To The Sheriff of Madras

Sir,

Para 1 I have the honor to request, that the cases of Claims on the late native Pension Fund, belonging to your Establishment and noted in the enclosed Statement, may be investigated de novo and that such of them as shall seem to involve valid titles to pensionary aid at the present time may be forwarded to me in the manner heretofore observed, as early as it may be in your power to transmit them—

2. The parties who fall within the scope of the late Fund, are the widows and legitimate children of Subscribers, including adopted sons in the cases of Hindoos and Mahometans, the period of subscription necessary to render a claim admissible is three years, and it is only in instances, in which, with reference to the laws and customs of the Natives in respect to the maintenance of their families absolute distress would be experienced without pensionary assistance, that titles to pensions

pensions can be recognised. In the rules of the late Fund, no mention is made of adopted children but in the printed circular from the Secretary to the Committee of management dated the 15th of September 1816, it is stated that the Committee regarded adoption as conferring a claim in cases of Hindoos and Mussulmans. Why the latter should have been named, does not appear, and in the case of either, to consider adoption as giving a claim in respect of a daughter seems quite unnecessary.

3 The ages of applicants, particularly of children should be ascertained with the best precision, and the dates to which the assigned ages have reference should always appear perspicuously. The information formerly obtained regarding ages, may likely be useful as a check upon what the parties may now advance on this point.

4 It seems highly desirable that wherever claimants are likely to become pensioners for life, there should be descriptive rolls of them, in order that they may at any time, be identified with the persons named in the Pension Certificates, and that the prevention of frauds may thus be facilitated. I beg leave, therefore to suggest that wherever the applicant for a pension may be a single widow, or a widow who is ascertained to have only daughters, her height and complexion may be mentioned in the register of the claim as well as her age—

I have the honor to be
Sir,

Sir

In reply to Mr. Paulins Letter of the 31st of July last addressed to you on behalf of one Vooraupaukum Arnachella Pillay the son and Personal Representative of Vooraupaukum Annasawmy Pillay deceased, wherein he informs you that the Hackery Godown situated at Peddoo Naicks Pettah No. 37 in Anchappen Street seized by you under a Writ of Execution in this Cause as the property of the Defendant above named and which you have lately advertised for sale, is not the property of the said Defendant but that the same and the Dwelling House thereto adjoining were purchased by the said Vooraupaukum Annasawmy Pillay about 5 Years ago and that the said Vooraupaukum Arnachella is in posseesion of the said premises as such Representative as aforesaid of his Father the said Vooraupaukum Annasawmy deceased —

I am instructed by my Client the Plaintiff above named to aequaint you for the information of Mr. Paulins Client that the Hackery Godown and the upper part of that building, together with the Ground on which the same have been erected, was mortgaged to my Client by the Defendant above named about 3 years ago and that the Title Deeds of the said Hackery Godown &c. are in your posseesion, and that my Client has got the Key of the outer door of the said Godown, which never was the property of the said Vooraupaukum Annasawmy Pillay deceased in his life time —

For your better information I refer you to the late Sheriffs Bill of Sale registered in your Office, whereby it will appear, that the said Vooraupaukum Annasawmy Pillay deceased in

in his life time was only entitled to the House and Ground adjoining the before mentioned Godown -

With respect of Voorapaukum Annasawmy's Representative being in possession of the Premises illegally so and it is therefor my Clients intention of prosecute him in the Supreme Court for the rent of the same -

I am now on the behalf of my Client desired to request that you will pay no attention to Mr. Paulin's Letter to your address unless his Client can produce to you the title Deeds of that Godown and in case he cannot do so I have to request that the Sale of the premises be no longer postponed -

I have the honor to recommend that T. S. Chedumbara Moodelly the Manager in the Sheriffs Office be allowed to receive the monthly hire of 40 Pagodas instead of 35 and that his deputy be reduced from 15. to 10.

The grounds upon which I have the honor to recommend the alteration are these The Manager in this office for many years engaged the Salary of 40 Pagodas and at one period 45.

