To
The Sheriff
Sir

A Verdict having been given in the above cause Ex parte against the Nominal Defendant and it being understood that a writ of possession will shortly be placed in your hands for the purpose of giving certain premises to which the Lessor of the plaintiff has no Title we are instructed to address you upon the subject.

The premises in question have been described in the Plaint in Ejectment as a House whereas in fact they consist of a building which was dedicated to Charitable purposes as a Mutteum upwards of two hundred years ago by one Geerewasun Charoy Chitty as appears by the inscription on a Stone standing on the premises and ample proof is in existence of its having been so appropriated from time immemorial.

Our Client Ponnamah on behalf of herself and her infant Son Claims to be entitled to the Management and protection of the Charity in question she being the widow of Chinnapah Chitty who was a direct lineal descendant of the founder.

Our Client was sick and out of Madras at the time of the Commencement of this action and even if she had been she could would have been unable by reason of her poverty to defend the Suit.

Under these circumstances we are instructed to give you notice not to act upon the Writ by giving possession of the Mutteum in question to the Lessor of the Plaintiff.

We are informed that these premises were seized by the Sheriff in the year 1835 and that upon proof (which still remains in your office) that the premises belonged to a Charity and of the right of

our Clients husband (Chinnapah) to the management of them the then Sheriff withdrew his seals.

Sir

A Verdict having been given in the above cause Ex parte against the Nominal Defendant and it being understood that a writ of possession will shortly be placed in your hands for the purpose of giving certain premises to which the Lessor of the plaintiff has no Title we are instructed to address you upon the subject.

The premises in question have been described in the Plaint in Ejectment as a House whereas in fact they consist of a building which was dedicated to Charitable purposes as a Mutteum upwards of two hundred years ago by one Geerewasun Charoy Chitty as appears by the inscription on a Stone standing on the premises and ample proof is in existence of its having been so appropriated from time immemorial.

Our Client Ponnamah on behalf of herself and her infant Son Claims to be entitled to the Management and protection of the Charity in question she being the widow of Chinnapah Chitty who was a direct lineal descendant of the founder.

Our Client was sick and out of Madras at the time of the Commencement of this action and even if she had been she could would have been unable by reason of her poverty to defend the Suit.

Under these circumstances we are instructed to give you notice not to act upon the Writ by giving possession of the Mutteum in question to the Lessor of the Plaintiff.

We are informed that these premises were seized by the Sheriff in the year 1835 and that upon proof (which still remains in your office) that the premises belonged to a Charity and of the right of

our Clients husband (Chinnapah) to the management of them the then Sheriff withdrew his seals.

In reply to the Notice issued to us from your Office dated 6th Instant stating that you had, in virtue of a Writ of Execution against Paupoo Chitty, seized the sum of Rupees 1000—— together with Accounts and other Vouchers deposited with us by Paupoo Chitty and Coopoosawmy Naick and requiring us to deliver up the Sum to you to be applied towards the satisfaction of the said Writ, We beg to inform you that a difference having arisen between Paupoo Chitty and Coopoosawmy Naick regarding their Partnership transaction of Bullocks and other Contracts we were chosen by them as Punchayet to settle their difference and at the same time Paupoo Chitty deposited with us the Accounts of their transaction and Coopoosawmy Naick Authorized one of us Comaravaloo Moodelliar to receive from the Military Board Office the sum of Rs. 2000—— which he / Coopoosawmy Naick / had there deposited Out of the 2000 Rupees Comaravaloo Moodelliar paid to Paupoo Chitty Rupees 1000—— agreeably to the instruction of Coopoosawmy Naick and there remained Rupees 1000—— in the hands of Comaravaloo Moodelliar which having been agreed to be paid over to him that might appear entitled to receive on the settlement of the difference it was held in deposit with us for the purpose, it is not yet determined to whom it ought to be paid and further I beg to inform you that out of the said sum of Rupees 1000—— a part has been applied for the payment of Conicopolis who were employed for preparing Accounts necessary for the Settlement. It now remains for us to inform you that great unnecessary delay having occurred on the part of Paupoo Chitty in proving his assertions by Witnesses, We with the knowledge and permission of the Magistrates withdrawn ourselves from the Office of Punjawyet, and the Magistrates have directed to parties to Choose other Punjawyet. Would you however have the goodness to intimate to the proper authority, that the 2 days viz.t Thursday & Friday allowed to intervene is but a short period for me to prepare my reply, and that for many reasons, - Some of them having reference to the public service, - as for example, I have to make over to the officer who is to act for me as Station Staff officer during my absence, which may be for a considerable period, several accounts & large sums of the public money, & other matters connected with my Official duties, on all which accounts, I crave the indulgence of being permitted to attend at the Supreme Court on Saturday the 12th. of this Month instead of Saturday the 5th. I do not know whether my requesting you to obtain this indulgence for me is irregular but if it is, I look to you to attribute it to the real cause viz.t ignorance of the formalities to be observed & kindly obtain the change of day for me - but I hope you will be so good as to let me know by tomorrows post, for unless I hear from you, I shall be in a most unpleasant state of uncertainty, as being doubtful whether or not I must attend on the 5th. or am permitted to do so on the 12th. We object to our Client being Charged for any Correspondence with or Copies furnished to parties claiming the property seized as is apparently the Case in the 3^{d} item of your bill.

