The humble Petition of Tiroovengada Moodelliar of Perasawakum.

That your Petitioner respectfully begs leave to submit for your information that his late Grand father Andeyeppah Moodelliar purchased out of his own personal earning from the Mirasedars of Perasawak a piece of Land situated at Perasawalk on the road at Paramboo Containing 8 Cawnies 12 Grounds and 1150 Square feet & thereabouts and occupy the same from generation to generation under a Grant No. 663 granted in the Name of the said Andeyeppah Moodelliar by the Honorable Company that in the mean while the Grant so given having been found Mislaid your Pet.rs fathers Sooburoy Moodelliar four or five years after it was Mislaid, know that the same was Mortgaged with one Shaw Veerasawmy Moodelliar by Yellapah Moodelliar (the Brother of the said Andeyeppah Moodelliar) who was excluded from all rights to the said Land and that after a certain time the said Land was advertised for Sale by the then Sheriff of Madras in Satisfaction of the Sum borrowed upon the Mortgage of that Grant that in reference to this advertisment your Petitioners father Sooburoy Moodelliar (the Son of the said Andeyeppah Moodelliar) sent a Notice to the Sheriff requesting him under the circumstances then brought to Notice to postpone the Sale ingeneral when it was decided that Yellapah Moodelliar was not entitled to possess the said Land that after this Shaw Veerasawmy Moodelliar applied for a Warrant against the person of the said Yellapah Moodelliar, which having been Granted the latter was imprisoned and died in the Said in 1826 that the said Land has lawfully legally descended to your Petitioner after the death of his father Sooburoy Moodelliar in 1822 and it has since been exclusively under his occupation that while the Matter stands on this footing your Pet.r to his great astonishment learnt from

a

a Notice in the Gazette that the said Land which Lawfully legally and rightfully belongs to him was advertised to be sold in Auction on the 18th Instant in consequence as it is therein Stated of a debt due by one Arunachella Moodelliar to one C. Ramalinga Modr. that whilst the said yellapah Moodelliar was pronounced not to have any right whatever to the said Land and has accordingly being put in Gail (in which he he died) your — Petitioner does not see why & under what ground that that Land (Valued 7000 Rupees) — should now be subject to Sale that what tendered your Petitioners receiving back the Grant aforesaid from the Widow of the said Shaw Veerasawmy Moodelliar was his minority and your Petitioner having Now arrived to his Maturity endeavoured by the institution of legal proceedings against the Widow of the said Shaw Veerasawmy Moodelliar to get back the said Grant which she knowing laid a fictitious Claim to the land aforesaid with a view to defraud your Petitioner of his property where upon a Notice has been sent to your honor on the 5th Instant but as Matters are not particularized in it your Petitioner takes the liberty to submit this Petition on the humble hope your honor will give it your Charitable Consideration and do your Petitioner Justice by breaking the Seal and your Petitioner is ready to institute legal proceedings against the Widow of the said Shaw Veerasawmy Moodelliar for the recovery of the grant aforesaid &c

Gentlemen

I beg to acknowledge the Receipt of your Letter dated 22nd instant declining to pay two Bills for indemnity fees in the above Causes If you will have the goodness to refer to the periods mentioned below you will find that the Same fee has been paid by you to my predecessors on Similar occasions which

which with the invariable practice of my office for many years unobjected to by other Solicitors appears to contradict your Statement that there is not the slightest pretext for the charge made by me in the above Bills. The charge has never been objected to as far as I am aware by the Master, and appears to be in accordance with the table of fees you refer to, which provides a reasonable Remuneration for Execution of all proc or other Matter beyond the limits of Madras. I am not aware what Remuneration you may consider reasonable, but you will see from what I have mentioned that your Assertion that the charge of 35 Rupees is without the slightest pretext to justify it, is not correct seeing that it has been charged and paid for many years past by my Solicitors in the Supreme Court as the Remuneration awarded by the Court

To
The Sheriff of Madras

Sir We beg to acknowledge the receipt of your letter under date the 23d instant and

and to remark that you are altogether in error in supposing that the fees paid by us referred to therein are any ground for the charge now made.

The Sheriff is not obliged to execute process out of the Company's Jaghire but sometimes he would do so on request upon being indemnified and then it has always been the Custom to pay him Rupees 35 as a remuneration for his so executing the process out of the Jaghire.

You will however observe that in the present cases you are not executing or called upon to execute as Sheriff any process you have only obeyed an order of the Court by giving your deputation to a person appointed by them you are not liable to any action and in fact you do not incur the slightest trouble or risk and we are still at a loss to imagine how you can be entitled to any remuneration seeing that you are not called upon to do and indeed do not do any thing.

We beg also to remark that in the Cases referred to by you the then Sheriff sent up Bailiffs on request and took upon himself the responsibility of their acts being secured by the indemnity Bonds of our clients we have before shewn that your situation is very different and we must therefore repeat there is not in our opinion any pretext for the charge made.

