Chicacole 23d June 1825

Sir A special Bailiff by name R H Jones has served upon me two Writs one on account of Kristnyah Brahminy which is charged with the usual Costs of travelling Batta &c with the exception of one Item I.E. Rs 35 for special warrant a charge I never heard of before but in the other precep issued on Behalf of Kitty Ramakistnamah Naidoo is a most extraordinary & to me unheard of charge the Debt is stated at Pagodas 233.14.5.3. which I cannot dispute but among the Costs is the Sum of Pagodas 176.25.40. more than two thirds of the whole claim under the Head of Sheriff for Indemnity to Plaintiff and Special Warrant Pag.s 176-25-40 honored Sir, tho I have neither the Inclination nor the power to oppose your reimbursement of any fees or Perquisites which the duties of your office entitle you to receive still this charge appears to be so enormous that I suspect it is an attempt on the part of Jones to packet this sum under the pretence you are to receive it thinking I would silently put up with the Imposition what makes me more strongly suspect this is that in the Teeble of Costs published by order of the Judges of the Supreme Court for the publick Information no such Item is hinted at, and the master has certified that he is guided by that Teeble alone in taxing Costs, the special Bailiff insisted that the charge was authorized and I had no resource but to pay it, tho I gave him notice that I should apply to you in order to have the charge taxed should I be correct I beg to request that you will cause the amount to be refunded -

I Remain,
Sir,

Sir,

Although your application to me respecting certain items in the Bills of the two Attornies who have through the special Bailiff R. H. Jones caused Writs to be served upon you on behalf of their respective Clients Gadaram Ristnasawmy Braminy and Kitty Ramakistna Naidoo is not in strictness addressed to the proper quarter yet I have much pleasure in affording you the information requested by your letter of the 23d of June last, received this day so far as the Books Kept at this Office enable me so to do.

The Writ at the Suit of the former Plaintiff is for the sum of Pags 1048 fans 22 & Cash 19 and the Sheriff is directed to Levy the whole besides Sheriffs fees Poundage and all other incidental expences" the Sheriff account then on this Writ and which must be satisfied before the Defendant can be discharged stands thus -

Poundage on Pags 1048. fans 22 & Cs 19 at 5 pCt on the first 1000 Rupees and 2½ pCt on the Ramainder Amounts to Rupees	——	116	12 As
Discharging fees	"	3	5 "
Making a total of Rupees	—— " ——	120	1 "

The

3d The Sheriffs fees on the other Writ of Capias & Respondendum amount to Rupees 3 and annas 5 under the head of "Discharging fees" The special Bailiff is entitled to the usual Costs of travelling Batta &c. under the terms in the Writ of Execution "incidental Expences" and these must likewise be paid before the Defendant is discharged.

You will perceive that the latter Writ being an mesne process runs thus "to answer to Kitty Ramakistna Naidoo in a suit to recover 500 Star Pagodas in Assumpsit &c. and to give sufficient Security to be approved of by our said Court that the said P. H. S. will stand to and perform the judgement of our said Court upon the Premises and pay all such sum and Sums of money as shall be thereby awarded" or to give Bail to appear at the time and place in the Writ mentioned "and in all things perform the Exigency of this Writ" I know nothing of the attornies charges in these suits; if you think them too high the Master Office is open to you to have them taxed. the fees which were paid at this Office by these Gentleman and which were made out according to the invariable and old established practice are as follows

G. Ristnasawmy Braming

Pa H.s to Strombow

	Rs. A
Writ fee	3 - 5 "
Special Indemnity	35 " "
	Rs 38 - 5 "

K. Ramakistna Naick

Same to Same

Writ fee	3 - 5 "
Special Indemnity	35 " "
	Rs 38 - 5 "

If you object to these items in the Bill of Costs of the attornies - you can do so in the manner before mentioned. but I ought in candour to tell you that I have made particular enquiry and find they have always been charged and allowed. The Sheriff accounts are always made out by the Writers in the office who have the strictest injunctions against any new item being introduced into them. I have answered your letter at considerable length because I was unwilling to Keep you unInformed of the amount of the fees charged against you by this Office.

