The humble address of the Gramatars of Royapettah

Honored Sir

We humbly beg leave to inform your honor that our ancestors had gifted a Certain Extent of land to the Goddess Parcapollium Ammen and jointly built the Pagoda on it and appropriated the expense of the daily Poojah and the wages of the Gooroocal or worshepper of the Godess by a small income that was derived from the Cow dungs of the Bullock carts that halting on the remaining land and performed the annual feasts &c by the several Castes separately each day by a certain Cast - They had also appointed Taliar Tookery Moodoo naick as superintendent of the said Pagoda who dying his Brother Chinnatomby succeeded him and while superintending the Concerns of the said Pagoda we found that he was embezzling the property of the Pagoda and was acting contrary to our orders we addressed your honor on the subject, upon which you were pleased to order Chinnatomby to render to us accounts of what we might require to which he did not agree and therefore you have ordered the property of the Pagoda

to

to be Zufted in the year 1822 from which time upto the year 1826 we have according to your order performed festivals of the Pagoda at our own expense while so in march 1827 the abovesaid Chinnatomby Talier some how or other got released the Zufted propirty of the Pagoda and after drawing its Money in deposit without appropriating the same to the purpose of the goddess & without even rendering to us the Gramatars) an account of it made away With the same and turned away the Poojaly or servant of the Pagoda, these Circumstances we brought to your Notice in the same Month which you were not pleased to enquire into —

Two Months before we beg to say the said Chinnatomby lost a suit in the Supreme Court and his Plaintiff has got the Property and land of the said Pagoda sealed under pretence of their belonging to him (Chinnatomby) and intends we hear to sell the same at Public Action tomorrow We further beg to state that as this Month is drawing to a close Chinnatomby has neglected to perform the annual feasts of the Pagoda and if not performed before the end of this Month altogether we fear it will occasion some misfortune to us - as the is the Goddess of the Village —

We the Gramatars of the Village whose ancestors have founded and we have maintained the said Pagoda at a great expense now Obliged to see the festivals of the Pagoda thus neglected and its property sealed as if belonging to an Individual who has no manner of Claim to the same —

We therefore humbly beg you will be pleased to order us to perform the festivals of the Goddess as usual —

For which act of kindness we shall in duty bound —

11th Augt 1828.

Ever Pray.

Sir

I beg you will pardon the freedom I take of addressing you but I am labouring under extreme hardship and inconvenience from having had my Books, letters, and other papers, with held from me for nearly 3 months past—

As the circumstance of my property being seized took place in your absence you may not be aware of the occurrence I therefore take the liberty of inclosing you a Copy of a letter I addressed to Mr Paulin which if you will take the trouble of perusing you will be able to judge of the matter—

Mr Baillie was kind enough to call here once since the seizure took place and gave me out a few papers but what I now solicit of you is that an examination of the whole might take place as early as convenient for I am every day most requiring to refer to some paper or other which is sealed up and I trust you will not consider this request as either unjustifiable or unreasonable—

Debtors Goal
Madras 7th August 1828

Henry Paulin Esqre

Sir

I beg you will excuse the freedom I take of troubling you and I shall feel extremely thankful if you will at your convenience accede to my request—

You are aware that on the 31st Ultimo the Sheriffs Officers at the suit of two of your Clients Captain Mr Lean and Jemipiah Bramley seized and sealed up a large Chest containing my Books, papers and Accounts also a Chest of drawers containing papers and letters &c, there is in one of these a letter addressed to the Military secretary Horse Guards London containing a claim for £270 on an Officer of H. M. Service and an Affidavit which I made lately before J. C. Gasconigne Esqre relative to that debt, these I ought to dispatch by the first Ship to England and would feel Obliged if you could let the examination of the Contents of the Chest and drawers take place at an early period—

I however beg to assure you with all honesty and sincerity that I am possessed of no property of any description whatever, nor have the most distant hope of satisfying the Claims existing against me unless aided by friends or liberated and allowed to exert myself, an erroneous idea I am aware is prevalent to the Contrary but if I had possessed any means of paying my debts I would never have remained in Confinement for two years and a half with a wife and three Children, so far from my having Money or property I have frequently of late been driven to the most extreme distress and often know not where to find support for my family indeed had it not been for the humanity of Mr Mogg the Gaoler now and then lending me a few Rupees we had been interely destitute—

