Sheriff of Madras

Sirs

I beg to address you on the present occasion, in the hope that you will be kind enough without any further delay to favor me with the amount now payable & forthcoming to me from your Office.

You are aware that during the period that Mr R Elder was Sheriff Mr Moorat in satisfaction of a Claim against me Sequestered afsets of mine then in the hands of Mr P Cator the Registrar of the Supreme Court of Madras as well as in the hands of I W Dare Esqr. a short time ago on looking over my accounts relating to this affair I found that Mr Moorats Claim had received Payment thro the Sheriff over & above the sum actually due such overplus ought to have been returned to me but I have not to this moment rec.d it.

I have now with no little surprise learnt that you have received a further sum of money from Mr Cator on my account. I therefore to request you will be pleased to furnish me with a Statement of the account shewing the several Cash Payments you as well as your predecessors have from time to time received from Mr Cator & Mr Dare and I also request that you will be kind to pay to me any surplus which I am now entitled to.

Sir

In reply to your letter under date the 26th Instant I beg to observe that you have therein made some charges of a very grave and serious Nature against my predecessors in Office as well as myself in as much as your having stated "that Mr Moorats claim had received payment through the Sheriff over and above the Sum Actually due such overplus ought to have been returned to me" "but I have not to this moment received it" and "I have now with no little surprize learnt that you have received a further sum of money from Mr Cator on my account" and to acquaint you that if you do not immediately prove these your Asertions to be true or retract your said letter of the 26th Instant I shall be compelled to take such measures as I may deem proper against you to vindicate my own Character from your unfounded charges unsupported by any evidence save that of your own accounts as appears from your own statement - I further beg to acquaint you that I do not see what right you have to require me to produce my vouchers therefore I shall not produce them but they are called for in a proper place when they will be forth coming and lastly you will understand explicitly that I have no balance in my hands to be paid over in the above cause to you individually - I am not bound to go in search of the Defendants but when they (Edward De Silva Edward Gilles and Chales Camus) come forward to my Office and Sign a receipt jointly for the balance the same shall be paid but in the mean time if you will sign a receipt for the two other Defendants and yourself I have no objections to pay you the money provided you will indemnify me against the consequences of my so doing to you individually and for any delay that has or which may hereafter occur in this matter you have no one to blame but yourself -

Sir,

I have to acknowledge the receipt of your letter of yesterdays date, in replying to mine of the 26th Instant that your Predecessors have received more monies than in my humble apprehension they were entitled to retain I believe I can Establish satisfactorily by accounts which I have in my possession, and which I shall produce to you I do not mean that in paying what Monrat the Plaintiff they made any payment exceeding the Amount then payable to him my observations apply to the Sheriffs Fees from time to time retained altho' I confess I did in my last letter to you inadvertantly allude to an excess of payment to Mr Monrat. For this error I beg you will accept of my apologies, I certainly learnt with surprize that you had received money on my account in as much, as you did not in any way intimate to me that you had received it or that there was any balance in your hands which was payable to me and the other Defendants in the action. I humbly apprehend that as one of the Defendants residing at Madras ought to have had some such intimation It is not my wish however to Engage any more of your or my own time by any further correspondence on this Subject I shall take the liberty of calling at your Office with the accounts I have in my possession and after an examination of them with your Documents, I shall be glad to receive any surplus money in your hands giving you such a receipt for the same, with reference to the Indemnification mentioned in your letter as you may think necessary.

In reply to that part of your letter received by me Yesterday and under date the 29th Instant in which you cast certain reflections upon me for not having given you as one of the Defendant notice of there being a balance in my hands overplus of the debts and effects which were seized in the above cause under and by Virtue of a certain Writ of execution I beg to inform you again as you have already been informed that the Sheriff is not bound by law to go inquest of any Defendant in order to pay him a balance of such money as may be overplus in the hands of the Sheriff and at the same time to observe that you have stated what is grossly false in as much as your writing "I certainly learnt with surprize that "you had received money on my account in as much as you did "not in any way intimate that you had received it or that there "was any balance in your hands which was payable to me and "the other Defendants in this action" because you had intimation you were told distinctly when I last saw you at my Office by myself and in the presence of my manager that I had received money from Mr. Cator and that I had in my hands a balance belonging to the above named Defendants and that I would pay it to you individually provided you would indemnify me against the consequences of my so doing I am therefore very much surprized that you after retracting one unfounded assertion should be so bold as deliberately to urge another which I am positive you cannot substantiate

Sir

It is represented to me by my Client the Plaintiff above named that certain persons namely Cavy Sung Bahader and Soojiah Sung Bahader being indebted to the Intestate of the Defendant above named in a sum of Rs. 17000. the said Intestate in his life time obtained an order that his said Debtors should pay a sum of 20 Pagodas per Month out of their Salary in discharge of their said debt and that accordingly a sum of Rs. 1030 was paid to retained or accumulated in the hands of one Molaveer Jaland Uddeen Hoosain Khan Moonfuzza akum adaulat and that your predecessor unwarrantably and without paying any attention to the several threats and remonstrances made to him on behalf of any client by two several letters under the 18th of May and 13th of November 1832 (to which I beg to refer you) levied and paid the last mentioned sum to one Gordial Sing or his attorny under a certain Writ of Execution fraudulently obtained in a suit agt. one Burdut Mafser and Chait Ram one of the Defendants above named notwithstanding the said fund was not the individual property of the last named Defendant or of the said Burdut Mafser and Consequently not subject to the payment of their or either of their Debts but on the Contrary formed part of the Estate of the said Sanakeeram and was therefore liable to payment of the claims of his bona fide Creditors.