To the Superintendent of Police

Sir with reprence to your letter of yesterdays date I have to regret that any inconvenience should have arisen in consequence of the lateness of the application contained in mine of the same day- The Commission of Rebl.n which I am called upon to execute justifies the breaking open of the house of the Party in Contempt in order to secure his person and as this is likely to be attended with resistance and perhaps with tumult I am obliged to request the assistance of your Officers- The Commission still remains unexecuted and in order to save as much inconvenience as possible if you will be so good as to lend such assistance as you are able to the Bailiff to

whom my Warrant is granted whenever he may call upon you I shall thank you so to do- Such Peons as you may send for this purpose will I imagine be entitled to Batta to be paid by the Solicitor of the Plaintiff provided the Writ be executed.

I ought to add that my letter of yesterday would have been delivered to you at an earlier hour but for a desire on the part of the persons employed at this office to give as little trouble as possible to those at the Police by ascertaining the locality of the house in which the party in contempt was sheltered-

2d It is desirable, that pensions should be drawn monthly, in order that they may appear to be prized and to be well bestowed; and it is important that at the Close of each year, the amount of undrawn but Claimable allowances should be as small as possible because in proportion as the expenses properly belonging to any given year are not debited in the accounts of that year the balance struck at the end of it with reference to the asets at its commencement and to the receipts and disbursements for the months Composing it, will exceed the net principal of the fund and the interest charged against the Government will be calculated on an unduly large and partly unsubstantial capital.—

&c. &c. &c.

I beg leave to inform yow that Some time or about 50 years ago that the partation of the family Estate of my Ancestors was equally made among them and their brothers during their life the particulars of which are as follows viz- one House No 18 one Godown No 29 and Two Shops are the true properties that fell to the just Share of my aforesaid ancestors This House is bounded between the Houses of Sun- Carabaranum Vencatachellay Chitty and Gundavady Audeyapah Chitty's in Vurdaw mootteapen Street and the Godown as well as the two Shops clase by the Chinah Shops in Chetty's Street and ever since my said ancestors Continued to Enjoy the above mentioned Premises after having demolished and Converted Such parts of them as were defutive into new building by laying out money to a considerable extent and they ever Continued to tender the payment of quit rents as well as of usual demands but in the Courses of our long Enjoyment of the aforesaid Premises without any let or malestation whatever it occurred that in Consequence of the death of my own Brother which happened Some time ago I was induced to go up to the House of the deceased for the purpase of Condoling on the fatal event after having Secured the doors of the said House with Certain Locks when one of my Cousins descended from the race of the brothers of my aforesaid ancestors by name Davenaigum moodelliar taking advantage of my absence from home got the possession of the said House by means of a party of his own people who got over the Wall and broke open the doors of the same and Soon after the said House had fallen in to the hands of the said Davenaigum moodelliar he likewise made Some attempts of obtaining a certificate in his name to the aforesaid Premises and the usual notice was Subsequently affixed upon the aforesaid House advertising that any person or persons having a claim to the said House Shall be at liberty to bring their case to the notice of the collector of Madras on or before the expiration of the time therein limited-

The circumstances of which I having notice of applied the issue of the Certificate so applied on Submitting on address to the Collector already mentioned Stating my cause on the 6th July 1821 and the said Davenaigum moodelliar did likewise Cause the locks with which the doors of the above- mentioned Shops were fastened to be forcibly broken open and afterwards took entire possession of them in Consequence of which I did not fail to take precautions of lodging Several Complaints before the magistrate at every Step as also before the Justice previous to its abolution and by them the matter was referred to the decision of my Court people and when the said Davenaigum moodelliar was required to attend on the assembly held by the Head man of the cort on that occasion he instead of so doing Shut himself up in to his own building House for the Space of two years by a writ from the Supreme Court and in which painful position he expired at length leaving the matter remains unsettled

