To
The Sheriff

Sir,

It is represented to me by Cauder Beebee, that some time in the Year 1831, the then Sheriff of Madras, under a Writ of Execution, issued out of the Supreme Court against the property of one Chait Ram Seized, in the hands and possession of one Chanakee Ram a Persian Bond bearing date the 22d of October 1824 executed by Nijamun ul Moolk and Mootahar Ally Khan Bihader to the said Chait Ram for Rupees 2,100 which Bond was then and still continues expressly mortgaged to my Client to secure the payment of a sum of Rupees 2,000 borrowed of her by the said Chait Ram. This Bond, my Client is informed is now in your Office, having continued there from the time of the seizure above mentioned.—

I am therefore instructed by my Client to request that you will be good enough to deliver to her, the Persian Bond in question, she being ready to produce for your inspection the Instrument of Mortgage Executed to her by Chait Ram.—

Sir I find you have seized under the Execution at Mr. S.P. Arathoon's suit all my Cause papers as well as the furnitures which contained them. Those papers can be of no possible use to any person not interested in them nor is there any Document amongst them of the least value they ought therefore to have been returned to me when seized as the greater part them relate to unsettled Suits & some of them are connected with others now in progress the purchasers of the almirah & tables will of course immediately throw the papers away if not distroy them I shall thereby be put to serious inconvenience and in all probability to much expense. Besides I have my lien to a great extent upon them. Under these circumstances I trust you will see the propriety of restoring all my papers that are contained in the almirah's & Office tables and as there sale takes place tomorrow as I am told that they will be ready for delivery to in the morning when my Servant will attend to receive them otherwise I hereby protest against their being disposed of so unjustly.

After which I said I held him Mr. Mongomery, responsible for the Debt in consequence of him releasing the Defendant who was willing and able to pay the Amount if allowed at the time. 2 On the parties being forwarded to this Station, the 1st Prisoner George Oliver produced a letter from you to the address of the Commissioner dated the 2d Ultimo requesting that assistance might be given to the Bearer of the letter if it should be required in executing a Capias ad Respondendum which you had granted to him by order of the Supreme Court of Judicature at Madras against a certain individual residing in Mysore. —

3 The Commissioner Considering that this letter relieved all the Prisoners from any personal responsibility for the illegal act which they had Committed in the apprehension of a Native inhabitant of this Territory on incompetent authority has been pleased to remit the Sentence awarded to them by the Superintendent of the Ashtagram Division and directed their release from Custody with permission to return to Madras —

27th May 1839

His Highness The Prince Azeem Jah Bahadur &c &c &c presents his Compliments to the Government Agent and with reference to his Notes of the 21st March last and of the 16th Instant one enclosing a letter from the Sheriff of Madras to His Highness with its enclosures requiring the transmission to his Office certain sums of money accumulated at the Circar on account of Chait Ram, for the reason therein stated, and the other with the accompanying letter from the said Officer to the Government Agent reminding him of his former letter to His Highness, begs to acquaint Colonel Walpole for the information of that Officer that in the list of the Creditors of the late Hissam ul Moolk, Originally submitted to Government and sanctioned by them to be liquidated from half of the Pension granted to Hissam ul Moolk's Estate, an aggregate Sum of the principal and

and interest amounting to Rs 31970. As 2. was stated in the joint names of Mr Rolls & Chait Ram of this Debt, a Sum of Rupees 3,100 was due on a Bond in favor of Chait Ram, for which a certain sum has been paid by monthly instalment by receiving only separate receipts thereof instead of endorsing the same on the back of the Bond which was promised to be produced. but as the Bond was put off from being so produced the Instalments thus paid was subsequently discontinued and the amount thereof is now in the hands of Vencat Row the person appointed for the liquidation of the Debts of the late Hissam ul Moolk.—

His Highness further begs to state that while the Sheriff's letter above alluded to requiring the payment of the accumulated Sum remained unanswered, Vencat Row received a letter from Messrs Rowlandson & Rose Attornies at Law demanding the same on behalf of Mrs Rolls under these circumstances and more especially as the Pension granted to Hissam ul Moolk is the bounty of Government, His Highness cannot authorize the payment of the Sum demanded by the Sheriff, without the interference of Government; and therefore requests the Government Agent will be pleased to refer the matter to Government for their decision.—

His Highness takes this opportunity to observe that it has not been customary for His Highness to receive letters from the Sheriff of Madras and His Highness therefore request Colonel Walpole will be pleased to Communicate to that Gentleman that Officers have been appointed for every affair of the Circar so that he may correspond with them on any Subject when necessary.

