To J. F. McKennie Esqre

Sir

I beg to bring to your notice that on the 18th day of February 1833 there was a Garden and Bottigue situated at Nungumbaukum put up by Sheriff's Sale, of which premises I became the legal purchaser, and obtained possession thereof from the Sheriff the Bill of Sale of which premises I now hold — Some time after One Comarasawmy Modelly having created a disturbance regarding the Bottigue and the same being brought to the notice of the Superintendent of Police on the 13th September 1833 he was fined, and I was fully established in possession of the Property aforesaid which I have hitherto held undisturbed and paid the Past Rent and Assessment for the same — On the 18th June last I received a Notice from Mr. Rowlandson which I have ready for your perusal threatening me with an Action of Ejectment if the property be not delivered up to the said Comarasawmy Modelly to which I replied, and was yesterday served with Copy of a Plaint in Ejectment filed against myself Ramasawmy Chitty Ramasawmy Graminy and Veeraragaviah, together with a Notice and a Translation —

I therefore beg you will have the goodness to take this Case into Consideration and see what is to be done, as I do not see any reason, why I should be subject to an Action of Ejectment for any Property that I may be fairly and legally purchased by me at a Public Sheriffs Sale by becoming

Moongamooree Govindoo Naick.

To The Sheriff of Madras

Sir

It is represented to me by Moongamooree Paupiah Naick & Ragavaloo Naick and Kistnadoo Naick that you have by Virtue of a certain Writ of Execution issued in the above Cause advertized for Sale on tomorrow two Houses and Grounds one situated in Peddoo Naicks Pettah in Nunniah street and the other situated in Peddoo Naicks Pettah No 77 at Yaddapauliam in Anoomunaroya Pagoda Street as the property of the Defendants

I am inconsequence instructed to inform you that Moongamooree Venkatasa Naick (who was the Father of my Clients) about 70 years ago married Condamah since deceased by whom he had issue three sons Pareah Naick since deceased Narraimsawmy Naick also since deceased and Govindoo Naick the Defendant in this Action and that on the death of Condamah the said Venkatasa Naick married one Akamah since deceased who was the Mother of my Clients and by whom he had issue Rungiah since deceased and my Clients the said Paupiah Ragavaloo and Kistnadoo Naick in the Evah year some disputes arose between my Clients and the said Pareah Naick and Govindoo Naick inconsequence whereof Venkatasa absolutely gave to the said Pareah and Govindoo a House and Ground also situated in Anoomunaroya Pagoda Street Jewels of the Value of 100 Pagodas 4 Buffaloes. Brass Utensils and Wooden Articles and separated them from him and my Clients and from which period the said Pareah Naick and Govindoo Naick have always lived separate and apart from them

It is further represented that the said Venkatasa immediately thereafter in Order to avoid Litigation after his death touching his property Executed a certain Instrument in writing declaring that after his death the residue of his property after payment of his just Debts should go to my Clients and their Mother to which Instrument the said Pareah and Govindoo Signed their names assenting thereto and in which mention is also made that he Venkatasa had given to the said Pareah and Govindoo the Jewels aforesaid

aforesaid House Jewels Buffaloes Brass Utensils and Wooden articles

It is further represented to me that on the death of Venkata which happened about 8 years ago my Clients as his Sons and legal representatives paid his Debts and among others a Certain Debt due by Venkatasa to Palavadoo Kistnamah Chetty on Mortgage of the Two Houses belonging to him and now advertized to be Sold at the time of which payment the said Kistnamah alleged the Title Deeds of the Two Houses were in the possession of his Partner who had gone up the Country and that he would undertake to return the same as soon as they were forthcoming and Accordingly granted a Release to my Clients bearing date the 18th March 1831 whereby he undertook to return the Title Deeds of the said Houses.

It is further represented to me that by some improper means the Defendant above named obtained the Title Deeds of the said two Houses and pretended to have mortgaged them to the Plaintiff in this Action and Caused him to Commence an Action upon which he Confessed and that thereupon a fraudulent Execution issued under which you have seized and advertized the aforesaid Two Houses to be Sold.

Under these Circumstances I am instructed to request you will not proceed to a Sale of the said Houses but that you will cause your Peons and seals of office to be forthwith removed and in the event of your not Complying with this requisition I have received instructions to Commence proceedings against you in the Supreme Court without further Notice.

