The humble representation of Vencatachella Pillay

That my Grand mother Putchaummall left some Estate to my sons which I entrusted with Thatha Pelly and Ramakistnapilly together with a Bill of Sale of a House granted in her Name and some administration Papers to be secured by them and after elapse of some years they both were dead when the Seenevasapillay the Son of the latter attempted to assume the property himself and then after sometime upon my demanding of him for the Bill of Sale he told he would make a search after it and deliver it to me and that he was not aware where his late father left them accordingly I often waited upon him still he returned the same answer - In a process of time when my son Veerasawmy Pelly was down here from Nellore I gave him an account of the Particulars and then my son and myself repeatedly Called on Seenevasapilly for the same purpose and yet had met nothing but with a like reply having much Confidence on him but since the said Seenevasapilly departed this life upon which I applied myself to his wife Soobamah as he had no issue who likewise used to satisfy us with the same as her husband still however having much Confidence in her as well as in others we did not in the least Consist on the matter.

Notwithstanding all this and our frequent entreaties both to Ramakistnapilly and Seenevasapilly the said Soobamah affecting a scaming Contrivance of the fact was rather so ungreatful as to cause my house to be sealed without ever as much as observing a Note on the occasion and placed some Peons to watch over the House and when I enquired of Seetharamoodoo Sheriff Peons I was given to understand that this was done by orders of the Sheriff. and I have therefore thus presumed to write every thing for your honors kind information —

Sir I am directed by the Commissioner for the Government of the Territories of the Rajah of Mysore, to enclose copy of a letter addressed to me by the Superintendent of the Ashtagram Division of this Territory, and with reference to the warrant which accompanies it, to observe that the territories of the Rajah of Mysore cannot be regarded as within the jurisdiction of the Supreme Court at Madras and further, that according to the terms of the warrant "if they (the persons to be apprehended) may be found in Madras" the Bailiffs seem to have exceeded their authority by entering the Mysore Territory for the purpose of arresting them.-

2 Under these Circumstances I am now desired to acquaint you that the Commissioner issued instructions on the 5th Instant to the Superintendent of Ashtagram to direct the Bailiffs to quit the Town of Mysore immediately, and the Mysore Country as early as practicable to release the parties who had been apprehended on the warrant from the Bail which they had given, as reported in the enclosed copy of Lieutenant Chalmers's letter, and to give every protection to the Bailiffs on their return through this Country.

Sir I have the honor to forward herewith for Submission to the Commissioner, copy of a warrant from the Supreme Court of Madras, and in so doing to acquaint you that I last night received a complaint that two of the defendants therein named (Viz.) Ayat khan and Meer Ryder Ally had been arrested in pursuance of the same.-

2nd The two Bailiffs employed to serve the warrant waited upon me this morning and I procured from them the copy now sent, and have also prevailed upon them to allow their Prisoners who are men of rank and consider themselves to have been subjected to great indignity, to return to their own homes

72/ homes on a security for one thousand Rupees to be taken from them by the Cauzy of Mysore, until I receive further instructions from the Commissioner on the subject-

3. The Plaintiff in this case by name Gholam Ahmed khan Sahib is commonly known by the name of Chota Raja khan and the suit filed in the Supreme Court on which the writ has been obtained, has I believe been decided by His Highness the Rajah previous to the assumption of the Country and that decision recently confirmed and carried into execution under the orders of the late Joint Commission-

4 The Defendants are 1st Khader Halem khan son of the late Burra Raja khan and halfbrother of Chota Raja khan a boy of fifteen years of age who has never quitted Mysore, 2nd Peer khan younger brother of the foregoing aged about twelve years, 3rd Ayat khan married to a daughter of the late Burra Rajah khan an old Servant of the Rajah, and 4th Meer Hyder Ally brother of the late Burra Rajah khans wife, and late a Commandant in the Mysore Infantry-

5 It will therefore be evident to the Commissioner that the Warrant has been obtained by some unfair practices, and as it describes the defendants "as of Madras inhabitants residing at Mysore a place dependant on the Government of Fort St George" and further directs their apprehension "if found at Madras" I trust that I have not done wrong in staying their removal as Prisoners upon an authority which appears so questionable as the one produced-

6 I should further add that the European Bailiff has in his possession a passport from the Sheriff of the Supreme Court to proceed to Mysore-

About 20 years ago the premises in question were Mortgaged by Byree Natcha Unnmall and Sashachella Naick for the Sum of Pagodas 3000 to N Iyahsawmy Pillay who was at that time a Member of an undivided Family Composed of the following persons N Narrainsawmy Pillay, N Iyahsawmy Pillay, N Gopaulkistna Pillay and N. Veerasawmy Pillay who afterwards became devided in Interest.