It is now given to understand that Gundavady- Ramasawmy Chitty on whose behalf you have sealed my said House owing to a debt due by the said Davenaigum moodelliar to him has now Caused even my Furnitures which are now deposited into the House to be Sealed and exposed to public auction this day and that you have likewise put up Seal to the said Two Shops for the Satisfaction of a certain Sum due by the said Davenaigum moodelliar to a certain person by name Sadarungapatam Sawmy moodelliar

Here it is observable that the whole Premises as aforesaid are the properties that Come to the lawful Share of my said ancestors as can be proved by Sufficient evedines and Consequently no person or persons whomsoever has or have an any way manner of Claim or right whatever to be said premises but myself for I am the lawful or real Heir for Personal Representative of the aforesaid Premises it is therefore requested that the Seals now put to the said premises in favour of the said Gundavay Ramasawmy Chitty

and Sadarungapatam Sawmy moodeliar may be taken out and laid aside. it is likewise requested that the Furniture now deposited into my Said House may be Stayed from being exposed to Public auction as your immediate design you have in view if not I shall undoubtedly file a Bill against you in Equity Side for the damage of the Said Premises as well as of the Furnitures as above Set forth

My dear Sir

Some days ago an Execution was sent to your office against the property of Perdooramah Pillay at my Suit and Mr. Jermiah was to have called and explained to you that Perdooramah is interested in some Europe Bills which are now in the hands of Messrs. Griffiths & Co. a short time since upon undersettlement of a Suit long pending against the Arcatic Bank I am told that Bills drawn by Mr. Maitland upon Mr. abbott in England in favr of Parasooramah and his brother Streenevasa for £ 8000 were given the 2 Brothers are intitled to there Sum or equal Shares I am also informed that these Bills were delivered to Messrs. griffiths for discount and that Griffiths & Co refused to advance the full amount but did advance a small proportion and it was agreed they should retain the Bills in their hands untit they heard from England when if the Bills were duly honored the residue of the Cash is to be paid to the Parties perhaps if you were to give Notice to Griffiths & Co that by virtue of my Execution you seize in there hands the Bills in question or the Extend of Parrasooramahs Interest therein subject to there Lien it might be attended with good effects and if you Could ascertain the Extend if there Lien the residue might be secured in satisfaction if the Execution it might perhaps be as well to give Notice to Mr. Maitland of the Execution. If you give these Notices you had better be as general in the discription of the Notes as you can because the transaction was secret and I am groping in the dark in some measure

The Sheriff of Madras

Sir

Para. 1. I do myself the honor to request, that so soon after the close of the current month as you may find it convenient you will do me the favour to furnish me with a statement of your disbursements on account of the Native pension fund for the official year 1825-26 inclusive of any arrears for anterior periods which you may have paid in the Course of the year.

2. The annual statements of payment do not appear to have been always prepared on one complete and uniform plan inasmuch as disbursement for the last month of a year, seem, in different instances, to have been excluded from the Statements for the same year but entire uniformity in the structure of those documents is desirable, and, with reference to the remarks made in the Second paragraph of my Circular letter dated the 13th of September 1825 it is, in my opinion decidedly better to debit the charges for the concluding month of a year in the account of that year, than to bring them to account as arrears in the year following merely because of the actual payment of them taking place in the letter, The words "amount of Pension paid in each month" which are inserted in the printed from of the annual statements, are perhaps calculated to lead to the adoption of the practice which I could wish to supersede, rather than to the use of the plan which I am desirous to recommend; and would, therefore, beg leave to suggest the modification of the words in future statements, by substituting "for" in the room of "in" before "each month."

I have the honor to be
Sir
Your most Obedient servt.