I have had the honor to receive your letter of the 18th Instant with its accompaniments, which I have, out of Courtesy to you, forwarded under a blank Cover to Captain Byng of the 6th L.C. but whether that Officer has received them, or thinks proper to acknowledge the receipt of them, I consider to be no part of my duty as Officer Commanding the Regiment to enquire.

As in my experience in the Service a Case Similar to that view under consideration has never presented itself to me, but as I may have taken an erroneous view of the Subject, I shall deem it my duty to forward Copies of all the Documents to His Excellency the Commander in Chief with a view (should he deem it expedient) to their being laid before Government and Opinion taken, as to whether I am liable to be called upon to serve legal Process on Officers under my Commands, and whether a Compliance with such demand (especially beyond British Frontier) is to be considered an indispensable part of my duty as Commanding Officer of a Regiment.—

Sir The Special Bailiff who went to Mysore for the purpose of executing the Writ of Ca. Sa. in the above cause has been sent back by Mr. Montgomery the acting Superintendent there without being permitted to enforce the writ upon the ground that the Jurisdiction of the Supreme Court as against natives, does not extend to that place.

Mr. Montgomery however is as it appears to us mistaken in this case in as much as the Judgement was obtained when the Defendant was a resident of Madras and undisputedly subject to the Jurisdiction of the Court and the Defendant having gone away to avoid the process. the Sheriff had the power to follow him.

We are informed that if these circumstances be represented by you to Colonel Cubbon the Commissioner of Mysore that he will cause the money to be paid.

We have the honor therefore to request that you will address that Gentleman upon the subject sending with your letter a Copy of the writ of Ca. Sa.

Sir

I beg to acknowledge the receipt of your letter of this date complaining of the improper conduct of the Distraining Officer of the Assest. Department by intimidating persons who were present yesterday with a view of purchasing a House & Backery Godown which you had advertised for sale and concluding with a request that I would direct him not to attend at any future Sales but to make demands, if any, at the Sheriff's office.

No. 108. for 1835-1836-1837-1838 and 1839 Current.

In reply I beg to inform you that I have made a strict enquiry into the matter, & from what I can learn Mr. Todd made use of no threatning or intimidating language to any person at the Sale he simply gave notice that there were certain arrears of Assest. due on the Premises in question & that as the Sheriff had declined to discharge them, the purchaser whoever he might be, would be liable for the amount.

In accordance with your desire, & which has been the invariable practise I beg to send herewith 5 Assest. Bills Due on a House situated on the Trivatoor Road for the years noted in the Margin & which you have advertised for Sale this after noon the whole amtg. to Rs. 87-8-0 which I request you will be so good as stop from the proceeds of Sale to liquidate this Claim otherwise it surely cannot be considered improper that including purchasers should be made acquainted with the arrears of public burdens for which they would become liable.

If you will turn to my letter ~~of the~~ you will find that the Premises are in mortgage and consequently the Title Deeds are in the possession of the mortgagee.

It is for you to be satisfied, I submit that the premises belong to the Defendant against whose property the execution issued In this cause my client alleges the property to belong to himself that he mortgaged it — that the equity of redemption is still with him and that he is no party whatever to the action in which the execution is taken out.

If this be true my client will clearly leave his remedy against you — and it is for you to consider how much longer you will continue your trespass.

