 months, after the decease of Subscribers.

It is considered unnecessary to enter into a detail of the many objections that exist to such delays. It is sufficient that the Rules of the Fund provide that claims to Pensions shall be preferred to the "Heads of offices" on the decease of Subscribers; and, that the allowing years to elapse before the presentment of claims, affords opportunities of abusing the intentions of the Institution

The following rules are therefore laid down for future observance; and I have the instructions of the Committee to request that you will conform to them upon all occasions.

1st Applications for Pensions must be presented to the Heads of Offices within two months after the decease of Subscribers, or satisfactory reasons advanced for not having done so within that period.

2d One month from the date of the receipt of applications is considered sufficient for obtaining by Committee (according to prescribed form) all necessary information respecting the state of families and the merits of respective claims

claims; and at the expiration of that period the Registers are to be forwarded to the Committee of management.

3d In cases where Widows and children have subsequently to the decease of Husbands and Fathers been supported by relations or any public Offices; but which sources of support shall fail on revocation of establishment or other unavoidable cause, the claims of such Widows and children will be considered entitled to exemption from the operation of the foregoing rules, on a representation of the circumstances by the Heads of Offices.

4th Under column No 5 in the form of Register (viz "employ" date of entering service, &c) must be specified the date of the receipt of applications by Heads of Offices

Sir,

The four Constables attached to the Sheriff's Office having represented to me that their present allowance from Govt. is inadequate to their support, and below the rate at which other Constables are paid in the Police and Magistrates Offices, I have the honor to request you will do me the favor to make known their representation to

to the Right Honble the Governor in Council, in order that their request to be placed on the same footing with Servants of a similar description, may receive his consideration

The Salary of the Constables employed under the Sheriff is Pag.s 7½ ea per mensem; whilst those attached to the Office of the Magistrates & the Police Master receive I am informed 10 Pag.s monthly. The duties of the Sheriff's Officers are not I believe inferior or less important than those performed by the same description of persons in either of the Departments to which I have referred, and it is perhaps from these circumstances that I find I am unable to arrive their request, without making an addition to their pay from my own allowances.

I take this opportunity of bringing also to the notice of Government the small salary at present allowed to the Head Peon attached to the Gaol, between whom & the same description of Servants employed in the Gaols under the controul of the magistrates & the Police Master, there is a much greater disparity in point of allowances, than between the different Constables, while the duties and responsibility attaching to the one exceed those of the others in an equal degree. In the

the absence of the Gaoler during his attendance in the Supreme Court and on other occasions, the head Peon is left in the entire charge of the Gaol and the Custody of the Prisoners, which is a trust of such high responsibility, as will perhaps in the opinion of Government justify my recommending him for such an encrease of pay, as his situation & services may appear to entitle him to. He receives at present only Pagodas 3 per mensem, whilst the Pay of the Head Peons or Keepers in the two other Gaols to which I have referred, varies from 4 to 10 Pag.s monthly.

If the Government would also be pleased to make a monthly addition to the pay of the second peon, who receives only 2½ Pag.s a month & who is principally in charge of the Prisoners in the Criminal Gaol, it would be an incentive to the more diligent discharge of his duty, & that of the Servants under him by holding out the prospect of some improvement in their situations.