We must beg leave to dissent from you as to the Master allowing under the present circumstances any Fee to you as we will venture to say that any such charge would be struck out when brought to his notice.

Messrs Rowlandson and Rose

Gentlemen,

My object in Writing to you yesterday was not to dispute for a fee as you seem to suppose but to convince you that you remark that there was not the slightest pretext for a charge bearing my Signature was as uncalled for as it was uncourteous.

I have only therefore to repeat that the fee in question has been invariably charged on the drawing of an indemnity Bond as the Deputy Sheriff Mr Baillie has assured me I would also add that if the Fee in question is merely intended as an inducement to the Sheriff to act an his one responsibility in matters involving personal risk that under Circumstances is either unnecessary or altogether inadequate since of my risk of the fee and if with the choice of taking the entire risk or being Secured by an order of Court I were to choose the former for the sake of what I suppose adequate remuneration in such a Case I should Consider myself as acting a very injudicious part indeed.

I regret that I cannot meet your wishes. I am so perfectly satisfied from the letters of the Collector and Asst Collector of the Jaghire forwarded to you under date the 19th Instant that the whole of the property seized at the Plaintiffs instigation is not the property of the defendant, that I should not consider myself justified in selling it. I am willing however as believe the Deputy Sheriff has informed you to sell such portion of the property as may bonâ fide belong to the Defendant and perhaps the best way to ascertain this will be by my requesting the Collector to point out the portion in question. If you wish this I shall be happy to write to the Collector by this days post and Mr. Baillie will proceed to sell the Grain on Friday next the 5th Proximo.

On the other Side I beg to forward you a Copy of the List of the Sheriffs charges furnished to me in this action & to 5 items of which on behalf of my Client I have to Object my ground of Objection to the 1st and 5th items is that the Sum

Rs A P.

Sum of 3-4 is always and was in this case paid an account of these charges on the Writ being delivered to the Sheriff Rs 2-2 For executing the Writ Rs 2-2 For Returning the same 4-4-

I make the Objection to the 2nd and 3rd Items on the principle fully established in England and equally applicable here that the Sheriff after the Seizure of property under an execution Cannot legally demand or receive any further Remuneration for his trouble in effecting the Sale than his Poundage on the Sum Levied in addition to any monies or expences necessarily paid or incurred by him.

My objection to the 5th item is that it is a charge which ought to have been paid and Same informed was in the present instance offered to be paid by the purchaser

I beg however to say that I do not refuse to pay any of the charges objected to, except the 1st and 5th which I feel assured after the explanation I have given you will order to be struck out, although I feel it my duty to any Client to protect against their legality, leaving him to take any Steps he may think proper to recover what is overcharged

Gentlemen I beg to acknowledge the receipt of your letter respecting a Bill of Charges for executing a writ of Fi Fa in the above cause

The Bill appears by some irregularity to have been sent to you without my Signature I observe however that the charges are similar to those in former occasions for some years past and as far as I can learn all bills of Costs in this Court are founded more generally upon usage than upon any Recorded Rules I have no doubt if you look back upon Bills paid by yourselves for Sheriffs charges in Executing similar Writs you will find many of the Items you object to therein mentioned and admitted by the Master

I beg to observe that I have no wish to press upon you any unfounded charge and your objections do not refer to Items of sufficient importance to call independently for much notice But you must be aware that having found on entering upon my office certain charges established by immemorial usage and confirmed by the sanction of the Master, I should be doing injustice to my office and more particularly to my successor in my own Shrievalty being nearly at a close if I were to admit your objections without pointing out to you the practice observed in upon various former occasions by yourselves With these remarks I beg to refer the Bill for your reconsideration

In reply to your letter of the 24th Instant I beg to state that I do not consider myself authorized to direct Police Officers to render Assistance to your Officers in seizing property under a Writ of Execution. If there is Breach of the Public Peace, there is no doubt that it is the duty of the Police to interfere, but not otherwise; for it may so happen that damages may be recovered by an Action at Law for wrongful seizure, against the consequences of which the Sheriff will, in all probability, have guarded himself by a Bond of indemnity. a precept which the Police, or rather the person issuing the orders, to the Police could not have had the opportunity of doing.-

Maddala Ramasawmiah my client declares to be false and untrue and that a fictitious Mortgage Bond had been drawn up on Saturday the 23d Instant at the House of One Cultpaukum Chocapah Moodelly your calling for and inspecting the same cannot fail to satisfy you of the truth thereof-