That all the Widows of my Clients Brothers of whom the Defendant is one from the time of their husbands death until the present time are maintained by my Client- That the Defendant concerting with her Brother the Plaintiff in this action and one Ramasawmy Brahmin against whom a suit has been instituted and an Injunction obtained restraining them further proceeding in the above action opened the Box of my Client in his absence and removed therefrom various Securities for money, Jewels and also amongst other Title Deeds those belonging to the said Two Houses and upon a Complaint being preferred by my Client at the Police the Police Magistrates, after investigation directed the delivery of the Title Deeds &c. to my Client but in order to prevent such delivery an action at

Attorney at Law

In reply we beg to state that Mr. Cooper is under a mistake in supposing that the above action was confessed in the first instance for on the contrary the Deft. appeared by an Attorney, Mr. Jauncey, and the pleadings were regularly carried on until it was set down for trial on Friday the 8th day of February last.—

On the 7th day of February the Deft. through his Attorney confessed the action & the record was of course withdrawn.

We also beg to inform you that the action was brought on a persian instrument dated the 27th April 1834 for securing 7000 Star Pagodas with interest at 12 per Cent & by which instrument the House now under seizure was mortgaged to the Pltff.

You are now in possession of the Title Deed of the House which is in the name of the Defendant—

We need hardly point out to you the absurdity of the statement made on behalf of Ameen Sahiba as no one can believe that She would have purchased the House of the Deft. for Rs. 10,000. and have allowed the title deeds in possession to have remained with him. We trust that the connexion of the Claimant with the Deft. proved with the utter absurdity of the Claim made will be sufficient to satisfy you that this is not a case in which indemnity should be asked.—

To The Sheriff of Madras

Sir It is represented to me by Seroomoocodal Narrainsawmy Naick that on your seizing the property of the Defendant under the writ of Execution in the above action One Rymood Ul Dowlah and Camaroth Dowlah threatened to commence an action at Law against you unless you removed your Seals of Seizure whereupon you required the Plaintiff to Indemnify you and Ramasawmy Row under whom my Client is employed as Canacopolly being applied to by the Plaintiff and Defendant above named, Caused my Client the said Seroomoocodalle Narrainsawmy Naick one Veerasawmy Moodelly and Tanampettah Ristnasawmy Moodelly to enter into an Indemnity Bond with you and deposited with you 7 Several Bills of Sale of Separate Landed properties 4 of which Bills of Sale were and are the Bona Fide Property of the said P Ramasawmy Row but made out in the name of my Client to deposit with you as Security.

And it is further represented to me that the said Rymood Ul Dowlah and Camaroth Dowlah consequent thereto brought their Action of Trespass against you for such Seizure in which Action Judgment was given in your favor on Two Pleas and on One Plea Judgment was given against you that the Costs of the Plea against you amounted to Rupees 537 which you duly Paid and have since proceeded to the Sale of the said Property which had been Seized by you in the above Action and disposed of the same on the day of to one Pakeer Saib for the Sum of Rupees Sixty Thousand who accordingly to the terms of your advertisement of Sale paid into your hands the Sum of Rupees 3,700 or thereabouts and granted his Note of Hand in favor of Ruttan Bharty the Plaintiff for the remainder of the required Deposit to make up the 6,000 Rupees and that the Plaintiff has since by himself and his attorney Mr. Wilkins Notified to you that the purchaser Pakeer Saib had paid to him the Plaintiff the full amount of the purchase Money of the said property so sold and disposed of as aforesaid and that you were at liberty to grant to him the said Pakeer Saib your Bill of Sale for the same but which you refused to do in order to save yourself from all further responsibility till after a period of 6 months the date of the Sale of the said property, and which Bill of Sale you have not yet granted to the said Pakeer Saib.

