On behalf of Mr. Thomas William Nailer I have to inform you that the Defendant mortgaged to him on the 27th of August 1844 a large three story House and Ground situate in Dundu Vencataramiah's Street in Peddoo Naicken Pettah in the Black Town of Madras No. 4 & 5, and it having been afterwards agreed between them that the Building mortgaged, should be pulled down and sold and proceeds carried to the credit of the Defendant a part of the Building was accordingly pulled down and, sold but the Defendant having commenced to sell some of the materials of the

of the said House without the knowledge of Mr. Nailer and to appropriate the proceeds to his own use, a Bill was filed and an Injunction obtained against the Defendant to restrain him from further waste a Copy whereof accompanies. I am informed that the Defendants residence is adjoining the said Three story House mortgaged to Mr. Nailer and that the Defendant has removed a great part of the materials thereof down of the said Three story House into his own residence and being unable to sell the said materials in consequence of the said Injunction has caused the Plaintiff to commence an action on a fictitious claim, and confessed the same and is now endeavouring to sell the said materials so removed into his residence under the execution in the said action. I am instructed to give you notice of the above facts and to request you will desist from a Sale of the said materials - Should you wish for your satisfaction to get a fuller account of the transactions between the Defendant and Mr. Nailer I will send you a Copy of the Affidavit of Mr. Nailer on which the Injunction was obtained. -

I understand you refuse to receive the Writs of Attachment herein, unless I pay your fees. If I were to do this I must pay all the other officers & I have not any) advance. neither has the next friend the means until the property is recovered. I undertook the suit from charitable motives & seeing that there was property of which the Infant had been, as it appeared to me & as is admitted by the Answers, improperly dispossessed. Of course if the property be recovered the costs will be paid; & we shall then all recover. but if you stop the proceedings by refusing to let them pass Gratis we shall all lose the costs & fees already incurred. I certainly understood that if the Registrar permitted paper to pass all the other officers acquiesced, altho' there is nothing binding on them beyond the recognized usage. I trust you will stop the Suit.

Yours faithfully.

I also beg to bring to your notice that it appears by an investigation which is now going on before the Police that Vencatasa asserts that a few days ago Pincapah Chitty put him in possession of the Keys of the Rooms seized by you as a security for a debt due to him by Pincapah Chitty. If therefore the object of the sequestration should be to give notice of the action brought by Vencatasa against Pincapah it is by Vencatasas own showing utterly useless.

The Interest of Pincapah Chitty in the property which is contained in the Rooms seized by you only extends to a portion of the Profits to be derived from the sale thereof. Should any arise which I am informed will not be the case, as the said Vencatasa well knows.

Mrs. Parkinson through whom I got the house says that she purchased Miss Hills furniture and therefore she is probably responsible for it. Received into the Honorable Company's Treasury from the Sheriff of Madras the sum of Company's Rupees Two thousand and five hundred (2,500) as a deposit to the Credit of the above Cause, pursuant to an order of the Supreme Court dated 13th June 1845 certified by the Accountant General on the 7th April 1846.

(Signed) S. D. Birch
Acting Sub Treasurer

To L. Cooper Esquire
Sheriff of Madras

Sir

Mrs Parkinson desired me to call on you regarding the Seizure and advertisement of the Sale of her Property; but as Writing on the Subject, can be better considered and acted upon, I take the liberty to address you on the Subject. I am informed that Mr. Jeremiah on behalf of his Client represented to you, that as the Sale of the Property to Mrs Parkinson took place after Judgment had been obtained by his Client against Miss Hill, that the Sale from Miss Hill to Mrs Parkinson is invalid, and therefore that he insists on the Sale of the Property Seized, "as the Property of Miss Hills" Mr. Jeremiah is certainly wrong in his representation - The fact is that a Client Monteapah obtained an Exparte Verdict on the 6th February last against Miss Hill for a Debt of Mr. A Montgomerie which he inveigled her to grant Notes of Hand in favour of Monteapah - Since which Verdict Monteapah arranged with his immediate Debtor Mr. A Montgomerie, and took his Bond for the amount, and Mr. A Montgomerie gave in the claim of the said Monteapah to Messrs Benny and Co. for payment, and sent word to Miss Hill to that effect and which Debt I believe would have been paid but for the Conveyance Paper being in the name

name of Mr. A Montgomeries Father who is in England, consequently a Power of attorney has been forwarded some time in last month by Messrs Benny & Co. for his signature to authorize them to dispose of the Securities - and owing to this delay, and to intimidate Miss Hill and induce her to send for Mr. Montgomerie and request him to arrange the matter with Monteapah, the combining Party have since caused the Bill of Costs to be taxed on the 24th March last, and entered up Judgment I believe on the 30th of the said Month and issued execution thereunder; of the fact of the conspiracy Mr. Jeremiah their attorney is aware of, and cannot conscientiously deny - Mr. A Montgomerie has also mentioned to a Gentleman attorney that if Miss Hill would but write a line to him to settle with Monteapah he would do so immediately; An attorney we are all aware is bound to follow the Instructions of his Client but he is not to lend himself to any improper act to oblige his Clients, if he does he is more culpable than his Client -