Translation

Your female Slave having performed the duties of Submission represents to the Servants of your august presence, that Budrudeen, Cholder of your Highness's presence, delivered to her a Copy of an order of the Court and a Copy of Mr Lawyer Jarrets letter to the Sheriff of Madras and also a Copy of a letter of the Sheriff of Madras to the Government agent, in the Cause of Mahomed Khan She understood the Contents thereof O Master the Circumstances are these. that the Claim set up by him [Mahomed Khan] against her in the Court is entirely false- But she may owe [him] something as per account- She often sent him word. that he should settle his account, and should receive instalments prorata as the other Credetors do- Notwithstanding her sending word to him he dis. without giving her Notice, and by the persuation of divers ill disposed persons, fraudulently obtain a decree from the Court through the means of the said Lawyer, and now he troubles the Government agent by means of the Sheriff of Madras O Master the well known practice is this that where any one Complains to the Court against [one of] the Daughters of the Nabob Wallajah (who rests in Paradise) a Notice or Summons is sent to the presence through the means of the Government agent, and of which [one of] your Slaves is informed by your Highness. If [one of] your Slaves should not give an answer to the Notice or Summons within the prescribed time, the Plaintiff obtains a decree from the Court- In Short Mahomed Khan, did, agreeably to his wishes, Obtain a decree of thousands, by the said Lawyer and by the assistance of friendships and evidence of several ill disposed persons, without

giving her previous Notice- Others hearing this Circumstance, will in the same manner obtain decrees for Lacs, without giving her or your Highness any Notice on the Subject How then this Slave, under such an oppression answer for or satisfy the debts Claimed by these persons? To write more is to transgress the bounds of respect-

I have only two Gardens; One is Mortgaged to Merza Ahomed ally for
One Thousand Pagodas, and the other to Kishun Doss Soucar, for
two Thousand Pagodas - These are also gone for the principal Sum

To The Sheriff of Madras

Sir We beg to inform you some time in the year 1822 in the life time of my late Husband (Caumyaspah Moodley) he mortgaged the Title Deeds of his house to one Coopporoyer and received thereon the sum of One hundred and fifty S.C. Pagodas which sum my late Husband paid by Monthly Instalments of Four Pagodas from his Salary at the College which the said Coopporoyer received up to the year 1830 when my late Husband died leaving no balance to him but yet for a sum of One hundred and seventy five Rupees the said Coopporoyer sent my Eldest son (Sawmynada Moodley) a Petty Court Summons with the pretence that the Mortgaged House had become his property for House Rent which cause having been investigated by the Commissioners on the 19th October last and was nonsuited as a fraudulent proceeding the Copy of which Summons we beg to annex—

That while matters was thus settled to our great surprise on the 7th Instant our house was seized by your Peons from the request of one Ramasaumy Iyer who we know nothing about or have my late Husband son or myself had any transactions or dealings with or did we ever receive a Notice or Summons from your Office or the Supreme Court and even to this day there are two Peons at our door watching which is greatly to our annoyance inconsequence of which we was under the necessity to write to you on the 10th and 12th Instant and regret to say that we have not as yet been favored with a reply which induces us to repeat our request by the desire of the Honble Sir R. B. Comyn Kt.

We therefore beg to solicit your kind Consideration in this Case and Cause the Seals and Peons to be removed forthwith

in doing which you will Confer an Obligation on-

20th Jany 1836

I am of opinion that the Defendant ought in the first instance to have pleaded to the Jurisdiction of this Court, if she had considered that as a Member of the Nabobs family she was exempted from its jurisdiction. This acting as we must presume she did under the advice of her Counsel Mr. Norton she declined to do and after a trial a verdict was given and a judgment entered up thereon against her and writs in the usual manner both against her person and her property have been issued and delivered to the Sheriff. These writs the Sheriff declines to execute in Consequence of the Defts residing within the Place at Chepauk and because the Property which she possess is there also-