And it is further represented to me that notwithstanding your having had an opportunity of securing and paying yourself the Costs of the Plea against you and all other damages which were sustained by you from the amount of the deposit aforesaid and if that were insufficient that it was and still is in your power to secure yourself by Compelling the Plaintiff under his Indemnity Bond to satisfy you for all Cost to incurred

incurred previous to your granting your Bill of Sale to Pakeer Saib you have notwithstanding brought your action against the said Plaintiff Puttan Bharty and his Curatrix my Client Peroomoocoodal Narrainsawmy Naick and Comalesverem Covil Veerasawmy Moodelly and Sanampettah Kistnasawmy Moodelly on the Indemnity Bond for the Costs of the Plea against you and your Costs of defence which action was tried Ex parte and Verdict given in your favor and that you had thereupon issued Execution and instead of seizing the Property of the Plaintiff Puttan Bharty or the property sold to the said Pakeer Saib the Sale being still incomplete and you having your lein thereon till you were satisfied, you have improperly seized the Property deposited by my Client and under the 4 Bills of Sale standing in his name lodged by him as aforesaid under the Indemnity Bond and improperly proceeded to the Sale of the same four several times receiving each time the deposit pursuant to your advertisement and taking such deposit each time to yourself as a forfeit by the purchaser for not paying the full amount of Purchase in due time according to the advertisement and eventually selling the said Premises and recovering the Amount of Execution thereby subjecting my Client to very considerable loss expence and trouble.

Under these circumstances and it being further represented to me that you are about granting your Bill of Sale to the Purchaser Pakeer Saib of the said Premises I am instructed by my client to Caution you against granting such or any Bill of Sale to the purchaser or delivering over to him any of the Original Documents of the said Property but to desire that you do retain the same in your hands until my Client shall institute such proceedings against you as he may be advised for the recovery of his properties so sold by you and also to recover all costs he has so unnecessarily being put to by you.

Sir,

Elliah Chitty one of the Defendants has consulted me upon the articles of Compromise entered into by him Narrainsawmy and the Widow of Jungumah Chitty - By these Articles which I presume you have seen - it is agreed to divide the funds in your hands between Narrainsawmy on the one hand - and the Widow of Jungam on the other - According to this arrangement one half of the Money is to be paid to Mr Wilkins on account of the Widow who is to receive the Receipt of the Accountant General now in your posession in part payment of Such Money - and the other half will remain payable to Narrainsawmy who is willing that you should out of his one half pay Mr Acworth the balance of his Costs -

All parties moreover, are Consenting to release you - and the Only thing that appears to retard the arrangement is the Settlement of Mr Wilkins's Costs - and Mr Wilkins I understand insists upon having Some undertaking or Security previously to his forwarding his clients Release to you -

The parties therefore propose to empower Me to receive the amount of funds in your hands if I will grant My undertaking to Mr Wilkins to hand over to him the widows Share immediately on receipt of the Same from you - which I have No objection to do provided you will endorse upon the power to be granted to Me to the effect that you will in pursuance of its terms pay over to Me the amount levied in the action P. Narrainsawmy vs Elliah - upon My procuring Narrainsawmy's receipt to you in that action - and a General Release from each of the parties on this Suit - and also Narrainsawmy's authority to you to pay Mr Acworth out of the funds levied -

If you agree to this I will tender My undertaking to Mr Wilkins and the articles of Compromise may be carried into effect without further delay -

by Mr. Fullerton of his having incurred the Expenses in question in Consequence of our "refusal" to indemnify him we beg to state that not having sanctioned any such refusal but on the contrary having given the required Indemnity, the moment we were called upon for it, we referred your communication and its accompaniment to our former Solicitor Mr. Acworth being ourselves at a loss to understand the origin or nature of the steps adopted by Mr. Fullerton which were attended with the Expenses he now asks to be renumerated for - Mr. Acworth has informed us that those steps were unnecessary and quite uncalled for, and as in this Case we are acting not for ourselves but for other parties, we cannot in justice to them sanction a disbursement which not only might have been avoided but for which we are advised there did not exist the slightest necessity -

Under the above circumstances we regret being compelled to meet Mr. Fullerton's request with a refusal, but at the same time should you advise a compliance with it we shall be prepared to act accordingly -