The following is a clear Statement of the matter as regards Mrs Parkinson which will Justify you I trust in removing your Seals forthwith, notwithstanding your being indemnified - Mrs Parkinson purchased the Property on the 6th March last upwards of 20 days previous to Judgment being entered up, or even Such entering up of Judgment was in Contemplation, for Mr. Montgomerie sent a Verbal message to Miss Hill that he had Settled with Monteapah by including the said amount and granting a Bond to Monteapah for the amount of his Debt, Consequently it is evident that all intention of entering up of Judgment was at an end - Monteapah and Mr. A Montgomerie are one, I mean that Monteapah is a perfect creature of Mr. A Montgomerie and Subservient to his Will all which Mr. Jeremiah is aware of: Mrs Parkinson was induced to purchase the articles from Miss Hill to assist her with means to put her Garden in order, Gravel the Walks and pay some trifling debts & for a certain other purpose unnecessary here to mention - and as Miss Hill was about giving up House Keeping owing to her being so cruelly robbed of all her Property, and had no other alternative, but to throw herself on the Protection of her Sister Mrs Parkinson, by coming to reside with her, the furniture of course was of no further use to her, consequently Mrs Parkinson purchased them for Rupees 180 to accommodate the Tenants - but I now find on a reference to our late mothers Will that the Property so Purchased by Mrs Parkinson and Seized by you "as the Property of Miss Hill" was merely left for her use during her life, and

and in case of her death the same to be equally divided between Mrs Parkinson and myself so that you will see that the property has in consequence now become doubly Mrs Parkinson's both by purchase and eventually as one of the Children of the testatrix, of course holding herself accountable to me for my Share should the event mentioned in the Will take place —

Having thus fully explained the matter I hope you will be pleased forthwith to remove your Seals from the Property and thereby save an action being brought for the Trespass so wantonly committed and a transaction altogether so nefarious —

Mr Jeremiah has a Copy of the Will alluded to, annexed to a Bill in Equity filed by me, Copy of which Bill he obtained from the Registrar's Office —

I thought yesterday that you were satisfied you ought to execute the Writs but I am informed that you have again called for Security I do not understand what the indemnity is to be about In both these Cases there were Verdicts exparte for the Plaintiff and consequently the Plaintiffs proved a legal title in themselves to the satisfaction of the Court The premises being at the time of actions brought vacant Copies of the

the Plaint were affixed upon them and it was open to all the world to defend It was proved that those Copies were afterwards taken away by Chengee Seeva Lall Lallah who if he supposed your assignment under his action could give any title had every opportunity of trying the question. I confess therefore that I do not understand what it is you require to be indemnified about and unless you satisfy me that there is reasonable ground for your application I shall advise my Client not to give you any indemnity and you will refuse to execute the Writs at your peril.

To Mr. Henry Crampton

Sir, In answer to your Letters of the 6th and 9th Instant I am

I am quite at a loss to know what reply I can give with reference to the subject matter of your Letter to my address of the 28th of May last written under representations stated to have been made to you by two persons namely one Khajeem Ally Khan and one Chait Ram as by your Letter appears nor do I see how I should be safe in delivering up any property said to be in my Office and to have been seized by a former Sheriff many many years ago, and who if I am correct in regard to the party who is supposed to have made the seizure has also been dead many years. Another difficulty likewise exists as to acknowledge and identity of the Parties in the Cause and who are their Representatives and what are the Papers and Documents claimed, and how can it be proved that those identical Documents and papers were those seized and that they still remain in the Office on which points I do not conceive any subsequent Sheriff can be compelled to give information such as might enable any third party to bolster up proofs which otherwise he might not be able to adduce.

Under any circumstances in such a state of affairs I do not consider that any Order could be obtained against me grounded on any satisfactory information to be laid before any Judge, or the Court, such as would induce the one or the other to grant an order against me for the delivery But I should indeed be glad if any such order could be obtained, as any parting with any Documents that may be

be found in the Office and such as might be correctly described in such order with the seal of the Court attached to it, would be all the indemnity or Justification that I could desire for parting with the same, either to the party named in the Order or his Attorney.