These

These four persons are all dead and in the year 1828/29. a Judgment was Obtained against Parendavy Unmall and Vadumnall at the Suit of Vencatasa Pillay and Colunda Pillay and under an Execution issued in that Suit the Sheriff sold 2/4ths of the property in question and at that time the Title Deeds were deposited in your Office by Parendavy Unmall who was the Widow of Verasawmy such Title Deeds having Come into his possession as the Receiver of the family appointed under a Decree made on the Equity Side of the Supreme Court in a family Suit for Separation of property.

It does not therefore appear that either Iyahsawmy Pillay Narrainsawmy Pillay or their representatives since their death have in any Manner disposed of their interest in the premises.

Read the following Extract Military Department

No. 62.

Extract from the Minutes of Consultation
6th January 1835

As it would appear that Military Pensioners cannot be employed with the advantage in the Police Establishment at

at the Public Establishment at the Presidency that was expected resolved as an Experimental measure that employment be given them in the Revenue and Judicial Branches of the service as Peons and as Peons in public Offices, making their Pensions up to the amount of the Pay of the situations they may be appointed to fill.

The success of this Plan will in a great measure depend upon the selection and distribution of the Pensioners according to their several qualifications and if due attention be given to this point it is anticipated that not only will a deserving class of men be benefited but a considerable saving to the State ultimately effected.

There are many pensioners who from wounds or injuries have been rendered unfit for the Military Service yet may be perfectly capable of performing the duties required of Peons and it is principally from Amongst these that the Selections should be made and not the old and decrepit.

Ordered that copy of this Resolution be furnished to His Excellency the Commander in Chief and to the Public Revenue and Judicial Departments also to the Heads of Public Offices at the Presidency with a view that in communication with the Superintendent of Pensions Employment may be given to Military Pensioners in such situations as may appear most suitable to them.

Fort Saint George

Right Honorable Sir —

We have the honor to acknowledge the receipt of your Letter of the 6th Instant (together with the enclosure from the Board of Revenue therein referred to) suggesting the propriety (if there should be no objection) of an Order being passed by us that all advertizements of sales of Lands by the Supreme Court should appear in the Fort Saint George Gazette —

In Reply thereto we have the honor to inform you that as regards sales in the Masters Office which are under the immediate direction of the Court we are not aware of any Objection to the Order suggested and the same shall be issued accordingly - But as regards sales of Lands by the Sheriff under writs of Execution or them by the Registrar as administrator of Estates we are of Opinion that we ought not to give any Express direction, These Officers being at liberty to insert their respective advertizements in such papers as with reference to the particular property in their Opinion will afford the best Chance of a beneficial Sale and for which they are responsible to the parties interested.

We have no doubt however that both the Sheriff and the Registrar will readily accede to any desire Expressed by the Government to insert an additional advertizement in every sale of Land in the Fort Saint George Gazette provided the same be free of Expence —

We have the honor to be

That the Property was sold under both Executions and the amount equally divided, and a Moiety paid towards the Satisfaction of each

I believe these particulars will appear Correct upon reference to the records in your Office and I beg the favor of you to let me know whether you have any objection to make a return, that half the Money produced by Sale of the premises (deducting poundage &c.) was levied under the Fi Fa in this action.

In Consequence of you having by Virtue of a Writ of Execution issued in the above Cause, very wrongfully seized a Certain piece and parcel of Charity Ground and Houses situated and being in Peddoo Naicks Pettah, generally known by the name of a Muddum or Charity place, bequeathed and let out for Charity use specifically by Chinna Chitty Vasundah Chitty Seertavasee Chitty and Sadembarah Chitty, the 4 respective Sons of Veeraragoova Chitty late Natives of Madras, and all since deceased, induced me as one of the Principal Tenant, and householder in the said Muddum or Charity Ground, to apply Yesterday to the Justice Sir R B Comyn at Chambers, and explained to his said Lordship the Particulars of this said Charity Ground, and of it being exempted from Sale Mortgage and Transfer wherein and whereby I requested that your Seals be removed therefrom, and after deliberate consideration his said Lordship directed me to explain to you of the same and that

you

you will after an Examination remove your aforesaid Seals.