And I am instructed to give you Notice which I do that in Consequence of the said misappropriation by your Predecessor my client has been obliged to institute an action against him through me, for recovery of the funds so misappropriated which is now pending in this Honorable Court.

It is also represented to me that Vencatasawmy Ramanjooloongoroo, late Rajah of Bomraja Nagaree deceased in his life time executed to the said Defendant's Intestate a Bond

in the Teintoo Language and Character dated 15th July 1823 for Rs. 30,000. and that a Sum of Rupees 24100 or thereabouts is now due to the Estate of the said Defendants Intestate for balance of Principal and Interest thereon and that such Bond has been Mortgaged by the said Defendants Intestate to and now remains with one Cafsim ally Khan (who is ready and willing to produce to and leave the same with you for the purposes hereinafter Mentioned) who has a claim on the monies due thereon to the extent of Rs. 9000 or thereabouts for Principal and Interest due to him in respect of the last Mentioned Mortgage.

It is also represented to me, that the said Defendants Intestate in his life time for money due to him by one Esamun Mulk Bahader and his son Moothabur ally Khan Bahader, obtained their joint Bond in the Persian language and Character about 4 years ago for the Principal Sum of Rs. 3100. in the name of the Defendant Chait Ram and that such Sum with Interest thereon now remains wholly due and unpaid to the Estate of the said Defts. Intestate by the said Moothabur ally Khan Bahader who hath survived his said father - and that the last Mentioned Bond having (among st other things) been seized under a former writ of Execution issued in this Cause now remains in your Office by virtue of such seizure.

I therefore by the instructions and on behalf of my Client hereby request you will be pleased under and by virtue of the writ of Execution issued in this Cause and now remaining in your office to seize such sum of Money as now remains accumulated and may hereafter accumulate in the hands of the said Molavee Jaland Uddeen Hoosain Khan Moonfuzza akum Adaulat by the said Monthly payments of 20 Pagodas and likewise to seize the balance hereinbefore Mentioned or such other balance as may now be due on the said Bond of the said late Rajah by his son and Successor Rajah Boomah Bahadoor and also to seize the amount of Principal and Interest due on the Bond of the said Esamun Mulk Bahader and Moothabur ally Khan Bahader and that you will appropriate the Monies to be realized by such several seizures or so much thereof in and towards Satisfaction of the said Writ of Execution

in

on this Cause, without prejudice to the Mortgage Claim of the said Cassim ally khan hereinbefore Mentioned.

I am also instructed to request you will in proceed to seize the funds now accumulated and hereafter to accumulate in the hands of the said Molavee Jalaul Uddeen Hoossain khan Moonfuzza akum Adaulut and the amount due on the Bond of the said Esamun Mulk Bahader and his don be pleased to Commune with the said parties thro the Medium of the Political Agent of Government—

Sir

In reply to your letter under date the 28.th Instant in the above cause I beg to acquaint you that I have carefully examined the documents therewith sent and I am afraid the bond (of the late Rajah of Bomraja (Nagarii) for Rupees 30000 will not realize by sale any thing like the amount now said to be due thereon as balance of principal and interest and I would therefore suggest that the better way of proceeding in this matter would be for Cassim Ally Khan the Mortgagee to retain in his hands the said bond and pay over to me what is due thereon after deducting his claim (Rupees 9000) as mortgagee the money paid over to be applied towards the satisfaction of the writ of execution issued in the above cause.

It appears from the copy of the letter sent to me that a sum of Rupees 24000 is now due on the said bond for principal and interest after deducting therefrom Rupees 9000 the Claim of the Mortgagee a balance will be left of Rupees 15000 to be paid over to me which will be sufficient to satisfy the said writ. As to the said Cassim ally khan undertaking to be responsible to me for "the payment of my just and lawful fees and poundage" in the event of the said bond not realizing his said claim of Rupees 9000 this I beg to observe is nonsense for how can there be just and lawful fees and poundage on a Writ of Fi Fa unless the full or part of the amount is actually levied or a compromise takes place. To

The Sheriff of Madras

Sir

It is represented to me by Pool Beebee that under and by virtue of a Writ of Execution issued in the above cause you caused to be advertised to be sold between the hours of 12 and 5 o Clock in the afternoon of Thursday the 12th Instant unless the Execution should be previously satisfied before the hour of 4 o Clock of that day all the right title Interest and Estate of the above named Defendants of to and in a Gentoo Bond under date July 15th 1823 executed by Vencatapparoomaloo Rauvanjooloo in favour of Janakeram of Madras Soucar deceased for Rupees 30,000 and that you have accordingly in pursuance of such advertisement sold and disposed of the said Bond.