To Mr. Henry Crampton
Plaintiffs Attorney

Sir

I have to acknowledge the receipt of your letter of - yesterday in the above matter and in reply to state that the Order - obtained by you and referred to in your letter under reply does not - appear to me to be at all correct or regular according to the terms of the Charter to which I beg to refer you. It is true that orders for the - execution of mere serviceable process have been some times, tho' I submit improperly, issued in a form somewhat similars to the present but in cases of execution against the property or person the terms of the Charter should be strictly complied with and the order should - direct by what person or persons and in what manner such - process shall be executed and the terms and conditions which the party issuing the same shall enter into in order to prevent - any

any improper use or abuse of the process of the Court" In the order obtained by you the Sheriff is directed to issue his Warrant of Deputation to any - one of his Bailiffs or to any other fit and proper person to be named by the - plaintiff now who is to Judge of the fitness and propriety of the person so named. I imagine certainly not the plaintiff himself and if it be the Sheriff it is impossible for him to Judge whether a Native produced to him by the plaintiff and of whom he knows nothing whatever is or is - not a fit and proper person to be intrusted with the execution of a Writ involving the seizure and sale of property to the amount of between - two and three thousand Rupees at a distance of nearly 180 miles from - Madras and it would be imposing on the Sheriff a responsibility - which he is not called upon to incur - Moreover the Security ordered - to be taken is usually proportioned to the amount intended to be - levied such Security being solely for the protection of parties whose property might be illegally or improperly seized and not for that of the Sheriff who is expressly absolved by the Charter from all - responsibility In the present case the security ordered to be taken would appear to be very inadequate for such a purpose but I should not feel it my province to object to the order on that ground only if it were regular in other respects - I do not think these points can have been brought sufficiently to the notice of the Judge who made - the order which appears to have been made as one of course without - reference to the particular circumstances of the case - Should you - think it fit to make any application to His Lordship as far as - I am concerned I have to request you will shew him this letter - as containing my reasons for objecting to issue my Warrant - under the order as at present framed -

In reply to your letter of yesterday's date I have the honor to send you the form of the Bond hitherto taken in the Sheriff's Office on his granting his special Warrant for the execution of process beyond Madras, and with reference thereto should remark that the form hitherto used was not brought to the Notice of the present Deputy Sheriff until after the execution of the Bond now sent when he directed that such form should be discontinued for the future as quite inapplicable

inapplicable to the occasion, and made an alteration in pencil of what he considered to be something like the proper form.

I would also Venture to suggest that in all cases, except where their Lordships might see fit to dispense with it, the Bond should be a joint and Several Bond from the plaintiff and a Surety or Sureties as the importance of the case might require and that the same should be granted to some permanent Officer of the Court and not to the Sheriff who is merely a temporary one, the object being that the Court may have it in their power to order the Bond to be put in suit by their Officer for the benefit of any parties aggrieved.

I shall be obliged by your returning me the Bond now sent when you have done with it as it is an Original document.

From L. Cooper Esqre
Sheriff of Madras

To William A Serle Esqre
Receiver in the Cause of Homer dec'd &
Mercatomby Mercayer.

Sir, With reference to your Letter to my address of the 14th Instant I have the honor to inform you that my seals and Peons have been removed some days since, consequent on Notice from Mr. J. H. Hilkins on behalf of certain parties from the House No 65 situated at Moothi: alpettah in Moor street. and that I shall proceed to sell the right Title and Interest of Munna Bee in the Three other premises under seizure on Thursday next the 1st of October, when it will be open for you or those who instruct you to adopt any measures and against any parties you may think fit or be advised in regard thereto.

The assertions on your part are to the effect, that the property in question is partnership property of the parties in the cause of Homer dec'd & Mercatomby Mercayer with which consequently you claim a right to interfere. There are other parties claiming the right to those properties and distributive shares therein of a totally different nature to your claim and some who assume that certain rights in regard to the property have already been decided by competent authority. and as it is asserted on the part of Soobaroy the Plaintiff

Plaintiff in the Ir Ir case against Munna Bee that she has some right or interest in the properties in question as Sheriff I have no other duty open to me than that of disposing of the said right & interest for what it may realize, in doing which no party having a superior or a distributive interest can in any way be damnified, as far as the Sheriffs Acts may be concerned.

I have much pleasure in returning herewith the several Documents Vouchers and Papers kindly submitted for my inspection, together with the List which accompanied the same.

I have the honor to be