In Obedience to the same, I beg leave to apprize you, and which you will on Enquiry find it to be true that the Father of these 4 Individuals named Vasundarayah for the benefit of his Soul, and prolonging of his name, purchased the Spot of Ground on which your Seals are now affixed, and gave it out as a Muddum or Charity Place, and that to Continued all during his life time and long after his death, his aforesaid Sons, the 4 Individuals hereinbefore named, not wishing to hurt and ruin the said Charity did on or about the 12th. day of November of the year 1718 Cause a Certain Deed in Writing, of this said Charity Muddum to be engraved on a Stone and laid as a Proof and Protest against all the attempts that may after their life time accidently occasion, on a part of this said very Ground, and so long back as 117 years the said Ground, remained untouched, and for better Certainty of my allegation I herewith subjoin to you a translation of that Engraved writing which will fully convince to you that no Writs of Execution can prejudicially Sell the same to satisfy and pay the amount of any Judgement and it is also to be known that the Defendant in the above Action, who is also since deceased is a relation to the Donors and after their demises as also of the Managers of the said Charity Ground he was Considered as a mere nominal Manager thereof and by the face of that Engraved writing, which is in view Open to the Public in General, will be easily understood that no Person on the face of the earth can be the Proprietor of that Charity Ground.-

For further I beg to inform you that the above named defendant in his life time endeavoured to become the Proprietor of the said Charity Ground as the representatives of the said 4 Respective Individuals and which he was unable to shut the Eyes of the impartial Gentlemen, respectively as Judges in the Court of Commissioners as also of the Collector of Madras, and of the Superintendant of Police, and particularly of the Judge and Jurors of the Sessions of Oyer and Terminer where he was tried and Convicted for his attempts as on reference to the Proceedings in the aforesaid Courts and Office will more fully appear thus situated the Plaintiff above named Cannot levy the amount of his said Judgement from the sale of a Charity Property Therefore and by the direction of his said Lordship- beg you will after this explanation remove your Seals therefrom or otherwise I beg you will after this explanation remove your Seals therefrom or otherwise I will hold you responsible for all the Losses and damage that Myself and other of the Landholders will thereby sustain.

Supreme Court, Madras
Registrars Office 22d June 1835

Gentlemen,

A mistake has occurred in the Name of an Estate of which Administration has been granted, the Name mentioned therein is David Digges De La Touche and this erroneously, whereas the real name is William David Digges La Touche and by that Name I on friday last presented my Petition for Letters of Administration.—

It is quite clear that the real Estate can only bear the Costs of one Letters of Administration and under these Circumstances the obvious and ready way would be to request you would be pleased to alter the Papers with the real Name, but this Course will make it impracticable for my Proctor to make out his Bill of Costs against that Estate for want of Vouchers to support it.—

Under these Circumstances my Request is that you will be pleased to do what is equivalent to and that which obviates the impracticability of the former Course. Viz to forego your fees in the former erroneous Proceeding and Charge them in this. The Amount will in all probability be precisely the same.

I beg to add that my Proctor and Counsel and the Master have agreed to this Course —

Sir

We the undersigned European Bailiffs attached to the office of the Sheriff of Madras beg leave most respectfully to lay before you the following matter Connected with the remuneration we receive for the performance of our duties in the humble hope that you will take the same into your favourable Consideration and make such representation to Government as the subject may appear to require.-

In the first place we would take leave to mention that we each receive a Salary of Seven Pagodas and a half per mensem and that all we earn independently of such Salary is Composed of our fees upon the execution of Process and our batta for proceeding to execute Summonses and Writs when such Summonses and Writs are actually served and put in force.-

The Salary of seven and half a month is the only fixed monthly income we Can calculate upon out of which we have to pay House Rent and a Servant which amounts to five or six Pagodas a month and we earnestly urge that Europeans must submit to great personal inconvenience and privation of Comfort when they have to provide for the support of themselves and their families upon so small an allowance our fees and batta it is admitted assist in some measure to renew the inadequacy of our Salary left left than it would be but we nothing else to look to but even these fees and batta have been so much curtailed of late that Considering their precariousness, their monthly average when added to our pay is little else than sufficient to enable us find ourselves occasional Conveyance.-