Sir

We have to Acknowledge the receipt of your letter dated yesterday Annexing Copy of a Notice from the Plaintiffs Attorney in the Suit Voyalvor Colunda Pillay vers Vadamall the widow of Nayaroo Gopaul Kistna Pillay deceased - and requesting that the Sum of Carnatic Stock alluded to in that Notice as being due to the Defendant abovenamed may be forwarded to your Office to Satisfy a Writ of execution issued from the Supreme Court of Judicature -

2 In reply to this requisition we have in the first place to Acquaint you for your guidance in any Similar future case that the Books of Carnatic Stock being kept by the Register of the Carnatic Debts your Application Should be made to that Officer -

3 It happens however that the Office of Register is pro tempore under our Charge as notified by Advertisement in the Government Gazette and Consequently we are enabled without further reference on your part to reply definitively to your Letter -

4. It Appears that the Carnatic Stock Specified in the Attorneys Notice is now Standing in the names of the three persons therein named of whom Nayaroo Gopaul Kistna Pillay is Alleged to have been the husband of the Defendant in the Suit but it does not Appear that Consequent to his death any measures have been taken by the widow to establish her legal title to and procure the transfer of any Share of the Carnatic Stock in question This must

be done before the Register of the Carnatic Debts can Alienate Stock a transfer of any portion of the Stock -

5 After this indispensible proceeding shall have been observed it will remain to be determined in what mode the Register of the Carnatic Debts may legally transfer into your Name what ever Carnatic Stock may be established as the property of the Defendant Vadamalb -

Sir

I received your Communication in this Cause with the Copy of a letter addressed to you by Mr Herr and I am instructed to desire you will not receive from that Gentleman the Sum he proposes to pay you for the following reasons. - In the first item Mr Herr takes Credit for a Sum of Rupees 122-8 for repairs of the premises he occupied Agreeably as he Says to Certain Arrangements entered into between him and Dawanaigum on the 23rd of September 1824. If an Agreement is produced and Satisfactority explained this Sum will be Allowed but I am told Mr Herr. came to a Settlement at the end of November. in that year with Dawanaigum for Rent due up to that time and it would appear the deduction now Claimed ought then to have been made The Second and Third items are not objected to - The fourth is in part Mr Herr. having purchased the Share before the expiration of the year the Assessment for which is charged in full The Assessment therefore will be Allowed for 3 months and 11 days being the time Mr Herr occupied the premisis as Tenant of Dawanaigum the rest Viz 8 months and 20 days Accruing while he was owner must be discharged by himself The fifth item is Also objected to and I am told it was paid by Mr Herr. not as Stated by him for reserved Rent but in Order to effect the transfer. of this property in his name and if so of course cannot be Allowed by my client -

The last Sum charged is no doubt correct but the receipts must be produced.

To E. Gordon Esqre
Sheriff Madras.

Sir

I have the honor to Acknowledge the receipts of yours of the 9th Instant along with Mr. Paulins remarks on the Statement of My Account and in reply beg to State that when I purchased the premises Mr. Byrnes Clerk informed me by the desire of his Master that it was legal for the Purchaser to discharge all Sums that might be due for all Public Taxes from whatever rent Might be then remaining in his hands.

I am glad to Say that I did claim the Sum for repairs about the time that Mr. Paulin Says I should have done and beg to refer you to My Letter to your Predecessor of the 29th December Last as a proof of what I Say but as you requested I Should tender you a Statement from the time that I paid Rent to the late Dawanagga Moodeliar I have done so- Mr. Ps Client is not the only one nor is he the first who demanded the rent Chinny Mauseda- money moodeliar / another Party / has frequently demanded it through the medium of your Office He is well aware that I did lay out the money on repairs as I have Stated and that I was never paid for the Same but by deducting the rent for Decr 1825 I therefore think that he will admit my just claim and beg you will Apprise him that I am ready to pay the Sum Stated in the Account Viz. 185 Rupees 11 As. 8 Ps. upon receiving your Official receipt