We object to the Charge of Rs 1-2. for endorsing the Writ the Charge allowed is Rs 1-2. for returning it- the endorsement & return are the same.

We object to a charge of Poundage on the debt as no levy was made and at all events according to letters Received from your Office the value of the House and Ground was only Rs 435.

We object to the Charge for the Bricklayers Mooshy as no instructions were given for Sale and a Measurement could not be required.

We object to the Charge for Bailiffs batta to remove the Seals inasmuch as two Charges are made for performing that duty which could only be performed by one of the Sheriffs Servants and the Sheriff cannot be entitled to Charge for his own Servants batta while performing an official duty all being of necessity included in the Sheriffs own fee. we however do not admit the right of any Sheriff to make any demand for Removing the Seals.

With

With regard to the Second item for Rs 114-
we consider that the most the Sheriff can be allowed
is Rs 3-6 for a Letter and for Copies 1 Rupee per folio.

Sir,

It is represented to me by P Venkata Soobiah Praminy the Executor of the Last Will and Testament of Sheetalo Ammall deceased that you have under and by Virtue of a Writ of Execution issued in the above cause seized as the property of the Defendant above named the under-mentioned property Viz. A House and Ground situated

at Triplicane No. 38 in Gengoondan Muntapum Street and a piece of ground also situated at Triplicane in Colunda Naicken Isarden Street measuring 2 Grounds and 486½ Square feet or thereabouts and that you are about to proceed to a sale of the same.—

I am therefore instructed by the said P. Venkata Soobiah Braming to give you notice and I do hereby according give you notice that the said House and Ground are not the property of the said Defendant but that the same exclusively belong to the Estate of my Client's testatrix. The Title Deeds of the said Property having been fraudulently obtained by the said Defendant from the said Mootealoo Ammall in her life time.—

Should you however after this intimation continue the premises in question under your seizure or proceed to a sale of the same my client will hold you liable for all loses and Damages the Estate may sustain thereby.—

To The Sheriff of Madras

Sir,

We beg to acknowledge the receipt of your Letter under yesterdays date giving cover to a Notice from the Defendant relative to the House and Ground situate at Triplicane No. 38 in Gengoondan Muntapum Street and a piece of Ground also there situated in Colunda Naicken Isarden Street whereby he claims the same to be exempt from Seizure on the Ground they are dedicated to Charitable purposes.—

In reply we beg to draw your attention to the fact that this property passed from Vythee and Sabanpetty under date the 30th April 1825 to Mootealoo who for a pecuniary consideration under date the 30th November 1826 transferred the property as is stated in the Codjan Bill of Sale to the Defendant.—

The Defendant on the 2d of April 1840 mortgaged the property with one Narasinga Row for 500 Pdts and deposited with him the Title Bills of Sale from Vythee and Sabanpetty to Mootealoo but from Mootealoo to himself.— but he now requires you to remove your Seals because in 1832 the premises were exempted from Assessment on the Ground. they were charity property which exemption appears to have been made on his own application. You will observe from Ramasawmy Row's own letter no grant of the premises as Charity property has been made and from the documents produced by Narasinga Row it is clear the legal estate of the property is in him as mortgagee and all the Estate which Ramasawmy has is an equity of redemption. consequently the Collector cannot give to the latter any Estate whatever and that if the mortgagee Narasinga Row consents to a sale under the present Execution Ramasawmy has no power to prevent it unless he pays the principal and interest of the mortgage and obtains a re-assignment reducing the legal Estate again in himself and if he does that we submit the property would be thereby bound by the Execution in your hands as the Defendant cannot by a mere statement that it is dedicated to Charitable purposes prevent it being applied to the payment of his just debts.—

