Sir,

In Reply to your Communication regarding the wages due to the Officers and Crew of the Brig "Anna" I beg to inform you that She was Seized by the Sheriff when She was here and She had possession of her until She was blown out of the Madras roads. As there is at present a Cause depending in the Supreme Court Regarding her I do not Conceive you would be justified in directing any part of her Packle to be Sold to pay the wages Imagine as the officers and Crew were Engaged by Mr. Denton She must pay them until the Vessel be disposed Off.

Sir

I am requested by Mrs Denton in consequence of ill health to answer your letter of the 18th Instant and in reply beg to state that Mrs Denton as well as myself are unacquainted with the name of Paupiahs Executor Consequently are unable to render any assistance in deciding the Cause by Arbitration It was not the intention of the late Paupiah to sell the Vessel neither did he wish to carry on the proceedings any further than to establish his claim Vencatachellum is entirely against the Vessels being sold - Mr Montgomerie is the person who wants to do so I am extremely surprised at that Gentlemans conduct He has refused to give any information as to the Name of the Executor of Paupiah stating as a very good reason (was it true) for so doing that he did not know - Is it possible he can be ignorant of the will of a Writer who has left him nearly all his property - I must confess it appears to me that Mr Montgomerie is acting certainly not the part of a Gentleman towards Mrs Denton In a letter to me he positively declares he has nothing to do with the business how to Confute his Assertion

Assertion Stake the liberty to enclose a letter from him to Mr Denton you will perceive from that, that he is not only concerned but very much entrusted in the affair I shall feel Obliged by your returning the enclosed after perusal Mrs Denton (of course) is very desirous to have is settled and will feel Obliged for any information by which the cause may be brought to you must be aware that from whatever the Vessel may realize myself and the Crew must first be paid I certainly would not be justified in giving up the Vessels Papers till all demands of this kind are settled - I think if you would have the Kindness to apply to D Comarasaumiah same thing might be done —

Sir

With reference and in reply to your Letter of the 7th Instant Annexing Copies of Letters from J Lushington Esquire the Government Agent, and an address from the Nabob to him alledging that a Bill of Sale or Certificate of 3 Pieces of Land belonging to the Flag Staff in Question, and the Mosque Situated in the South of the Shady Mahl were Mortgaged to the Circar and enclosing a Mortgage Bond executed by one Mercembee Daughter in Law to Chinnapah Rowter in favour of the said Circar for said Premises so far back as the 15th day of June 1825 and payable 3 years thereafter

I am instructed to bring to your Notice the possibility of such Mortgage Bond having been fully paid in the Month of June 1828 being the date when according to its tenor it became payable

and

And with reference to the Flag Staff in question Sam informed that by the records of His Heyhness the Nabobs Court it will appear that the Matter of the Flag Staff was in dispute between a number of people in the year 1828 when the said Court decided the same in favour of the Defendant Patto said, and granted a Warrisnamah or Certificate in his favor, which Warrisnamah is now in deposit in the said Court or Maukamah, and to which His Heyhness the Nabob Can refer, and which Certificate Sam also informed was on the Occasion of the decision of such differences registered in the Books of the Police and the right of the said Patto said then proclaimed in and about Triplicane by beat of Tom-Tom by which several facts it would appear that Marsemben could have had no possible Title To the said Flag Staff in the year 1825 adequate to Authorize her executing a Mortgage thereof

Under which Circumstances Sam instructed to request you will further investigate this matter and proceed to the Sale of the Flag Staff on your being previously satisfied of the same being the Actual and bonafide property of the defendant Patto said

Sir

I am directed by the Right Honorable the Governor in Council to transmit for your information and guidance the accompanying Extract from a Dispatch from the Honorable the Court of Directors dated the 10th of February 1830, and to desire that hereafter every letter from your Office to the Government may have annexed to it a paper containing a short abstract of its contents as directed by the Honorable Court.

Extract from a General Letter from the Honorable the Court of Directors in the Public Department dated 10th February 1830.

Para 4th The great length of many of your General Letters and the number of Subjects which they embrace, tend materially to retard our correspondence - To obviate this cause of delay - you are directed to instruct all your subordinate Functionaries in the several Departments, Civil and Military, as well in their correspondence with each other as with their respective Governments, to write separate letters upon separate subjects, and on a paper annexed to each letter to make a short Abstract of its contents - This division of Subjects may not be practicable to an equal extent in every Department and in all cases, but it is desirable that it should be acted upon as far as circumstances will permit - The practice of making Abstracts besides facilitating references, will lead, we hope, to a condensation of the Correspondence which is often most unnecessarily expanded - It should be understood throughout our service that the Letters which contain the most useful information and pertinent suggestions

or instructions within the shortest compass are the most valuable and will be held by the superior Authorities in highest estimation - The Abstracts above required are not however to supersede the descriptions of the contents of Letters now given in the Indexes to your consultations -

(A true Extract)

It is represented to me by Saunthy Kistnasawmy Naick that about 8 years ago the then Sheriff having at the Suit of the Plaintiff seized certain Houses &c. of the Defendant and Advertised them for Sale the Defendant by his Attorney served upon the Sheriff same Notice and the latter in consequence required the Plaintiff to indemnify him before he proceed to a Sale of the said premises that on such occasion the said Saunthy Kistnasawmy was one of the Sureties who indemnified the Sheriff and that he then left at the Office of the Sheriff a Collectors Certificate of a House No. 1 in Moollah street at Peddoo Naicks Pettah in the name of Varadapah Naick deceased who was the Father of Saunthy Kistnasawmy and that although the above Mentioned action was shortly afterwards settled and the Documents left with the Sheriff by the other Security were returned to him the Certificate left by S. Kistnasawmy were not returned to my Client I therefore by the desire of Saunthy Kistnasawmy Naick request you will deliver to me the said Certificate for which I shall grant you my receipt if necessary. The Cause for the present application is that S Kistnasawmy lately Offered himself as a surety before the Master in Equity in an Administration Case and in the deposition made by Saunthy Kistnasawmy he stated amongst other things of being possessed of the said House and the Master required the production of the Title Deed thereof

A Writ of Execution against the Goods and Chattels of the Defendants in the above Cause was sent to your Office in or about the Month of March 1829 8 by virtue thereof the then Sheriff seized certain lands of the said Defendants and advertised the same for Sale and before the same were sold Notices were served on him Cautioning him against such Sale whereupon my Client the Plaintiff was necessitated to provide 2 sureties to enter into the usual indemnity Bond to enable the Sheriff to sell the said Lands to procure which he was put to great difficulty for some Months—

On the 15th day of June last I upon the instructions of my Client addressed a letter to your predecessor offering him the names of the Sureties and requesting him to proceed to a Sale of the Lands under his seizure as aforesaid which he delayed to do the Cause of which my Client tells me he is unable to account for—

Respectfully Sheweth

That your Petitioner with his family consisting of a Wife and four little boys has been Confined in the Common Gaol of Madras since the 13th day of February 1826 a period of five years and three Months -

That your Petitioner has never during that period received any Batta or other allowance and has been in consequence reduced to a state of Absolute want for even the Common necessaries of life, and his family would have been for days without food but for the kindness of the Gaoler and other individuals -

That your Petitioner managed for sometime to support his family by selling a few Articles which he had and wearing apparel but these are all gone, and he has of late received pecuniary assistance from individuals who now decline helping him further -

Your petitioner therefore humbly prays that your Lordships will be graciously pleased to Order that his detaining Creditors be called upon immediately to afford him such allowance as your Lordships may deem sufficient and reasonable for which act of kindness your Petitioner as in duty bound will ever pray.
