To Mr. Henry Crampton
Attorney at Law

Sir,

I have to acknowledge the receipt of your letter of yesterday's date professed to be written on behalf of S. Vurdapah Chitty and with reference thereto, and to the letter of Mr. H. Crampton of the 14.th August instant therein referred to on behalf of the same person, I have to state that on receipt of the last mentioned letter I caused inquiries to be made on the subject of it, and am informed that not only did neither the said S. Vurdapah Chitty nor any other person occupy as tenant any part of the House in question, but that the room of which he claims to have been tenant, in fact contains much of the property seized in the above action, the title to which is in dispute between Thammeena Coondasawmy and the Defendant.

I am therefore convinced that this claim is a contrivance on the part of the Plaintiff to endeavor to possess himself of part of the property seized, and to leave me responsible for the consequences of giving it up - Under these circumstances I must decline giving up any part of the property seized in this action until the rights of the parties claiming shall be determined - And I further think it right to state that, if the course, which I have reason to believe is being pursued by the Plaintiff in this action, shall be persisted in, I shall be under the necessity of employing some other Attorney to protect my interests in the action brought against me by T. Condasamy, and in all other proceedings which may be instituted against me in respect of such seizure, and shall hold your Client the Plaintiff to his indemnity for all the consequences thereof. —

To The Sheriff of Madras

Sir With reference to your communication of yesterday's date in reply to mine of the 4th instant in the above Cause I have to inform you that the Defendants having arranged with the Plaintiff in an amicable manner and transferred the Meetah of Chunam Colum before the Collector of Chengleput and every steps necessary to be taken to confirm such transfer having been adopted and the Plaintiff having assumed possession of the Lands comprised in the said Meetah it is a matter of indifference whether your Seal is removed or continues on the Meetah. The Plaintiff having indemnified you he will take care no damage accrues. all that the Plaintiff requires is that the Bailiffs be withdrawn to Save Wages and Batta and I hereby give you notice on his behalfs that he will not consider himself liable to pay from the 9th Instant any Bailiffs Wages or Batta who may remain at Chunam Colum. It appears to the Plaintiff a matter strange and irreconcilable that the Bailiffs at Choonam Colum procured by you and entrusted with the Seal on a tree cannot remove it and return to Madras and that you must needs send a new Bailiff and put the Plaintiff to the additional expence of 40 Rupees Batta. If there were valuable property under Sequestration as Jewels furniture &c the Case would be different.

I beg to acknowledge the receipt of your letter of the 16th of January last enclosing Copy of a letter from J. A. Pudleston Esq. Collector of Madras and in reply to inform you that Annamali Naick died on the 24th of October 1841. That it having been proved to

to the satisfaction of the Court that the Defendants were the only legal personal Representatives of Annamali Naick deceased a Verdict was given in favor of the Plaintiff in proof of which I enclose a Copy of the Order for Judgment which I trust will satisfy the Collector of Madras that the Defendants alone and no others are the Representatives of the deceased Annamali Naick and besides this you must be aware that the other property mortgaged with the Malabar Deed of the 11th of July 1840. was seized and sold by you without any opposition by any person as heir or Representative of the said Annamali deceased. Should the Collector however require the proof made in Court to be adduced before him the Plaintiff will do so on being informed but to obviate all doubts and difficulties the Plaintiff will, should he be required to do so execute a Bond of Indemnity to the Collector to hold him harmless in regard to the payment to be made to you-

In reply to your letter to me of yesterday Accompanied by Copy of a notice to you from Mr. Branson on behalf of Cannacammall and her infant Son Veeraragavoo the infant Son and representative of Ramanoja Charry deceased, I beg to request you will be pleased

the rooms that are under lock in the house Seized herein, and if Canacamall Can point Out the Jewels to the amount of 10,000 Rupees which She Claims, you may remove your Seizure of the same—

It is denied that Canacamall and her Son reside in the house, Or that they have any sort of Claim or interest therein, and especially as to the undivided interest and Claim set up, with which moreover my Client Can in no way be affected as Mortgagee, in possession of Title Deeds from a party So ably Entitled, Or at least Competent to Mortgage, and without notice of the Claim now Set up— However if Canacamall Satisfies you as to the Claim of Jewels made, my Client will indemnify you respecting the other Claim, Should you think it necessary, but which I trust you will not require, Unless you Consider it imperative to do so before proceeding to a Sale, as my Client is at present absent from Madras, and I understand these Claims are set up at the instigation of the Defendant merely for the purposes of delay and from motives of Vexation, the more especially as after the Seizure made herein the Defendant himself proposed to the natives Officer who made the Seizure quietly to deliver possession of the house, for a Certain Consideration to be paid to him by the Plaintiff and to offer no Obstacles to the sale— and that Canacamall and her Son were not then residing in the house—

Sir

In Acknowledging the receipt of your letter to me of yesterday, with Copy of a notice received from Mr Branson on behalf of Simmadra Vathamall, I beg to State that the Plaintiff

is at present absent from Madras at a short distance and I have Submitted your letter to his agent, who informs me it is utterly untrue that any of the rooms Stated to be Occupied by the Said Simmadra Vathamall and upon which you have affixed your Seals Contains Deeds Jewels Securities for money and property belonging to her exceeding in Value the Sum of 80,000 Rupees And in point of fact that in no part of the house Can property to that Value be pointed Out, and if She Can do so you are at liberty to remove your Seizure therefrom— The Plaintiffs Agent is prepared to attend the Opening of the room Said to Contain the above Valuables Claimed by Vathamall, and to Examine into and part with all Such property as may not belong to the Defendant—

It Appears that both the rooms which were locked and upon which your Seals have been affixed, were in the use of the Defendant— I beg therefore you will Open them and take a list of the property that may be therein belonging to him and advertize and Sell them—

As to the Mortgage Set up by Vathamall, I will thank you require the same to be produced for your Satisfaction and mine— I Should Observe that the Verdict herein was Obtained and Mortgage granted by the Defendant to the Plaintiff dated 28th January 1838 of the House Seized herein, the Collectors Certificate to which I have already Sent to you and I Cannot therefore understand how Vathamall Can hold Another Mortgage from the Defendant himself, Or what document of Title Could have been deposited with her, and if Vathamall Cannot Satisfy you as to her Title I beg you will not unnecessarily require an indemnity from my Client, whose Mortgage holds as documents of Title, of nearly 40 years, Standing in the name of the Defendants father—