I am inconsequence instructed by my Client to inform you that the above named Defendants have not nor ever have had any right title Interest or Estate in the said Bond whatever but that the same is the sole and exclusive property of my Client but which was obtained in the name of Janakeram in the following manner as represented by my Client.

A Bond of the said Rajah for 12,000 Pr in favour of one Doolchund and one Lutchmun Doss the Brother of my Client who were partners in Trade came into the custody and possession of my Client as the Sister of the said Lutchmun Doss, the late Janakeram who used to act as the Agent and friend of my Client pretending to her that some of the Debtors of her Brother being about to Quit Madras she desired him inconsequence to look out for their Bonds Amongst the Papers of the deceased in her possession for the purpose of demanding payment on which occasion the said Janakeram clandestinely without the knowledge of my Client purloined this Bond of 12000 Pagodas & delivered it over to the said Rajah and took in Lieu thereof the Bond in Question of 30,000 Rs in his Name An my Client coming to the knowledge of this matter and discovering also that the said Janakeram had defrauded her of Several Articles of Joys Jewels &c she lodged her complaint against the said Janakeram at the Police when the said Janakeram being apprehensive of the consequences put this Bond in the hands of his friend Cassim ally Khan to settle the matter and deliver over the Bond in Question to my Client upon obtaining a release from her.

The Complaint at the Police being thus suspended Cassim ally Khan taking advantage of the Bond in his possession neglected to settle or deliver over the Bond to my Client and Janakeram having shortly after departed this life the Bond was retained by the said Cassim ally Khan who now sets up a fictitious claim to it as the Mortgagee but being fearful of bringing any Action on the fabricated mortgage Bond to establish his right he chose rather that his Mother the Plaintiff should Seize and dispose of this Bond under the above execution which is altogether irregular and illegal and I am requested by my Client to call your attention to a Notice addressed to the Sheriff on the 3d June 1831 on the Subject.

I am instructed by my Client to give you Notice and I hereby give you Notice Accordingly in the event of your having delivered over the Bond to the purchaser under such sale as aforesaid not to part with the Amount realized by you on the sale of the said Bond or any part thereof but to retain the same in your hands until the termination of the proceedings which are about to be instituted by my Client for the recovery thereof. Should you after this Notice part with the said Amount or any part thereof my Client will hold you personally Responsible to her for all Costs damages and expences she may sustain on this behalf and in consequence of the illegal Sale of the said Bond by you under the Execution aforesaid.

And I also hereby give you Notice that in case you have not already parted with the Bond to retain the same in your hands to abide the result of the Proceedings as aforesaid.

I beg to inform you that I have renewed out my Writ on the 21st Instant against my Defendant Chinniah Pillay Maistry which you were good to deliver into the hands of the Jailer of the Petty Court to arrest him at the time he should obtain discharge from the Petty Jail.

I am sorry to have to acquaint you that the Jailer entirely omitted arresting him at the time he was released from the Jail on paying the Judgment fee for which he was only Confined there.

I am at a loss to know the reason why the Jailer neglected so to do notwithstanding he was positively directed by the Capias from you to arrest the said Defendant.

I have in my last application dated 19th Instant already apprized you that in the event of the Defendants escaping from the Warrant I alluded to he would be seldom found in Madras yet it proved of no effect.

You are therefore particularly requested to consider the case of which I was injured & suffered and try to

Annasawmy Moodelly

I have received just now a long letter from several persons with whom I am unacquainted but who are no doubt well known to you Complaining to me of yours being deprived of the room outside the Inner Wall of the Gaol and also of the Violence used by the Gaoler and Peons in removing you inside the Prisoner With respect to the last Complaint from all the enquiries I have been able to make there appears to be no foundation in it at all The only violence used on the occasion was the degree of force necessary to oblige you to obey an order legally given by the Gaoler under my express Command with which you refused to Comply If therefore you have suffered any inconvenience in Consequence you have only yourself to blame and I can afford you no redress as regards your occupation of the outer room I refused it yesterday and I must still do so. your being there at all was no ~~Inner Wall do so Your being there at all was no~~ matter of right but merely an indulgence this indulgence for very good reasons I have thought proper to deprive you of and if your object is only now to have it Continued I may save you the trouble of making any further applications to me on the subject as I am resolved not to grant your request. I have always given orders that the feelings and religion of all Prisoners should be regarded as far as is Consistent with the rules of His Majestys Gaol and I believe that those orders have always been acted up to But from what passed yesterday in my interview with you I am inclined to think that your objects in being so unfortunate about the room in question are not what you and your friends profess them to be you Can have a separate room inside the Prison but no further indulgence and by behaving yourself in the way in which you have lately done you are only rendering yourself liable to the Consequences which you would not be willing to meet and I should be very sorry to be Compelled to inflict. This is my final answer to the many applications I have been teased with by you and your friends but I may tell you that if you think yourself aggrieved by it you have a remedy by Petition to either of the Judges and I will give orders that Mr. Spencer forward any Petition that you may wish on the subject.