By collecting at times same small Sums due to me, and by disposing of such articles of Mrs Lowrys and my own apparel as we could do without we have heretofore managed to subsist but I fear we cannot do so much longer as we have now parted with every little article we could turn into money—

It is well known to many that in 1826 when Mr Vandamcren from Messrs Arbuthnots & Co arrested me at Bangalore I made over to him all the Acknowledgements for Money &c that I held, and that I then gave up to him every thing I had in the shape of furniture and other property leaving myself without a Chair to sit upon the kindness of freinds has supplied my family with every thing of this kind since coming to this place and all that either I or my family now possesses is our wearing apparel and bedding and a few Books that have been given me since I was arrested by Gentleman who know me when in more prosperous circumstances but these I am ready to give up if you desire it—

I have been led to hope for sometime past that my freinds in the house of Stewart & Co Coach Builders in Calcutta would come forward and relieve me from all my embarrassments, and I am still sanguine they will do so and daily expect letters from them on the subject. should they however decline it I have no prospect but a continuance of my imprisonment as from the length of time I have been confined no one will come forward as my security at the same time I feel most Confident were I liberated and allowed to exert myself I would in 12 or 18 Months clear of every Claim ag[ain]st me—

Paulins said Letter but on the Contrary that an offer was made by one Conoor Soobee Chitty through the means of one Punjaramum Rasapah Chitty to my Client that if he my Client would pay a sum of 200 Pagodas to my Client, which my Client objected to do in as much as the said Title Deeds were merely deposited for Safe Custody in the Hands of one Casakara Chinnah Chitty deceased the father of the Defendant above named about 30 or 40 Years ago by my Clients Grand Mother the said Camachee Ummall deceased the Widow of one Cootty Chitty deceased in whose Name the Title Deeds are standing - and to acquaint you that it is entirely out of the power of the Defendants in the above Cause to prove that the said premises were mortgaged to them in any manner, the House and Ground having been from the time of the deposit of the said Title Deed as aforesaid up to the present day in the possession and actual enjoyment of my Clients

And I am further desired by my Client to inform you that Mr J. Savage the Receiver in the Family Suit lately prosecuted him in the Petty Court for the Recovery of the rent of the said House which the Commissioners dismissed upon Enquiring into the Matter on hearing the Evidence on both sides of the question

Under these Circumstances and also with reference to my former Letter to you of the 2d of May last I am instructed by my Client to give you Notice and I hereby give you Notice and caution you accordingly not to proceed to the Sale of the said premises and that in the event of your doing so my Client will hold you responsible for any loss and damage he may sustain thereby

The humble address of Mootoo comarapah Chitty

Honored Sir

I have addressed a letter to your Honor on Thursday 7th Instant accompanied with two Copies of Letters regarding your advertisement for my House and on the 8th following day. I have sent you an Official Notice by Mr Cooper Attorney at Law stating that you on the receipt of that notice should remove your seals from the property so seized upon which the Deputy Sheriff proceeded a Sale and it was purchased by the Complainant himself Altho I am not the Defendant to that action and the House was since 40 years under my own enjoyment

I have also addressed a Petition to the Chief Justice of the Supreme Court on Monday and one yesterday the Copies of which is herewith accompanied for your information and guidance

The Honble Sir Ricketts having sent for me yesterday to his Chambers and enquired all the matters fully which it is since 40 years under my enjoyment his Lordship further told that my application and the Notice given to the Sheriff will be quite sufficient and the Sheriff after such Notice will neither proceed the Sale not issue his Certificates and further directed me that the said Judges will interfere in this business when I am forcing to quite the premises either by you or by the pretended purchaser

I therefore humbly take the liberty to bring all this matters before your honor again and at the same time take the liberty to request that your honor will if you think it proper not issue a Sheriffs Bill of Sale under your seal and signature in the name of the pretended purchaser while he has no alittle shadow of claim to my property so unjustly claimed which all will proved to your honor by the Correspondence of Mr Cooper my Lawer v Mr Paulins I beg to be excused thus troubling your honor with this lines