It is established that the Nabob is to be considered in the light of an independant Prince resident at Madras in the character of his own ambassador and that no greater or other priviledges can be claimed for him than would be claimable for the ambassadors Vide Tirk un Nissa Begum vs the Nabob 2 Str Mad R 139. In Bozunga Row vs Abdool Maubondon khan Str. R 167 The Court refused to admit the claim of the defendant as the Natural Son of Wallajah on a Motion to set aside the proceedings against him but put him to plead his claim. and in the case of Tirk Un Nissa Begum vs The Nabob the Court said It would not follow because in Europe and particularly under the Law of arm the Servants of ambassadors are exempt from Process of debt those of an Eastern Prince resident within our Jurisdiction would be so likewise" on the consideration I have given to these and other cases I am of opinion that the Defendant is subject to the Jurisdiction of this Court. Then the question arises how is the Sheriff to act as he cannot enter the Palace at chepauk I consider according to the Law of Natives that the House in which the Nabob resides is inaccessible to the ordinary Officers of Justice but according to the same Law of Natives if that house is made an asylum for a person who has Renderes herself averable to the Laws it is the bounden duty of the Political agent to bring the fact to the notice of the Nabob and call upon him to give up the person as well as the property she is possessed of to the Officers of the Sheriff. If this be refused I should advise an immediate application to the Government and if redress is not afforded to apply to the Supreme Government and ultimately lay it before the Directors or if Necessary to Petition the two Houses of Parliament-

It appears that the Defendant is entitled to the Sum of Rs 2000 Monthly payable on account of the Carnatic Stipends This must I think be Considered as a debt due from the Company to her and as such under our charter liable to Seizure by the Sheriff in the hands of the Company I should therefore advise that the Sheriff be required to give notice to the Paymaster of the Carnatic Stipends or other person employed by the Company to pay this fund as well as to the Government itself of the issuing of these writs and that he is required to seize and does accordingly seize the Stipend as it ~~is~~ becomes due and that the company and the Paymaster will be held responsible if such monthly Stipend be paid to her after such notice and seizure-

With respect to the Costs in the Equity Suit It is clearly laid down in Vattell that even an ambassador is amenable to the Jurisdiction to the Courts of the Country in which he is residing as ambassador if he Commences a suit as Plt in a Court of Justice much more then must any other person resident in his family be subject to the Jurisdiction if such person should Commence a suit as has been done by azeem Unnissa Begum- The mode to be adopted in this case is for the Defts in the Equity suit which has been dismissed to issue their Subpoenas for Costs and then to apply to the Court on affidavit stating that the party has shut up herself in the House of the Nabob and that they are unable personally to

to serve her with the Subpana for costs and requiring an order that service of the Subpana on the attorney or at the place of abode of the party or on the Political agent shall be deemed good service Then if after this Substituted service the Costs are not paid an attachment will issue and the whole process of contempt may be resorted to to Compel payment a similar application as in the former case should then be made to the Political agent and to the Government and I feel assured from the well known Love of Justice displayed by this Government towards its native Subjects that immediate relief will be afforded —

Sir I will tell you the truth the whole truth and nothing but the truth—

On my arrival at Madras Mr Aviragnot offered me a great degree of Hospitality and requested me to live in his House the day following he asked me if I had any money I replied I had Seven hundred Rupees he then advised me to give it to him to keep as my Room had not a Key and not wishing to be Robbed I agreed to his Keeping my Money.

A few days ago wishing to Reside in another House on Rent I asked him to Return my money but he replied as he was in much need of it he had disposed of the Sum saying I need not fear of losing the Money I then required a Security for the same and he left some Furniture in my possession as a Security—

I left his house because I remained there like a prisoner and a few days after he wished to live with me and I with pleasure complied to his Request.

Before his departure to Pondicherry Mr A paid me a part of my Money and I returned the greatest part of his Furniture and kept the Remainder in Security for the Balance and the Remainder is what you now see.

The day ensuing Mr As departure I wrote to Mr Hunter and informed him then I have opened my Doors and requested he would keep away his Peons from my Gate but he persisted in his obstinacy and directed a Bailiff to seize and deal the whole of my property even my common necessaries.

This is all I have to say and I hope after mature Consideration you will see the justice of Relieving me from all these unnecessary perplexities.