I can easily prove that I was very unwilling to pay the Assessment which Mr. P. objects to and if I had not done So my own Property would have been Seized by the Officers of that Department previous to the Sale of the House and to whom I was obliged to give indisputable Security until Such time as I was able to discharge the demand and if the Public Authorities can use that Liberty towards a Tenants property I do not See why I Should be compelled to refund the Sum merely because that I happened afterward to become the Purchaser If you admit my charges as before Stated I will produce the receipts in question and if they do not correspond with the Duplicates I Shall Consent to forfeit all advantages accruing therefrom-

I have to remark that in My Statement of Account I have made no claims but what I was either compelled to pay before the Premises became my property or what was legally due prior to the present year and Although According to Mr. Ps own remarks- I might have charged about 1/4 of the Quit rent for this year I have not done So I beg to Say further that I have never Considered my Self paying Money to any particular Party but only to the Sheriff as a Public Authority who must be accountable to me for the Same Should any person or persons legally demand any part or parts of the Same at any future period as it must be recollected that no one has as yet administered to Dawey Mauyagums Estate-

Edward Gordon Esqre
late Sheriff of Madras

Sir

I duly received your Communication in this Cause of the 11th day of Dec. last with the Copy of a Second letter Addressed to you by Mr. Kerr who therein States (Amongst other things) that when he purchased the premises in question Mr. Byrnes Clerk informed him by the desire of his Master that it was legal for him as the Purchaser to discharge all Sums that might be due for all public Taxes from what ever rent might be then remaining in his hands. There Can be no question of the correctness of this Statement but the Sum Charged by Mr. Kerr in the last item but one of his Account was as I am informed for the transfer of the property in his name and not on Account of taxes due the allowance of this item is therefore objected to by my Client. Mr. Kerr has Charged in the 2nd Item of his account Assessment for the year 1825 Rupees 105 and if this payment was as it would seem for the whole of that year it is clear that the same Amount charged by him in the fourth item must be for the whole of the year 1826 and Mr. Kerr must pay what portion of Taxes Accrued from the 11th of April (the day of the purchase) on his own account. As to the first Item Charged in Mr. Kerrs Account for repairs I am again instructed to repeat that unless the Agreement is produced and Satisfactorily Explained this Charge must be Objected to.

Mr. Kerr further States that Chinny Mauselamony moodelliar has also demanded the rent and that my client is not the first who did so. If he will refer to the records of your office he will find that the Execution in this Suit was first lodged then and my Client is therefore Entitled to the rent in preference to any other person who may have made Subsequent Seizures.

Trusting Mr. Kerr will now discharge the Ballance remaining due after deducting the Sums paid by him and which are not objected to by my Client and save further trouble on this Subject.

The humble Petition of Peddoo AKKah the widow of Ramasawmy chitty deceased and Moottaloo AKKah the widow of VencataKistnamh chitty deceased

Humbly Sheweth-

Your Petitioners most humbly beg leave to Setforth the following Root of the Case for obtaining a legal redress.

About the property of Vencatapady Chitty that was one of the decendents and Members and procurer of the property as Appears in the enclosed Pedegree Marked. A. your both petitions and Mangathoy Ummah the widow of Vencatachella Chitty and Seringa Ummal the widow of Moorthy Chitty are the legal representatives and heirs of the family property Kept by their respective Husbands According to the Laws Manner and Customs of Hindoo.

In Contrary to that Cutta Tolasingah chitty the legal representative of Cattah Sana- chitty deceased as appears in the enclosed Pedegree Marked B. with a view to deceive and ruin the property of your Petitioner have under private Council and intrigue of Mangathoy ummah One of the Said 4 Widows and daughter of Cattah baulow chitty as appears in the Pedegree marked. B. prepare false Accounts pretending that the Vencatachellum Chitty Son of Timmapah chitty one of the decendent of the Pedegree Marked. A. was indebted from Sena Chitty one of the the decendent of the Pedegree Marked B. And Sued Suit in the Honorable Supreme Court against the Said mangathoy ummah only had Served Summon to her thro the means of Mr. Seed demanding 6630 Pds

On the Receipt of Such Summon or on the 11th August last the widow mangathoy ummah without any council or Acknowledgement or Signatures of your Petitioners and other Seringa ummah (whow now only is against your Petitioner) gave her Consent by means of a Nother attorny at Law.