That some time before when your Petitioners Grand Mother Camatchee Ummall has been alive She has bequethed her house to your Petitioner which is in the enjoyment of your Petitioner to this day but C. Vydee Chitty and Sabaputty Chitty told your Petitioner that the said house was left under mortgage with their father Chinnoo Chitty by your Petitioners said Grand Mother and thereupon your Petitioner told them that if it be so as they declare why their father did not have Cleared of the said mortgage upon good terms or by means of the law in this time as they both have been alive for many years and their death has been about 30 years ago and ever since what prevented the said two persons to put their demand either by themselves or by means of the law respecting the said Mortgage by producing their right or Claim or Mortgage bond if it be the certain what they on the subject

Your Petitioner further beg to state that after he has put upon them so many questions they left their ward quite destrebute on the subject nor have they done any thing against your Petitioner to this day but one of their creditors The Venkatasawmy Reddy having obtaining some decree in this Court against the said two persons and thereby he Caused your Petitioners house to be sealed by the Sheriff to proceed to the Sale and upon my acquainting to the Sheriff all the case as herein stated and in reference to a letter from Mr Paulin herein accompanied for your Lordship Kind perusal he ceased the Sale and name again he has advertised over my house to be sold on Wednesday next

Your Petitioner therefore most humbly begs your Lordship will be pleased to take this poor case into your Lordships candid Consideration to order the Sheriff and the lawer Mr Paulin who are for the said Venkatasawmy Reddy not to meddle with house for the reasons above particularized

As your Petitioner is very poor and helpless most humbly begs your Lordship will be pleased to Comply his poor request as herein prayed for which act of Charity and Justice your Petitioner as in full duty bound

To

The Sheriff of Madras

Sir

I have the honor to acknowledge the receipt of your letter of the 16th Instant and with reference to the Remarks in the last Column of the Statement which accompanied it I beg leave to call your attention to the following Observations—

Upon looking back to the grant of the pension on the Certificate No. 73 I find that the sum of seven Rupees was granted to the Widow for life the family consisting of the Widow her son and three sisters of the deceased of these persons the sisters had no claim whatever to benefit by the fund and the son has been for some time of an age to earn his own means of subsistence and contribute to the support of his Mother and according to the first of the rules passed by Goverment for the revision of pensions it appears to me that this pension is open to discontinuance or reduction— according to the means possessed by the son for assisting or entirely supporting his Mother—

I have therefore to request you will be good enough to institute an enquiry into the present condition of the sons circumstances and of the family in general and that the Original Certificate may be forwarded to this Office with your report the allowance being discontinued in the mean time—

The pension No. 8 granted on the Certificate No. 1550 which has lapsed on the death of the Widow appears also to claim some investigation as one of the persons to be supported by the allowance is an unmarried daughter of the subscriber and who is still a minor in this case I shall feel Obliged by your making inquiry whether this person is possessed of the means of subsistence independently of the pension now withdrawn and whether she has any relations who at present are able to support her—

In answer I beg to inform you that I have made the necessary enquiry about the Certificate Nr 73 and find that the Widow does not derive any assistance from her Son who is without employ and solely depends on the pension Two of the Sisters of the deceased are dead one only is alive at present who is a widow and who also depends on the Pension of the deceased family — I have also enquired about the Certificate Nr 1550 and find that the Daughter of the deceased is still unmarried and has no other Means of support than that of the Pension —

Para 1 I have the honor to request you will be good enough to inform of the period up to which the payment of pension on the Certificate Nr 73 has taken place —

2 I have also to bring to your Notice that the pensions on the Certificates Nr 1550 and 1551 are both entered in the enclosed Statement, one month short of the amount payable on them, and which it is most probable has been actually paid —

3 In the first case the widow died on the 16th of January last, but the Column for that Month contains only the pension for the 16 days instead of the Amount of the whole pension for December drawn in January. The pension for the broken part of January must have been drawn in February and should

therefore be entered in the Column for that month

4th In the second case the same mistake occurs the pension for November being omitted and the amount for the broken part of December entered in the Column for that month instead of January in which it must have been actually drawn