During the Sheriff Skip of Mr Savage the present deduction was made the individual who was then in Office as the Deputy not being now

Sir,

I have the honor to acknowledge the receipt from you, of the Copy of a Letter dated the 18th Instant addressed to you by Mr Henry Paulin on behalf of one Poolandalum Casava Pillay who states himself to be the Tenant of the House and Godown, of which you have seized apart under the writ of Execution in this Cause, and in reply to the same as well as to Mr Paulins Letter of the 31st of July last also to your address, on behalf of one Voorapaukum Arnachella Pillay as the son and Personal Representative of one Voorapaukum Annajawmy Pillay deceased, I beg to refer you to my letter of the 3d Instant, and have again to repeat my request, that you will pay no attention, to any Letters addressed to you on the

behalf of any person, or persons whatsoever, with a view of stopping the Sale of the premises seized in this Cause, unless such person or persons can produce, title Deeds, or any other Document, or Documents, sufficient to induce you to believe, that he or they have any right title or interest in the premises in question In default of which, I Consider it to be your duty to proceed to the sale of the premises seized by you without delay — But should any title, or shadow of title to the premises be produced or shewn to you, I will in such case recommend my Client to furnish you with indemnity for proceeding to the Sale but not otherwise —

And I beg further to request that before you take any notice of Mr Paulins last Letter, you will ascertain either from Mr Paulin or his Client in person, from whom, and by what title, and for what period of time, the said Portundalum Casava Pillay claims his Lease of the premises, as it appears to me, not a little extraordinary, that two Letters should have been received from Mr Paulin Claiming the Property in question by titles apparently totally distinct from each other which however shows, how little attention ought in General, to be paid to Letters of this discription —

In the above Cause a Citation has issued which I herein inclose - I beg to call your particular attention as to the Service, as upon that will depend the future proceedings in this Cause - The Defend.t is at Berhampore and a Captain in the 37.th Regiment of Native Infantry of the Honorable Company - I should suggest the following mode of Service Viz.t to send the Original Process and a Copy under cover to Colonel Persia the Commanding Officer of the Regiment, requesting him to get some person at Berhampore who could read English, to serve the Copy on the Defendant and to retain the Original until called for, for the purpose herein after mentioned, and another Copy to be sent by Tappal in the usual way (which I suppose will be franked by one of the Judges) to the address of the Defendant, requesting an acknowledgement thereof by return of Tappal - After my hearing of the success of the Service, I shall apply for a Commission to issue to the person, who shall have made the Service, to swear him to the truth of the Service, when this is done and the Commission returned to Madras, I imagine there would be no difficulty on your part to make a return to the Citation, if however you could adopt an easier and less expensive mode of Service, you would be pleased to adopt it - In suggesting the mode of Service of the Citation, I kept in view the the Charter of the Supreme Court, and you will find in the last Clause of it, that all persons Civil and Military throughout the British Territories

Territories in the East Indies, are commanded to be aiding and assisting in all things, and that calling upon Colonel Pereira as I have suggested, would not be irregular —

Sir, Permit me to address you these lines that on Saturday Morning one of your Bailiff with two Natives Came to my Garden at Codumbaukum in the Jurisdiction of Chinglepatt one of the Natives approached to me within two yards and gave an alarm that there is a Warrent against me, I took the alarm and retired in the family house and shut up, ten minutes after the Bailiff came near the Varandah who can attest upon his oath, he has not arrested me I was informed after the Bailiff quitted my Garden that it was of Mr. Paulins Costs in the Cause between me and my Brother, who not Being Satisfied that he had reduced me to Complete Poverty, not 11s days that he had arrived in my Neighbourhood, he settled up Mr. Paulin to issue warrant against me while there is Estate in Court of upwards of two Lacks of Rupees in the Credit of Cause, where all the Costs would be bonafide — and yet my half Brother wishes to injure me, not being satisfied he had reduced me to a state that I am actually suffering for for the necessaries of life, and my adversaries are now giving out reports that they have arrested me I consider myself not arrested as the Bailiff in whose name the writ is given not touched me, and also being out of the jurisdiction of this Court I consider myself exempt of this charge. as I am informed by good authority a writ against a Native cannot be executed out of the jurisdiction unless a special order from the Court under these Consideration I beg leave to lay the same for your consideration — I have also laid my oppressed Circumstances before the benign Judges of the Supreme Court to admit my Cause as a Pauper and to order the Costs to be paid from the Estate — as I do not wish to be falsely impeached — I have made this true report to you —

Sir

I have the honor to address these lines for the purpose of informing you, that having of late submitted to the Accountant General his Receipt for 5000 sicca Rupees, which remained in your possession ever since it had been by your Predecessor G. Lys Esqre seized in Execution, by virtue of a Writ issued in 1821 by the Supreme Court against the Property of the said Defendant Madara Poyr, & which receipt or Acknowledgement upon my application to you in May last past, you restored to me after receiving

receiving all your Costs thereon, according to the final Decree pronounced in the Cause, the said Accountant General has granted the Promissary Notes of the Government General of Fort William for the Principal S. Rupees 5000 as found by the said receipt but Objects to pay Interest thereon up to this day alledging that pursuant to the Notice published by that Government all Interest on Promissary Notes, bearing date the 30th June 1819/20 were to cease on the 30th April 1822, I was therefore not entitled to more than what might become due till the date above adverted to—