Upon which Consent the said Cuttah Tolasingah Chitty encouraged himself happily to seize whole of your Petitioners property and Caused the late Sheriff to publish in Commonceal Circulator dated the 22d November last to be sold the seized property in auction.

At which miserable Law proceedings your Poor helpless Widows became to understand with the privy Council of the said mangathoy Ummah and Considered with the other Seringa Ummah of which your Poor Petitioners conceived the disgust of the said Seringa Ummah and Served a notice to the late Sheriff to stopt his sale.

But now the said Cuttah Tolasingah Chetty agree already 2 Securities at the Sheriffs Office named Mootterah Vencatachellum Chetty & Seteralu

Ramannah Chetty those 2 Securities are altogether Bankrupt because the former is Claiming in this Court for Vendicating his right from the Estate of his Brother named Sawmy Chetty and which property are altogether Seized by the Order of this Court about a debt of Annasawmy Pillay and because the latter is already bore Security to a Case in this Court between Cattah Tolasingah Chetty (the Complainant of your Petitioners Case) and Vencatakistnamah Chetty and the late Sheriff or Clerk took no sufficient property as indemnity for such securities.

Therefore your Poor Petitioners Lowly beg your Justice will be so good as to take this Cause, the proceedings pending in the Court about the prosecution of Cattah Tolasingah Chetty privy Council of the said Mangathoy Ummah the fact of your Petitioners Assertions and the hopes of deceits of both Cattah Tolasingah Chetty and Mangathoy Ummah, into your serious Consideration and will pass an order to discontinue any excecution upon such poor and unworthy security, and for which act of kindness your Poor Petitioners as in duty Bound the same was presented to the Chief Justice.

To the Sheriff of Madras

Sir

Para - 1 - So soon as may be convenient after the 30^th Instant, I should be obliged by your having the goodness to furnish me with a statement of the Pensions paid through your Office, on account of the native pension fund, in the current official year 1826 / 27 - inclusive of arrears for anterior periods paid in the Course of the year -

2 - A new arrangement regarding the payment of Pensions granted from the Pensions fund, is about to be adopted; and, after conferring on the subject with the Accountant General, I think that it may be considered best that it should take effect from the 1^st proximo; so that the pensions for this month, which may be drawn in may, will, if you please, be exhibited in the next years statement as paid under the new arrangement, of which you may expect, in a short time, to be more particularly apprized of the payment for the month of april 1826 shall have been included in your last years statement, it should not, of course, appear in the statement for the present year, which, it is intended, should exhibit the sums actually drawn from the public Treasury on account of the fund within the year exclusive of any that may have been entered in the statement for 1825 - 26 and, under these circumstances, it will be advisable to place at the head of the statement for this year, the words "amount of Pension paid in each month" instead of those suggested in my circular letter of the 8^th of april last

3 - it seems desirable also that, so far as may be practicable, all payable arrears of pensions should be discharged and the balances that may remain in deposit returned to the Treasury from which the money was received before the close of this month and wherever refunds may be made; it will be proper that the amount of them should be specified in the statement -

To Edward Gordon Esqre

Sir

I duly received your letter of the 14th Instant wherein you say that you have forwarded to me several Copies of Notices under date the 27th and 29th December 1826

and 3 of January last and that unless my Client will give you proper endemnity to be approved of by you for retaining your seals on the Defendants property within one week they will be removed.—