With Reference more immediately to our pay we would respectfully observe that of the Sheriffs European Bailiffs receive less fixedsalary than subordinate European officers in similar situations entertained on other Civil and Judicial Establishments at Madras The pay and allowances of European officers attached to the Court of Commissioners amount to thirteen Pagodas a month a Sevenor native Peon in the same Court receive seven Pagodas a month besides their fees which amounts to six or sixty Pagodas Annually and a cottrawing officer twenty five Pagodas per Mensem.- The ordinary

between the personal labour and Responsibility required of us and the exertion expected of and the trust reposed in the officers of the Commissioners Courts Cannot fail to be as manifest as the difference in our respective duties. The Officers of the Commissioners Court execute the process of that Court within the limits of Madras and as far as Bailiffs of the Supreme Court are liable to be required to have Madras and to execute the process of the Supreme Court in any part of the Territories subject to or dependent upon the Government of Fort St. George in doing which we are often obliged to pass through Jungles and other dangerous places with money in our hands exposed not only to the weather and to the Diseases but also to Robbery and murder. The officers of the Commissioners Court moreover are never required to absent themselves from their families and are therefore in the possession of every Comfort which man According to their Circumstances expect to find within their houses the Case is different with us for when we quit Madras we are obliged to leave our families behind us and not only support them during our absence but also keep up as it were two distinct sets of houses.

As to our fees and batta we humbly represent in an especial manner the hardship of its being provided that we can make no Charge save in such instances as we actually succeed in executing process from the Supreme Court according to the regulations now in force we can expect no fee or other remuneration except when we happen to be successful in that it would appear we are paid not in point of fact for our labour but for our success a Plaintiff for instance may require us to go to day after day to Triplicane or Perambore or any other place within the limits of Madras to Arrest his Defendant and if the Defendant keeps himself shut up to avoid the process of the Court we Cannot demand a single fraction for our daily attendance and must pay our Conveyance out of our small Salary and if we should be one whole month or one whole year in taking a Defendant and we should in the Course of that month or that year travel five miles every day we should not be entitled to more than One fee of two Rupees for the arrest and one Charge of batta at one Rupee the mile This we urge is a real and a great hardship and we humbly submit that we ought to be entitled to Charge according to the work we actually do.

The allowance we draw when entrusted with the execution of process beyond the limits of Madras is the last matter which we will beg leave to trouble you upon. It is imagined that we get a Rupee for every mile we go but we would with your permission observe that this is an error we get 8 Rupee for every mile we travel in a direct distance from Madras but no allowance is made for our Return so that if we go a distance of one hundred miles from Madras we receive one hundred Rupees whereas in going from and returning to Madras We travel two hundred miles thus making it in fact half a Rupee a mile one Rupee the mile The travelling expences of an European moreover are heavy and swallow up a great deal of his batta so much so that if a Bailiff has to remain any time at the place to which he is sent he must be a loser by his journey unless he is remunerated by the party Plaintiff otherwise than by payment of his batta. To be the better understood we beg leave to set forth the expences of travelling a

Whereby it will be observed that we have left the sum of thirty One Rupees and thirteen annas and no more to provide ourselves with any little Convenience we may require for ourselves and families.

The above are the principal matter that we would humbly represent to you and we beg leave most respectfully to beg your favourable interference on our behalf with the Government to increase our monthly Salaries to the sum allowed by them to the European Bailiffs employed in the Court of Commissioners.—

To the Sheriff of Madras

Sir

With reference to your letter of the 14th July 1835. Requiring my Client to indemnify you in case he wishes to hold the property Viz. the Godown situate on the 2d line on the North Beach known by the name of Singery Veyanaden Moodellys containing about 10 Gauze of Rice as alleged in Mr Vincents letter to be mortgaged to his Clients Collah Venkatachellum Chitty I am instructed by my Client that the mortgage Bond held by the said C Venkatachellum Chitty is a pretended one, obtained by the said C Venkatachellum Chitty in Combination with C Rayarroloo Chitty who are near relations of the said Defendant for the purpose if possible of protecting it from Seizure, and as Evidence thereof you will perceive on inspection of the said pretended mortgage Bond, that it has no Subscribing Witnesses the parties Concerned to protect the Defendant being respectable men have not ventured to obtain the Signature of Witness lest they should be betrayed -

It is further represented to me by my Client that one Chatrancharry Ramasawmy Chitty has received large Advances from the Defendant for the purpose of dealing in Rice and that he remits from time to time Rice to the Defendant for Sale from the Interior and that the Rice in question was so sent by the said C Ramasawmy Chitty and is the property of the Defendant or the Defendant has a lien thereon for the Amount advanced, Consequently Ponnambala Chitty the pretended mortgagor of the Rice to the said C Venkatachella Chitty has no right title or Claim thereto -
