I feel quite at a loss to understand this case if the Indemnity for selling was insufficient why was it taken thereby involving the necessity of our selling unless the Monitor was sufficient Authority for not doing so It appears to me the having Accepted insufficient Indemnity in the first Instance has involved us in all these Proceedings

I have received your letter of the 9th instant with the Copy of a Communication made to you by Mr Vireash on behalf of the Plaintiffs in this Cause and I have still to require you forthwith to remove your seals from the property specified in my former Notice of the 3d Instant As Mr Vireash mentions having seen Mrs De Silvas Will there can be no necessity for my forwarding the Probate to you. It is quite true that Mrs De Silva did not particularize the Houses and Grounds which each of her three sons were to enjoy after her death but directs that her Estate should be divided equally between her sons Edward John (which is since dead) and my Client Charles—

Mrs De Silva died in June 1825 and on the 3d of August 1826 the three Brothers entered into a devision of this property and Agreements under their respective hands were then exchanged by which the Houses I allude to fell to the

Share of my Client If Mr Vireash should wish to inspect this latter document he can do so but I must repeat my Expectation that you will remove your seals without any delay from the premises in question—

In reply thereto I beg to inform you that the Plaintiffs Attorney has quite misinformed you of the matter as it is quite out of my power to pay any part of the Defendants demand and therefore made no offer to do so nor was I about doing so all that I can possibly do being a poor man and quite averse to Law is to make over the Mortgaged Premises to the Plaintiff or Defendant in full satisfaction of my Bond more than this I cannot do which I hope you will intimate to the Plaintiff agent or Attorney so that they may in time save themselves all Unnecessary costs. The Premises in question is well worth 10,000 Rupees which I am ready and willing to sacrifice to them for the Amount of my Bond more than this I cannot do and which the Defendant has already proposed on my behalf to the Plaintiffs agents—

I received yours of the 17th yesterday Enclosing another writ against Captain W. Hake - In my last you were informed I intended to proceed to Madras on or about the

the 21st but in consequence of the Amount being paid in Rajah Rupees and fearing some dis advantage might accrue by being brought in that shape to the Presidency I have accordingly made it my business to endeavour to have the Money Bill a through the Channel of the Military Department in favor of Mr. Tho. Teed Esqre but failing to obtain my end I have written to that Gentleman to know what Course I am to take -

I am sorry to learn that you was not timely acquainted with the result of my proceedings at Arcot - Altho I wrote to your address on the subject - but by a misunderstanding at the Post Office the Communication in place of being forwarded to Madras followed me to Bangalore - on which Account I wrote more fully in my last -

I regret to say that the 2d writ against Capt. Hake did not arrive sooner as the Gent. had paid the Amount and was discharged in Conformity to Mr. Teeds Letter prior to its forthcoming and he is now shut up - He even told me he would in future be very cautious how he admitted strangers - He has since ent. the sick list and how to come about him I know not - I assure you it was by Craftiness he was first arrested -

However to the utmost of my power so long as I remain here I shall endeavour to inforce my writs yet on an answer to Mr. Teeds Letter respecting the Money I conceive it necessary to return as the Gentleman so long as I remain will be on his Guard -