Before I proceed to reply to the application for security I must beg to draw your attention to the nature of the notices forwarded to me and to which you allude The first appears to be written by Mr Jordan on behalf of Audemully said who says he is one of the sons of Moollah Jafferjee Saib who was also the Father of the Two Defendants and that Audemully not having been Connected with the farm of which the Defendants were partners he does not Consider his share of the family Estate is liable to Seizure without therefore stopping to Enquire whether Audemullys share (if he has any) is or is not subject to be sold under the Execution in this Cause it is Clear he only Claims one third of the property seized.— The second notice is written by Mr Wilkins on behalf of one P. Ramasawmy Naidoo who says that Certain Certificates numbered in his Letter were subsequent to the mortgage of the same to my Client mortgaged to his Client and Cautions you against disposing of more property than is sufficient to satisfy my Clients Judgt. you of Course Know your duty too well to sell more than will satisfy the writ and I need say nothing further as to this Letter except that you surely would not require my Client to indemnify you for any thing Contained in it. The next notice is from one Ebrainjee Fathally who says that a House No. 221 in Ankapah Nauck street which you have seized has been mortgaged to him. If he produces to you the Title Deeds and his mortgage my Client is willing that your seals should be removed from the property. The next and last letter is from certain parties claiming sundry pots and Dishes as their property.— These my Client Cares not about and they may therefore with your Consent be given to the parties The result of these notices therefore is that by the first only one third of the property seized is Claimed. The second my Client has nothing to do with. The third he is satisfied to attend to on your having the Mortgage and Title Deeds produced and as to the last he is willing to abandon the property thereby Claimed if you Consent to do so.

With respect to the Security now demanded from my Client I am informed that he long since left in your Office Title Deeds of property Equal in Value to the full amount of the Execution Vizt Rs. 12403 and that it was understood this Deposit was satisfactory Except that my Client wished you to return the Deeds in Twelve Months unless in the interim an Action should be brought. In this latter case they were of Course to remain until the Matter might be decided but I am told you object to

to Enter into any Engagement to return the Security and that they must remain with you for an unlimitted period- To this no man in his senses Could Consent and my Client therefore will not be instructs me to offer three modes of indemnification either of which he is ready to grant viz. Title Deeds to property of the Value of the full Amount of the Execution altho it must be remembered the Notice only applies to one third these Title Deeds to be returned at the Expiration of Twelve Months if no action brought - 2nd Company's Paper of the like Value to be returned as proposed with the Title Deeds or 3rd that you proceed with the sale and Keep the proceeds in your hands for twelve months - In addition to either of these my Client will give his personal Bond of Indemnity to you for an indefinite period -

To Captain R. H. Kerfor
Sheriff of Madras

The humble Petition of Sekna Bhee, Widow of the late Criminal Jail Peon Abdul Seby.

Sheweth,

That your Petitioner most humbly represents for your honor's humane and beneficent protection that her said Husband having Zealously and faithfully served in the Grand Criminal Jail upwards of 18 Years under the successive Sheriffs at length Died in this Month — having an aged Mother, myself Two Sons & Three Daughters totally distitute in life —

That in Consequence of his advanced age, he was upheld a Pension by his honored Superiors, But before it could be effected, he unfortunately Departed this Life His eldest son Shinashaden 20 Years of age, who is capable of performing his father's Duties, was promised that Situation by the Jail Jemadar but who instead of procuring it for him, obtained the Belt for his younger Brother who was called for from the Country for that purpose —

That it is an habitual Usage in all public Establishments to bestow to the Son his late Father's Situation, if competent to hold it, to the comfort & maintenance of the bereaved Family, as is the existing case in the Grand Jail where Two sons of Peons of about the age of my aforesaid Son, fills their Deceased Father's places. Under these operating circumstances and as we are verily indigent & abandoned in life, without any gracious Protector besede your worthy Honor to rescue us. I therefore most fervently implore you will be benevolently pleased Sir, to confer the said Petition to my said Son to our vital relief & Gratitute — And your grateful Petitioner as in humbly duty bound &c &c pr.