Now by the existing usage of this Government, as they even pay Interest on all such sums as are deposited in the General Treasury and my sole motive of not having produced at due time the Paper in question, either for payment of its Principal & Interest, or for its being renewed on any of the posterior Loans published in the Government Gazettes, is owing to its having remained with you & predecessor aforenamed in seizure, I believe I have a right to claim Interest up to this day— And as I am about to submit my Case to this Government as well as to that of Bengal, I beg & earnestly entreat you will be so condescending as to favor me with a certificate under your signature stating the facts concerning the seizure of the Paper in question and the consequent occurrences thereon, that I may annex the same to my Memorials as a Voucher to prove those facts & Justify my claims thereto in so doing you will greatly oblige—

as his Highnesses step brother is interested in that Ground it will be a matter of great shame to allow it to be

Sir Not having received any reply to either of

Letters of the 19th instant addressed to you in the two fore going causes on behalf of P Iyasawmy Moodelly I am instructed by him with reference to the contents thereof to inform you with regard to the Culloondy rice mortgaged to him by the Defendant above named that rice being a Commodity of a perishable nature the rice contained in the Godown No 9 on the first line of the Beach is likely by being shut up without a free circulation of air to change its colour whereby its sale will be injured and that it is also likely to be destroyed by Insects getting into the Godown besides which if it is not disposed of in the course of this Month fresh supplies of that commodity will arrive at Madras and the price of the rice mortgaged to my Client will become much diminished, and consequently an inadequate Security to my Client for the liquidation of his debt

Under the foregoing circumstances I am instructed on my Clients behalf to give you further Notice and I hereby give you Notice accordingly that if your seals in the two foregoing causes are not removed from the said Godown in the course of this day or tomorrow and any Client is not forthwith permitted to proceed to the Sale of the said rice under and pursuant to the terms and conditions of the Defendants Mortgage Bond in my Letter specified he will in that case relinquish the perishable Security of the said rice and hold you personally responsible to him without any further Notice for the principal Amount with interest due on the Defendants said Bond as well as for all extra charges and expences which your seals remaining on the premises has occasioned him

I believe it is not the rule of your office for Bailiffs who may have a Writ to put in force to be accompanyed by a body of men all armed with Cudgels and in a state of perfect intoxication to come before the gate at a late hour at night and make use of abusive language as they did to me Saturday last. I fully trust in having brought their Circumstance to your notice that a repetition of such unwarranted conduct on the part of your officers will be prevented for the future otherwise I will be under the necessity of applying to higher authorities which I hope will be avoided

To the Sheriff of the Honorable Supreme Court of Judicature at Madras.

Humbly Sheweth,

The Humble address of Mootoo comarapah Chetty

That one Satchoomana Chetty and Tombo Chinno Chetty have in their life time pretended that my Grand Mother Camatcheemmall had mortgaged her house in the hands of their father Casteeara Chinno Chetty in previous to thirty years, but it was entirely out of their power to prove the mortgage and bring their action through the Competent Court as it requires

That after the death of the said Satchoomana Chetty & Tombo Chinno Chetty their Brothers Vydee Chetty and Sabapatty Chetty and their Receiver Mr. John Savage have proceeded me in the Court of Commissioners on the Subjects and then it was none suited as their Claim was proved to be a quite false one, and so it will be fully Convenced to your Honor upon kind reference to an Extract of that Court

I am entitled to the said house, since Considerable length of time according to the Law will of my Said Grand Mother who by the same irrevocably authorized me for I have maintied her during her life time as she has been Childless and Consequently I am the person who Completed her funeral rites at my own expence

It is to be observed that if the above named persons were the mortgage as they pretend, why should they have delayed, for more than these thirty years to have satisfyed their demand through their proceedings by the regular Channel in the law or why the premises had not been taken into their possession or why their suit was none suited in the Court of Commissioners had they been entitled to it as they pretend and further it is to be Considered that while the pretended mortgage are quite distitute of their Claim on the subject how can it be possible to their Creditor to deal over the said house to recover his due from the said people who are not at all empowered to meddle with the said house by the reasons above enumerated

As a Creditor of the said persons Caused the said house to be sealed by the Sheriff without assigning any Cause or reason, I beg your Honor will take it into your candid Consideration to order the said Seal to be removed as speedily as possible for otherwise I have sufficient reasons to take the necessary steps to remove the seal by appealing to the higher tribunal

In Complying my poor request as herein prayed I am as in duty bound shall ever Pray