With regard to the House mentioned in the Notice of Mr. Cooper my Client can give a full and Satisfactory explanation to convince you that the House mentioned is not the House of the said Moorooga pah Moodelly and that he had parted possession of the same about three years ago but which my Client does not think it necessary to enter into any details of the Matter all that he required was the property that were in the Two Rooms which were sealed by your Officers in the House situate in Ramasawmy Street the same containing the Sole and exclusive property of the Defendant Consisting of Ready Cash Joys and Jewels &c. of the Value of 7000 Rupees and my Client desires me to say that he cannot help expressing his Surprise how you could have remove the Seals of the Rooms after taking Security from him of the Value of 10,000 Rupees consisting of a House and Ground the Title Deeds whereof standing in the name of Woothundee Sundey Chengleroy Moodelly the father of Vyapoory Moodelly who lodged the same with you and became Security for my Client the other two persons Named Mootiah Moodelly and Vadagary Moodelly the Cousins of Vyapoory Moodelly who joined in the Sale of the five Grounds to Mr. Dighton Showing long since departed this Life without Issue leaving the said Vyapoory Moodelly their proprietor of the said Premises and his also offering to give you further Security this day and after my undertaking to indemnify you and hold you harmless against any action that may be brought against you for the Sale of the property Seized by you in the above action-

To The Sheriff of Madras

Sir, My Client has perused your reply to my letter of this Morning and begs to say that he had according to his promise Caused his friend Vyapoory Moodelly to deposite as Security on his behalf the Bill of Sale of his House and Ground Consisting of 38 Grounds Valuing the 38 Grounds at 7,885 Rupees and the buildings thereon to about 2,500 Rupees that is estimating the Grounds at 210 Rupees the Ground according to the rate he and his deceased Cousins had in their life time disposed of the five Grounds to Mr. Dighton as endorsed on the back of the Bill of Sale For your better Satisfaction as to the Value of the said premises a faithful appraisure thereof by the appraising Mastry of your Office will better Satisfy you -

On his depositing such Security of the Value of 10,000 Rupees as aforesaid you required him to give further Security which he told you he was unable to do that day inconsequence of Several of his friends being gone to the high feast of Trevatoor that day but that if you would be pleased to allow him to produce the Security the following day he would do so which you kindly Consented to having also on that day accepted my undertaking to indemnify and hold you harmless against any action that may be brought against you for sale of the property which my Client said you requested should be granted, and after appearing perfectly Satisfied with the above arrangement that you sent for him about 5 O'Clock that Evening and informed him for the first time, to his astonishment, that the Outer Door or gate of the House not being sealed, you must withdraw your Seals affixed on the Two Doors of the said House, and on his explaining that the property of the Defendant were alone in the said Rooms, and that he could positively prove the same to be so, and that the want of affixing the seal to the outer Door or Gate was not fault of his but he neglect of duty of your Officers as he nearly considered it his duty to point out to your Officers were the property of the Defendant was and having done so he left the rest according to the usuage and practice of your Officers to be performed -

With

With regard to his not having executed a sufficient Bond of Indemnity in your favor as mentioned in your letter he says as you must be aware that he could not do so until you were satisfied with the security and called upon him and his Securities to execute a sufficient Bond of Indemnity in your favor on those Securities however he is willing even now to deposit the Second Security that have been tendered to you yesterday of the value of 6000 Rupees and execute his Bond of Indemnity in your favor on both the said Securities with the hope you will seize and resale the said properties of the Defendant which were contained in the said Rooms and release by you, otherwise I am instructed to say that I have received his positive instructions to institute such proceeding against you as Counsel may advise - an early reply will oblige. -

In reply I beg to state that it does not appear to me necessary that any Notice should be taken of Messrs. Rowlandson and Roses letter. Your Writ directs you to seize the Property of Syffud Dowlah at the time of his Death in the hands of his Widows - if therefore the property advertized for sale has never been in the hands of the Widows your Sale will go for nothing and Kiamud Dowlah and Kummarud Dowlah will not be prejudiced thereby - if on the other hand the Widows are in possession of the property seized or any part of it - You are justified in entering on the same and seizing it under your Writ.

To The Sheriff

Sir We are informed by Mr John William Rolls that some time in the years 1830/31 (supposed to be in the month of April 1831) the then Sheriff of Madras seized a quantity of papers under an Execution against one Chaitram at the suit of Kasim Ally Khan and that amongst those papers he seized a Persian Bond of Meer Sultan Ally in the name of Chaitram for Rs 3100 dated 22nd October 1824 and which had been made over to our Client in part satisfaction of a debt due to him.-

A few days previously to the seizure our client had entrusted Chaitram with the Bond in question for the purpose of his adjusting his accounts with Meer Sultan Ally and being amongst Chaitrams papers it was seized with the rest.-

Since the seizure Chaitram has constantly promised to obtain the document and return it to our client but has neglected to do so.

Under these circumstances we trust that you will not object to deliver over the abovementioned document to our client to whom it undoubtedly belongs.

The Bond is in the Persian Language bearing a Indorsement in our Clients handwriting which shews its amount and the date of it.