We remain
Dear Sirs,
Yours faithfully

Gentlemen

I beg to acknowledge the receipt yesterday of your letter under date the 21st. Instant with Copy of a letter annexed from Messrs. Binny & Co and as those Gentlemen state they never sanctioned any such refusal as that of indemnifying me I beg to submit for their perusal Copies of letters which I addressed on the subject to Mr. Acworth their then Attorney and from whom I never received any reply. Those Gentlemen will be pleased to observe that I requested on the 5th. of August to know from Mr. Acworth whether his clients would give me indemnity receiving no answer I addressed Mr. Acworth again on the 7th. August and still receiving no answer from that Gentleman I was at last forced into Court and it was not till the 10th. of September that I received indemnity and upon receiving that I withdrew my Motion. Messrs. Binny & Co. not having as stated above sanctioned any refusal to indemnify me I should of course have received indemnity on the 5th. August had my letter under that date to their attorney been submitted to them then by him and the expences necessarily incurred by me would have been avoided but if my letter was not submitted to them by their attorney they must admit it is rather hard to visit me with the costs occasioned by his neglect. I have no objections to refer this matter to a disinterested Gentleman of the Bar and abide by his decision if Messrs. Binny & Co. are at a loss to understand the origin or nature of the steps adopted by me and which I maintain I was obliged to adopt having no alternative under the circumstances of the Case but it will be too absurd to submit the matter to one that is interested -

To The Sheriff of Madras

Sir

With reference to the Notification from your office under date the 12th. Instant published in the Madras papers, I have the honor to observe that it appears that a portion of the Ground therein described as Lot No. 1 has been actually purchased by Government and to request in consequence that if it was put up by you yesterday for sale you will be good enough not to issue a Bill of Sale for it. I shall as soon as possible address you again and afford sufficient proof of the right and title of Government in the event of its being found that you put up to sale the Ground to which I refer -

Re

2 The Sale of lots Nos. 2 and 3 it would seem is equally objectionable from the Government having been for many years in actual possession of the Ground. I shall make a further communication respecting these lots also as soon as practicable.

With further reference to the Notification from your office under date the 12th Instant published in the Madras papers, I have the honor to observe that the land therein described as lot No 4 includes lands which are the bonafide property of Government. It is doubtful whether the Defendants in the Suit to which the Notification refers can establish their right to any portion of the land in question. If you were, therefore to put up the lot for Sale, you would put up lands which are the undoubted and exclusive property of Government under these Circumstances, I consider it my duty to warn you against the Sale of lot No 4—

Sir, With reference to My letter to you of this date, I have the honor to observe that the Ground entered in your Notification as lot No 1, which it appears was put up by you yesterday having Now been pointed out to the Officers

Officers of this Department I have ascertained that Much if not the whole of it is Ground which has been actually purchased by Government, and of which the Title Deeds Can be produced. Part of this Ground is Situated on the East Side, and part on the North East Side of the Powder Mills, whereas the Notification in question States the Ground entered in Lot No 1 to be "on the North Side of the Powder Magazine," which is differently Situated. Under this explanation, I trust that, if the Ground was bonafide put up for Sale, you will See the Necessity of declaring the Sale to be null and Void—

I am informed by Mr. Thomas Watkins that you have seized and advertized for Sale under an Execution in the above cause on Monday the 27th Instant 17 Cawnies and four Grounds as being the 2/4 Shares of Parambore Venga Munnapah Moodelly one of the said Defendants in the Villages of Parambore and Nadambara.

I am instructed to give you Notice that the Defendant Venga Munnapah is not entitled to any portion or share of the said Villages except in so far as the same may descend to him as one of the Sons of the Defendant Tollasinga Moodelly.

In the year 1822 he sold to Ragava Chary 1/2 a share from and out of his 2/4 Shares in the said Villages which said 1/2 a Share in 1834 was sold by Ragavah Chary to my client.

Vengoo Mooneapah died in or about the year 1825 leaving a widow but no issue the said Venga Munnapah Moodelly one of the Defendant above named pretends to have been adopted by Vengoo Mooneapah Moodelly but his adoption is denied by his widow and he has lately failed in an application for Letters of administration to Vengoo Mooneapah's Estate.