Adverting to the Memo. of your Charges sent to me. Consequent on the request contained in my letter to you of the 11th Instant, I am of opinion that you are not entitled to the sum of Rs. 78-10-10 thereby Charged, or to any other sum whatever, for Poundage - as in the first place your claim to Poundage depends on the legality of the Seizure (which in the present Case has not been deemed legal and Consequently proved ineffectual) as appears by the 3d Vol. of Harrisons Index to all Reports Page 1996. under the head of Costs - and in the next place it is laid down by the same Book at page 1997. under the head of Execution, "that if a Sheriff levy under a fi: fa: he is entitled to Poundage, though the parties Compromise before he sells any of the Defendants Goods" In the present Action, you have in fact levied nothing, nor have I or the Plaintiff, received any Money thro' you, under the Writ of Execution issued herein - My reason for applying to you for a Memo of your Charges, was in Consequence of my Client having informed me, that the Defendant had proposed to pay a Sum of Rupees 1750. towards part liquidation of the said Writ of Execution and to enable me to ascertain exactly the amount due to you with the view to its being secured.

I therefore now beg to request you will be

be pleased to send me a rectified Memo of the Charges actually due to you, in lieu of the enclosed one, so that I may secure the amount due to you from my client, in the event of a Compromise taking place between him and the Defendant-

Sir,

Para 1. In acknowledging the receipt of your Letter under date the 16th Instant and with reference to that letter I have the honor to inform you that if Neroomboor Vadachella Soodelly feels he is injured by my having seized the Zemindary of Pungoor alleged to have been transferred to him on the 11th of June last by Villahvoor Soodoo Kistna Soodelly, he must commence proceedings against me in the usual manner in the Supreme Court of Judicature at Madras to establish his title to the same and to recover any damages he may suppose he has sustained on this account -

2. I maintain that Vadachella has no title whatsoever to the Zemindary for he gained none by the alleged transfer that being a fraudulent and illegal transfer and effected evidently with a view to defeat the execution issued in this action, for it was well known to Vadachella on the 18th of May last (as will appear by the annexed Copy of a letter written to me on his behalf) that this Execution was then pending and unsatisfied and if under these circumstances he thought proper to purchase of Soodoo Kistna After he had notice of the Execution he must take the consequences of his own acts.-

3. I beg to acquaint you that it is my intention to proceed to an immediate sale of the Zemindary of Pungoor and request you will be pleased to caution all persons from interfering in this matter as they will render themselves amenable to the Jurisdiction of the Supreme Court should they do so.-

4. With reference to the second para of your letter referred to, I have to thank

Sir,

I have to acknowledge the receipt of your letter of the 19.th instant together with a copy of a letter addressed to you by A. Even admitting the transfer to be a bona fide one yet the property of the Defendant having become bound by the Judgment pronounced against him in this cause on the 18.th day of February last and the said Neroomboor Vadacheila Noodelly having become aware thereof as will appear by a letter addressed by Mr. Bryson attorney at Law on his behalf to you dated 18.th day of May last in this Cause the transfer obtained subsequently to that date Viz.t the 11.th day of June 1841 as appears by Mr. Frees's letter I beg to submit it is

The Sheriff of Madras

Sir,

Being informed by my Client the Lessee of the Plaintiff above named, that you have declined putting in force the writ of possession sent to your Office for execution in the above cause on the 10th Instant unless he indemnifies you for your so doing, I therefore beg to inform you, that my Client has prosecuted this action throughout as a Pauper, and is consequently unable to give you any Indemnity and that I am not aware that such has been the practice hitherto, and have therefore to request that you will be pleased forthwith to put the said Writ in force, before it's return, which will be to-morrow, in default of your doing which, I shall be under the necessity of applying to the Court on the subject.

To my knowledge there is not in this case the slightest ground for apprehending any injury to result to yourself by reason of your executing the writ and therefore I am decidedly of opinion that you cannot justify yourself for refusing to execute the Writ without being previously indemnified, and that by a Pauper. -