This is done not in consequence of the Notice from Messrs. My dear Wilkins

I have just received your Notice stating that unless the Seals are removed in the above this Evening proceedings will be commenced against the Sheriff tomorrow without further Notice this Notice after my communications with you an hour since

since does appear rather Strange you write this Morning Stating that Mr Cox will attend with his Bail presently I have been waiting for them up to the present time viz 5 Oclock and they have not come to the Office you have also sent a letter since stating that Mr Cox declines indemnifying the Sheriff for the present and therefore I must follow my own counsel in the Matter your Client has certainly left the Sheriff in a awkward predicument for trusting to your Letter of this days date stating that Mr Cox would call with his Bail he refused the Indemnity offered by the Plaintiff in the action under these circumstances I trust you will impress on your Client the necessity if Indemnifying the Sheriff in removing his seals—

Sir With reference to your letter of this date forwarding Copy of a Notice from Messrs Rowlandson and Rose dated 30 April last written at

at the instance of certain persons named Butterasawmy and Ramasawmy Chitty, I beg to submit that you will not insist upon my Client giving you indemnity for proceeding to a Sale of the property seized by you under the Writ of Execution issued herein for the reason, that even admitting for the Sale of argument that Butterasawmy and Ramasawmy have an interest in the property (which however my Client utterly denies to be the fact) by your advertisement put up for Sale the right title and interest of the Defendant in and to the property in question - and it is notorious by Messrs. F. Elliot he said that no Law nor any right to dispose a house by Public Sale while the Premises are occupied either by Servants or owners. and at the same time Mr Elliot requested that Mr Baillie should attend on him as soon as practicable sir Even now if the premises should be delivered in my possession you may be rest assured that I will immediately pay off the money without any excuse whatever. while I am strongly obliged to pay the Amount after the delivery of the Premises it will be very great pity indeed if you will be sold the Premises to my great loss so that exert your utmost endeavors to deliver the Premises in my profession and take the lawful Amount of the Premises and beg that you should so and speak to Mr Elliot and in doing this it shall be greatly acknowledged by-

I have an account of some standing with Messrs Ashton of about I believe 200 Rs. that is all to the very best of my Knowledge how they Can make it "800" I cannot conjecture unless it is that under that sum they Could not Obtain a Summons, but if so, I cannot think this Can for a moment stand good, as there exists no such debt. I have never recd a Summons and really do not know how to get at the business would you kindly give me your Assistance I should

feel much obliged as to my real debt to Messrs Ashton I am perfectly willing to settle it by Instalments after I have paid Mr. Macally of Madras, which will be in 4 months, as until that is done, I will be out of my power. pray excuse the trouble I am giving and your friendly assistance and advice will Oblige

I find that by a letter from Messrs Ashtons Attorney at Law I believe the sum of 2151 Rs is Claim however I have by me the Original Bill for which I will look. this letter is dated 9th July last - how the debt Came have encreased to 800 since I Cannot say kindly excuse all this as I before mentioned I never recd a Summons - and wish if possible to Save trouble as I am willing to pay all just debts as far as in my power.

To The Sheriff

Sir
We are instructed by Tondeapett Arnachella Graminy

Graminy to give you notice that the Ground at Tondeapett advertised for Sale by you this day under an Execution issued in the above Cause is the property of our Client and does not belong to the Defendant.

The land in question was purchased in the year 1802 by Tondavaroy Graminy (the father of our Client) from the Meerasadars of Tondeapett and at that time Vencatasa Graminy a Brother of the Defendant was acting in the Capacity of Ghomasta to Tondavaroy who was very old and infirm and obliged to give up the whole management of his property to his Ghomasta who procured the grant to be made in the name of the Defendant (his brother) as a name lender and signed a written Agreement stating that he was a name lender only and undertaking not to alienate the property.

The title deeds remained in the possession of the Defendants Brother until his death and have since come into the Defendants possession but the land has been in the possession of our Client ever since he attained his Majority and was in his possession at the time of the Seizure by you in the above Cause.

This property was seized in the Year 1819 by the Sheriff under an Execution issued in an action brought by Visvanada Moodely against the same Defendant but after Notice the Seals were Removed and Subsequently (on the 13th February last) the Sheriff seized it in an action Saumoo Row against the above Defendant but did not proceed to a Sale.

Under these circumstances we are instructed to give you Notice not to proceed with the Sale but to remove your Seals forthwith from the premises in default of which an action of Trespass will be commenced against you—
